3. AUTHORIZE the City Administrative Officer to make technical corrections and adjustments as necessary to those transactions included in this report to implement the City Council and Mayor intentions.

SUMMARY

The City Administrative Officer (CAO) requests authority to enter into and execute documents in connection with (a) the extension of the stated expiration dates of the irrevocable direct-pay letter of credit (LOCs) facilities supporting the Municipal Improvement Corporation of Los Angeles (MICLA) Lease Revenue Commercial Paper (CP) Notes Program (General CP Program) and (b) the extension of the stated expiration date of the irrevocable direct-pay LOC facility supporting the MICLA Lease Revenue CP Notes Program (Los Angeles Convention Center) (LACC CP Program). The General CP Program and the LACC CP Program are collectively referred to as the CP Programs. This Office recommends extending the stated expiration dates of the General CP Program's existing LOCs with Bank of America, N.A., (BANA), BMO Bank N.A. as successor in interest to BMO Harris Bank N.A. (BMO), and U.S. Bank National Association (US Bank), and extending the stated expiration date of the LACC CP Program's existing LOC with US Bank for three-year terms each as these banks offered the most favorable terms and rates based on the bids received through a Request for Proposals for bank credit products issued in January 2025.

Program	General CP Program			LACC CP Program
LOC Provider	BANA	BMO	US Bank	US Bank
CP Principal Amount	\$100 million	\$150 million	\$175 million	\$100 million
Proposed New LOC Initial Fee * (Per Annum)	0.39 percent	0.375 percent	0.35 percent	0.35 percent
Term	Three-years (through June 30, 2028)			

* As typical for LOC pricing, initial fees are subject to adjustment in certain circumstances (e.g. rating downgrades, events of default, etc. See Fee Letter with BANA, BMO, and US Bank in Attachment A and Fee Letter with US Bank in Attachment B.)

To proceed with the negotiation, execution, and delivery of certain agreements in connection with the extension of the stated expiration dates of the LOCs for the General CP Program, and in connection with the extension of the stated expiration date of the LOC for the LACC CP Program, the City Council and Mayor will need to adopt the Authorizing Resolutions (Attachments A and B), which incorporate various bank agreements and related documents for the CP Programs.

The MICLA Board of Directors is scheduled to consider and approve this matter on May 20, 2025 at its annual meeting. This transaction is expected to close prior to the expiration date of the current LOCs, which is on June 30, 2025. The extension of the stated expiration dates of the LOCs would become effective prior to July 1, 2025.

FISCAL IMPACT STATEMENT

There is no additional impact to the General Fund from the approval of the proposed recommendations as the 2024-25 Adopted Budget includes sufficient appropriations within the Capital Finance Administration Fund for costs associated with supporting the CP Programs, including, but not limited to, letter of credit fees, interest costs, CP dealer fees, and rating agency fees. Annual budget appropriations for the CP Programs will continue to be subject to City Council and Mayor approval.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City's Financial Policies in that all ongoing fees related to the CP Programs are paid with ongoing revenues.

DEBT IMPACT STATEMENT

In accordance with the City's Financial Policies, Debt Management Section, the maximum debt service payable in any given year may not exceed six percent of General Fund Revenues for non-voter approved debt. The proposed CP Programs will not cause debt service to exceed this limit as commercial paper is short-term debt and interest costs and LOC costs associated with supporting the CP Programs are included in the 2024-25 Adopted Budget, Capital Finance Administration Fund. Sufficient appropriations within the Capital Finance Administration Fund for costs associated with supporting the CP Programs over the term of the LOC facilities will be requested to be budgeted as part of the annual budget adoption process.

FINDINGS

1. Background – Municipal Improvement Corporation of Los Angeles

The Municipal Improvement Corporation of Los Angeles (MICLA) is a non-profit corporation established by the City in 1984 to assist in the financing of capital projects and capital equipment. MICLA is directed by a five-person board whose members are appointed by the board and confirmed by the City Council. MICLA serves as the lessor for bond and CP lease revenue transactions involving the City for the acquisition of capital equipment and the acquisition, construction, and capital improvements of real property. All MICLA financings require the approval of the MICLA Board of Directors.

2. Background – General CP Program

The General CP Program allows the City to access the financial markets quickly, to obtain flexible, short-term financing, to borrow only those amounts needed as invoices are received, and to borrow at short-term interest rates, thus reducing the cost of borrowing to the City. The General CP Program is useful for phased financing of construction projects or for staggered and uncertain capital equipment ordering, receipt, and payment.

CP is a short-term borrowing mechanism with maturities ranging from one to 270 days. Upon maturity, the CP notes are either remarketed (resold) in the market or refinanced into long-term bonds. Permanent longer-term financing, typically fixed-rate bonds, occur when projects are completed, when capital equipment has been received, or when the amount of outstanding CP notes approaches the maximum authorization, which for the General CP Program totals \$425 million. The long-term bond financing restores the borrowing capacity available under the General CP Program for additional capital equipment and real property projects. As of March 13, 2025, there were \$274.1 million of CP notes outstanding under the General CP Program.

3. Background - MICLA Commercial Paper Program (Los Angeles Convention Center)

The LACC CP Program was established on November 19, 2015 to provide financing for capital improvements at the Los Angeles Convention Center (LACC). The LACC CP Program is generally used to finance projects such as roof improvements, floor replacements, lighting replacements, and elevator and escalator upgrades. In addition, LACC CP was expended on pre-development activities for a proposed LACC expansion and modernization. The LACC CP Program maximum authorization is \$100 million. As of March 13, 2025, there were \$42.2 million of CP notes outstanding under the LACC CP Program.

4. Request for Proposals and Selection Process

The current LOCs with BANA, BMO, and US Bank that support the CP Programs will expire on June 30, 2025. In anticipation of the expiration of these LOCs, on January 9, 2025, the CAO posted a Request for Proposals (RFP) on the Regional Alliance Marketplace for Procurement (RAMP) website (RAMP ID No. 219180) for bank credit products to replace the existing LOCs. On January 29, 2025, the CAO received five proposals from the following five responding banks: BANA, BMO,

US Bank, JPMorgan Chase Bank, N.A., and PNC Bank, N.A. The proposals are valid through June 30, 2025. Proposals were evaluated by the CAO with the assistance of KNN Public Finance, LLC (KNN), the City's municipal advisor for this transaction. Respondents' proposals were evaluated based on their pricing and proposed terms.

This Office recommends extending the stated expiration dates of the General CP Program's existing LOCs with BANA, BMO, and US Bank, and extending the stated expiration date of the LACC CP Program's existing LOC with US Bank for three-year terms each. The General CP Program LOC to be provided by BANA is for \$100 million plus interest, with an initial LOC fee rate of 39 basis points (0.39 percent) per annum; BMO's LOC is for \$150 million plus interest, with an initial LOC fee rate of 37.5 basis points (0.375 percent) per annum; and US Bank's LOC is for \$175 million plus interest, with an initial LOC fee rate of 35 basis points (0.35 percent) per annum. The LACC CP Program's LOC to be provided by US Bank is for \$100 million plus interest, with an initial LOC fee rate of 35 basis points (0.35 percent) per annum.

5. CP Program Team

The team supporting the CP Programs consists of LOC providers, CP dealers, issuing and paying agent, and trustee. This team ensures ongoing access to the financial markets and enhances the marketability of the CP notes. LOC providers provide liquidity to the CP Programs. The LOCs are direct pay, which means that the banks pay the interest and principal due using the LOC and the City reimburses the banks by the close of business day. CP dealers sell and resell the CP notes. The current CP Dealers, which are expected to remain unchanged through the term of the proposed LOCs, are BofA Securities, U.S. Bancorp, and Ramirez & Co. (Minority Business Enterprise), for the General CP Program, and JP Morgan Securities and Morgan Stanley for the LACC CP Program. The issuing and paying agent and trustee, US Bank, which also remains unchanged through the term of the LOCs, facilitate the necessary transactions for CP issuance and payments as instructed by the City and MICLA. The respective CP Program teams, following the approval of the recommendations in this report, would be as follows:

CP Program	LOC Providers	CP Amount	CP Dealer	Issuing and Paying Agent/ Trustee
General	BANA	\$100,000,000	BANA Ramirez U.S. Bancorp	U.S. Bank
	BMO	\$150,000,000		
	US Bank	\$175,000,000		
LACC	US Bank	\$100,000,000	JP Morgan Morgan Stanley	

6. Transaction Team

The municipal advisor on this transaction, KNN, was previously approved by the City Council and Mayor to provide municipal advisory services for the City's debt management activities (C-133424). Note counsel, Hawkins, Delafield & Wood, LLP, and special tax counsel, Nixon Peabody, LLP, have been previously approved by the City Council and Mayor to provide bond, special tax,

disclosure and other related legal counsel services for the City's various debt programs (C.F. 22-0248).

7. Required Documents

To proceed with this transaction, the City Council and Mayor will need to adopt two resolutions which incorporates the following agreements and documents listed below. Such documents and agreements are largely consistent with the current CP Program documents, but have been amended to reflect the proposed pricing (included in the Fee Letters) and agreement terms (included in the Letter of Credit and Reimbursement Agreement and summarized in the Offering Memorandum). To conform with market convention the banks require the addition of two Event of Default provisions (see Section 6.1 of each bank's respective Reimbursement Agreement). The additional Event of Default provisions would be triggered if i) the City's lease obligation debt ratings fall below investment grade or are suspended or withdrawn and ii) the City incurs a non-appealable judgment obligation in excess of \$50 million payable from the General Fund that is not covered by insurance.

This Council hereby finds and determines that the Credit Facilities are expected to result in a lower cost of borrowing to the City during the extended terms thereof.

Section 5. MICLA has reauthorized and requested the City to act as the MICLA Agent in connection with the delivery of additional Credit Facilities or additional Alternate Credit Facilities under the Trust Agreement for the Commercial Paper Notes from time to time and/or extension of any existing Credit Facility and/or amendment of any existing Credit Facility to increase or decrease the maximum principal amount of Commercial Paper Notes supported by such Credit Facility, and to authorize any necessary designation of additional subseries of the Commercial Paper Notes (and any corresponding establishment of subaccounts with respect to such additional subseries) from time to time to facilitate such delivery or amendment, in support of a maximum \$425,000,000 aggregate principal amount outstanding at any time of Commercial Paper Notes, payable from base rental payments made by the City to MICLA pursuant to a sublease

Section 6. Section 2.2. Issuance of the Letter of Credit. The Bank will issue the Letter of Credit to the Issuing and Paying Agent on the Date of Issuance upon fulfillment of the applicable conditions precedent set forth in Section 3.1.

Section 2.3. Fees. MICLA hereby agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, a non-refundable Applicable Letter of Credit Fee at the times and in the amounts set forth in the Fee Letter. MICLA hereby agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, all other amounts set forth in the Fee Letter at the times and in the amounts set forth therein. The terms and provisions of the Fee Letter are hereby incorporated herein by reference as if fully set forth herein. All references to amounts or obligations due hereunder shall be deemed to include all amounts and obligations (including without limitation fees and expenses) under the Fee Letter.

Section 2.4. Payment of Amounts Drawn on Letter of Credit. (a) MICLA hereby agrees to pay or cause to be paid to the Bank an amount equal to that amount drawn on the Bank under the Letter of Credit pursuant to any Drawing with respect to the payment of accrued interest on maturing Commercial Paper Notes or, subject to the provisions of Section 2.5 hereof, any Drawing with respect to the payment of principal of maturing Commercial Paper Notes, on the same Business Day such drawing is honored.

(b) Any amount drawn under the Letter of Credit pursuant to a Drawing that is not repaid to the Bank when due as provided in clause (a) of Section 2.4 hereof, shall bear interest at the Default Rate until paid in full, payable on demand. Principal Advances, Term Loans and Default Advances shall be repaid to the Bank as provided in Sections 2.5 and 2.6 hereof.

(c) Any amount drawn under the Letter of Credit shall be noted by the Bank as principal due and owing on the grid attached to the Revolving Note pursuant to Section 2.11 hereof.

If the Bank shall make any payment under the Letter of Credit pursuant to a Drawing with respect to the payment of principal of maturing Commercial Paper Notes and the conditions precedent set forth in Section 3.2 hereof shall have been fulfilled, and MICLA (at its option) does not reimburse or cause to be reimbursed the Bank in connection therewith on the same Business Day, then such payment shall constitute a principal advance made by the Bank to MICLA on the date (the "*Principal Advance Date*") and in the amount of such payment (each such advance being a "*Principal Advance*" and, collectively, the "*Principal Advances*"). MICLA hereby agrees to pay or cause to be paid interest on the unpaid amount of each Principal Advance from the Principal Advance Date until such amount is repaid in full. Such interest shall be payable by MICLA monthly in arrears (based on a 365 day or 366 day year, as applicable and the actual days elapsed since the Principal Advance Date), on the first Business Day of each calendar month during the term of each Principal Advance and, with respect to any such amount repaid, on the date any such amount is repaid, at a rate per annum equal to the Principal Advance Rate.

Section 2.6. Conversion of Principal Advances to Term Loans; Term Loans; Default Advances. (a) Subject to the satisfaction of the conditions set forth in Section 3.2 hereof, any amount of a Principal Advance (but not a Default Advance) remaining unpaid by MICLA to the Bank under Section 2.5 hereof on the ninetieth (90th) day after the date on which such Principal Advance was made (the "*Term Loan Conversion Date*") shall be converted to a term loan (each, a "*Term Loan*" and, collectively, the "*Term Loans*").

(b) Subject to Section 2.7(c) hereof and Section 2.13 hereof, MICLA shall repay or cause to be repaid the principal amount of each Term Loan in installments as to principal, commencing on the first Quarterly Payment Date that is no less than ninety (90) days following the Term Loan Conversion Date and on each Quarterly Payment Date thereafter, and on the date which is the fifth (5th) anniversary of the applicable Term Loan Conversion Date. The principal amount of each Term Loan shall be amortized over such five (5) year period in equal quarterly installments of principal; *provided, however*, that the unpaid amount of each Term Loan shall be paid or caused to be paid by MICLA in each year only to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and to the extent not so repaid, such Term Loan shall be paid or caused to be paid by MICLA during each subsequent Base Rental Period, to the extent owed, to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for each such subsequent Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and such Term Loan shall continue to be an obligation of the City pursuant to the Sublease. MICLA may prepay or cause to be prepaid the outstanding amount of any Term Loan in whole or in part with accrued interest to the date of such prepayment on the amount prepaid. The amount of the Letter of Credit and the amounts available to be drawn thereunder by the Issuing and Paying Agent by any Drawing shall not be increased with respect to the conversion of a Principal Advance to a Term Loan. Each Term Loan shall bear interest at the Term Loan Rate, payable by MICLA quarterly in arrears on each Quarterly Payment Date during the term of such Term Loan and on the date on which the final installment of principal of the Term Loan is payable.

(c) If (i) the Bank shall make any payment under the Letter of Credit pursuant to a Drawing with respect to the payment of principal of maturing Commercial Paper Notes and the conditions set forth in Section 3.2 hereof shall not have been fulfilled, and MICLA fails to reimburse or cause to be reimbursed the Bank in connection therewith, (ii) the Bank shall have made a Principal Advance to MICLA and such amount remains outstanding on the Stated Expiration Date, (iii) the Bank shall have made a Principal Advance to MICLA and the conditions set forth in Section 3.2 hereof shall not have been fulfilled on the Term Loan Conversion Date or (iv) an Event of Default shall have occurred while any Principal Advance remains outstanding, such payment or Principal Advance shall constitute a default advance (and not a Principal Advance) made by the Bank to MICLA from and after the date and in the amount of such payment under the Letter of Credit or such other date on which any event described in clauses (i), (ii), (iii) or (iv) above shall occur (each such default advance being a “*Default Advance*” and, collectively, the “*Default Advances*”). MICLA hereby agrees to pay or cause to be paid to the Bank (i) interest at the Default Rate on any amount of the Default Advance remaining unpaid by MICLA to the Bank from the date of such Default Advance until payment in full, payable in arrears, upon demand, and (ii) the unpaid amount of each Default Advance immediately upon demand by the Bank but if no demand is made, then on each Quarterly Payment Date in an amount equal to the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such quarterly period (taking into consideration all amounts then due and payable under any Notes); *provided, however*, that the unpaid amount of each Default Advance shall be paid or caused to be paid by MICLA in each year only to the extent of the available Maximum Base Rental for (and in any event only to the extent

of the then available fair rental value of) the Components subject to the Sublease for such Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and to the extent not so repaid, such Default Advance shall be paid or caused to be paid by MICLA during each subsequent Base Rental Period, to the extent owed, to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for each such subsequent Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and such Default Advance shall continue to be an obligation of the City pursuant to the Sublease.

Section 2.7. Prepayment of Principal Advances or Term Loans; Reinstatement of Letter of Credit Amounts. (a) MICLA may prepay or cause to be prepaid the amount of any Principal Advance or Term Loan outstanding in whole or in part with accrued interest to the date of such repayment on the amount prepaid. Any prepayment in part under this Section 2.7(a) shall be applied by the Bank against each such Principal Advance or Term Loan, as the case may be, in the order in which each such Principal Advance or Term Loan, as the case may be, was made.

(b) Any prepayment made under Section 2.7(a) hereof shall be applied by the Bank as a reimbursement of the related Drawing (and as a prepayment of the Principal Advance or Term Loan, as the case may be, resulting from such Drawing) and, in the case of a prepayment of a Principal Advance, MICLA irrevocably authorizes the Bank to reinstate the amount available to be drawn under the Letter of Credit by the amount of such prepayment; *provided, however*, that the Issuing and Paying Agent shall not deliver any Commercial Paper Notes (the aggregate principal and interest of which is payable from the amount of the Letter of Credit so reinstated) for sale or otherwise until the Letter of Credit has been reinstated pursuant to the terms of this Agreement and the Letter of Credit. The amount of the Letter of Credit and the amounts available to be drawn thereunder by the Issuing and Paying Agent by any Drawing shall not be increased with respect to repayments of Term Loans or Default Advances, unless otherwise agreed to by the Bank.

(c) In the event that the Issuing and Paying Agent delivers any Commercial Paper Notes while any Principal Advance or Term Loan or any portion of any Principal Advance or Term Loan remains unpaid, MICLA shall apply the proceeds of any such Commercial Paper Notes to the prepayment of such outstanding Principal Advance or Term Loan, as the case may be. Any prepayment in part under this Section 2.7(c) shall be applied against each such Principal Advance or Term Loan, as the case may be, in the order in which each such Principal Advance or Term Loan, as the case may be, was made.

Section 2.8. Increased Costs; Capital Adequacy. (a) If the Bank or any Participant Bank shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty, regulation, policy, guideline, supervisory standard or directive of, or any change in the interpretation, implementation, or administration thereof by, any Governmental Authority (in each case, whether or not having the force of law), or compliance by the Bank or any Participant Bank with any request by or directive of any Governmental Authority (in each case, whether or not having the force of law), including but not limited to any such law, rule, regulation, policy, guideline, standard, directive, interpretation, application or promulgation implementing, invoking or in any way related to any provision of the Dodd-Frank Wall Street Reform and Consumer

Protection Act (or any other statute referred to therein or amended thereby), regardless of the date enacted, adopted or issued, or any rules, guidelines, standards, policies, regulations, or directives promulgated by the Basel Committee on Banking Supervision or the Bank for International Settlements (or any successor or similar organizations), regardless of the date enacted, adopted or issued, shall:

(i) change the basis of taxation of payments to the Bank or such Participant Bank of any amounts payable hereunder or under the Revolving Note or the Fee Letter (except for taxes on the overall net income of the Bank or such Participant Bank); or

(ii) impose, modify or deem applicable any reserve, liquidity, capital or liquidity ratio, special deposit, insurance premium, fee, financial charge, monetary burden or similar requirement against funding any Drawing under the Letter of Credit or maintaining the Letter of Credit, or making any Advance under, or complying with any term of, this Agreement, or against assets held by, or deposits with or for the account of, the Bank or such Participant Bank; or

(iii) impose on the Bank or such Participant Bank any other condition, expense or cost regarding this Agreement, the Revolving Note, any Drawing or Advance, or the Letter of Credit;

and the result of any event referred to in clause (i), (ii) or (iii) above shall be to increase the cost to the Bank or such Participant Bank of funding any Drawing under the Letter of Credit or maintaining the Letter of Credit, or making any Advance under, or complying with any term of, this Agreement or the Letter of Credit or to reduce the amount of any sum received or receivable by the Bank or such Participant Bank hereunder or under the Revolving Note or the Fee Letter (each such instance, referred to individually herein as a "*Reduction in Amount*" and, collectively as "*Reductions in Amount*"), then MICLA shall pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, at such time and in such amount as is set forth in paragraph (c) of this Section 2.8, such additional amount or amounts as will compensate the Bank or such Participant Bank for such increased costs or Reductions in Amount.

