

MOTION

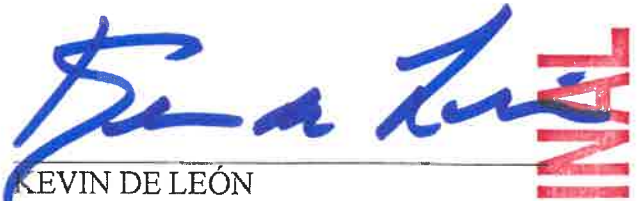

Brine Residential, L.P. (Sponsor), a California limited partnership, has requested that the City of Los Angeles (City) through the Los Angeles Housing Department (LAHD) issue Multifamily Housing Revenue Bonds, in the amount not to exceed \$32,264,000 to finance the new construction of the 97-unit multifamily housing development known as The Brine Residential (Project) located at 3016 N. Main Street in Council District 14. The Project will provide 96 units of affordable housing and one manager unit.

In accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and as part of the bond issuance process, LAHD conducted the required public hearing on September 26, 2024. Notice of the public hearing was published on September 19, 2024. LAHD is required to provide proof to the California Debt Limit Allocation Committee (CDLAC) that a TEFRA hearing has been conducted as part of the application process. The Sponsor has pledged to comply with all City and LAHD bond policies related to the work described in this Motion, including but not limited to payment of prevailing wages for labor and project monitoring with LAHD.

The City is a conduit issuer and is required by federal law to review and approve all projects within its jurisdiction and conduct a public hearing. The bond debt is payable solely from revenues or other funds provided by the Sponsor. The City does not incur liability for repayment of the bonds. To allow the bonds to be issued in accordance with CDLAC requirements, the Council should approve the minutes of the hearing and adopt the required Resolution (attached).

I THEREFORE MOVE that the City Council consider the attached results of the TEFRA public hearing held on September 26, 2024 for The Brine Residential and adopt the attached TEFRA Resolution to approving the issuance of bonds in an amount not to exceed \$32,264,000 for the new construction of a 97-unit multifamily housing development located at 3016 N. Main Street in Council District 14.
