**Comments for Public Posting:** I oppose the addition of 97 full sized digital billboards in Los Angeles. The Metro Board approved a Transportation Communications Network (TCN) project that would add 97 full-sized digital billboards at freeway intersections and major streets. In our neighborhood 3 of the signs would be located on the 101 in Cahuenga Pass, 2 on the 2 at San Fernando Rd., and 3 on Hollywood Blvd. Our city is already inundated with advertising on billboards, buses, buildings, benches, posters and more. Let's try and beautify our city and not add more commercial advertising.