The Bank or Participant Bank (as the case may be) shall use commercially reasonable efforts to provide to MICLA, as soon as reasonably practicable after a Responsible Officer (as hereinafter defined) has actual knowledge that the Bank or Participant Bank (as the case may be) has determined to demand additional compensation under this Section 2.8(a) and the amount thereof, written notice of the occurrence or expected occurrence of any event referred to in clause (i), (ii) or (iii) above, setting forth in reasonable detail the amount or amounts of such additional compensation (such notice, a "*Yield Protection Demand Notice*") and the date or anticipated date upon which the Bank or Participant Bank is demanding or expects to make such demand upon MICLA. Subject to the third full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit (the date of such payment and termination, the "*Termination Date*"), then MICLA shall not be obligated to pay, from Additional Rental paid by the City under the Sublease, any compensation set forth in such Yield Protection Demand Notice for any increased costs or Reductions in Amount incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the

Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Yield Protection Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof. As used in this provision, “*Responsible Officer*” means the officer of the Bank to whom notices to the Bank are required to be addressed under Section 8.2 hereof.

Notwithstanding the foregoing, a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Yield Protection Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(a). Additionally, nothing set forth in this Section 2.8(a) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i), (ii) or (iii) of this Section 2.8(a).

(b) If the Bank or any Participant Bank shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty, regulation, policy, guideline, supervisory standard or directive of, or any change in the interpretation, implementation, or administration thereof by, any Governmental Authority (in each case whether or not having the force of law), or compliance by the Bank or any Participant Bank with any request by or directive of any Governmental Authority (in each case, whether or not having the force of law), including but not limited to any such law, rule, regulation, policy, guideline, standard, directive, interpretation, application or promulgation implementing, invoking or in any way related to any provision (as now or hereafter amended) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) or any rules, guidelines, standards, or directives promulgated by the Basel Committee on Banking Supervision or the Bank for International Settlements (or any successor or similar organizations), shall impose, modify or deem applicable any capital (including but not limited to contingent capital or liquidity) adequacy, reserve, insurance, liquidity or similar requirement (including, without limitation, a request or requirement that affects the manner in which the Bank or any Participant Bank allocates capital or liquidity resources or reserves to its commitments) that either:

(i) affects or would affect the amount of capital or liquidity or reserves to be maintained by the Bank or such Participant Bank, or

(ii) reduces or would reduce the rate of return on the Bank’s or such Participant Bank’s capital or liquidity or reserves to a level below that which the Bank or such Participant Bank could have achieved but for such circumstances (taking into consideration the policies of the Bank or such Participant Bank with respect to capital or liquidity adequacy or the maintenance of reserves), then,

the Bank or Participant Bank (as the case may be) shall use commercially reasonable efforts to provide to MICLA, as soon as reasonably practicable after its Responsible Officer (as hereinafter defined) has actual knowledge that the Bank has determined to demand additional compensation for such reduction under this Section 2.8(b) and the amount thereof, written notice of the occurrence or expected occurrence of any event referred to in clause (i) or (ii), setting forth in reasonable detail the amount or amounts of such additional compensation (such notice, a “*Capital*

or Liquidity Adequacy Demand Notice”) and the date or anticipated date upon which the Bank or Participant Bank is demanding or expects to make such demand upon MICLA. Subject to the third full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit, then MICLA shall not be obligated to pay any compensation set forth in such Capital or Liquidity Adequacy Demand Notice for any such reduction incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Capital or Liquidity Adequacy Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof.

Notwithstanding the foregoing, (i) a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Capital or Liquidity Adequacy Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(b). Additionally, nothing set forth in this Section 2.8(b) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i) or (ii) of this Section 2.8(b).

(c) All payments of amounts referred to in this Section 2.8 shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA; *provided that*, subject to the following proviso, any increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within one hundred twenty (120) calendar days of the date the Bank or the Participant Bank, as applicable, makes demand therefor on MICLA; *provided further* that to the extent a particular amount of increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount is expected to be an ongoing obligation of MICLA (referred to herein as “*Recurring Increased Costs*”) as determined by the Bank or the Participant Bank, as applicable, in a written notice from the Bank or the Participant Bank, as applicable, to MICLA, then after the first payment of such Recurring Increased Costs pursuant to the immediately preceding proviso, subsequent payments of such Recurring Increased Costs shall be due and payable, from Additional Rental paid by the City under the Sublease, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA or on such recurring payment date as otherwise agreed to in writing by the Bank and MICLA.

The amounts demanded in the respective Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, as applicable, are intended to compensate the Bank or Participant Bank, as applicable, for such increased costs or Reductions in Amount incurred by the Bank or such Participant Bank as a result of any event referred to in subsections (a) or (b) above. Any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in

Amount pursuant to this Section 2.8 submitted by the Bank or any Participant Bank to MICLA shall be conclusive as to the amount thereof absent manifest error.

MICLA shall not be required to compensate the Bank or any Participant Bank pursuant to this Section 2.8 in respect of a period occurring more than six (6) months prior to the date the above-described written demand is given to MICLA with respect thereto (the “*Cut-Off Date*”), except where (i) the Bank or Participant Bank, as applicable, had no actual knowledge of the action resulting in such increased costs, increased capital or liquidity or Reduction in Amount, as applicable, as of the Cut-Off Date or (ii) such increased costs, increased capital or liquidity or Reduction in Amount apply to the Bank or Participant Bank retroactively to a date prior to the Cut-Off Date.

In making the determinations contemplated by any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, the Bank or Participant Bank may make and shall include in such notice such reasonable estimates, assumptions, allocations and the like that the Bank or Participant Bank in good faith determines to be appropriate. For purposes of this Section 2.8, the term “Bank” or “Participant Bank” as applicable, shall also include any entity controlling the Bank or Participant Bank or the holding company thereof. For purposes of the immediately preceding sentence, “controlling” means the power to direct the management and policies of the Bank, directly or indirectly, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract or otherwise. The obligations of MICLA under this Section 2.8 shall survive the termination of this Agreement, the Letter of Credit and repayment of all Obligations hereunder and under the Fee Letter.

(d) Notwithstanding anything to the contrary in this Section 2.8, in the event the Bank grants any participation to any Participant Bank pursuant to Section 8.7(b) hereof, neither MICLA nor the City shall have any obligation to pay amounts pursuant to this Section 2.8 in an amount greater than that which it would have been required to pay if the Bank had not granted such participation.

Section 2.9. Payments and Computations. (a) MICLA shall make or cause to be made each payment hereunder representing reimbursement pursuant to Section 2.4 hereof to the Bank of the amount drawn on the Bank pursuant to a Drawing made under the Letter of Credit not later than 1:00 P.M., Los Angeles time (4:00 P.M. New York City time), on the day when due. MICLA shall make or cause to be made all other payments hereunder and/or under the Fee Letter not later than 10:00 A.M., Los Angeles time (1:00 P.M. New York City time), on the day when due. All payment made by MICLA under this Agreement and the Fee Letter shall be made in lawful money of the United States of America to the account of the Bank by wire in accordance with Section 2.9(d) hereof in immediately available funds; *provided, however*, that whenever any payment hereunder or under the Fee Letter shall be due on a day that is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day, and any interest payable thereon shall be payable for such extended time; and *provided, further* that MICLA shall be permitted to make any payment pursuant to the Fee Letter in next day funds if such payment is made (i) on the Business Day immediately preceding the date on which such payment would

otherwise have been due and (ii) in an amount equal to the amount that would have been required to have been paid had the payment not been made in next day funds in reliance upon this proviso. Payment received by the Bank after the applicable time set forth in this Section 2.9 shall be considered to have been made on the next succeeding Business Day. Solely upon the written request of MICLA, the Bank shall provide to MICLA a written statement describing in reasonable detail the basis for any computation of any payment to be made hereunder or under the Fee Letter. Computations of the Base Rate, the Principal Advance Rate, the Term Loan Rate and the Default Rate hereunder shall be made by the Bank on the basis of a year of 365 days or 366 days, as applicable, for the actual number of days elapsed.

(b) All payments hereunder and under the Fee Letter will be made without counterclaim, setoff, condition or defense free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction, taxing authority or taxing jurisdiction in which the Bank or any Participant Bank is organized, has its principal place of business, is managed and controlled or from which or through payments to or from the Bank or such Participant Bank are made (each, a “*Taxing Jurisdiction*”), but excluding any tax imposed on the overall net income of the Bank or such Participant Bank pursuant to the laws of the jurisdiction (or any political subdivision or taxing authority thereof or therein) in which the principal office of the Bank or such Participant Bank is located) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being hereinafter referred to as “*Taxes*”)); *provided, however*, that if the Bank or any Participant Bank, as the case may be, is not organized under the laws of the United States or a state thereof, MICLA shall have no liability with respect to any Taxes which are imposed on the Bank or any such Participant Bank pursuant to the laws of the Taxing Jurisdiction in which the principal office of the Bank or such Participant Bank is located unless (i) the Bank or such Participant Bank is entitled to the benefits of an income tax treaty with the United States that provides for an exemption from United States withholding tax on interest and other amounts payable to the Bank or such Participant Bank, as the case may be, pursuant to the terms of this Agreement, the Revolving Note and any other Related Document, or (ii) all interest and other amounts payable to the Bank or such Participant Bank pursuant to the terms of this Agreement, the Revolving Note or any other Related Documents will be effectively connected with the conduct by the Bank or such Participant Bank of a trade or business within the United States. If any Taxes are so levied or imposed, MICLA agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, on demand the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under the Fee Letter, under the Revolving Note or under any Related Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein, in the Fee Letter, in the Revolving Note or in such Related Document. MICLA will deliver to the Bank within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by MICLA. To the extent permitted by law, MICLA will indemnify and hold harmless the Bank or such Participant Bank and reimburse the Bank upon written request, from Additional Rental paid by the City under the Sublease, for the amount of any Taxes so levied or imposed and paid by the Bank or such Participant Bank.

(c) Unless otherwise provided herein, amounts not paid when due shall bear interest at the Default Rate and shall be payable upon demand of the Bank.

(d) Payments under this Agreement and/or the Fee Letter shall be made to the Bank by wire transfer of immediately available funds as follows: Bank of America, N.A., ABA #: 026009593, A/C# 4535-883980, Reference: Letter of Credit No. 68126140, or such other account as the Bank may designate from time to time in writing.

Section 2.10. Extension of Stated Expiration Date; Reduction in Stated Amount.

(a) *Extension of Stated Expiration Date.* On the 2025 Extension Date, the Stated Expiration Date shall be June 30, 2028; *provided* that such date shall be subject to extension at any time following the then scheduled Stated Expiration Date, as set forth below and in the Letter of Credit. At least 90 days but not more than 180 days prior to the Stated Expiration Date, MICLA and the City may request in writing that the Bank extend the Stated Expiration Date for an additional term of one year or such other period as the parties may agree by delivery to the Bank of a Request for Extension. Within 30 days of the date of any such Request for Extension, the Bank will notify MICLA and the City in writing of the decision by the Bank in its absolute discretion whether to extend for such additional period, the Stated Expiration Date for purposes of this Agreement and the Letter of Credit, including in such notice the extended Stated Expiration Date and the conditions of such consent (including conditions relating to legal documentation and the consent of the Issuing and Paying Agent). If the Bank does so agree to extend, the Bank shall deliver an executed Notice of Extension to the Issuing and Paying Agent. If the Bank shall not so notify MICLA, the Bank shall be deemed to have denied any such extension.

(b) *Decrease in Stated Amount.* MICLA and the City may elect to decrease the Stated Amount of the Letter of Credit from time to time prior to the Stated Expiration Date by delivery of a Request for Decrease in Stated Amount to the Bank, upon receipt of which the Bank will notify the Issuing and Paying Agent by means of a notice in the form attached to the Letter of Credit as Annex E, thereby decreasing the Stated Amount, all as set forth in the Letter of Credit. Upon such decrease, the Stated Amount of the Letter of Credit shall not be less than the sum of (i) the face value of all discount Commercial Paper Notes and (ii) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof.

Section 2.11. Evidence of Debt; Revolving Note. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of MICLA resulting from each Drawing under the Letter of Credit and from each Advance and Term Loan made from time to time hereunder and the amounts of principal and interest payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations of MICLA therein recorded. To evidence the indebtedness of MICLA due and owing to the Bank under this Agreement with respect to amounts drawn under the Letter of Credit, MICLA will issue the Revolving Note, substantially in the form of Exhibit B attached hereto, to the Bank on the Date of Issuance. The Bank shall note on the grid attached to the Revolving Note principal amounts owing to the Bank, and the maturity schedule therefor pursuant to Sections 2.5 and 2.6 respecting

outstanding Advances and Term Loans with interest until payment in full pursuant to the terms of the Revolving Note.

Section 2.12. Obligations Absolute. The obligations of MICLA under this Agreement and the Fee Letter shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms thereof, under all circumstances whatsoever, including without limitation the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment to, waiver of or consent to departure from any provision of, this Agreement or any of the Related Documents;
- (c) the existence of any claim, set-off, defense or other right which MICLA or the City may have at any time against the Trustee, the Issuing and Paying Agent, any Dealer, the Bank (other than the defense of the payment to the Bank in accordance with the terms of this Agreement), any beneficiary or any transferee of the Letter of Credit (or any person or entity for whom any such beneficiary or any such transferee may be acting) or any other Person, whether in connection with this Agreement, any Related Document or any unrelated transaction;
- (d) any demand, statement or any other document presented under the Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (e) any non-application or misapplication by the Issuing and Paying Agent of the proceeds of any drawing under the Letter of Credit;
- (f) payment by the Bank under the Letter of Credit to the person entitled thereto against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit; or
- (g) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Nothing contained in this Section 2.12 shall operate to prevent MICLA or the City from bringing a cause of action against the Bank for any liability it may incur as a result of the Bank's gross negligence or willful misconduct as and to the extent provided in Section 8.5 hereof.

Notwithstanding the foregoing, the obligations of MICLA under this Agreement are a special obligation of MICLA payable solely from the Pledged Property. To the extent the City pays any obligation of MICLA under this Agreement, such payment shall be deemed to be payment by MICLA of such obligation.

Section 2.13. Termination; Acceptance of Alternate Credit Facility. MICLA may terminate the Letter of Credit prior to the Stated Expiration Date by (i) (A) delivering to the Issuing

and Paying Agent an Alternate Credit Facility in substitution for the Letter of Credit in accordance with the terms and conditions of Trust Agreement and causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex C to the Letter of Credit or (B) -causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex D to the Letter of Credit in accordance with the terms and conditions of Trust Agreement, as applicable; and (ii) delivering written notice to the Bank not less than thirty (30) days prior to the substitution date or termination date, as applicable. On or prior the date, if any, on which an Alternate Credit Facility is substituted for the Letter of Credit, MICLA hereby agrees to pay, or cause to be paid, to the Bank all unpaid Obligations including, without limitation, any Advance or Term Loan and all amounts owing on the Revolving Note, at or prior to the time of such termination. Notwithstanding the foregoing, MICLA shall have no obligation to provide the written notice described in clause (ii) of this Section 2.13 if (x) the termination of the Letter of Credit shall occur within the thirty (30) days preceding the Stated Expiration Date or (y) if the Letter of Credit is terminated or replaced as a result of (1) a withdrawal, suspension or reduction of the Bank's senior unsecured short-term ratings below "P-1", "F1" or "A-1", respectively, by Moody's, Fitch or S&P, (2) the payment in full or refunding of the Commercial Paper Notes with long-term debt that does not require a letter of credit, liquidity facility or credit enhancement and is not a direct purchase by a bank or other financial institution or (3) the Bank having imposed increased costs upon MICLA and the City pursuant to Section 2.8 hereof.

Section 2.14. Pledge by MICLA. To provide security to the Bank for the payment by MICLA of the Obligations and any and all amounts now or hereafter owing to the Bank under this Agreement, the Revolving Note and the Fee Letter, MICLA has pledged to the Bank the Pledged Property pursuant to the Trust Agreement and as evidenced by the Assignment Agreement.

Section 2.15. Maximum Interest Rate; Payment of Fee. If the rate of interest payable hereunder shall exceed any maximum interest rate permitted by law for any period for which interest is payable, then (i) interest at such maximum interest rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) such maximum interest rate (the "*Excess Interest*"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed such maximum interest rate, at which time MICLA shall pay or cause to be paid to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal such maximum interest rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the termination of, this Agreement, in consideration for any limitation of the rate of interest which may otherwise be payable hereunder, MICLA shall pay or cause to be paid to the Bank a fee equal to the amount of all unpaid deferred Excess Interest (the "*Termination Fee*"); *provided* that the Termination Fee shall be payable as and to the extent that the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Components subject to the Sublease for such Base Rental Period exceeds the sum of all other Reimbursement Obligations remaining unpaid hereunder and the amount of interest accruing on the Commercial Paper Notes during such Base Rental Period. MICLA hereby represents and warrants that the obligations of MICLA under the

Revolving Note and all other Reimbursement Obligations hereunder are not subject to any limitation as to maximum interest rate.

Section 2.16. Adjustment of Base Rental Payments. (a) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, the City and MICLA shall increase the amount of the Base Rental Payments payable under the Sublease for the Property for each Base Rental Period to the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Property for the Components subject to the Sublease for such Base Rental Period, as it may be re-determined in accordance with subsection (b) below.

(b) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, unless the Sublease has terminated in accordance with its terms, the City and MICLA agree, at the Bank's sole written request, from time to time (but not more than once in any twelve month period), to determine or cause to be determined, the Maximum Base Rental for one or more Components for each Base Rental Period based on the then fair rental value for such Components for each Base Rental Period. Such determination shall be by any method that the Bank may reasonably request, subject to the reasonable approval of such method by the City, MICLA and bond counsel, including a Class C appraisal conducted by an employee of the City and shall be at the sole expense of the City and MICLA; *provided, however*, that in no event shall the newly determined Maximum Base Rental for one or more Components for each Base Rental Period cause bond counsel to advise that its opinion on the validity or enforceability of the Sublease may no longer be relied upon. In addition, the City and MICLA agree to extend the term of (i) the Site Lease in accordance with Section 4 thereof and (ii) the Sublease in accordance with Section 2.2 thereof, if, on the stated expiration thereof, any amounts remain owing to the Bank hereunder or under any of the other Related Documents.

Section 2.17. Electronic Transmissions. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, instructions, consents, waivers and all documents relating to the Letter of Credit which are sent to the Bank by electronic means and such communication shall have the same legal effect as if written and shall be binding upon and enforceable against the City and/or MICLA. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that it receives original documents prior to acting on such electronic transmission; *provided, however*, that the presentation of draw certificates under the Letter of Credit will be governed by the Letter of Credit.

ARTICLE III

The obligation of the Bank to issue the Letter of Credit was subject to the fulfillment of the conditions precedent set forth in Section 3.1 of the Existing Agreement on or before the Date of Issuance in form and substance and in a manner satisfactory to the Bank. The obligation of the Bank to issue the 2025 Notice of Extension is subject to the fulfillment of the following

conditions precedent on or before the 2025 Extension Date in form and substance and in a manner satisfactory to the Bank:

(a) The Bank shall have received:

(i) Certified copies of the resolutions of MICLA and the City approving this Agreement, the Fee Letter and the other matters contemplated hereby and thereby, and all other documents, including records of proceedings of MICLA and the City, instruments, governmental approvals, third party approvals and opinions as the Bank and its counsel may reasonably request evidencing any other necessary action.

(ii) A certificate of MICLA and the City stating the names and true signatures of the officers of MICLA and the City authorized to sign this Agreement, the Fee Letter and the other documents to be delivered by MICLA and the City hereunder.

(iv) A certificate of the City setting forth the Maximum Base Rental for each Component subject to the Sublease for each Base Rental Period for the remaining term of the Sublease.

(v) Certificates of MICLA and the City stating that (A) on the 2025 Extension Date, no event has occurred and is continuing, or would result from the issuance of the 2025 Notice of Extension, which constitutes an Event of Default or would constitute an Event of Default but for the requirement that notice be given or time elapse or both, and that (B) on the 2025 Extension Date and after giving effect to the issuance of the 2025 Notice of Extension, all representations and warranties of MICLA and the City contained herein or otherwise made in writing in connection herewith shall be true and correct in all material respects with the same force and effect as though such representations and warranties had been made on and as of such time.

(vi) An opinion of the City Attorney of the City, as counsel to MICLA, in form and substance satisfactory to the Bank and its counsel, and addressed to the Bank.

(viii) Such other documents, certificates, opinions, approvals and filings with respect to the Related Documents and this Agreement as the Bank may reasonably request.

(b) All other legal matters pertaining to the execution and delivery of this Agreement and the 2025 Notice of Extension shall be reasonably satisfactory to the Bank and its counsel.

(c) MICLA shall have made payment to the Bank of all amounts due on the 2025 Extension Date under Section 8.6 hereof.

Upon issuance of the 2025 Notice of Extension by the Bank, all conditions precedent contained in this Section 3.1 shall be deemed to have been met or waived by the Bank.

Section 3.2. Conditions Precedent to Each Credit Event. As a condition precedent to the occurrence of each Credit Event hereunder, including the initial Credit Event, the following conditions shall be satisfied on the date of such Credit Event:

(a) no Event of Default shall have occurred and be continuing; and

(b) the representations and warranties made by MICLA and the City in Article IV hereof (other than in Sections 4.1(g) and 4.2(g) hereof) shall be true and correct in all material respects on and as of such date, as if made on and as of such date.

On the occurrence of each Credit Event, MICLA shall be deemed to have represented and warranted that the foregoing conditions precedent have been satisfied.

