A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at [empowerla@lacity.org](mailto:empowerla@lacity.org).

City Planning Number:

Agenda Date:

Item Number:

Summary: The North Westwood Neighborhood Council strongly supports the motion to establish Activation Zones throughout Los Angeles for the 2028 Summer Olympic and Paralympic Games. These Zones would allow all Angelenos—regardless of economic status or location—to experience Olympic events and activities in public spaces, ensuring that the Games are accessible to the entire City. Modeled after Paris 2024's "Clubs," Activation Zones would provide live screenings, athlete meet-and-greets, and cultural programming, extending the Olympic experience beyond the stadiums. Creating these Zones in every Council District will foster inclusivity, community engagement, and pride, while promoting

equitable access to public space. This initiative also aligns with the City's goals for future global events like the 2026 FIFA World Cup and NBA All-Star Game. Activation Zones would not only celebrate the Olympics but create lasting community hubs for future events and civic engagement. We urge the City Council to support this motion and begin identifying sites and funding sources for Activation Zones throughout Los Angeles, including in North Westwood, ensuring the 2028 Games are a shared celebration for all.
