**Council File No:** 16-1104-S3

**Comments for Public Posting:** The problem with any effort to suppress nonconforming viewpoints is that the guardians of orthodoxy wrongfully presume their own infallibility. What now appears unorthodox or even false may later turn out to be both widely accepted and true. Orthodoxy, if left unchallenged, becomes merely a “dead dogma” rather than a living truth. Only by encountering alternative ideas does a doctrine, no matter how true, have any meaning or vitality.
