2. ADOPT the accompanying Governing Body Resolution to designate the City entities that will apply for and manage Federal financial assistance provided by the United States Department of Homeland Security (DHS) and sub-granted through the State of California.
3. REQUEST the Mayor to report with the necessary actions to approve and accept the FY 2023 UASI award, once applications are evaluated and funding is allocated by the DHS, subject to Mayor and Council approval.

Summary:

On September 12, 2023, your Committee considered aa August 29, 2023 CAO report and June 23, 2023 communication from the Mayor relative to FY 2023 UASI grant application. According to the CAO, the Mayor's Office of Public Safety is providing notification to the City Council of the submission of the FY 2023 UASI grant with an estimated \$53,932,030 allocation and an anticipated grant period of September 1, 2023 through May 23, 2026. The Mayor is also requesting authority to adopt the Governing Body Resolution, which is provided as Attachment A to the CAO report. Detailed funding information for specific projects under the FY 2023 UASI grant is unknown at this time and the Mayor will release a separate report once the award notification is received. The DHS issued a solicitation for the FY 2023 UASI grant on August 29, 2023. The DHS awards funds to the State Administrative Agent, which is the Cal OES for the State of California, who in turns disperses the funds to the Urban Areas.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the August 29, 2023 CAO report, as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Public Safety Committee
