**Date Submitted:** 09/17/2023 10:08 PM

**Council File No:** 22-0392

**Comments for Public Posting:** The Olympics coming to LA and we need a smart communication network that can instantly let people know about road closures, parking lots that are filled or at capacity, or gridlock. The proposed TCN program will be a valuable asset to help travelers stay informed. Please support this project.
