RE: COUNCIL FILE TRANSMITTAL

On October 25, 2023, the Public Works Committee considered a Motion (de León - Lee) relative to an implementation plan for the recommended Tier 1, Tier 2, and Tier 3 improvements outlined in the LA 2028 Legacy Streets Improvements Plan, Council file No. 20-1004-S1. After consideration, the Committee moved to replace the Motion's recommendations with the following:

1. INSTRUCT the Department of Public Works (DPW) to report to the Council within 90 calendar days with an implementation plan for the recommended Tier 1 and Tier 2 improvements outlined in the LA 2028 Legacy Streets Improvements Plan, identify improvements such as tree planting, sidewalk repair, bus shelters, and street lighting repair that can be folded into the city's annual work programs in order to complete the improvements by 2028, and resources needed to implement these improvements.
2. INSTRUCT the DPW and Los Angeles Department of Transportation to report to the Council in 90 days on the feasibility of implementing the Tier 3 improvements outlined in the LA 2028 Legacy Streets Improvements Plan, the resources needed to implement these improvements, and a grant application and funding strategy.

This file is now transmitted to the Transportation Committee and Ad Hoc Committee on the 2028 Olympics and Paralympic Games.

Michael Espinosa  
Legislative Assistant  
Public Works Committee
