FY 20-21: Request for LBE- LBPP info sent to ~40 City Depts./ offices. This Report is as per responses received by 11/6/22; this page summarizes data provided by Depts. who submitted their FY 20-21 report as of that date. Note that 3 Depts. (FPP; Housing Auth; LACERS) have previously stated that they are exempt from the LBPP and therefore did not provide any data.					
Notes:					
A firm is credited as a LBE if certified by the City of LA, Bureau of Contract Administration on BAVN.					
For the purposes of this report, primes receive full contract credit for themselves if they are a certified LBE. In other words, if a prime is a LBE, their entire contract amount is counted towards LBE participation. However, the dollar amounts of their LBE subcontractors/ subconsultants (if any) are not counted toward LBE participation (to avoid double counting). Depts. shall still track all firms' statuses as LBEs though, whether prime or subcontractor/ subconsultant.					
A firm furnishing materials and/ or supplies is credited at 60 percent of the firm's dollar amount unless the firm manufactures or substantially alters the materials/ supplies.					
A firm acting as a broker (does not take possession of the materials/ supplies and/ or does not deliver them) is credited at the firm's commission rate/ fee.					
**Total Cost to the City to award to LBEs over non-LBEs" example- If after applying the LBPP, a Dept. awards a contract to a LBE whose bid is \$10,000 over a non-LBE whose bid is \$9,500, the Total Cost to the City to award to LBEs over non-LBEs is \$500 (\$10,000 - \$9,500).
