Summary:

On January 22, 2025, your Transportation Committee considered a January 14, 2025 Resolution (Hutt – Blumenfield) relative to establishing an Overnight Parking District in the area bounded by Bronson Avenue, Venice Boulevard, 12th Avenue, South Norton Avenue, and West Washington Boulevard to address public nuisance problems. According to the Resolution, requiring the unarmed LADOT Traffic Officers to enforce a parking restriction between 2:00 am and 6:00 am in order to deter the criminal activities the parking-restriction is designed to address would likely subject the Traffic Officers to criminal assaults. After consideration and having provided an opportunity for public comment, the motion to recommend approval of the Resolution failed. This matter is now submitted without recommendation to the Council.

Respectfully Submitted,

Transportation Committee