Section 3.3. Tier One Stop Issuance Instructions; Tier One Final Drawing Notice; Tier Two Termination Notice; New Tier Two Termination Notice. (a) Commercial Paper Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the terms of and subject to the conditions set forth in the Trust Agreement and the Issuing and Paying Agent Agreement so long as (i) the Issuing and Paying Agent is not in receipt of a Tier One Stop Issuance Instruction then in effect given by the Bank pursuant to this Section 3.3 or Section 6.2 hereof and not rescinded and (ii) the Issuing and Paying Agent is not in receipt of a Tier One Final Drawing Notice in the form attached hereto as Exhibit E-2. Upon the Issuing and Paying Agent's receipt of a Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the one hundred twentieth (120th) day (or such earlier day as may be provided in Section 3.3(c) following the date of delivery of such Tier Two Termination Notice) (the "Tier Two Termination Date") and on the Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the Tier Two Termination Date. Upon the Issuing and Paying Agent's receipt of a New Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the earlier of (i) the fifteenth (15th) day

following receipt of the New Tier Two Termination Notice or (ii) any existing Tier Two Termination Date (the earlier of such dates, the “New Tier Two Termination Date”). On the New Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date.

(b) The Bank may deliver a Tier One Stop Issuance Instruction at any time when: (i) an Event of Default shall have occurred and be continuing; or (ii) the conditions precedent to the occurrence of a Credit Event set forth in Section 3.2 have not been satisfied. The Bank may deliver the Tier One Final Drawing Notice in the form of Exhibit E-2 at any time when an Event of Default shall have occurred and be continuing. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice shall be effective when received by the Issuing and Paying Agent; *provided, however*, that a Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice in writing shall not render such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice ineffective. The Bank will furnish a copy of any Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice to MICLA, the City and the Dealer(s) promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice.

(c) The Bank may deliver a Tier Two Termination Notice in the form of Exhibit F hereto at any time when it has been determined by the Bank in its sole and absolute discretion that the Bank is unable to comply with any of the Specified City Provisions as a result of (i) any change in the Bank’s policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions after the 2025 Extension Date. A Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) shall be effective when received by the Issuing and Paying Agent; *provided, however*, that a Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. Notwithstanding the foregoing, in the event any monetary or civil penalties are imposed on the Bank as a result of its inability to comply with one or more provisions of the Specified City Provisions as a result of (i) any change in the Bank’s policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions, as applicable, after the 2025 Extension Date, then upon the Bank’s delivery of a New Tier Two Termination Notice in the form of Exhibit G hereto setting forth a New Tier Two Termination Date (which may be sooner than the original Tier Two Termination Date, but in any event not sooner than the earliest to occur of (a) the 15th day following the Issuing and Paying Agent’s receipt of the New Tier Two Termination Notice, or (b) the original Tier Two Termination Date), the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit on

such New Tier Two Termination Date to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date. A Tier Two Termination Notice or New Tier Two Termination Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier Two Termination Notice or New Tier Two Termination Notice in writing shall not render any such notice ineffective. The Bank will furnish a copy of any Tier Two Termination Notice or New Tier Two Termination Notice to MICLA, the City and the Dealer promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier Two Termination Notice or New Tier Two Termination Notice. Notwithstanding any provisions of this paragraph to the contrary, in the event (1) MICLA and the City provides a waiver or exemption to the Bank which states that the Bank (x) is not required to comply with the Specified City Provisions, as applicable, (y) is not in violation of the Specified City Provisions, as applicable and/or (z) is not required to satisfy any monetary or civil penalties imposed on the Bank related to the Specified City Provisions, as applicable, and (2) the Bank receives a City Attorney's opinion or other opinion of counsel satisfactory to the Bank confirming the foregoing, the Bank shall immediately rescind the Tier Two Termination Notice or New Tier Two Termination Notice, as applicable, and such Tier Two Termination Notice or New Tier Two Termination Notice shall no longer be effective.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. City Representations and Warranties. The City represents and warrants that, as of the date on which this Agreement is executed and as may be required by Section 3.2 hereof, as applicable:

(a) *Existence.* The City is validly existing as a municipal corporation organized and existing under its charter and the laws of the State, with full right and power to own its properties and to carry on its affairs as now being conducted and to execute, deliver and perform its obligations under this Agreement and each other Related Document to which it is a party.

(b) *Authorization; Contravention.* The execution, delivery and performance by the City of this Agreement and the other Related Documents to which it is a party (i) are within the City's powers, (ii) have been duly authorized by all necessary action and require no further consent or action by or in respect of, or filing with, any governmental body, agency, official or other Person, in each case required as of the date this representation is made and (iii) do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, writ, determination, award, decree or material instrument binding upon the City or by which the City or its properties may be bound or affected, or result in the creation or imposition of any lien or encumbrance on any asset of the City (other than pursuant to such enumerated documents). The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of the City, any

agreement relating thereto, or any other contract or agreement (including its charter) that limits the amount of, or otherwise imposes restrictions on, the incurring of obligations of the City that would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which the City is a party each constitutes a valid, binding and enforceable agreement of the City, subject to bankruptcy, insolvency, moratorium and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against municipal corporations in the State.

(d) *No Default.* It is not, in any material respect, in breach of or default under (i) its organizational documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the transactions contemplated hereby or by the other Related Documents, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party, (y) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City or (z) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of the City, threatened against or affecting, the City before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse decision which could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party, (y) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party or (iii) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City.

(f) *No Sovereign Immunity.* The City does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

(g) *Incorporation of Representations and Warranties by Reference.* As of the 2025 Extension Date, the City hereby makes to the Bank the same representations and warranties made by the City as are set forth in the Related Documents (other than this Agreement) to which it is a party, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to the Related Documents (other than this Agreement) to which it is a party shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the consent of the Bank.

(h) *No Proposed Legal Changes.* To the knowledge of the City Administrative Officer, there is no amendment, or no proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect (i) the execution and delivery of this Agreement or the other Related Documents to which the City is a party, or (ii) the performance by the City of its obligations under this Agreement or the other Related Documents to which the City is a party.

(i) *Offering Memorandum.* The information contained in the Offering Memorandum under the caption “CITY OF LOS ANGELES” does not contain any untrue statement of any material fact.

(j) *Title to Property; Sublease.* The City has good and marketable fee simple title to all of the Components, subject only to Permitted Encumbrances. The Sublease is in full force and effect. The City, as lessee under the Sublease, is in peaceable possession of the Property. No waiver, indulgence or postponement of any of the City’s obligations under the Sublease has been granted by MICLA. There exists no event of default or event, occurrence, condition or act that, with the giving of notice, the lapse of time or the happening of any further event or condition, would become a default under the Sublease.

(k) *Disclosure.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no fact known to the City, as of the date this representation is made, that would have a material adverse effect on (i) the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party or (ii) the enforceability or validity of any of the Related Documents.

(l) *Financial Information.* The consolidated statement of financial position of the City as of the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, fairly present the financial condition of the City as at such date and the results of the operations of the City for the period ended on such date, all in accordance with GAAP consistently applied, and since the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, there has been no change in the business,

financial condition, results of operations, or prospects of the City which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(m) *Legal Matters.* The City is in material compliance with all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction over the City, non-compliance with which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party. No part of the proceeds of Drawings under the Letter of Credit will be used to violate Sanctions.

(n) *Essentiality.* The Property is an essential asset of the City necessary for the operations of the City and/or to serve the needs of the residents of the City. The City believes that at all times while any Rental Payments or any obligation of the City under the Related Documents remains unpaid, the Property will remain an essential asset of the City.

(o) *Fair Rental Value.* The total Rental Payments for the Property do not exceed the fair rental value of the Property. In making such determination of fair rental value, consideration has been given to the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.

(p) *Anti-Terrorism Laws.*

(i) To the knowledge of the City, the City is not in violation of any Laws relating to terrorism or money laundering ("*Anti-Terrorism Laws*"), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the "*Executive Order*"), and the Patriot Act;

(b) *Authorization; Contravention.* The execution, delivery and performance by MICLA of this Agreement, the Revolving Note and the other Related Documents to which it is a party (i) are within MICLA's powers, (ii) have been duly authorized by all necessary action and require no further consent or action by or in respect of, or filing with (except as has previously been made), any governmental body, agency, official or other Person, in each case required as of the date this representation is made and (iii) do not violate or contravene, or constitute a default under, any provision of applicable law, articles of incorporation, bylaws, ordinance or regulation or of any material agreement, judgment, injunction, order, writ, determination, award, decree or material instrument binding upon MICLA or by which MICLA or its properties may be bound or affected, or result in the creation or imposition of any lien or encumbrance on any asset of MICLA (other than pursuant to such enumerated documents). MICLA is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of MICLA, any agreement relating thereto, or any other contract or agreement (including its articles of incorporation and bylaws) that limits the amount of, or otherwise imposes restrictions on, the incurring of obligations of MICLA that would materially and adversely affect the ability of MICLA to perform its obligations hereunder or under any other Related Documents to which it is a party.

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which MICLA is a party each constitutes a valid, binding and enforceable agreement of MICLA, subject to bankruptcy, moratorium, insolvency and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases.

(d) *No Default.* . It is not, in any material respect, in breach of or default under (i) its articles of incorporation or its bylaws or other similar documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the issuance of debt securities by it, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of MICLA to perform its obligations hereunder or under any other Related Documents to which it is a party, or (y) cause a material adverse effect upon the enforceability against MICLA or validity of this Agreement or any other Related Document to which MICLA is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of MICLA, threatened against or affecting, MICLA before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse decision which could reasonably be expected to (i) materially and adversely affect the ability of MICLA to perform its obligations hereunder or under the Related Documents to which it is a party or (ii) cause a material adverse effect upon the enforceability against MICLA or validity of this Agreement or any other Related Document to which MICLA is a party.

(f) *No Sovereign Immunity.* MICLA does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

(g) *Incorporation of Representations and Warranties by Reference.* As of the 2025 Extension Date, MICLA hereby makes to the Bank the same representations and warranties made by MICLA as are set forth in the Related Documents (other than this Agreement) to which it is a party, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to the Related Documents (other than this Agreement) to which it is a party shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the consent of the Bank.

(h) *No Proposed Legal Changes.* To the knowledge of the Treasurer of MICLA, there is no amendment, or no proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to

materially adversely affect (i) the execution and delivery of this Agreement, the Fee Letter or the other Related Documents to which MICLA is a party, or (ii) the performance by MICLA of its obligations under this Agreement or the other Related Documents to which MICLA is a party.

(i) *Offering Memorandum.* The information contained in the Offering Memorandum under the caption “MUNICIPAL IMPROVEMENT CORPORATION OF LOS ANGELES” does not contain any untrue statement of any material fact.

(j) *Title to Property.* MICLA has good and marketable leasehold title to all of the Components pursuant to the Site Lease. The Site Lease is in full force and effect. MICLA, as lessee under the Site Lease, is in peaceable possession of the Property, subject to the City’s use, occupancy and possession of the Property as lessee under the Sublease. No waiver, indulgence or postponement of any of MICLA’s obligations under the Site Lease has been granted by the City. There exists no event of default or event, occurrence, condition or act that, with the giving of notice, the lapse of time or the happening of any further event or condition, would become a default under the Site Lease.

(k) *Disclosure.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no fact known to MICLA that would have a material adverse effect on (i) the ability of MICLA to perform its obligations hereunder or under the other Related Documents to which it is a party or (ii) the enforceability or validity of the Trust Agreement or any of the other Related Documents.

(l) *No Maximum Rate of Interest.* The obligations of MICLA under the Revolving Note and all other Reimbursement Obligations hereunder are not subject to any limitation as to maximum interest rate.

(m) *Legal Matters.* MICLA is in material compliance with all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction over MICLA, non-compliance with which would materially and adversely affect the ability of MICLA to perform its obligations hereunder or under any other Related Documents to which it is a party.

(n) *Pledged Property.* The Trust Agreement creates a valid pledge of the Pledged Property as security for the punctual payment and performance of the obligations of MICLA under this Agreement and under the Revolving Note.

(o) *Anti-Terrorism Laws.*

(i) To the knowledge of MICLA, MICLA is not in violation of any Anti-Terrorism Laws, including the Executive Order and the Patriot Act;

(i) as promptly as available (and in any event within 270 days following the end of each Fiscal Year of the City), the complete Annual Comprehensive Financial Report (“ACFR”) of the City, certified as to the fairness of presentation and conformity with GAAP by a recognized firm of independent certified public accountants;

(ii) concurrently with the delivery of each ACFR pursuant to Section 5.1(a)(i) above, a certificate from a City Representative certifying that such City Representative has no knowledge of any event which constitutes a Default or an Event of Default that has occurred and is continuing and a certificate from a MICLA Representative certifying that such MICLA Representative has no

knowledge of any event which constitutes a Default or an Event of Default that has occurred and is continuing;

(iii) within ninety (90) days of proposal or adoption (as the case may be) of the most recently proposed or adopted annual operating budget of the City (as the case may be) with respect to the City's General Fund, evidence that such annual operating budget with respect to the City's General Fund includes therein as a separate line item all Minimum Required Rental Payments and Additional Rental due during such period, if not otherwise paid from capitalized interest funded by proceeds of the Commercial Paper Notes; and

(iv) such other information respecting the affairs, conditions and/or operations, financial or otherwise, of the City or MICLA, as the Bank may from time to time reasonably request.

All factual information hereinafter delivered by MICLA or the City in writing to the Bank will be, to the knowledge of the authorized person delivering such information after reasonable inquiry, accurate and complete in all material respects on the date as of which such information is certified.

(b) *Amendments to Related Documents.* Without the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed, or except as may be permitted in any Related Document, MICLA and the City will not agree or consent to any amendment, supplement, waiver or modification of any provision of any Related Document to which MICLA or the City is a party.

(c) *Incorporation of Covenants by Reference.* MICLA and the City each agrees that it will perform and comply with each and every covenant and agreement required to be performed or observed by it in the Related Documents to which it is a party, which provisions, as well as related defined terms contained herein, are hereby incorporated by reference herein with the same effect as if each and every such provision were set forth herein in its entirety. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Agreement, such provision shall be complied with only if it is waived or consented to by the Bank and such document, opinion or other instrument shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank.

(d) *Issuing and Paying Agent.* MICLA and the City will at all times have an Issuing and Paying Agent performing the duties thereof contemplated by the Trust Agreement and the Issuing and Paying Agent Agreement.

(e) *Dealer.* MICLA and the City will at all times have one or more Dealers reasonably acceptable to the Bank performing the duties thereof contemplated by the Trust Agreement and the Dealer Agreements.

(f) *Outstanding Commercial Paper Notes Plus All Interest to Accrue Thereon Not to Exceed Stated Amount; No Issuance after Receipt of Tier One Stop Issuance Instruction or Tier One Final Drawing Notice.* (i) MICLA will instruct the Issuing and Paying Agent not to authenticate or deliver any Commercial Paper Note if, immediately after the authentication and delivery of, and receipt of payment for, such Commercial Paper Note, the sum of (x) the face value of all discount Commercial Paper Notes and (y) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof, would exceed the Stated Amount.

(ii) MICLA will not instruct the Issuing and Paying Agent to authenticate or deliver any Commercial Paper Note if (x) the Issuing and Paying Agent has received a Tier One Stop Issuance Instruction, unless and until such Tier One Stop Issuance Instruction is rescinded, or (y) the Issuing and Paying Agent has received a Tier One Final Drawing Notice.

(g) *Defaults.* MICLA and the City will promptly (and in any event within ten Business Days after becoming aware thereof) notify the Bank of the occurrence of any Event of Default, specifying the details of such Event of Default and, to the extent a determination has been made, the action that MICLA proposes to take with respect thereto.

(h) *Books, Records.* MICLA and the City will permit, during normal business hours and from time to time, upon reasonable prior notice, the Bank or any of its agents or representatives to examine and make copies of and abstracts from the records and books of account of MICLA and the City, respectively (except records and books of accounts the examination of which by the Bank is prohibited by law), and to discuss the affairs, finances and accounts of MICLA and the City with any representative or any other appropriate officer of MICLA and the City or MICLA's or the City's independent public accountants.

(i) *Other Obligations.* MICLA and the City will each comply with and observe all other material obligations and requirements set forth in the Trust Agreement and each other Related Document to which it is a party (including without limitation all provisions therein for the benefit of the Bank) and in all laws, statutes and regulations binding upon it, noncompliance with which would materially adversely affect MICLA's or the City's ability to perform its respective obligations under the Commercial Paper Notes, this Agreement, the Fee Letter or any of the other Related Documents.

(j) *Litigation; Material Change.* MICLA and the City shall promptly notify the Bank of (i) the existence and status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, or (ii) the occurrence of any other event or change which could have a material adverse effect on (A) the ability of MICLA or the City to perform their respective obligations hereunder or under the other Related Documents or (B) the enforceability or validity of the Trust Agreement or any of the other Related Documents.

(k) *Repayment of Drawings.* On and after the date of any Drawing on the Letter of Credit, MICLA will use its best efforts to cause the Dealer(s) to sell Commercial Paper Notes as soon as practicable and to use the proceeds of the sale of such Commercial Paper Notes to repay such Drawing.

(l) *Obligations under Related Documents.* MICLA and the City shall take all actions as may be reasonably requested by the Bank to enforce the obligations under the Related Documents of each of the other parties thereto.

(m) *Replacement of Certain Entities.* MICLA shall obtain the prior written consent of the Bank to the replacement of the Issuing and Paying Agent or any Dealer, which consent shall not be unreasonably withheld or delayed. (n) *Limitation on Voluntary Liens.* MICLA and the City shall not create a pledge, lien or charge on any part of the Pledged Property, other than the lien in favor of holders of the Commercial Paper Notes and the Bank. MICLA and the City shall not create a pledge, lien or charge on any part of the Property other than Permitted Encumbrances. The City and MICLA covenant (i) to keep the Components and all parts thereof free from judgments, and materialmen's and mechanics' liens, claims, demands, encumbrances, liabilities and other liens of whatever nature or character, which, in each case, might hamper the City in utilizing the Components; and (ii) promptly, upon request of the Bank, to take such action from time to time as may be reasonably necessary or proper to remedy or cure any cloud upon or defect in the title to the Components or any part thereof, whether now existing or hereafter developing, to prosecute all actions, suits, or other proceedings as may be reasonably appropriate for such purpose.

(o) *City and MICLA to Maintain Existence.* MICLA agrees that it will maintain its existence as a California nonprofit public benefit corporation. The City agrees that it will maintain its existence as a municipal corporation under its charter and the laws of the State.

(p) *Further Assurances.* The City and MICLA will execute, acknowledge where appropriate, and deliver from time to time promptly at the request of the Bank all such instruments and documents as in the opinion of the Bank are reasonably necessary or desirable to carry out the intent and purposes of this Agreement.

(q) *No Impairment.* The City and MICLA will not take any action, or cause or permit the Trustee or the Issuing and Paying Agent to take any action, under the Trust Agreement, the Sublease or any other Related Document inconsistent with the rights and remedies of the Bank under this Agreement.

(r) *Lease Payments.* The City and MICLA will not issue or authorize the issuance of any obligation payable from the Rental Payments (as defined in the Sublease) due under the Sublease other than the Notes.

(s) *References to the Bank.* The City and MICLA will not include in any official statement, offering memorandum, or private placement memorandum any information concerning the Bank (other than identifying the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property) that is not supplied in writing, or otherwise consented to in writing, by the Bank expressly for inclusion therein, or make any changes in reference to the Bank in any revision of the Offering Memorandum without the Bank's prior written consent thereto, which consent shall not be unreasonably withheld or delayed; *provided* that, without the prior written consent of the Bank, the City and MICLA may identify the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property, in other disclosure documents of the City or MICLA, so long as no other information relating to this Agreement, the Fee Letter or the Bank is disclosed in such offering documents without the prior written consent of the Bank.

(t) *Title Insurance.* The City and MICLA shall, during the term of the Sublease (including any extension of the initial term thereof), cause each of the Components to be covered by a CLTA leasehold policy (10-21-87) of title insurance insuring the Trustee and naming the Bank as an additional insured as its interests may appear, in an amount not less than the aggregate principal amount of the Funding Commitments (as defined in the Trust Agreement), subject only to such exceptions as shall be acceptable to the Bank, with such endorsements and affirmative coverages as may be reasonably required by the Bank (with timely notice), including endorsements regarding zoning and access to public roads, and otherwise in form and substance satisfactory to the Bank and its counsel and issued by an insurance company acceptable to the Bank and its counsel and authorized to issue such insurance in the State of California.

(u) *Maintenance of Insurance.* Throughout the term of the Sublease, the City shall maintain or cause to be maintained insurance and/or a program of self-insurance or alternative risk management in the manner and in form and substance as required by Section 4.3 of the Sublease.

(v) *Covenants and Legal Duties.* Subject to Section 3.1(g) of the Sublease, the City agrees to include all Minimum Required Rental Payments and Additional Rental due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all such Minimum Required Rental Payments and Additional Rental, and for all Minimum Supplemental Rental Payments, if any, subject to Section 3.5 of the Sublease. The covenants on the part of the City herein contained and in the Sublease shall be deemed to be and shall be construed to be duties imposed by law, and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance, of the official duty of such officials to enable the City to carry out and perform such covenants and agreements.

