RE: Council File: 23-1264-S1 – Pro-Housing Neighbors Support District NoHo

Chair Harris-Dawson and Members of the PLUM Committee,

We urge your support of the District NoHo project (CPC-2019-7239-GPAJ-VZCJ-HD-SP-SN-BL) located at 11163-11347 and 11264-11280 West Chandler Boulevard; 11204-11270 West Cumpston Street; 5300-5320 North Bakman Avenue; and 5311-5373 and 5356-5430 North Lankershim Boulevard.

Abundant Housing LA (AHLA) is a grassroots nonprofit organization working to solve Southern California's housing crisis by advocating for more housing at all levels of affordability. AHLA envisions a Los Angeles County where everyone can find a home they can afford, that meets their needs, in their neighborhood of choice, and where we can live in sustainable and diverse communities. AHLA's Southeast San Fernando Valley Chapter is made up of pro-housing neighbors who recognize the urgent need to build housing and support more housing in their backyards.

The District NoHo project would result in a mixed-use development of 1,527 residential units (including 1,216 market-rate units and 311 affordable units), retail/restaurant uses, and office space, on a 16-acre site. The project would redevelop several vacant lots and an existing parking lot within the NoHo Arts District, adjacent to the Metro North Hollywood Station. This project has been on our radar for years and we are eager to see some positive change in our community. We applaud the applicant for proposing 25% affordable housing and thank Metro for the opportunity to build housing, especially housing near one of the busiest transit centers in the city. Given these reasons, we respectfully ask for your support for District NoHo as proposed.

Best Regards,

Jaime Del Rio
