Comments for Public Posting: Dear Commissioners, I am writing to express my support for the findings outlined in the report, which fully justify the revocation of the Hi Lite Motel's permit. This action is essential to prioritize the safety and well-being of our community, particularly the children who live and attend school in this neighborhood. Every day, young students are forced to walk past this establishment on their way to and from school, exposing them to an environment that raises significant safety and ethical concerns. It is our responsibility to ensure that their daily routes are free from any potential threats or negative influences. The continued operation of this motel undermines these efforts and does not align with the standards we should uphold for our neighborhoods. I strongly urge the commission to uphold the findings of the report and proceed with revocation. The future of our community depends on decisions that prioritize the health, safety, and positive development of our children. Thank you for your attention to this critical matter.