(w) *Use of Proceeds.* The proceeds of Drawings made under the Letter of Credit will be expended solely to pay the principal of and interest on maturing Commercial Paper Notes and not in violation of any Sanctions.

(x) *Ratings.* The City shall give written notice to the Bank as soon as practicable of the increase, decrease, withdrawal or suspension of any rating maintained by any Rating Agency in respect of its unenhanced Lease Obligation Debt, unless such rating is terminated due to the payment in full of such Lease Obligation Debt; provided that the requirement to provide such notice shall be satisfied if such information is publicly available on the Electronic Municipal Market Access system maintained by the Municipal Securities Rulemaking Board.

(y) *Voluntary Rent Abatement.* Except as required by law and the terms of the Sublease, the City shall not seek or assert a claim for abatement of any of the Rental Payments under the Sublease.

(f) MICLA or the City shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of its or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall declare a debt moratorium or comparable extraordinary debt restriction, or shall take any action to authorize any of the foregoing;

(l) the long-term unenhanced rating by Moody's, Fitch, S&P or Kroll on any Lease Obligation Debt shall be withdrawn, suspended or otherwise unavailable for credit related reasons or reduced below "Baa3" (or its equivalent), "BBB-" (or its equivalent), "BBB-" (or its equivalent) or "BBB-" (or its equivalent), by Moody's, Fitch, S&P or Kroll, respectively.

Section 6.2. Upon an Event of Default. If any Event of Default shall have occurred and be continuing, the Bank may, by notice to MICLA and the Issuing and Paying Agent, (i) give notice of such Event of Default to the Issuing and Paying Agent (which notice shall constitute a "Tier One Stop Issuance Instruction") the effect of which shall be to prohibit, until such time, if any, as the Bank shall withdraw (in writing) such Tier One Stop Issuance Instruction, the issuance of additional Commercial Paper Notes, reduce the Stated Amount of the Letter of Credit to the principal amount of the then Outstanding Commercial Paper Notes supported by the Letter of Credit and interest payable thereon at maturity of such Commercial Paper Notes and/or terminate and/or permanently reduce such Stated Amount as the then Outstanding Commercial Paper Notes are paid, (ii) issue the Tier One Final Drawing Notice (the effect of which shall be to cause the Letter of Credit Termination Date of the Letter of Credit to occur on the fifteenth (15th) day after the date of receipt thereof by the Issuing and Paying Agent and to instruct the Issuing and Paying Agent to make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes which are then outstanding and are maturing or are thereafter to mature), (iii) declare the Revolving Note, in whole or in part, all or some Advances and Term Loans, as well as any other Reimbursement Obligation, and all interest thereon to be a Default Advance hereunder due and payable in the manner set forth in and subject to Section 2.6 hereof, or (iv) take any other action permitted by equity or law. person and the remedies described in clauses (i) and (ii) above shall occur by the giving of notice only to the Issuing and Paying Agent. Anything in Article II hereof to the contrary notwithstanding, from and after the occurrence of an Event of Default, all Reimbursement Obligations shall bear interest at the Default Rate. Upon any action by the Bank as contemplated in the foregoing clauses (i) and (ii), the Stated Amount shall be permanently reduced upon, and by the amount of, each drawing under the Letter of Credit following the occurrence of an Event of Default. Notwithstanding the foregoing, the occurrence of an Event of Default shall not affect the Bank's obligations under the Letter of Credit with respect to Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default, and the Issuing and Paying Agent shall continue to have the right to draw under the Letter of Credit to pay the principal of and accrued interest on maturing Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default. Nothing contained in this Section 6.2 hereof shall result in, or be construed to require, an acceleration of the payment of Base Rental pursuant to the Sublease. Nothing contained in this Section 6.2 shall abrogate the obligation of the Bank to honor properly presented and conforming drawings under the Letter of Credit prior to the termination of the Letter of Credit in accordance with its terms.

By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the LA Admin Code, the failure

No such finding shall be made or penalties assessed except pursuant to the Equal Employment Practices and upon a full and fair hearing after notice and an opportunity to be heard have been given to the Bank. Upon a finding duly made that the Bank has failed to comply with the Equal Employment Practices provisions of this Agreement, this Agreement could be forthwith terminated, cancelled, or suspended to the extent required by the Equal Employment Practices. Any such termination of this Agreement pursuant to the Equal Employment Practices shall be subject to the termination provisions set forth in Section 2.13 of this Agreement.

(c) *Affirmative Action Program.* To the extent required by the hereinafter defined Affirmative Action Program, if the total payments made under this Agreement are Twenty-Five Thousand Dollars (\$25,000) or more, this provision shall apply. By way of specification but not limitation, pursuant to Sections 10.8.4.E and 10.8.4.F of the LA Admin Code, the failure of the Bank to comply with the Affirmative Action Program provisions of this Agreement could be deemed to be a material breach of this Agreement. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to the Bank. Upon a finding duly made that the Bank has failed to comply with the Affirmative Action Program provisions of this Agreement, this Agreement could be forthwith terminated, cancelled, or suspended to the extent required by the Affirmative Action Program provisions. Any such termination of this Agreement pursuant to the Affirmative Action Program shall be subject to the termination provisions set forth in Section 2.13 of this Agreement.

Section 7.2. Child Support Orders. To the extent required by the hereinafter defined Child Support Provisions, this Agreement is subject to Section 10.10, Article I, Chapter 1, Division 10 of the LA Admin Code related to Child Support Assignment Orders ("*Child Support Provisions*"), which is incorporated herein by this reference to the extent required by the Child Support Provisions. A copy of the Child Support Provisions in effect on the 2025 Extension Date has been attached to this Agreement for the convenience of the parties as Exhibit J hereto. To the extent the Bank is subject to and required by the Child Support Provisions, pursuant to this section, the Bank (and any subcontractor of the Bank providing services to the City under this Agreement) shall (1) fully comply with all State and Federal employment reporting requirements for the Bank's or the Bank's subcontractor's employees applicable to Child Support Assignment Orders; (2) certify that the principal owner(s) of the Bank and applicable subcontractors are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230, et seq.; and (4) maintain such compliance throughout the term of this Agreement. Notice Regarding Restrictions on Campaign Contribution and Fundraising in City Elections.

You are considered a subcontractor in connection with the Second Amended and Restated Letter of Credit Reimbursement Agreement dated as of June [___], 2025 (the “*Reimbursement Agreement*”), by and among the Municipal Improvement Corporation of Los Angeles, the City of Los Angeles (the “*City*”) and Bank of America, N.A., as the Bank. Pursuant to the Los Angeles City Charter Section 470(c)(12) and related ordinances, you and your principals are prohibited from making campaign contributions to and fundraising for certain elected City officials and candidates for elected City office for twelve months after the Reimbursement Agreement is signed. Failure to comply may result in termination of the Reimbursement Agreement or any other available legal remedies. Information about the restrictions may be found

online at <https://ethics.lacity.org> or by calling the Los Angeles City Ethics Commission at (213) 978-1960.

The Bank, the Participants, the Subcontractors and their Principals shall comply with these requirements and limitations. Any failure of the Bank to include a Participant/Subcontractor Notice in an applicable Measure H Subcontract pursuant to the foregoing provision and any violation of Section 470(c)(12) of the Charter or the Measure H Ordinance by the Bank or a Principal of the Bank shall entitle the City to terminate this Agreement in accordance with the terms of the Measure H Ordinance and pursue any and all applicable legal remedies that may be available to the City. Any such termination of this Agreement pursuant to the Measure H Ordinance shall be subject to the termination provisions set forth in Section 2.13 of this Agreement. To the extent required by the hereinafter defined Use of Criminal History Provisions, this Agreement is subject to Section 10.48 et. seq. of the LA Admin Code related to the Use of Criminal History for Consideration of Employment Applications ("*Use of Criminal History Provisions*"), which is incorporated herein by this reference to the extent required by the Use of Criminal History Provisions. A copy of Section 10.48 of the LA Admin Code in effect on the 2025 Extension Date has been attached to this Agreement for the convenience of the parties as Exhibit K hereto. By way of specification but not limitation, pursuant to Sections 10.48.8.B of the LA Admin Code, the failure of the Bank to comply with the Use of Criminal History Provisions could be deemed to be a material breach of this Agreement and entitle the City to terminate the Agreement to the extent required by the Use of Criminal History Provisions. Any such termination of this Agreement pursuant to the Use of Criminal History Provisions shall be subject to the termination provisions set forth in Section 2.13 of this Agreement.

During the term of this Agreement, the City shall use its commercially reasonable efforts to provide the Bank with notice of any adopted or enacted changes, additions, amendments or modifications to any of the Specified City Provisions within seven (7) Business Days after the adoption or enactment thereof; provided that the Bank acknowledges that the City’s failure to provide such information shall not constitute an Event of Default.

Any changes, additions, amendments or modifications to the Specified City Provisions made on or after the date of receipt by the City of a Tier Two Termination Notice shall not apply to the Bank unless such Tier Two Termination Notice is rescinded.

To the best of the Bank’s knowledge, based on reasonable inquiry, as of the 2025 Extension Date the Bank is in compliance with the Specified City Provisions.

The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 8.4. Indemnification. (a) MICLA, to the extent permitted by law, hereby indemnifies and holds the Bank and its directors, officers, employees and agents (the "*Indemnified Parties*") harmless from and against any and all claims, direct, as opposed to consequential, special, punitive, exemplary or indirect, damages (the right to receive consequential, special, punitive, exemplary or indirect damages being hereby waived), losses, liabilities, costs or expenses which such Indemnified Parties may incur or which may be claimed against such Indemnified Parties by any person by reason of or in connection with (i) the offering, sale, remarketing or resale of the Commercial Paper Notes (including, without limitation, by reason of any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in the Related Documents or in any supplement or amendment to the Offering Memorandum or any similar disclosure document (other than in connection with a description of the Bank), or the omission or alleged omission to state therein a material fact necessary to make such statements, in the light of the circumstances in which they are or were made, not misleading (other than in connection with a description of the Bank); (ii) the validity, sufficiency, enforceability or genuineness of any Related Document; (iii) the issuance of the Letter of Credit or the use of any proceeds of the Letter of Credit; (iv) the execution and delivery of this Agreement; or (v) any Property; *provided, however*, that MICLA, or the City on behalf of MICLA, shall not be required

to indemnify an Indemnified Party pursuant to this Section 8.4(a), and the Bank shall be liable, for any claims, damages, losses, liabilities, costs or expenses to the extent caused by the willful misconduct or gross negligence of the Bank.

(b) To the extent not prohibited by applicable law, MICLA agrees to indemnify and hold the Bank harmless (on a net after-tax basis) from any present or future claim or liability for stamp, transfer, documentary, excise or other similar tax and any penalties or interest with respect thereto, which may be assessed, levied or collected by any jurisdiction in California or any state, county or city where the Bank is headquartered, in connection with the execution, delivery and performance of, or any payment made under, this Agreement, the Commercial Paper Notes and the other Related Documents, or any amendment thereto.

Section 8.5. Liability of the Bank. MICLA and the City shall have claims against the Bank, and the Bank shall be liable to MICLA and the City to the extent of any direct, as opposed to consequential, special, punitive, exemplary or indirect, damages (the right to receive consequential, special, punitive, exemplary or indirect damages being hereby waived) suffered by MICLA or the City caused by the Bank's willful misconduct or gross negligence in respect of the Letter of Credit, the Fee Letter or this Agreement. In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information (other than actual knowledge to the contrary) to the contrary.

Section 8.6. Expenses; Documentary Taxes. MICLA hereby agrees to pay or cause to be paid, from Additional Rental paid by the City under the Sublease, (a) subject to the provisions of the Fee Letter, the reasonable fees and expenses of Chapman and Cutler LLP, special counsel for the Bank, in connection with the preparation of this Agreement, the Fee Letter and the Letter of Credit, as set forth in the Fee Letter, (b) all reasonable expenses incurred by the Bank in connection with this Agreement, the Fee Letter and the Letter of Credit, (c) all reasonable out-of-pocket expenses of the Bank, including reasonable fees and disbursements of counsel, in connection with any waiver or consent hereunder or any amendment hereof or any Default or Event of Default or alleged Default or Event of Default hereunder, and (d) all reasonable out-of-pocket expenses incurred by the Bank, including reasonable fees and disbursements of counsel, in connection with any Event of Default or any investigation or enforcement proceedings with respect to this Agreement or any Related Document. No Participant Bank shall be entitled to receive any greater payment under Section 2.8 hereof than the Bank would have been entitled to receive with respect to the rights and obligations hereunder transferred. Notwithstanding any participation granted by the Bank pursuant hereto, MICLA and the City shall continue to deal solely and exclusively with the Bank in connection with the respective rights and obligations of MICLA, the City and the Bank hereunder and under the other Related Documents, the grant of such participation interest shall not limit the obligations of the Bank hereunder and the Bank will continue to serve as the only contact for MICLA and the City for all matters relating to this Agreement.

Section 8.8. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

SECTION 10.8.3 OF THE LOS ANGELES ADMINISTRATIVE CODE

Section 10.8.3. Equal Employment Practices Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is \$1,000 or more shall contain the following provisions, which shall be designated as the **EQUAL EMPLOYMENT PRACTICES** provision of such contract:

A. During the performance of this Contract, the Contractor agrees and represents that it will provide Equal Employment Practices and the Contractor and each Subcontractor hereunder will ensure that in their Employment Practices persons are employed and employees are treated equally and without regard to, or because of, race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor agrees to post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor will, in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify in the specified format that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of the Contractor's records pertaining to employment and to employment practices by the awarding authority or the DAA for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City Contracts. Upon request, the Contractor shall provide evidence that the Contractor has or will comply therewith.

E. The failure of any Contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City Contracts. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has failed to comply with the Equal Employment Practices provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to, and retained by, the City of Los Angeles. In addition thereto, the failure to comply may be the basis for a determination by the Awarding Authority or the DAA that the said Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such a determination, the Contractor shall be disqualified from being awarded a Contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the DAA, and provide necessary forms and required language to the Awarding Authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this Contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish the contract compliance program.

I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. By affixing its signature on a Contract that is subject to this article, the Contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with employment practices, including, but not limited to:

1. hiring practices;
2. apprenticeships where approved programs are functioning and other on-the-job training for non-apprenticeable occupations;
3. training and promotional opportunities; and
4. reasonable accommodations for persons with disabilities.

L. All Contractors subject to the provisions of this section shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City, and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Subcontracts shall follow the same thresholds specified in Section 10.8.1.1. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.

A. During the performance of a City Contract, the Contractor certifies and represents that the Contractor and each Subcontractor hereunder will adhere to an Affirmative Action Program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

1. This section applies to work or services performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor shall post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor shall, in all solicitations or advertisements for employees placed, by or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify on an electronic or hard copy form to be supplied, that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of its records pertaining to employment and to its employment practices by the Awarding Authority or the DAA for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City Contracts and, upon request, to provide evidence that it has or will comply therewith.

E. The failure of any Contractor to comply with the Affirmative Action Program provisions of City Contracts may be deemed to be a material breach of a City Contract. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has breached the Affirmative Action Program provisions of a City Contract, the Contract may be forthwith cancelled, terminated or

suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, the breach may be the basis for a determination by the Awarding Authority or the Board of Public Works that the Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the Contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City Contract, there may be deducted from the amount payable to the Contractor by the City of Los Angeles under the contract, a penalty of ten dollars for each person for each calendar day on which the person was discriminated against in violation of the provisions of a City Contract.

H. Notwithstanding any other provisions of a City Contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the DAA and provide to the Awarding Authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

J. Nothing contained in City Contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. By affixing its signature to a Contract that is subject to this article, the Contractor shall agree to adhere to the provisions in this article for the duration of the Contract. The Awarding Authority may also require Contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Program.

(b) Continually evaluate personnel practices to assure that hiring, upgrading, promotions, transfers, demotions and layoffs are made in a non-discriminatory manner so as to achieve and maintain a diverse work force.

(f) Maintain records as are necessary to determine compliance with Equal Employment Practices and Affirmative Action Program obligations and make the records available to City, State and Federal authorities upon request.

(g) Establish written company policies, rules and procedures which shall be encompassed in a company-wide Affirmative Action Program for all its operations and Contracts. The policies shall be provided to all employees, Subcontractors, vendors, unions and all others with whom the Contractor may become involved in fulfilling any of its Contracts.

Section 10.48. Purpose.

The City awards many contracts to private firms to provide services to the public and to City government. The City intends that the policies underlying this article serve to guide all of these expenditures of funds to the extent allowed by the law.

Studies show that the disclosure of a criminal conviction by job applicants on application forms often automatically excludes them from consideration of employment regardless of any relationship between the conduct underlying the conviction and the duties and responsibilities of the job, the length of time since the conduct occurred and the risk of the conduct reoccurring on the job. Automatic exclusion of persons with prior criminal convictions from consideration of employment prevents otherwise qualified applicants from obtaining employment and may result in employers hiring less qualified candidates, increases the risk of recidivism of persons so excluded from consideration and disparately impacts persons of certain races and national origin.

In 2013, the State Legislature passed and the Governor signed Assembly Bill No. 218, which amended the State's Labor Code to prevent the State and local governments from seeking disclosure of conviction history from employment applicants until the agency has determined the applicant meets the minimum employment qualifications. In April 2014, the City of Los Angeles implemented AB 218 by removing questions regarding criminal convictions from employment applications, reviewing a job applicant's criminal history only after a position eligibility list is prepared, and considering, among other things, the relationship between the conviction and the duties of the position.

In November 2015, the President of the United States announced that the federal government and federal contractors could not consider job applicants' criminal convictions in the initial stages of the employment process. Numerous other cities have similarly adopted regulations preventing inquiry into job applicants' criminal history until after it is determined they are qualified for the position.

This ordinance expands the rights afforded applicants for employment with the City's contractors and subcontractors. Specifically, such employers will be prohibited from inquiring into an employment applicant's criminal history unless and until a conditional offer of employment is made to the applicant. An employer that fails to comply with the requirements of this ordinance will be subject to, among other things, termination of its City contract.

Each Term Loan shall bear interest at the Term Loan Rate, payable by MICLA quarterly in arrears on each Quarterly Payment Date during the term of such Term Loan and on the date on which the final installment of principal of the Term Loan is payable.

(c) If (i) the Bank shall make any payment under the Letter of Credit pursuant to a Drawing with respect to the payment of principal of maturing Commercial Paper Notes and the conditions set forth in Section 3.2 hereof shall not have been fulfilled, and MICLA fails to reimburse or cause to be reimbursed the Bank in connection therewith, (ii) the Bank shall have made a Principal Advance to MICLA and such amount remains outstanding on the Stated Expiration Date, (iii) the Bank shall have made a Principal Advance to MICLA and the conditions set forth in Section 3.2 hereof shall not have been fulfilled on the Term Loan Conversion Date or (iv) an Event of Default shall have occurred while any Principal Advance remains outstanding, such payment or Principal Advance shall constitute a default advance (and not a Principal

Advance) made by the Bank to MICLA from and after the date and in the amount of such payment under the Letter of Credit or such other date on which any event described in clauses (i), (ii), (iii) or (iv) above shall occur (each such default advance being a “*Default Advance*” and, collectively, the “*Default Advances*”). MICLA hereby agrees to pay or cause to be paid to the Bank (i) interest at the Default Rate on any amount of the Default Advance remaining unpaid by MICLA to the Bank from the date of such Default Advance until payment in full, payable in arrears, upon demand, and (ii) the unpaid amount of each Default Advance immediately upon demand by the Bank but if no demand is made, then on each Quarterly Payment Date in an amount equal to the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such quarterly period (taking into consideration all amounts then due and payable under any Notes); *provided, however*, that the unpaid amount of each Default Advance shall be paid or caused to be paid by MICLA in each year only to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and to the extent not so repaid, such Default Advance shall be paid or caused to be paid by MICLA during each subsequent Base Rental Period, to the extent owed, to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for each such subsequent Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and such Default Advance shall continue to be an obligation of the City pursuant to the Sublease.

Section 2.7. Prepayment of Principal Advances or Term Loans; Reinstatement of Letter of Credit Amounts. (a) MICLA may prepay or cause to be prepaid the amount of any Principal Advance or Term Loan outstanding in whole or in part with accrued interest to the date of such repayment on the amount prepaid. Any prepayment in part under this Section 2.7(a) shall be applied by the Bank against each such Principal Advance or Term Loan, as the case may be, in the order in which each such Principal Advance or Term Loan, as the case may be, was made.

(b) Any prepayment made under Section 2.7(a) hereof shall be applied by the Bank as a reimbursement of the related Drawing (and as a prepayment of the Principal Advance or Term Loan, as the case may be, resulting from such Drawing) and, in the case of a prepayment of a Principal Advance, MICLA irrevocably authorizes the Bank to reinstate the amount available to be drawn under the Letter of Credit by the amount of such prepayment; *provided, however*, that the Issuing and Paying Agent shall not deliver any Commercial Paper Notes (the aggregate principal and interest of which is payable from the amount of the Letter of Credit so reinstated) for sale or otherwise until the Letter of Credit has been reinstated pursuant to the terms of this Agreement and the Letter of Credit. The amount of the Letter of Credit and the amounts available to be drawn thereunder by the Issuing and Paying Agent by any Drawing shall not be increased with respect to repayments of Term Loans or Default Advances, unless otherwise agreed to by the Bank.

