Demobilization Summary

- Every participant was successfully moved out of the LA Grand by June 28, 2024. The site is being cleaned and prepared to be returned to the owner. LAHSA operations are no longer needed at the site.
- In summary, the key factors for success were emphasis on timely and accurate data, open lines of communication between stakeholders, and early identification of any potential challenges.
- LAHSA would like to thank the Weingart Center Association, the Mayor's Office, the Los Angeles City Council, the Los Angeles County Department of Health Services, and all other stakeholders for their collaboration in making the LA Grand Demobilization a success.
