**Comments for Public Posting:** While I think it's important to consider ADA requirements and ease of movement over sidewalks and through parking lots, I love what Al Fresco has added to my neighborhood (Los Feliz). We have beautiful weather in LA, why not continue to take advantage of it. I think outdoor entertainment shouldn't be a blanket banning but rather considered on a case by case basis. I also think a lot of neighborhoods would benefit from closing down side streets to allow for more Al Fresco and a more community minded atmosphere.