(c) In the event that the Issuing and Paying Agent delivers any Commercial Paper Notes while any Principal Advance or Term Loan or any portion of any Principal Advance or Term Loan remains unpaid, MICLA shall apply the proceeds of any such Commercial Paper Notes to the prepayment of such outstanding Principal Advance or Term Loan, as the case may be. Any

prepayment in part under this Section 2.7(c) shall be applied against each such Principal Advance or Term Loan, as the case may be, in the order in which each such Principal Advance or Term Loan, as the case may be, was made.

Section 2.8. Increased Costs; Capital Adequacy. (a) If the Bank or any Participant Bank shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty, regulation, policy, guideline, supervisory standard or directive of, or any change in the interpretation, implementation, or administration thereof by, any Governmental Authority (in each case, whether or not having the force of law), or compliance by the Bank or any Participant Bank with any request by or directive of any Governmental Authority (in each case, whether or not having the force of law), including but not limited to any such law, rule, regulation, policy, guideline, standard, directive, interpretation, application or promulgation implementing, invoking or in any way related to any provision of the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby), regardless of the date enacted, adopted or issued, or any rules, guidelines, standards, policies, regulations, or directives promulgated by the Basel Committee on Banking Supervision or the Bank for International Settlements (or any successor or similar organizations), regardless of the date enacted, adopted or issued, shall:

(i) change the basis of taxation of payments to the Bank or such Participant Bank of any amounts payable hereunder or under the Revolving Note or the Fee Letter (except for taxes on the overall net income of the Bank or such Participant Bank); or

(ii) impose, modify or deem applicable any reserve, liquidity, capital or liquidity ratio, special deposit, insurance premium, fee, financial charge, monetary burden or similar requirement against funding any Drawing under the Letter of Credit or maintaining the Letter of Credit, or making any Advance under, or complying with any term of, this Agreement, or against assets held by, or deposits with or for the account of, the Bank or such Participant Bank; or

(iii) impose on the Bank or such Participant Bank any other condition, expense or cost regarding this Agreement, the Revolving Note, any Drawing or Advance, or the Letter of Credit;

and the result of any event referred to in clause (i), (ii) or (iii) above shall be to increase the cost to the Bank or such Participant Bank of funding any Drawing under the Letter of Credit or maintaining the Letter of Credit, or making any Advance under, or complying with any term of, this Agreement or the Letter of Credit or to reduce the amount of any sum received or receivable by the Bank or such Participant Bank hereunder or under the Revolving Note or the Fee Letter (each such instance, referred to individually herein as a "*Reduction in Amount*" and, collectively as "*Reductions in Amount*"), then MICLA shall pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, at such time and in such amount as is set forth in paragraph (c) of this Section 2.8, such additional amount or amounts as will compensate the Bank or such Participant Bank for such increased costs or Reductions in Amount.

The Bank or Participant Bank (as the case may be) shall use commercially reasonable efforts to provide to MICLA, as soon as reasonably practicable after a Responsible Officer (as hereinafter defined) has actual knowledge that the Bank or Participant Bank (as the case may be) has determined to demand additional compensation under this Section 2.8(a) and the amount thereof, written notice of the occurrence or expected occurrence of any event referred to in clause (i), (ii) or (iii) above, setting forth in reasonable detail the amount or amounts of such additional compensation (such notice, a “*Yield Protection Demand Notice*”) and the date or anticipated date upon which the Bank or Participant Bank is demanding or expects to make such demand upon MICLA. Subject to the third full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit (the date of such payment and termination, the “*Termination Date*”), then MICLA shall not be obligated to pay, from Additional Rental paid by the City under the Sublease, any compensation set forth in such Yield Protection Demand Notice for any increased costs or Reductions in Amount incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Yield Protection Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof. As used in this provision, “*Responsible Officer*” means the officer of the Bank to whom notices to the Bank are required to be addressed under Section 8.2 hereof.

Notwithstanding the foregoing, a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Yield Protection Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(a). Additionally, nothing set forth in this Section 2.8(a) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i), (ii) or (iii) of this Section 2.8(a).

(b) If the Bank or any Participant Bank shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty, regulation, policy, guideline, supervisory standard or directive of, or any change in the interpretation, implementation, or administration thereof by, any Governmental Authority (in each case whether or not having the force of law), or compliance by the Bank or any Participant Bank with any request by or directive of any Governmental Authority (in each case, whether or not having the force of law), including but not limited to any such law, rule, regulation, policy, guideline, standard, directive, interpretation, application or promulgation implementing, invoking or in any way related to any provision (as now or hereafter amended) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) or any rules, guidelines, standards, or directives promulgated by the Basel Committee on Banking Supervision or the Bank for International Settlements (or any successor or similar organizations), shall impose, modify or deem applicable any capital (including but not limited to contingent capital or liquidity) adequacy, reserve, insurance, liquidity or similar requirement (including, without limitation, a request or requirement that affects the manner in which the Bank or any Participant Bank allocates capital or liquidity resources or reserves to its commitments) that either:

(i) affects or would affect the amount of capital or liquidity or reserves to be maintained by the Bank or such Participant Bank, or

(ii) reduces or would reduce the rate of return on the Bank's or such Participant Bank's capital or liquidity or reserves to a level below that which the Bank or such Participant Bank could have achieved but for such circumstances (taking into consideration the policies of the Bank or such Participant Bank with respect to capital or liquidity adequacy or the maintenance of reserves), then,

the Bank or Participant Bank (as the case may be) shall use commercially reasonable efforts to provide to MICLA, as soon as reasonably practicable after its Responsible Officer (as hereinafter defined) has actual knowledge that the Bank has determined to demand additional compensation for such reduction under this Section 2.8(b) and the amount thereof, written notice of the occurrence or expected occurrence of any event referred to in clause (i) or (ii), setting forth in reasonable detail the amount or amounts of such additional compensation (such notice, a "*Capital or Liquidity Adequacy Demand Notice*") and the date or anticipated date upon which the Bank or Participant Bank is demanding or expects to make such demand upon MICLA. Subject to the third full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit, then MICLA shall not be obligated to pay any compensation set forth in such Capital or Liquidity Adequacy Demand Notice for any such reduction incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Capital or Liquidity Adequacy Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof.

Notwithstanding the foregoing, (i) a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Capital or Liquidity Adequacy Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(b). Additionally, nothing set forth in this Section 2.8(b) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i) or (ii) of this Section 2.8(b).

(c) All payments of amounts referred to in this Section 2.8 shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA; *provided that*, subject to the following proviso, any increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within one hundred twenty (120) calendar days of the date the Bank or the Participant Bank, as applicable, makes demand therefor on MICLA; *provided further* that to the extent a particular amount of increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount is expected to be an ongoing obligation of MICLA (referred to herein as "*Recurring Increased Costs*") as determined by the Bank or the Participant Bank, as applicable, in a written notice from the Bank or the Participant

Bank, as applicable, to MICLA, then after the first payment of such Recurring Increased Costs pursuant to the immediately preceding proviso, subsequent payments of such Recurring Increased Costs shall be due and payable, from Additional Rental paid by the City under the Sublease, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA or on such recurring payment date as otherwise agreed to in writing by the Bank and MICLA.

The amounts demanded in the respective Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, as applicable, are intended to compensate the Bank or Participant Bank, as applicable, for such increased costs or Reductions in Amount incurred by the Bank or such Participant Bank as a result of any event referred to in subsections (a) or (b) above. Any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8 submitted by the Bank or any Participant Bank to MICLA shall be conclusive as to the amount thereof absent manifest error.

MICLA shall not be required to compensate the Bank or any Participant Bank pursuant to this Section 2.8 in respect of a period occurring more than six (6) months prior to the date the above-described written demand is given to MICLA with respect thereto (the “*Cut-Off Date*”), except where (i) the Bank or Participant Bank, as applicable, had no actual knowledge of the action resulting in such increased costs, increased capital or liquidity or Reduction in Amount, as applicable, as of the Cut-Off Date or (ii) such increased costs, increased capital or liquidity or Reduction in Amount apply to the Bank or Participant Bank retroactively to a date prior to the Cut-Off Date.

In making the determinations contemplated by any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, the Bank or Participant Bank may make and shall include in such notice such reasonable estimates, assumptions, allocations and the like that the Bank or Participant Bank in good faith determines to be appropriate. For purposes of this Section 2.8, the term “Bank” or “Participant Bank” as applicable, shall also include any entity controlling the Bank or Participant Bank or the holding company thereof. For purposes of the immediately preceding sentence, “controlling” means the power to direct the management and policies of the Bank, directly or indirectly, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract or otherwise. The obligations of MICLA under this Section 2.8 shall survive the termination of this Agreement, the Letter of Credit and repayment of all Obligations hereunder and under the Fee Letter.

(d) Notwithstanding anything to the contrary in this Section 2.8, in the event the Bank grants any participation to any Participant Bank pursuant to Section 8.7(b) hereof, neither MICLA nor the City shall have any obligation to pay amounts pursuant to this Section 2.8 in an amount greater than that which it would have been required to pay if the Bank had not granted such participation.

Section 2.9. Payments and Computations. (a) MICLA shall make or cause to be made each payment hereunder representing reimbursement pursuant to Section 2.4 hereof to the Bank of the amount drawn on the Bank pursuant to a Drawing made under the Letter of Credit not later than 1:00 P.M., Los Angeles time (4:00 P.M. New York City time), on the day when due. MICLA shall make or cause to be made all other payments hereunder and/or under the Fee Letter not later than 10:00 A.M., Los Angeles time (1:00 P.M. New York City time), on the day when due. All payment made by MICLA under this Agreement and the Fee Letter shall be made in lawful money of the United States of America to the account of the Bank by wire in accordance with Section 2.9(d) hereof in immediately available funds; *provided, however*, that whenever any payment hereunder or under the Fee Letter shall be due on a day that is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day, and any interest payable thereon shall be payable for such extended time; and *provided, further* that MICLA shall be permitted to make any payment pursuant to the Fee Letter in next day funds if such payment is made (i) on the Business Day immediately preceding the date on which such payment would otherwise have been due and (ii) in an amount equal to the amount that would have been required to have been paid had the payment not been made in next day funds in reliance upon this proviso. Payment received by the Bank after the applicable time set forth in this Section 2.9 shall be considered to have been made on the next succeeding Business Day. Solely upon the written request of MICLA, the Bank shall provide to MICLA a written statement describing in reasonable detail the basis for any computation of any payment to be made hereunder or under the Fee Letter. Computations of the Base Rate, the Principal Advance Rate, the Term Loan Rate and the Default Rate hereunder shall be made by the Bank on the basis of a year of 365 days or 366 days, as applicable, for the actual number of days elapsed.

(b) All payments hereunder and under the Fee Letter will be made without counterclaim, setoff, condition or defense free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction, taxing authority or taxing jurisdiction in which the Bank or any Participant Bank is organized, has its principal place of business, is managed and controlled or from which or through payments to or from the Bank or such Participant Bank are made (each, a “*Taxing Jurisdiction*”), but excluding any tax imposed on the overall net income of the Bank or such Participant Bank pursuant to the laws of the jurisdiction (or any political subdivision or taxing authority thereof or therein) in which the principal office of the Bank or such Participant Bank is located) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being hereinafter referred to as “*Taxes*”)); *provided, however*, that if the Bank or any Participant Bank, as the case may be, is not organized under the laws of the United States or a state thereof, MICLA shall have no liability with respect to any Taxes which are imposed on the Bank or any such Participant Bank pursuant to the laws of the Taxing Jurisdiction in which the principal office of the Bank or such Participant Bank is located unless (i) the Bank or such Participant Bank is entitled to the benefits of an income tax treaty with the United States that provides for an exemption from United States withholding tax on interest and other amounts payable to the Bank or such Participant Bank, as the case may be, pursuant to the terms of this Agreement, the Revolving Note and any other Related Document, or (ii) all interest and other amounts payable to the Bank or such Participant Bank pursuant to the terms of this Agreement, the Revolving Note or any other Related Documents will be effectively connected with the conduct by the Bank or such Participant Bank of a trade or business within the

United States. If any Taxes are so levied or imposed, MICLA agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, on demand the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under the Fee Letter, under the Revolving Note or under any Related Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein, in the Fee Letter, in the Revolving Note or in such Related Document. MICLA will deliver to the Bank within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by MICLA. To the extent permitted by law, MICLA will indemnify and hold harmless the Bank or such Participant Bank and reimburse the Bank upon written request, from Additional Rental paid by the City under the Sublease, for the amount of any Taxes so levied or imposed and paid by the Bank or such Participant Bank.

(c) Unless otherwise provided herein, amounts not paid when due shall bear interest at the Default Rate and shall be payable upon demand of the Bank.

(d) Payments under this Agreement and/or the Fee Letter shall be made to the Bank by wire transfer of immediately available funds as follows: BMO Bank N.A, ABA 071000288 for credit to Account Number 109-406-9, or further credit to Letter of Credit Processing center, quoting our reference number HACH597502OS, or such other account as the Bank may designate from time to time in writing.

Section 2.10. Extension of Stated Expiration Date; Reduction in Stated Amount.

(a) *Extension of Stated Expiration Date.* On the 2025 Extension Date, the Stated Expiration Date shall be June 30, 2028; *provided* that such date shall be subject to extension at any time following the then scheduled Stated Expiration Date, as set forth below and in the Letter of Credit. At least 90 days but not more than 180 days prior to the Stated Expiration Date, MICLA and the City may request in writing that the Bank extend the Stated Expiration Date for an additional term of one year or such other period as the parties may agree by delivery to the Bank of a Request for Extension. Within 30 days of the date of any such Request for Extension, the Bank will notify MICLA and the City in writing of the decision by the Bank in its absolute discretion whether to extend for such additional period, the Stated Expiration Date for purposes of this Agreement and the Letter of Credit, including in such notice the extended Stated Expiration Date and the conditions of such consent (including conditions relating to legal documentation and the consent of the Issuing and Paying Agent). If the Bank does so agree to extend, the Bank shall deliver an executed Notice of Extension to the Issuing and Paying Agent. If the Bank shall not so notify MICLA, the Bank shall be deemed to have denied any such extension.

(b) *Decrease in Stated Amount.* MICLA and the City may elect to decrease the Stated Amount of the Letter of Credit from time to time prior to the Stated Expiration Date by delivery of a Request for Decrease in Stated Amount to the Bank, upon receipt of which the Bank will notify the Issuing and Paying Agent by means of a notice in the form attached to the Letter of Credit as Annex E, thereby decreasing the Stated Amount, all as set forth in the Letter of Credit. Upon such decrease, the Stated Amount of the Letter of Credit shall not be less than the sum of (i) the face value of all discount Commercial Paper Notes and (ii) the principal amount of all

outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof.

Section 2.11. Evidence of Debt; Revolving Note. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of MICLA resulting from each Drawing under the Letter of Credit and from each Advance and Term Loan made from time to time hereunder and the amounts of principal and interest payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations of MICLA therein recorded. To evidence the indebtedness of MICLA due and owing to the Bank under this Agreement with respect to amounts drawn under the Letter of Credit, MICLA will issue the Revolving Note, substantially in the form of Exhibit B attached hereto, to the Bank on the Date of Issuance. The Bank shall note on the grid attached to the Revolving Note principal amounts owing to the Bank, and the maturity schedule therefor pursuant to Sections 2.5 and 2.6 respecting outstanding Advances and Term Loans with interest until payment in full pursuant to the terms of the Revolving Note.

Section 2.12. Obligations Absolute. The obligations of MICLA under this Agreement and the Fee Letter shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms thereof, under all circumstances whatsoever, including without limitation the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment to, waiver of or consent to departure from any provision of, this Agreement or any of the Related Documents;
- (c) the existence of any claim, set-off, defense or other right which MICLA or the City may have at any time against the Trustee, the Issuing and Paying Agent, any Dealer, the Bank (other than the defense of the payment to the Bank in accordance with the terms of this Agreement), any beneficiary or any transferee of the Letter of Credit (or any person or entity for whom any such beneficiary or any such transferee may be acting) or any other Person, whether in connection with this Agreement, any Related Document or any unrelated transaction;
- (d) any demand, statement or any other document presented under the Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (e) any non-application or misapplication by the Issuing and Paying Agent of the proceeds of any drawing under the Letter of Credit;
- (f) payment by the Bank under the Letter of Credit to the person entitled thereto against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit; or

(g) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Nothing contained in this Section 2.12 shall operate to prevent MICLA or the City from bringing a cause of action against the Bank for any liability it may incur as a result of the Bank's gross negligence or willful misconduct as and to the extent provided in Section 8.5 hereof.

Notwithstanding the foregoing, the obligations of MICLA under this Agreement are a special obligation of MICLA payable solely from the Pledged Property. To the extent the City pays any obligation of MICLA under this Agreement, such payment shall be deemed to be payment by MICLA of such obligation.

Section 2.13. Termination; Acceptance of Alternate Credit Facility. MICLA may terminate the Letter of Credit prior to the Stated Expiration Date by (i) (A) delivering to the Issuing and Paying Agent an Alternate Credit Facility in substitution for the Letter of Credit in accordance with the terms and conditions of Trust Agreement and causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex C to the Letter of Credit or (B) -causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex D to the Letter of Credit in accordance with the terms and conditions of Trust Agreement, as applicable; and (ii) delivering written notice to the Bank not less than thirty (30) days prior to the substitution date or termination date, as applicable. On or prior the date, if any, on which an Alternate Credit Facility is substituted for the Letter of Credit, MICLA hereby agrees to pay, or cause to be paid, to the Bank all unpaid Obligations including, without limitation, any Advance or Term Loan and all amounts owing on the Revolving Note, at or prior to the time of such termination. Notwithstanding the foregoing, MICLA shall have no obligation to provide the written notice described in clause (ii) of this Section 2.13 if (x) the termination of the Letter of Credit shall occur within the thirty (30) days preceding the Stated Expiration Date or (y) if the Letter of Credit is terminated or replaced as a result of (1) a withdrawal, suspension or reduction of the Bank's senior unsecured short-term ratings below "P-1", "F1" or "A-1", respectively, by Moody's, Fitch or S&P, (2) the payment in full or refunding of the Commercial Paper Notes with long-term debt that does not require a letter of credit, liquidity facility or credit enhancement and is not a direct purchase by a bank or other financial institution or (3) the Bank having imposed increased costs upon MICLA and the City pursuant to Section 2.8 hereof.

Section 2.14. Pledge by MICLA. To provide security to the Bank for the payment by MICLA of the Obligations and any and all amounts now or hereafter owing to the Bank under this Agreement, the Revolving Note and the Fee Letter, MICLA has pledged to the Bank the Pledged Property pursuant to the Trust Agreement and as evidenced by the Assignment Agreement.

Section 2.15. Maximum Interest Rate; Payment of Fee. If the rate of interest payable hereunder shall exceed any maximum interest rate permitted by law for any period for which interest is payable, then (i) interest at such maximum interest rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) such maximum interest rate (the "*Excess Interest*"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed such maximum interest rate, at which time

MICLA shall pay or cause to be paid to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal such maximum interest rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the termination of, this Agreement, in consideration for any limitation of the rate of interest which may otherwise be payable hereunder, MICLA shall pay or cause to be paid to the Bank a fee equal to the amount of all unpaid deferred Excess Interest (the "*Termination Fee*"); *provided* that the Termination Fee shall be payable as and to the extent that the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Components subject to the Sublease for such Base Rental Period exceeds the sum of all other Reimbursement Obligations remaining unpaid hereunder and the amount of interest accruing on the Commercial Paper Notes during such Base Rental Period. MICLA hereby represents and warrants that the obligations of MICLA under the Revolving Note and all other Reimbursement Obligations hereunder are not subject to any limitation as to maximum interest rate.

Section 2.16. Adjustment of Base Rental Payments. (a) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, the City and MICLA shall increase the amount of the Base Rental Payments payable under the Sublease for the Property for each Base Rental Period to the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Property for the Components subject to the Sublease for such Base Rental Period, as it may be re-determined in accordance with subsection (b) below.

(b) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, unless the Sublease has terminated in accordance with its terms, the City and MICLA agree, at the Bank's sole written request, from time to time (but not more than once in any twelve month period), to determine or cause to be determined, the Maximum Base Rental for one or more Components for each Base Rental Period based on the then fair rental value for such Components for each Base Rental Period. Such determination shall be by any method that the Bank may reasonably request, subject to the reasonable approval of such method by the City, MICLA and bond counsel, including a Class C appraisal conducted by an employee of the City and shall be at the sole expense of the City and MICLA; *provided, however*, that in no event shall the newly determined Maximum Base Rental for one or more Components for each Base Rental Period cause bond counsel to advise that its opinion on the validity or enforceability of the Sublease may no longer be relied upon. In addition, the City and MICLA agree to extend the term of (i) the Site Lease in accordance with Section 4 thereof and (ii) the Sublease in accordance with Section 2.2 thereof, if, on the stated expiration thereof, any amounts remain owing to the Bank hereunder or under any of the other Related Documents.

