Comments for Public Posting: I am writing to strongly support Los Angeles officially becoming a sanctuary city. Mass deportation plans that Donald Trump wants to enact will upend Angelenos lives, erode community trust, tear families and communities apart, and distract us from the real problems facing our city. Please approve this ordinance.

Comments for Public Posting: Time to make LA a sanctuary city, and fast! As Mayor Karen Bass said, “Immigrant protections make our communities stronger and our city better.”
