Summary: The Atwater Village Neighborhood Council supports this motion (CF-14-1635-S10) and the City's efforts to improve enforcement and transparency in the short-term rental market. The City of Los Angeles continues to experience a dire shortage of housing options at all levels, and lack of proper enforcement severely negatively impacts the community. It is imperative that the City protect tenants from operators of short-term rentals who do not conform to existing laws.