Section 2.17. Electronic Transmissions. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, instructions, consents, waivers and all documents relating to the Letter of Credit which are sent to the Bank by electronic means and such communication shall have the same legal effect as if written and shall be binding upon and enforceable against the City and/or MICLA. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that it receives original documents prior to acting

on such electronic transmission; *provided, however*, that the presentation of draw certificates under the Letter of Credit will be governed by the Letter of Credit.

ARTICLE III

CONDITIONS OF ISSUANCE

Section 3.1. Conditions Precedent to Issuance of the Letter of Credit and 2025 Notice of Extension. The obligation of the Bank to issue the Letter of Credit was subject to the fulfillment of the conditions precedent set forth in Section 3.1 of the Existing Agreement on or before the Date of Issuance in form and substance and in a manner satisfactory to the Bank. The obligation of the Bank to issue the 2025 Notice of Extension is subject to the fulfillment of the following conditions precedent on or before the 2025 Extension Date in form and substance and in a manner satisfactory to the Bank:

(a) The Bank shall have received:

(i) Certified copies of the resolutions of MICLA and the City approving this Agreement, the Fee Letter and the other matters contemplated hereby and thereby, and all other documents, including records of proceedings of MICLA and the City, instruments, governmental approvals, third party approvals and opinions as the Bank and its counsel may reasonably request evidencing any other necessary action.

(iv) A certificate of the City setting forth the Maximum Base Rental for each Component subject to the Sublease for each Base Rental Period for the remaining term of the Sublease.

(v) Certificates of MICLA and the City stating that (A) on the 2025 Extension Date, no event has occurred and is continuing, or would result from the issuance of the 2025 Notice of Extension, which constitutes an Event of Default or would constitute an Event of Default but for the requirement that notice be given or time elapse or both, and that (B) on the 2025 Extension Date and after giving effect to the issuance of the 2025 Notice of Extension, all representations and warranties of MICLA and the City contained herein or otherwise made in writing in connection herewith shall be true and correct in all material respects with the

same force and effect as though such representations and warranties had been made on and as of such time.

(vi) An opinion of the City Attorney of the City, as counsel to MICLA, in form and substance satisfactory to the Bank and its counsel, and addressed to the Bank.

(c) MICLA shall have made payment to the Bank of all amounts due on the 2025 Extension Date under Section 8.6 hereof.

Upon issuance of the 2025 Notice of Extension by the Bank, all conditions precedent contained in this Section 3.1 shall be deemed to have been met or waived by the Bank.

Section 3.2. Conditions Precedent to Each Credit Event. As a condition precedent to the occurrence of each Credit Event hereunder, including the initial Credit Event, the following conditions shall be satisfied on the date of such Credit Event:

(a) no Event of Default shall have occurred and be continuing; and

(b) the representations and warranties made by MICLA and the City in Article IV hereof (other than in Sections 4.1(g) and 4.2(g) hereof) shall be true and correct in all material respects on and as of such date, as if made on and as of such date.

On the occurrence of each Credit Event, MICLA shall be deemed to have represented and warranted that the foregoing conditions precedent have been satisfied.

Section 3.3. Tier One Stop Issuance Instructions; Tier One Final Drawing Notice; Tier Two Termination Notice; New Tier Two Termination Notice. (a) Commercial Paper Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the terms of and subject to the conditions set forth in the Trust Agreement and the Issuing and Paying Agent Agreement so long as (i) the Issuing and Paying Agent is not in receipt of a Tier One Stop Issuance Instruction then in effect given by the Bank pursuant to this Section 3.3 or Section 6.2 hereof and not rescinded and (ii) the Issuing and Paying Agent is not in receipt of a Tier One Final Drawing Notice in the form attached hereto as Exhibit E-2. Upon the Issuing and

Paying Agent's receipt of a Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the one hundred twentieth (120th) day (or such earlier day as may be provided in Section 3.3(c) following the date of delivery of such Tier Two Termination Notice) (the "Tier Two Termination Date") and on the Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the Tier Two Termination Date. Upon the Issuing and Paying Agent's receipt of a New Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the earlier of (i) the fifteenth (15th) day following receipt of the New Tier Two Termination Notice or (ii) any existing Tier Two Termination Date (the earlier of such dates, the "New Tier Two Termination Date"). On the New Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date.

(b) The Bank may deliver a Tier One Stop Issuance Instruction at any time when: (i) an Event of Default shall have occurred and be continuing; or (ii) the conditions precedent to the occurrence of a Credit Event set forth in Section 3.2 have not been satisfied. The Bank may deliver the Tier One Final Drawing Notice in the form of Exhibit E-2 at any time when an Event of Default shall have occurred and be continuing. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice shall be effective when received by the Issuing and Paying Agent; *provided, however,* that a Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice in writing shall not render such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice ineffective. The Bank will furnish a copy of any Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice to MICLA, the City and the Dealer(s) promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice.

(c) The Bank may deliver a Tier Two Termination Notice in the form of Exhibit F hereto at any time when it has been determined by the Bank in its sole and absolute discretion that the Bank is unable to comply with any of the Specified City Provisions as a result of (i) any change in the Bank's policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions after the 2025 Extension Date. A Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) shall be effective when received by the Issuing and Paying Agent; *provided, however,* that a Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any

day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. Notwithstanding the foregoing, in the event any monetary or civil penalties are imposed on the Bank as a result of its inability to comply with one or more provisions of the Specified City Provisions as a result of (i) any change in the Bank's policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions, as applicable, after the 2025 Extension Date, then upon the Bank's delivery of a New Tier Two Termination Notice in the form of Exhibit G hereto setting forth a New Tier Two Termination Date (which may be sooner than the original Tier Two Termination Date, but in any event not sooner than the earliest to occur of (a) the 15th day following the Issuing and Paying Agent's receipt of the New Tier Two Termination Notice, or (b) the original Tier Two Termination Date), the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit on such New Tier Two Termination Date to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date. A Tier Two Termination Notice or New Tier Two Termination Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier Two Termination Notice or New Tier Two Termination Notice in writing shall not render any such notice ineffective. The Bank will furnish a copy of any Tier Two Termination Notice or New Tier Two Termination Notice to MICLA, the City and the Dealer promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier Two Termination Notice or New Tier Two Termination Notice. Notwithstanding any provisions of this paragraph to the contrary, in the event (1) MICLA and the City provides a waiver or exemption to the Bank which states that the Bank (x) is not required to comply with the Specified City Provisions, as applicable, (y) is not in violation of the Specified City Provisions, as applicable and/or (z) is not required to satisfy any monetary or civil penalties imposed on the Bank related to the Specified City Provisions, as applicable, and (2) the Bank receives a City Attorney's opinion or other opinion of counsel satisfactory to the Bank confirming the foregoing, the Bank shall immediately rescind the Tier Two Termination Notice or New Tier Two Termination Notice, as applicable, and such Tier Two Termination Notice or New Tier Two Termination Notice shall no longer be effective.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. City Representations and Warranties. The City represents and warrants that, as of the date on which this Agreement is executed and as may be required by Section 3.2 hereof, as applicable:

(a) *Existence.* The City is validly existing as a municipal corporation organized and existing under its charter and the laws of the State, with full right and power to own its properties and to carry on its affairs as now being conducted and to execute, deliver and perform its obligations under this Agreement and each other Related Document to which it is a party.

(b) *Authorization; Contravention.* The execution, delivery and performance by the City of this Agreement and the other Related Documents to which it is a party (i) are within the City's powers, (ii) have been duly authorized by all necessary action and require no further consent or action by or in respect of, or filing with, any governmental body, agency, official or other Person, in each case required as of the date this representation is made and (iii) do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, writ, determination, award, decree or material instrument binding upon the City or by which the City or its properties may be bound or affected, or result in the creation or imposition of any lien or encumbrance on any asset of the City (other than pursuant to such enumerated documents). The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of the City, any agreement relating thereto, or any other contract or agreement (including its charter) that limits the amount of, or otherwise imposes restrictions on, the incurring of obligations of the City that would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which the City is a party each constitutes a valid, binding and enforceable agreement of the City, subject to bankruptcy, insolvency, moratorium and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against municipal corporations in the State.

(d) *No Default.* It is not, in any material respect, in breach of or default under (i) its organizational documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the transactions contemplated hereby or by the other Related Documents, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party, (y) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City or (z) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of the City, threatened against or affecting, the City before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse

decision which could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party, (y) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party or (iii) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City.

(f) *No Sovereign Immunity.* The City does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

(g) *Incorporation of Representations and Warranties by Reference.* As of the 2025 Extension Date, the City hereby makes to the Bank the same representations and warranties made by the City as are set forth in the Related Documents (other than this Agreement) to which it is a party, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to the Related Documents (other than this Agreement) to which it is a party shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the consent of the Bank.

(h) *No Proposed Legal Changes.* To the knowledge of the City Administrative Officer, there is no amendment, or no proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect (i) the execution and delivery of this Agreement or the other Related Documents to which the City is a party, or (ii) the performance by the City of its obligations under this Agreement or the other Related Documents to which the City is a party.

(i) *Offering Memorandum.* The information contained in the Offering Memorandum under the caption "CITY OF LOS ANGELES" does not contain any untrue statement of any material fact.

(j) *Title to Property; Sublease.* The City has good and marketable fee simple title to all of the Components, subject only to Permitted Encumbrances. The Sublease is in full force and effect. The City, as lessee under the Sublease, is in peaceable possession of the Property. No waiver, indulgence or postponement of any of the City's obligations under the Sublease has been granted by MICLA. There exists no event of default or event, occurrence, condition or act that, with the giving of notice, the lapse of time or the happening of any further event or condition, would become a default under the Sublease.

(k) *Disclosure.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no fact known to the City, as of the date this representation is made, that would have a material adverse effect on (i) the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party or (ii) the enforceability or validity of any of the Related Documents.

(l) *Financial Information.* The consolidated statement of financial position of the City as of the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, fairly present the financial condition of the City as at such date and the results of the operations of the City for the period ended on such date, all in accordance with GAAP consistently applied, and since the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, there has been no change in the business, financial condition, results of operations, or prospects of the City which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(m) *Legal Matters.* The City is in material compliance with all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction over the City, non-compliance with which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party. No part of the proceeds of Drawings under the Letter of Credit will be used to violate Sanctions.

(n) *Essentiality.* The Property is an essential asset of the City necessary for the operations of the City and/or to serve the needs of the residents of the City. The City believes that at all times while any Rental Payments or any obligation of the City under the Related Documents remains unpaid, the Property will remain an essential asset of the City.

(o) *Fair Rental Value.* The total Rental Payments for the Property do not exceed the fair rental value of the Property. In making such determination of fair rental value, consideration has been given to the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.

(p) *Anti-Terrorism Laws.*

(i) To the knowledge of the City, the City is not in violation of any Laws relating to terrorism or money laundering (“*Anti-Terrorism Laws*”), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the “*Executive Order*”), and the Patriot Act;

(ii) To the knowledge of the City, the City is not any of the following: (A) a Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order; (B) a Person owned or controlled by, or acting for or on behalf of, any Person that is listed in the annex to, or is otherwise subject to the provisions of, the Executive Order; (C) a Person with which the Bank is prohibited from dealing or otherwise engaging in any transaction by any Anti-Terrorism Law;

(D) a Person that commits, threatens or conspires to commit or supports “terrorism” as defined in the Executive Order; or (E) a Person that is named as a “specially designated national and blocked person” on the most current list published by the Office of Foreign Asset Control (“OFAC”) or any list of Persons issued by OFAC pursuant to the Executive Order at its official website or any replacement website or other replacement official publication of such list;

(iii) To the knowledge of the City, the City does not (A) conduct any business or engage in making or receiving any contribution of funds, goods or services to or for the benefit of any Person described in subsection (ii)(B) above, (B) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the Executive Order or (C) engage in or conspires to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in any Anti-Terrorism Law.

(q) *Sanctions.* To the knowledge of the City, the City (a) is not currently the subject of any Sanctions or in violation of any applicable anti-corruption laws, (b) is not located, organized or residing in any Designated Jurisdiction, or (c) is not nor has been (within the previous five (5) years) engaged in any transaction with any Person who is or was at or during the time of such transaction the subject of Sanctions or who is located, organized or residing in any Designated Jurisdiction.

MICLA is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of MICLA, any agreement relating thereto, or any other contract or agreement (including its articles of

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which MICLA is a party each constitutes a valid, binding and enforceable agreement of MICLA, subject to bankruptcy, moratorium, insolvency and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases.

Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of MICLA, threatened against or affecting, MICLA before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse decision which could reasonably be expected to (i) materially and adversely affect the ability of MICLA to perform its obligations hereunder or under the Related Documents to which it is a party or (ii) cause a material adverse effect upon the enforceability against MICLA or validity of this Agreement or any other Related Document to which MICLA is a party.

(f) *No Sovereign Immunity.* MICLA does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

related defined terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to the Related Documents (other than this Agreement) to which it is a party shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the consent of the Bank.

(j) *Title to Property.* MICLA has good and marketable leasehold title to all of the Components pursuant to the Site Lease. The Site Lease is in full force and effect. MICLA, as lessee under the Site Lease, is in peaceable possession of the Property, subject to the City's use, occupancy and possession of the Property as lessee under the Sublease. No waiver, indulgence or postponement of any of MICLA's obligations under the Site Lease has been granted by the City. COVENANTS

Section 5.1. Covenants. MICLA and the City each agrees that so long as the Letter of Credit remains outstanding or any amount payable hereunder remains unpaid:

(a) *Information.* The City and MICLA will prepare or cause to be prepared and deliver to the Bank the following:

(i) as promptly as available (and in any event within 270 days following the end of each Fiscal Year of the City), the complete Annual Comprehensive Financial Report (“ACFR”) of the City, certified as to the fairness of presentation and conformity with GAAP by a recognized firm of independent certified public accountants;

(ii) concurrently with the delivery of each ACFR pursuant to Section 5.1(a)(i) above, a certificate from a City Representative certifying that such City Representative has no knowledge of any event which constitutes a Default or an Event of Default that has occurred and is continuing and a certificate from a MICLA Representative certifying that such MICLA Representative has no knowledge of any event which constitutes a Default or an Event of Default that has occurred and is continuing;

(iii) within ninety (90) days of proposal or adoption (as the case may be) of the most recently proposed or adopted annual operating budget of the City (as the case may be) with respect to the City’s General Fund, evidence that such annual operating budget with respect to the City’s General Fund includes therein as a separate line item all Minimum Required Rental Payments and Additional Rental due during such period, if not otherwise paid from capitalized interest funded by proceeds of the Commercial Paper Notes; and

All factual information hereinafter delivered by MICLA or the City in writing to the Bank will be, to the knowledge of the authorized person delivering such information after reasonable inquiry, accurate and complete in all material respects on the date as of which such information is certified.

(b) *Amendments to Related Documents.* Without the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed, or except as may be permitted in any Related Document, MICLA and the City will not agree or consent to any amendment, supplement, waiver or modification of any provision of any Related Document to which MICLA or the City is a party.

(c) *Incorporation of Covenants by Reference.* MICLA and the City each agrees that it will perform and comply with each and every covenant and agreement required to be performed or observed by it in the Related Documents to which it is a party, which provisions, as well as related defined terms contained herein, are hereby incorporated by reference herein with the same effect as if each and every such provision were set forth herein in its entirety. To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Agreement, such provision shall be complied with only if it is waived

or consented to by the Bank and such document, opinion or other instrument shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank.

(h) *Books, Records.* MICLA and the City will permit, during normal business hours and from time to time, upon reasonable prior notice, the Bank or any of its agents or representatives to examine and make copies of and abstracts from the records and books of account of MICLA and the City, respectively (except records and books of accounts the examination of which by the Bank is prohibited by law), and to discuss the affairs, finances and accounts of MICLA and the City with any representative or any other appropriate officer of MICLA and the City or MICLA's or the City's independent public accountants.

(i) *Other Obligations.* MICLA and the City will each comply with and observe all other material obligations and requirements set forth in the Trust Agreement and each other Related Document to which it is a party (including without limitation all provisions therein for the benefit of the Bank) and in all laws, statutes and regulations binding upon it, noncompliance with which would materially adversely affect MICLA's or the City's

ability to perform its respective obligations under the Commercial Paper Notes, this Agreement, the Fee Letter or any of the other Related Documents.

(j) *Litigation; Material Change.* MICLA and the City shall promptly notify the Bank of (i) the existence and status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, or (ii) the occurrence of any other event or change which could have a material adverse effect on (A) the ability of MICLA or the City to perform their respective obligations hereunder or under the other Related Documents or (B) the enforceability or validity of the Trust Agreement or any of the other Related Documents.

The City and MICLA covenant (i) to keep the Components and all parts thereof free from judgments, and materialmen's and mechanics' liens, claims, demands, encumbrances, liabilities and other liens of whatever nature or character, which, in each case, might hamper the City in utilizing the Components; and (ii) promptly, upon request of the Bank, to take such action from time to time as may be reasonably necessary or proper to remedy or cure any cloud upon or defect in the title to the Components or any part thereof, whether now existing or hereafter developing, to prosecute all actions, suits, or other proceedings as may be reasonably appropriate for such purpose.

(o) *City and MICLA to Maintain Existence.* MICLA agrees that it will maintain its existence as a California nonprofit public benefit corporation. The City agrees that it will maintain its existence as a municipal corporation under its charter and the laws of the State.

(p) *Further Assurances.* The City and MICLA will execute, acknowledge where appropriate, and deliver from time to time promptly at the request of the Bank all

such instruments and documents as in the opinion of the Bank are reasonably necessary or desirable to carry out the intent and purposes of this Agreement.

(q) *No Impairment.* The City and MICLA will not take any action, or cause or permit the Trustee or the Issuing and Paying Agent to take any action, under the Trust Agreement, the Sublease or any other Related Document inconsistent with the rights and remedies of the Bank under this Agreement.

(r) *Lease Payments.* The City and MICLA will not issue or authorize the issuance of any obligation payable from the Rental Payments (as defined in the Sublease) due under the Sublease other than the Notes.

(s) *References to the Bank.* The City and MICLA will not include in any official statement, offering memorandum, or private placement memorandum any information concerning the Bank (other than identifying the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property) that is not supplied in writing, or otherwise consented to in writing, by the Bank expressly for inclusion therein, or make any changes in reference to the Bank in any revision of the Offering Memorandum without the Bank's prior written consent thereto, which consent shall not be unreasonably withheld or delayed; *provided* that, without the prior written consent of the Bank, the City and MICLA may identify the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property, in other disclosure documents of the City or MICLA, so long as no other information relating to this Agreement, the Fee Letter or the Bank is disclosed in such offering documents without the prior written consent of the Bank.

(t) *Title Insurance.* The City and MICLA shall, during the term of the Sublease (including any extension of the initial term thereof), cause each of the Components to be covered by a CLTA leasehold policy (10-21-87) of title insurance insuring the Trustee and naming the Bank as an additional insured as its interests may appear, in an amount not less than the aggregate principal amount of the Funding Commitments (as defined in the Trust Agreement), subject only to such exceptions as shall be acceptable to the Bank, with such endorsements and affirmative coverages as may be reasonably required by the Bank (with timely notice), including endorsements regarding zoning and access to public roads, and otherwise in form and substance satisfactory to the Bank and its counsel and issued by an insurance company acceptable to the Bank and its counsel and authorized to issue such insurance in the State of California.

(v) *Covenants and Legal Duties.* Subject to Section 3.1(g) of the Sublease, the City agrees to include all Minimum Required Rental Payments and Additional Rental due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all such Minimum Required Rental Payments and Additional Rental, and for all Minimum Supplemental Rental Payments, if any, subject to Section 3.5 of the Sublease. The covenants on the part of the City herein contained and in the Sublease shall be deemed to be and shall be construed to be duties imposed by law, and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance, of the official duty of such officials to enable the City to carry out and perform such covenants and agreements.

(w) *Use of Proceeds.* The proceeds of Drawings made under the Letter of Credit will be expended solely to pay the principal of and interest on maturing Commercial Paper Notes and not in violation of any Sanctions.

(y) *Voluntary Rent Abatement.* Except as required by law and the terms of the Sublease, the City shall not seek or assert a claim for abatement of any of the Rental Payments under the Sublease.

(l) the long-term unenhanced rating by Moody's, Fitch, S&P or Kroll on any Lease Obligation Debt shall be withdrawn, suspended or otherwise unavailable for credit related reasons or reduced below "Baa3" (or its equivalent), "BBB-" (or its equivalent), "BBB-" (or its equivalent) or "BBB-" (or its equivalent), by Moody's, Fitch, S&P or Kroll, respectively.

