Dear LA City Council,

I am writing to express my deep concern regarding the persistent disruption of crucial council meetings and conversations. Specifically, I am troubled by the repeated instances of disruptive behavior, including the use of slurs, which occurred even during the swearing-in ceremony of a councilman. These actions are not only disrespectful but also effectively silence meaningful dialogue and prevent the council from conducting essential business. This pattern of disruption undermines the purpose of these meetings and wastes valuable time that should be dedicated to serving our community.

I urge Councilmembers to take action by setting and enforcing clear expectations for respectful dialogue and professional conduct. Our community deserves a public forum where everyone feels empowered to contribute, free from hostility and intimidation.

Sincerely,
Timothy Walker
