**COMMUNITY IMPACT STATEMENT**

The Board of the Studio City Neighborhood Council (SCNC) opposes Council File 22-0151 and Council File 22-0532 which would both prohibit economical, clean burning Natural Gas vehicles, equipment and appliances. Other forms of clean-burning energy are not well enough established at this time to take this bold move at present and electricity is way too expensive for most consumers to use as an alternative.

Scott Mandell  
President,  
Studio City Neighborhood Council
