Subject: **RESOLUTION TO INITIATE PROCEEDINGS FOR THE 2025-26 PROPOSITION K ASSESSMENT**

### **SUMMARY**

In 1996, City voters adopted Proposition K: the L.A. for Kids Program. The measure provides \$25 million in assessment funds per year for 30 years for acquisition and capital improvements to parks, recreation, and community facilities serving youth citywide. The Landscaping and Lighting Act of 1972, which is the legal basis for Proposition K, requires that the City Council go through certain procedures to levy the assessment on an annual basis.

The first stage is for the City Council to adopt a Resolution to Initiate Proceedings. This Resolution instructs the City Engineer to present a report to the City Council which describes the improvements to be undertaken in the upcoming fiscal year. It is recommended that the Resolution to Initiate Proceedings be adopted so that the annual assessment process can begin. The attached resolution was approved by the L.A. for Kids Steering Committee at its meeting on August 29, 2024, for transmittal to the City Council.

After adoption of this Resolution, the City Council will have to take the following steps to levy the Proposition K assessment for fiscal year 2025-26: adopt an annual expenditure plan, adopt the City Engineer's report, adopt an Ordinance of Intention to Levy, hold a public hearing, and adopt an Ordinance Confirming the Assessment.

### **RECOMMENDATION**

ADOPT the attached Resolution to Initiate Proceedings for the 2025-26 Proposition K assessment which instructs the City Engineer to present a report to the City Council which describes the acquisition and capital improvements to parks and recreational and community facilities serving youth citywide to be undertaken in the upcoming fiscal year, pursuant to the Landscaping and Lighting Act of 1972.
