Respected PLUM Committee Members,

Please ask yourselves why, at least so far, you have not made any changes to the proposed

PROCEDURES AND PROCESSES ORDINANCE

coming before you very soon, when you are surely aware that its new Zoning Code would put our local officials in 2nd place behind the un-elected Planning Department....if adopted.

O P P O S E!! This Ordinance!!

In Venice, the VSO has created far too many consequential negative community impacts!

We have done and prefer to continue the messy democratic processes according to our City's Charter.

Sincerely, indeed,
Ingrid Mueller
