Comments for Public Posting: Improving the neighborhood: TVC is taking the lead on improving the Beverly Fairfax Area. Their plan looks beyond just the studio walls and helps create a more walkable, safe, and beautiful neighborhood. Commitment to community: TVC is committed to being a good neighbor. They support local community groups and even went so far as to rebuild the playground at Pan Pacific Park after it was vandalized. Listening to the Community: TVC held open houses, focus groups, and tours of the studio to keep the local community informed. They even revised the plan based on community feedback. TVC is the type of neighbor you want.
