

Communication from Public

Name:

Date Submitted: 03/21/2023 04:47 PM

Council File No: 23-0309

Comments for Public Posting: Councilmembers, I urge you to support this motion and take other actions to make the most of the precipitation we receive. We cannot depend on the continued availability of imported water and must do more to capture, store, and reuse local stormwater and minimize the amount that goes to the ocean. This motion will help to do so. Please also make water use sustainability projects a funding priority. Thank you, Ann Dorsey Northridge, CA 91325
