#### SUMMARY

At a regular meeting held on April 3, 2024, your Transportation Committee considered a Resolution (Hutt - McOsker) relative to prohibiting the parking of vehicles that are in excess of 22 feet in length or over 7 feet in height, during the hours of 2:00 a.m. to 6:00 a.m. along certain street segments in CD 10. According to the Resolution, there is an increased problem with oversized vehicles parking along numerous street segments in CD 10 where large vehicles are often parked overnight and constrict travel lanes, thereby creating dangerous situations.

After an opportunity for public comment was held, the Committee moved to approve the Resolution, as detailed above. This matter is now forwarded to City Council for consideration.

Respectfully submitted,
