**Comments for Public Posting:** The Los Angeles Conservancy is a proud supporter of the proposed Historic-Cultural Monument designation for the Roz Wyman residence. The nomination shows that Wyman's legacy extends beyond her achievements on LA City Council to her enduring influence as a fundraiser, convener, and mentor to innumerable Democratic Party leaders. This residence was Wyman's hub of gathering and organizing for political causes. We thank Councilmember Yaroslavlsky for her leadership in initiating the nomination and OHR staff for preparing the nomination. We hope City Council take this opportunity to recognize this pathbreaking leader dedicated to opening doors not just for herself, but so many women who have followed her in footsteps.
