Comments for Public Posting: City Council shows its privilege by opting to move a censorship proposal regarding only two offensive epithets. If you're banning c- and n-words, why not also the f word, k word, s word, or t word? This motion is performative because it ignores other marginalized groups who are facing similar or worse discrimination and hate, namely LGBT, Jewish, Transgender, Mexican, Latine, AAPI... this is all from the County's Commission on Human Relation's Hate Crime Report from last year. Why allow slurs and epithets against THOSE marginalized communities, but not against only TWO groups, one of which isn't even ON the hate crime report (unless you're referring specifically to LGBT women, Jewish women, Transgender women, Mexican women, Latinas, AAPI women, etc.)... Notwithstanding the first amendment issue, this motion is discriminatory against other minorities who receive substantial hate.
