Summary: Granada Hills North Neighborhood Council recommends street vending permits for street vending, including sidewalk restaurant vendors, be approved only for street vending operations 300 feet or more from private residences and/or established restaurant businesses, required to pass health inspections, maintain health permits and pay taxes. GHNNC Advises: Our local businesses pay substantial operational costs in order to legally operate their businesses. Our local businesses contribute to our local economy. It is detrimental to their businesses to have street vendor and sidewalk vendor operations who pay nothing to our local community, the City of Los Angeles, or the State of California, within proximity of their businesses and disrupting local business patronage with low cost-tax free foods. GHNNC Advises: Trash left behind by street vendors and sidewalk restaurant vendors is attracting wildlife which feed on the trash and leave trash and their waste strewn around local neighborhoods. The taxpayers are paying for the cleanup behind the street vendors and sidewalk vendors who are bringing cash profits to themselves and not the local community. Thank you, The Board of Directors, Granada Hills North Neighborhood Council.