Section 6.2. Upon an Event of Default. If any Event of Default shall have occurred and be continuing, the Bank may, by notice to MICLA and the Issuing and Paying Agent, (i) give notice of such Event of Default to the Issuing and Paying Agent (which notice shall constitute a "Tier One Stop Issuance Instruction") the effect of which shall be to prohibit, until such time, if any, as the Bank shall withdraw (in writing) such Tier One Stop Issuance Instruction, the issuance of additional Commercial Paper Notes, reduce the Stated Amount of the Letter of Credit to the principal amount of the then Outstanding Commercial Paper Notes supported by the Letter of Credit and interest payable thereon at maturity of such Commercial Paper Notes and/or terminate and/or permanently reduce such Stated Amount as the then Outstanding Commercial Paper Notes are paid, (ii) issue the Tier One Final Drawing Notice (the effect of which shall be to cause the

Letter of Credit Termination Date of the Letter of Credit to occur on the fifteenth (15th) day after the date of receipt thereof by the Issuing and Paying Agent and to instruct the Issuing and Paying Agent to make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes which are then outstanding and are maturing or are thereafter to mature), (iii) declare the Revolving Note, in whole or in part, all or some Advances and Term Loans, as well as any other Reimbursement Obligation, and all interest thereon to be a Default Advance hereunder due and payable in the manner set forth in and subject to Section 2.6 hereof, or (iv) take any other action permitted by equity or law. Anything in Article II hereof the contrary notwithstanding, from and after the occurrence an Event of Default, all Reimbursement Obligations shall bear interest at the Default Rate. Upon any action by the Bank as contemplated in the foregoing clauses (i) and (ii), the Stated Amount shall be permanently reduced upon, and by the amount of, each drawing under the Letter of Credit following the occurrence of an Event of Default. Notwithstanding the foregoing, the occurrence of an Event of Default shall not affect the Bank's obligations under the Letter of Credit with respect to Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default, and the Issuing and Paying Agent shall continue to have the right to draw under the Letter of Credit to pay the principal of and accrued interest on maturing Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default. Nothing contained in this Section 6.2 hereof shall result in, or be construed to require, an acceleration of the payment of Base Rental pursuant to the Sublease. Nothing contained in this Section 6.2 shall abrogate the obligation of the Bank to honor properly presented and conforming drawings under the Letter of Credit prior to the termination of the Letter of Credit in accordance with its terms.

By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the LA Admin Code, the failure of the Bank to comply with the Equal Employment Practices provisions of this Agreement could be deemed to be a material breach of this Agreement. No such finding shall be made or penalties assessed except pursuant to the Equal Employment Practices and upon a full and fair hearing after notice and an opportunity to be heard have been given to the Bank. Upon a finding duly made that the Bank has failed to comply with the Equal Employment Practices provisions of this Agreement, this Agreement could be forthwith terminated, cancelled, or suspended to the extent required by the Equal Employment Practices. Any such termination of this Agreement pursuant to the Equal Employment Practices shall be subject to the termination provisions set forth in Section 2.13 of this Agreement.

No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to the Bank. Upon a finding duly made that the Bank has failed to comply with the Affirmative Action Program provisions of this Agreement, this Agreement could be forthwith terminated, cancelled, or suspended to the extent required by the Affirmative Action Program provisions. Any such termination of this Agreement pursuant to the Affirmative Action Program shall be subject to the termination provisions set forth in Section 2.13 of this Agreement.

The Bank, the Participants, the Subcontractors and their Principals shall comply with these requirements and limitations. Any failure of the Bank to include a Participant/Subcontractor Notice in an applicable Measure H Subcontract pursuant to the foregoing provision and any violation of Section 470(c)(12) of the Charter or the Measure H Ordinance by the Bank or a Principal of the Bank shall entitle the City to terminate this Agreement in accordance with the terms of the Measure H Ordinance and pursue any and all applicable legal remedies that may be available to the City. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 8.4. Indemnification. (a) MICLA, to the extent permitted by law, hereby indemnifies and holds the Bank and its directors, officers, employees and agents (the “*Indemnified Parties*”) harmless from and against any and all claims, direct, as opposed to consequential, special, punitive, exemplary or indirect, damages (the right to receive consequential, special, punitive, exemplary or indirect damages being hereby waived), losses, liabilities, costs or expenses which such Indemnified Parties may incur or which may be claimed against such Indemnified Parties by any person by reason of or in connection with (i) the offering, sale, remarketing or resale of the Commercial Paper Notes (including, without limitation, by reason of any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in the Related Documents or in any supplement or amendment to the Offering Memorandum or any similar disclosure document (other than in connection with a description of the Bank), or the omission or alleged omission to state therein a material fact necessary to make such statements, in the light of the circumstances in which they are or were made, not misleading (other than in connection with a description of the Bank; (ii) the validity, sufficiency, enforceability or genuineness of any Related Document; (iii) the issuance of the Letter of Credit or the use of any proceeds of the Letter of Credit; (iv) the execution and delivery of this Agreement; or (v) any Property; *provided, however*, that MICLA, or the City on behalf of MICLA, shall not be required to indemnify an Indemnified Party pursuant to this Section 8.4(a), and the Bank shall be liable, for any claims, damages, losses, liabilities, costs or expenses to the extent caused by the willful misconduct or gross negligence of the Bank.

(b) To the extent not prohibited by applicable law, MICLA agrees to indemnify and hold the Bank harmless (on a net after-tax basis) from any present or future claim or liability for stamp, transfer, documentary, excise or other similar tax and any penalties or interest with respect thereto, which may be assessed, levied or collected by any jurisdiction in California or any state, county

or city where the Bank is headquartered, in connection with the execution, delivery and performance of, or any payment made under, this Agreement, the Commercial Paper Notes and the other Related Documents, or any amendment thereto.

Section 8.5. Liability of the Bank. MICLA and the City shall have claims against the Bank, and the Bank shall be liable to MICLA and the City to the extent of any direct, as opposed to consequential, special, punitive, exemplary or indirect, damages (the right to receive consequential, special, punitive, exemplary or indirect damages being hereby waived) suffered by MICLA or the City caused by the Bank's willful misconduct or gross negligence in respect of the Letter of Credit, the Fee Letter or this Agreement. In furtherance and not in limitation of the foregoing, the Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information (other than actual knowledge to the contrary) to the contrary.

Section 8.6. Expenses; Documentary Taxes. MICLA hereby agrees to pay or cause to be paid, from Additional Rental paid by the City under the Sublease, (a) subject to the provisions of the Fee Letter, the reasonable fees and expenses of Chapman and Cutler LLP, special counsel for the Bank, in connection with the preparation of this Agreement, the Fee Letter and the Letter of Credit, as set forth in the Fee Letter, (b) all reasonable expenses incurred by the Bank in connection with this Agreement, the Fee Letter and the Letter of Credit, (c) all reasonable out-of-pocket expenses of the Bank, including reasonable fees and disbursements of counsel, in connection with any waiver or consent hereunder or any amendment hereof or any Default or Event of Default or alleged Default or Event of Default hereunder, and (d) all reasonable out-of-pocket expenses incurred by the Bank, including reasonable fees and disbursements of counsel, in connection with any Event of Default or any investigation or enforcement proceedings with respect to this Agreement or any Related Document. MICLA shall reimburse the Bank for any transfer taxes, documentary taxes, assessments or charges made by any governmental authority by reason of the execution a delivery of this Agreement or any Related Document or the acquisition or disposition by the Bank of the Revolving Note pursuant to this Agreement.

The Bank may disclose to any Participant Bank or prospective Participant Bank any information or other data or material in the Bank's possession relating to this Agreement, any other Related Document, MICLA, the City and the Property, without the consent of MICLA or the City, provided that if required by MICLA or the City, the Participant Bank or prospective Participant Bank shall certify to MICLA and/or the City, as the case may be, that the information provided by the Bank is being used solely to

assist the Participant Bank or prospective Participant Bank in evaluating its position as a Participant Bank in the Letter of Credit. No Participant Bank shall be entitled to receive any greater payment under Section 2.8 hereof than the Bank would have been entitled to receive with respect to the rights and obligations hereunder transferred. Notwithstanding any participation granted by the Bank pursuant hereto, MICLA and the City shall continue to deal solely and exclusively with the Bank in connection with the respective rights and obligations of MICLA, the City and the Bank hereunder and under the other Related Documents, the grant of such participation interest shall not limit the obligations of the Bank hereunder and the Bank will continue to serve as the only contact for MICLA and the City for all matters relating to this Agreement.

Section 8.8. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 8.14. Anti-Money Laundering; OFAC; Patriot Act. MICLA and the City each hereby agrees to provide documentary and other evidence as may be reasonably requested by the Bank at any time to enable the Bank to verify the identity of MICLA and the City, as the case may be, or to comply with any applicable law or regulation, including, without limitation, regulations of the Office of Foreign Assets Control and Section 326 of the USA Patriot Act of 2001, 31 U.S.C. The Bank may assign and pledge as collateral, without the consent of MICLA, all or any portion of the Revolving Note (or any payment obligations of MICLA hereunder) to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank, *provided* that any payment in respect of such assigned rights made by MICLA to the Bank in accordance with the terms of this Agreement and/or the Revolving Note shall satisfy MICLA's obligations hereunder and/or under the Revolving Note, as the case may be, to the extent of such payment. No such collateral assignment shall release the Bank from its obligations hereunder or under the Letter of Credit.

The transactions described in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit are arm's length, commercial transactions among the City, MICLA and the Bank in which: (i) the Bank is acting solely as a principal (i.e., as a lender) and for its own interest; (ii) the Bank is not acting as a municipal advisor or financial advisor to, or providing advice to, the City or MICLA; (iii) the Bank has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934, as amended, and the related final rules (the "*Municipal Advisor Rules*"), to the City or MICLA with respect to this transaction and the discussions, undertakings and procedures leading thereto (irrespective of whether the Bank or any of its affiliates has provided other services or is currently providing other services to the City or MICLA on other matters); (iv) the Bank is relying on the bank exemption in the Municipal Advisor Rules; (v) the only contractual obligations the Bank has to the City and MICLA with respect to this transaction are set forth in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit; and (vi) the Bank is not recommending that the City or MICLA take an action with respect to the transactions described in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit, and before taking any action with respect to these transactions, the City and MICLA should discuss the information contained herein with their own respective legal, accounting, tax, financial and other advisors, as the City or MICLA deems appropriate.

Section 8.17. Electronic Signatures. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. SECTION 10.8.3 OF THE LOS ANGELES ADMINISTRATIVE CODE

Section 10.8.3. Equal Employment Practices Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is \$1,000 or more shall contain the following provisions, which shall be designated as the **EQUAL EMPLOYMENT PRACTICES** provision of such contract:

A. During the performance of this Contract, the Contractor agrees and represents that it will provide Equal Employment Practices and the Contractor and each Subcontractor hereunder will ensure that in their Employment Practices persons are employed and employees are treated equally and without regard to, or because of, race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor agrees to post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor will, in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify in the specified format that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of the Contractor's records pertaining to employment and to employment practices by the awarding authority or the DAA for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City Contracts. Upon request, the Contractor shall provide evidence that the Contractor has or will comply therewith.

E. The failure of any Contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City Contracts. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has failed to comply with the Equal Employment Practices provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to, and retained by, the City of Los Angeles. In addition thereto, the failure to comply may be the basis for a determination by the Awarding Authority or the DAA that the said Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such a determination, the Contractor shall be disqualified from being awarded a Contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the DAA, and provide necessary forms and required language to the Awarding Authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this Contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish the contract compliance program.

I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. By affixing its signature on a Contract that is subject to this article, the Contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with employment practices, including, but not limited to:

1. hiring practices;
2. apprenticeships where approved programs are functioning and other on-the-job training for non-apprenticeable occupations;
3. training and promotional opportunities; and
4. reasonable accommodations for persons with disabilities.

L. All Contractors subject to the provisions of this section shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City, and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Subcontracts shall follow the same thresholds specified in Section 10.8.1.1. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.

A. During the performance of a City Contract, the Contractor certifies and represents that the Contractor and each Subcontractor hereunder will adhere to an Affirmative Action Program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

1. This section applies to work or services performed or materials manufactured or assembled in the United States.

F. Upon a finding duly made that the Contractor has breached the Affirmative Action Program provisions of a City Contract, the Contract may be forthwith cancelled, terminated or

suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, the breach may be the basis for a determination by the Awarding Authority or the Board of Public Works that the Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. H. Notwithstanding any other provisions of a City Contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the DAA and provide to the Awarding Authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

J. Nothing contained in City Contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. By affixing its signature to a Contract that is subject to this article, the Contractor shall agree to adhere to the provisions in this article for the duration of the Contract. The Awarding Authority may also require Contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Program.

1. (d) Secure cooperation or compliance from the labor referral agency to the Contractor's contractual Affirmative Action Program obligations.

(f) Maintain records as are necessary to determine compliance with Equal Employment Practices and Affirmative Action Program obligations and make the records available to City, State and Federal authorities upon request.

(g) Establish written company policies, rules and procedures which shall be encompassed in a company-wide Affirmative Action Program for all its operations and Contracts. The policies shall be provided to all employees, Subcontractors, vendors, unions and all others with whom the Contractor may become involved in fulfilling any of its Contracts.

(h) Document its good faith efforts to correct any deficiencies when problems are experienced by the Contractor in complying with its obligations pursuant to this article. The Contractor shall state:

6. The entry of qualified women, minority and all other journey-level persons into the industry; and

7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.

M. Any adjustments which may be made in the Contractor's work force to achieve the requirements of the City's Affirmative Action Program in purchasing and construction shall be accomplished by either an increase in the size of the work force or replacement of those employees who leave the work force by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.

N. This ordinance shall not confer upon the City of Los Angeles or any Agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by Contractors engaged in the performance of City Contracts.

O. All Contractors subject to the provisions of this article shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. CITY CONTRACTORS' USE OF CRIMINAL HISTORY FOR CONSIDERATION OF EMPLOYMENT APPLICATIONS

Section 10.48. Purpose.

The City awards many contracts to private firms to provide services to the public and to City government. The City intends that the policies underlying this article serve to guide all of these expenditures of funds to the extent allowed by the law.

Studies show that the disclosure of a criminal conviction by job applicants on application forms often automatically excludes them from consideration of employment regardless of any relationship between the conduct underlying the conviction and the duties and responsibilities of the job, the length of time since the conduct occurred and the risk of the conduct reoccurring on the job. Automatic exclusion of persons with prior criminal convictions from consideration of employment prevents otherwise qualified applicants from obtaining employment and may result in employers hiring less qualified candidates, increases the risk of recidivism of persons so excluded from consideration and disparately impacts persons of certain races and national origin.

In 2013, the State Legislature passed and the Governor signed Assembly Bill No. 218, which amended the State's Labor Code to prevent the State and local governments from seeking disclosure of conviction history from employment applicants until the agency has determined the applicant meets the minimum employment qualifications. In April 2014, the City of Los Angeles implemented AB 218 by removing questions regarding criminal convictions from employment applications, reviewing a job applicant's criminal history only after a position eligibility list is prepared, and considering, among other things, the relationship between the conviction and the duties of the position.

In November 2015, the President of the United States announced that the federal government and federal contractors could not consider job applicants' criminal convictions in the initial stages of the employment process. Numerous other cities have similarly adopted regulations preventing inquiry into job applicants' criminal history until after it is determined they are qualified for the position.

This ordinance expands the rights afforded applicants for employment with the City's contractors and subcontractors. Specifically, such employers will be prohibited from inquiring into an employment applicant's criminal history unless and until a conditional offer of employment is made to the applicant. An employer that fails to comply with the requirements of this ordinance will be subject to, among other things, termination of its City contract.

Advance) made by the Bank to MICLA from and after the date and in the amount of such payment under the Letter of Credit or such other date on which any event described in clauses (i), (ii), (iii) or (iv) above shall occur (each such default advance being a “*Default Advance*” and, collectively, the “*Default Advances*”). MICLA hereby agrees to pay or cause to be paid to the Bank (i) interest at the Default Rate on any amount of the Default Advance remaining unpaid by MICLA to the Bank from the date of such Default Advance until payment in full, payable in arrears, upon demand, and (ii) the unpaid amount of each Default Advance immediately upon demand by the Bank but if no demand is made, then on each Quarterly Payment Date in an amount equal to the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such quarterly period (taking into consideration all amounts then due and payable under any Notes); *provided, however*, that the unpaid amount of each Default Advance shall be paid or caused to be paid by MICLA in each year only to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for such Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and to the extent not so repaid, such Default Advance shall be paid or caused to be paid by MICLA during each subsequent Base Rental Period, to the extent owed, to the extent of the available Maximum Base Rental for (and in any event only to the extent of the then available fair rental value of) the Components subject to the Sublease for each such subsequent Base Rental Period (taking into consideration all amounts then due and payable under any Notes), and such Default Advance shall continue to be an obligation of the City pursuant to the Sublease.

(b) Any prepayment made under Section 2.7(a) hereof shall be applied by the Bank as a reimbursement of the related Drawing (and as a prepayment of the Principal Advance or Term Loan, as the case may be, resulting from such Drawing) and, in the case of a prepayment of a Principal Advance, MICLA irrevocably authorizes the Bank to reinstate the amount available to be drawn under the Letter of Credit by the amount of such prepayment; *provided, however*, that the Issuing and Paying Agent shall not deliver any Commercial Paper Notes (the aggregate principal and interest of which is payable from the amount of the Letter of Credit so reinstated) for sale or otherwise until the Letter of Credit has been reinstated pursuant to the terms of this Agreement and the Letter of Credit. The amount of the Letter of Credit and the amounts available to be drawn thereunder by the Issuing and Paying Agent by any Drawing shall not be increased with respect to repayments of Term Loans or Default Advances, unless otherwise agreed to by the Bank.

(c) In the event that the Issuing and Paying Agent delivers any Commercial Paper Notes while any Principal Advance or Term Loan or any portion of any Principal Advance or Term Loan remains unpaid, MICLA shall apply the proceeds of any such Commercial Paper Notes to the prepayment of such outstanding Principal Advance or Term Loan, as the case may be. Any

prepayment in part under this Section 2.7(c) shall be applied against each such Principal Advance or Term Loan, as the case may be, in the order in which each such Principal Advance or Term Loan, as the case may be, was made.

Additionally, nothing set forth in this Section 2.8(a) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i), (ii) or (iii) of this Section 2.8(a).

(b) If the Bank or any Participant Bank shall have determined that the adoption or implementation of, or any change in, any law, rule, treaty, regulation, policy, guideline, supervisory standard or directive of, or any change in the interpretation, implementation, or administration thereof by, any Governmental Authority (in each case whether or not having the force of law), or compliance by the Bank or any Participant Bank with any request by or directive of any Governmental Authority (in each case, whether or not having the force of law), including but not limited to any such law, rule, regulation, policy, guideline, standard, directive, interpretation, application or promulgation implementing, invoking or in any way related to any provision (as now or hereafter amended) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (or any other statute referred to therein or amended thereby) or any rules, guidelines, standards, or directives promulgated by the Basel Committee on Banking Supervision or the Bank for International Settlements (or any successor or similar organizations), shall impose, modify or deem applicable any capital (including but not limited to contingent capital or liquidity) adequacy, reserve, insurance, liquidity or similar requirement (including, without limitation, a request or requirement that affects the manner in which the Bank or any Participant Bank allocates capital or liquidity resources or reserves to its commitments) that either:

(i) affects or would affect the amount of capital or liquidity or reserves to be maintained by the Bank or such Participant Bank, or

(ii) reduces or would reduce the rate of return on the Bank's or such Participant Bank's capital or liquidity or reserves to a level below that which the Bank or such Participant Bank could have achieved but for such circumstances (taking into consideration the policies of the Bank or such Participant Bank with respect to capital or liquidity adequacy or the maintenance of reserves), then,

the Bank or Participant Bank (as the case may be) shall use commercially reasonable efforts to provide to MICLA, as soon as reasonably practicable after its Responsible Officer (as hereinafter defined) has actual knowledge that the Bank has determined to demand additional compensation for such reduction under this Section 2.8(b) and the amount thereof, written notice of the occurrence or expected occurrence of any event referred to in clause (i) or (ii), setting forth in reasonable detail the amount or amounts of such additional compensation (such notice, a "*Capital or Liquidity Adequacy Demand Notice*") and the date or anticipated date upon which the Bank or Participant Bank is demanding or expects to make such demand upon MICLA. Subject to the third full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit, then MICLA shall not be obligated to pay any compensation set forth in such Capital or Liquidity Adequacy Demand Notice for any such reduction incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Capital or Liquidity Adequacy Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof.

Notwithstanding the foregoing, (i) a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Capital or Liquidity Adequacy Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(b). Additionally, nothing set forth in this Section 2.8(b) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i) or (ii) of this Section 2.8(b).

(c) All payments of amounts referred to in this Section 2.8 shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA; *provided that*, subject to the following proviso, any increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within one hundred twenty (120) calendar days of the date the Bank or the Participant Bank, as applicable, makes demand therefor on MICLA; *provided further* that to the extent a particular amount of increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount is expected to be an ongoing obligation of MICLA (referred to herein as "*Recurring Increased Costs*") as determined by the Bank or the Participant Bank, as applicable, in a written notice from the Bank or the Participant

Any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8 submitted by the Bank or any Participant Bank to MICLA shall be conclusive as to the amount thereof absent manifest error.

MICLA shall not be required to compensate the Bank or any Participant Bank pursuant to this Section 2.8 in respect of a period occurring more than six (6) months prior to the date the above-described written demand is given to MICLA with respect thereto (the “*Cut-Off Date*”), except where (i) the Bank or Participant Bank, as applicable, had no actual knowledge of the action resulting in such increased costs, increased capital or liquidity or Reduction in Amount, as applicable, as of the Cut-Off Date or (ii) such increased costs, increased capital or liquidity or Reduction in Amount apply to the Bank or Participant Bank retroactively to a date prior to the Cut-Off Date.

