City of Los Angeles City Council
200 N Spring St.
Los Angeles, CA 90012

Dear Los Angeles City Council Members,

I am writing to express support for measures that would ensure that public comment during City Council meetings does not permit profane language or actions that demean or show disrespect to another person. We support broad community participation in City Council proceedings. We understand City Council meetings are an essential platform for civic engagement, and maintaining a respectful and orderly environment ensures that *all* voices can be heard.

We respectfully encourage the Council to consider establishing and enforcing clear standards of decorum for public participation, with the aim of supporting constructive dialogue and inclusive access to the democratic process.

Sincerely,

A handwritten signature in black ink. The name 'Randi' is written in a cursive script, and 'Jones' is written in a more stylized, looped cursive script. A horizontal line extends from the end of the signature.

Randi Jones,

President of The Ebell of Los Angeles

Dear Los Angeles City Council Members,

I am a concerned citizen who is discouraged by the hateful language and disruptive conduct displayed by some members of the public during City Council Meetings. Their behavior creates a hostile environment that deters participation and undermines the purpose of these forums. Instead of dialogue and problem-solving, time is wasted on hate, chaos, disrespect, and division.

I urge Councilmembers to take action by setting and enforcing clear expectations for respectful dialogue and professional conduct. Our community deserves a public forum where everyone feels empowered to contribute, free from hostility and intimidation.

Sincerely,

Beth Kean

Dear Los Angeles City Council Members,

I am writing to express deep concern over the current state of City Council meetings. The atmosphere has become increasingly chaotic, with the use of profanity, slurs, and derogatory remarks—particularly those targeting racial groups and women. This behavior is unacceptable and should not be normalized in any public government setting.

City Council meetings are meant to be a space for civic engagement and constructive dialogue—not a platform for hate, harassment, and disruption. The toxic environment now present not only silences voices but deters many Angelenos from participating in the democratic process altogether.

I urge you to implement and enforce clear standards of respectful conduct during public meetings. We must ensure that our local government fosters inclusion, not intimidation—dialogue, not division.

Los Angeles deserves better.

Sincerely,

Emiliana Guereca

Comments for Public Posting: I support the Council's resolution prohibiting the use of the N-word and C-word, as well as the following guidelines: > No profanity or obscenity. > Refrain from personal threats or attacks. > Refrain from hateful epithets and demeaning language based on a person's race, religion, sexual orientation, ethnicity, gender, or disability. > No yelling or screaming. > Respect all people. It is crucial to have open and respectful dialogue of differing views to encourage participation in our public forums. As moderator of the Venice Moms group, a supportive online community with over 2000 members, I would like these meetings to be a safe space for adults and for children. Thank you all for your service! Regan Kibbee Venice Moms www.VeniceMoms.com