In making the determinations contemplated by any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, the Bank or Participant Bank may make and shall include in such notice such reasonable estimates, assumptions, allocations and the like that the Bank or Participant Bank in good faith determines to be appropriate. For purposes of this Section 2.8, the term “Bank” or “Participant Bank” as applicable, shall also include any entity controlling the Bank or Participant Bank or the holding company thereof. For purposes of the immediately preceding sentence, “controlling” means the power to direct the management and policies of the Bank, directly or indirectly, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract or otherwise. The obligations of MICLA under this Section 2.8 shall survive the termination of this Agreement, the Letter of Credit and repayment of all Obligations hereunder and under the Fee Letter.

(d) Notwithstanding anything to the contrary in this Section 2.8, in the event the Bank grants any participation to any Participant Bank pursuant to Section 8.7(b) hereof, neither MICLA nor the City shall have any obligation to pay amounts pursuant to this Section 2.8 in an amount greater than that which it would have been required to pay if the Bank had not granted such participation.

Section 2.9. Payments and Computations. (a) MICLA shall make or cause to be made each payment hereunder representing reimbursement pursuant to Section 2.4 hereof to the Bank of the amount drawn on the Bank pursuant to a Drawing made under the Letter of Credit not later than 1:00 P.M., Los Angeles time (4:00 P.M. New York City time), on the day when due. MICLA shall make or cause to be made all other payments hereunder and/or under the Fee Letter not later than 10:00 A.M., Los Angeles time (1:00 P.M. New York City time), on the day when due. All payment made by MICLA under this Agreement and the Fee Letter shall be made in lawful money of the United States of America to the account of the Bank by wire in accordance with Section 2.9(d) hereof in immediately available funds; *provided, however*, that whenever any payment hereunder or under the Fee Letter shall be due on a day that is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day, and any interest payable thereon shall be payable for such extended time; and *provided, further* that MICLA shall be permitted to make any payment pursuant to the Fee Letter in next day funds if such payment is made (i) on the Business Day immediately preceding the date on which such payment would otherwise have been due and (ii) in an amount equal to the amount that would have been required to have been paid had the payment not been made in next day funds in reliance upon this proviso. Payment received by the Bank after the applicable time set forth in this Section 2.9 shall be considered to have been made on the next succeeding Business Day. Solely upon the written request of MICLA, the Bank shall provide to MICLA a written statement describing in reasonable detail the basis for any computation of any payment to be made hereunder or under the Fee Letter. Computations of the Base Rate, the Principal Advance Rate, the Term Loan Rate and the Default Rate hereunder shall be made by the Bank on the basis of a year of 365 days or 366 days, as applicable, for the actual number of days elapsed.

(b) All payments hereunder and under the Fee Letter will be made without counterclaim, setoff, condition or defense free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction, taxing authority or taxing jurisdiction in which the Bank or any Participant Bank is organized, has its principal place of business, is managed and controlled or from which or through payments to or from the Bank or such Participant Bank are made (each, a “*Taxing Jurisdiction*”), but excluding any tax imposed on the overall net income of the Bank or such Participant Bank pursuant to the laws of the jurisdiction (or any political subdivision or taxing authority thereof or therein) in which the principal office of the Bank or such Participant Bank is located) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being hereinafter referred to as “*Taxes*”)); *provided, however*, that if the Bank or any Participant Bank, as the case may be, is not organized under the laws of the United States or a state thereof, MICLA shall have no liability with respect to any Taxes which are imposed on the Bank or any such Participant Bank pursuant to the laws of the Taxing Jurisdiction in which the principal office of the Bank or such Participant Bank is located unless (i) the Bank or such Participant Bank is entitled to the benefits of an income tax treaty with the United States that provides for an exemption from United States withholding tax on interest and other amounts payable to the Bank or such Participant Bank, as the case may be, pursuant to the terms of this Agreement, the Revolving Note and any other Related Document, or (ii) all interest and other amounts payable to the Bank or such Participant Bank pursuant to the terms of this Agreement, the Revolving Note or any other Related Documents will be effectively connected with the conduct by the Bank or such Participant Bank of a trade or business within the

United States. If any Taxes are so levied or imposed, MICLA agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, on demand the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under the Fee Letter, under the Revolving Note or under any Related Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein, in the Fee Letter, in the Revolving Note or in such Related Document. MICLA will deliver to the Bank within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by MICLA. To the extent permitted by law, MICLA will indemnify and hold harmless the Bank or such Participant Bank and reimburse the Bank upon written request, from Additional Rental paid by the City under the Sublease, for the amount of any Taxes so levied or imposed and paid by the Bank or such Participant Bank.

(c) Unless otherwise provided herein, amounts not paid when due shall bear interest at the Default Rate and shall be payable upon demand of the Bank.

(d) Payments under this Agreement and/or the Fee Letter shall be made to the Bank by wire transfer of immediately available funds as follows: (i) with respect to fees, the wire instructions are U.S. Bank, NA, Government Banking WIP account, Routing: 042000013, Account: 2519956 2160600, Reference: City of Los Angeles – 71/6517516085, and (ii) with respect to any other amounts, the wire instructions are [_____] , or such other account as the Bank may designate from time to time in writing.

Section 2.10. Extension of Stated Expiration Date; Reduction in Stated Amount.

(a) *Extension of Stated Expiration Date.* On the 2025 Extension Date, the Stated Expiration Date shall be June 30, 2028; *provided* that such date shall be subject to extension at any time following the then scheduled Stated Expiration Date, as set forth below and in the Letter of Credit. At least 90 days but not more than 180 days prior to the Stated Expiration Date, MICLA and the City may request in writing that the Bank extend the Stated Expiration Date for an additional term of one year or such other period as the parties may agree by delivery to the Bank of a Request for Extension. Within 30 days of the date of any such Request for Extension, the Bank will notify MICLA and the City in writing of the decision by the Bank in its absolute discretion whether to extend for such additional period, the Stated Expiration Date for purposes of this Agreement and the Letter of Credit, including in such notice the extended Stated Expiration Date and the conditions of such consent (including conditions relating to legal documentation and the consent of the Issuing and Paying Agent). If the Bank does so agree to extend, the Bank shall deliver an executed Notice of Extension to the Issuing and Paying Agent. If the Bank shall not so notify MICLA, the Bank shall be deemed to have denied any such extension.

(b) *Decrease in Stated Amount.* MICLA and the City may elect to decrease the Stated Amount of the Letter of Credit from time to time prior to the Stated Expiration Date by delivery of a Request for Decrease in Stated Amount to the Bank, upon receipt of which the Bank will notify the Issuing and Paying Agent by means of a notice in the form attached to the Letter of Credit as Annex E, thereby decreasing the Stated Amount, all as set forth in the Letter of Credit. Upon such decrease, the Stated Amount of the Letter of Credit shall not be less than the sum of

(i) the face value of all discount Commercial Paper Notes and (ii) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof.

Section 2.11. Evidence of Debt; Revolving Note. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of MICLA resulting from each Drawing under the Letter of Credit and from each Advance and Term Loan made from time to time hereunder and the amounts of principal and interest payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations of MICLA therein recorded. To evidence the indebtedness of MICLA due and owing to the Bank under this Agreement with respect to amounts drawn under the Letter of Credit, MICLA will issue the Revolving Note, substantially in the form of Exhibit B attached hereto, to the Bank on the Date of Issuance. The Bank shall note on the grid attached to the Revolving Note principal amounts owing to the Bank, and the maturity schedule therefor pursuant to Sections 2.5 and 2.6 respecting outstanding Advances and Term Loans with interest until payment in full pursuant to the terms of the Revolving Note.

Section 2.12. Obligations Absolute. The obligations of MICLA under this Agreement and the Fee Letter shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms thereof, under all circumstances whatsoever, including without limitation the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment to, waiver of or consent to departure from any provision of, this Agreement or any of the Related Documents;
- (c) the existence of any claim, set-off, defense or other right which MICLA or the City may have at any time against the Trustee, the Issuing and Paying Agent, any Dealer, the Bank (other than the defense of the payment to the Bank in accordance with the terms of this Agreement), any beneficiary or any transferee of the Letter of Credit (or any person or entity for whom any such beneficiary or any such transferee may be acting) or any other Person, whether in connection with this Agreement, any Related Document or any unrelated transaction;
- (d) any demand, statement or any other document presented under the Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (e) any non-application or misapplication by the Issuing and Paying Agent of the proceeds of any drawing under the Letter of Credit;
- (f) payment by the Bank under the Letter of Credit to the person entitled thereto against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit; or

(g) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Nothing contained in this Section 2.12 shall operate to prevent MICLA or the City from bringing a cause of action against the Bank for any liability it may incur as a result of the Bank's gross negligence or willful misconduct as and to the extent provided in Section 8.5 hereof.

Notwithstanding the foregoing, the obligations of MICLA under this Agreement are a special obligation of MICLA payable solely from the Pledged Property. To the extent the City pays any obligation of MICLA under this Agreement, such payment shall be deemed to be payment by MICLA of such obligation.

Section 2.13. Termination; Acceptance of Alternate Credit Facility. MICLA may terminate the Letter of Credit prior to the Stated Expiration Date by (i) (A) delivering to the Issuing and Paying Agent an Alternate Credit Facility in substitution for the Letter of Credit in accordance with the terms and conditions of Trust Agreement and causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex C to the Letter of Credit or (B) -causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex D to the Letter of Credit in accordance with the terms and conditions of Trust Agreement, as applicable; and (ii) delivering written notice to the Bank not less than thirty (30) days prior to the substitution date or termination date, as applicable. On or prior the date, if any, on which an Alternate Credit Facility is substituted for the Letter of Credit, MICLA hereby agrees to pay, or cause to be paid, to the Bank all unpaid Obligations including, without limitation, any Advance or Term Loan and all amounts owing on the Revolving Note, at or prior to the time of such termination. Notwithstanding the foregoing, MICLA shall have no obligation to provide the written notice described in clause (ii) of this Section 2.13 if (x) the termination of the Letter of Credit shall occur within the thirty (30) days preceding the Stated Expiration Date or (y) if the Letter of Credit is terminated or replaced as a result of (1) a withdrawal, suspension or reduction of the Bank's senior unsecured short-term ratings below "P-1", "F1" or "A-1", respectively, by Moody's, Fitch or S&P, (2) the payment in full or refunding of the Commercial Paper Notes with long-term debt that does not require a letter of credit, liquidity facility or credit enhancement and is not a direct purchase by a bank or other financial institution or (3) the Bank having imposed increased costs upon MICLA and the City pursuant to Section 2.8 hereof.

Section 2.14. Pledge by MICLA. To provide security to the Bank for the payment by MICLA of the Obligations and any and all amounts now or hereafter owing to the Bank under this Agreement, the Revolving Note and the Fee Letter, MICLA has pledged to the Bank the Pledged Property pursuant to the Trust Agreement and as evidenced by the Assignment Agreement.

Section 2.15. Maximum Interest Rate; Payment of Fee. If the rate of interest payable hereunder shall exceed any maximum interest rate permitted by law for any period for which interest is payable, then (i) interest at such maximum interest rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) such maximum interest rate (the "*Excess Interest*"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed such maximum interest rate, at which time

MICLA shall pay or cause to be paid to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal such maximum interest rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the termination of, this Agreement, in consideration for any limitation of the rate of interest which may otherwise be payable hereunder, MICLA shall pay or cause to be paid to the Bank a fee equal to the amount of all unpaid deferred Excess Interest (the "*Termination Fee*"); *provided* that the Termination Fee shall be payable as and to the extent that the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Components subject to the Sublease for such Base Rental Period exceeds the sum of all other Reimbursement Obligations remaining unpaid hereunder and the amount of interest accruing on the Commercial Paper Notes during such Base Rental Period. MICLA hereby represents and warrants that the obligations of MICLA under the Revolving Note and all other Reimbursement Obligations hereunder are not subject to any limitation as to maximum interest rate.

Section 2.16. Adjustment of Base Rental Payments. (a) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, the City and MICLA shall increase the amount of the Base Rental Payments payable under the Sublease for the Property for each Base Rental Period to the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Property for the Components subject to the Sublease for such Base Rental Period, as it may be re-determined in accordance with subsection (b) below.

(b) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, unless the Sublease has terminated in accordance with its terms, the City and MICLA agree, at the Bank's sole written request, from time to time (but not more than once in any twelve month period), to determine or cause to be determined, the Maximum Base Rental for one or more Components for each Base Rental Period based on the then fair rental value for such Components for each Base Rental Period. Such determination shall be by any method that the Bank may reasonably request, subject to the reasonable approval of such method by the City, MICLA and bond counsel, including a Class C appraisal conducted by an employee of the City and shall be at the sole expense of the City and MICLA; *provided, however*, that in no event shall the newly determined Maximum Base Rental for one or more Components for each Base Rental Period cause bond counsel to advise that its opinion on the validity or enforceability of the Sublease may no longer be relied upon. In addition, the City and MICLA agree to extend the term of (i) the Site Lease in accordance with Section 4 thereof and (ii) the Sublease in accordance with Section 2.2 thereof, if, on the stated expiration thereof, any amounts remain owing to the Bank hereunder or under any of the other Related Documents.

Section 2.17. Electronic Transmissions. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, instructions, consents, waivers and all documents relating to the Letter of Credit which are sent to the Bank by electronic means and such communication shall have the same legal effect as if written and shall be binding upon and enforceable against the City and/or MICLA. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that it receives original documents prior to acting

on such electronic transmission; *provided, however*, that the presentation of draw certificates under the Letter of Credit will be governed by the Letter of Credit.

ARTICLE III

The obligation of the Bank to issue the Letter of Credit was subject to the fulfillment of the conditions precedent set forth in Section 3.1 of the Existing Agreement on or before the Date of Issuance in form and substance and in a manner satisfactory to the Bank. The obligation of the Bank to issue the 2025 Notice of Extension is subject to the fulfillment of the following conditions precedent on or before the 2025 Extension Date in form and substance and in a manner satisfactory to the Bank:

(a) The Bank shall have received:

(i) Certified copies of the resolutions of MICLA and the City approving this Agreement, the Fee Letter and the other matters contemplated hereby and thereby, and all other documents, including records of proceedings of MICLA and the City, instruments, governmental approvals, third party approvals and opinions as the Bank and its counsel may reasonably request evidencing any other necessary action.

(v) Certificates of MICLA and the City stating that (A) on the 2025 Extension Date, no event has occurred and is continuing, or would result from the issuance of the 2025 Notice of Extension, which constitutes an Event of Default or would constitute an Event of Default but for the requirement that notice be given or time elapse or both, and that (B) on the 2025 Extension Date and after giving effect to the issuance of the 2025 Notice of Extension, all representations and warranties of MICLA and the City contained herein or otherwise made in writing in connection herewith shall be true and correct in all material respects with the

(viii) Such other documents, certificates, opinions, approvals and filings with respect to the Related Documents and this Agreement as the Bank may reasonably request.

(b) All other legal matters pertaining to the execution and delivery of this Agreement and the 2025 Notice of Extension shall be reasonably satisfactory to the Bank and its counsel.

(c) MICLA shall have made payment to the Bank of all amounts due on the 2025 Extension Date under Section 8.6 hereof.

Upon issuance of the 2025 Notice of Extension by the Bank, all conditions precedent contained in this Section 3.1 shall be deemed to have been met or waived by the Bank.

Section 3.2. Conditions Precedent to Each Credit Event. As a condition precedent to the occurrence of each Credit Event hereunder, including the initial Credit Event, the following conditions shall be satisfied on the date of such Credit Event:

(a) no Event of Default shall have occurred and be continuing; and

(b) the representations and warranties made by MICLA and the City in Article IV hereof (other than in Sections 4.1(g) and 4.2(g) hereof) shall be true and correct in all material respects on and as of such date, as if made on and as of such date.

On the occurrence of each Credit Event, MICLA shall be deemed to have represented and warranted that the foregoing conditions precedent have been satisfied.

Section 3.3. Tier One Stop Issuance Instructions; Tier One Final Drawing Notice; Tier Two Termination Notice; New Tier Two Termination Notice. (a) Commercial Paper Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the terms of and subject to the conditions set forth in the Trust Agreement and the Issuing and Paying Agent Agreement so long as (i) the Issuing and Paying Agent is not in receipt of a Tier One Stop Issuance Instruction then in effect given by the Bank pursuant to this Section 3.3 or Section 6.2 hereof and not rescinded and (ii) the Issuing and Paying Agent is not in receipt of a Tier One Final Drawing Notice in the form attached hereto as Exhibit E-2. Upon the Issuing and

Paying Agent's receipt of a Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the one hundred twentieth (120th) day (or such earlier day as may be provided in Section 3.3(c) following the date of delivery of such Tier Two Termination Notice) (the "Tier Two Termination Date") and on the Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the Tier Two Termination Date. Upon the Issuing and Paying Agent's receipt of a New Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the earlier of (i) the fifteenth (15th) day following receipt of the New Tier Two Termination Notice or (ii) any existing Tier Two Termination Date (the earlier of such dates, the "New Tier Two Termination Date"). On the New Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date.

(b) The Bank may deliver a Tier One Stop Issuance Instruction at any time when: (i) an Event of Default shall have occurred and be continuing; or (ii) the conditions precedent to the occurrence of a Credit Event set forth in Section 3.2 have not been satisfied. The Bank may deliver the Tier One Final Drawing Notice in the form of Exhibit E-2 at any time when an Event of Default shall have occurred and be continuing. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice shall be effective when received by the Issuing and Paying Agent; *provided, however,* that a Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice in writing shall not render such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice ineffective. The Bank will furnish a copy of any Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice to MICLA, the City and the Dealer(s) promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice.

(c) The Bank may deliver a Tier Two Termination Notice in the form of Exhibit F hereto at any time when it has been determined by the Bank in its sole and absolute discretion that the Bank is unable to comply with any of the Specified City Provisions as a result of (i) any change in the Bank's policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions after the 2025 Extension Date. A Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) shall be effective when received by the Issuing and Paying Agent; *provided, however,* that a Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any

day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. Notwithstanding the foregoing, in the event any monetary or civil penalties are imposed on the Bank as a result of its inability to comply with one or more provisions of the Specified City Provisions as a result of (i) any change in the Bank's policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions, as applicable, after the 2025 Extension Date, then upon the Bank's delivery of a New Tier Two Termination Notice in the form of Exhibit G hereto setting forth a New Tier Two Termination Date (which may be sooner than the original Tier Two Termination Date, but in any event not sooner than the earliest to occur of (a) the 15th day following the Issuing and Paying Agent's receipt of the New Tier Two Termination Notice, or (b) the original Tier Two Termination Date), the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit on such New Tier Two Termination Date to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date. A Tier Two Termination Notice or New Tier Two Termination Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier Two Termination Notice or New Tier Two Termination Notice in writing shall not render any such notice ineffective. The Bank will furnish a copy of any Tier Two Termination Notice or New Tier Two Termination Notice to MICLA, the City and the Dealer promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier Two Termination Notice or New Tier Two Termination Notice. Notwithstanding any provisions of this paragraph to the contrary, in the event (1) MICLA and the City provides a waiver or exemption to the Bank which states that the Bank (x) is not required to comply with the Specified City Provisions, as applicable, (y) is not in violation of the Specified City Provisions, as applicable and/or (z) is not required to satisfy any monetary or civil penalties imposed on the Bank related to the Specified City Provisions, as applicable, and (2) the Bank receives a City Attorney's opinion or other opinion of counsel satisfactory to the Bank confirming the foregoing, the Bank shall immediately rescind the Tier Two Termination Notice or New Tier Two Termination Notice, as applicable, and such Tier Two Termination Notice or New Tier Two Termination Notice shall no longer be effective.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. City Representations and Warranties. The City represents and warrants that, as of the date on which this Agreement is executed and as may be required by Section 3.2 hereof, as applicable:

(a) *Existence.* The City is validly existing as a municipal corporation organized and existing under its charter and the laws of the State, with full right and power to own its properties and to carry on its affairs as now being conducted and to execute, deliver and perform its obligations under this Agreement and each other Related Document to which it is a party.

(b) *Authorization; Contravention.* The execution, delivery and performance by the City of this Agreement and the other Related Documents to which it is a party (i) are within the City's powers, (ii) have been duly authorized by all necessary action and require no further consent or action by or in respect of, or filing with, any governmental body, agency, official or other Person, in each case required as of the date this representation is made and (iii) do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, writ, determination, award, decree or material instrument binding upon the City or by which the City or its properties may be bound or affected, or result in the creation or imposition of any lien or encumbrance on any asset of the City (other than pursuant to such enumerated documents). The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of the City, any agreement relating thereto, or any other contract or agreement (including its charter) that limits the amount of, or otherwise imposes restrictions on, the incurring of obligations of the City that would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which the City is a party each constitutes a valid, binding and enforceable agreement of the City, subject to bankruptcy, insolvency, moratorium and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against municipal corporations in the State.

(d) *No Default.* It is not, in any material respect, in breach of or default under (i) its organizational documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the transactions contemplated hereby or by the other Related Documents, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party, (y) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City or (z) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of the City, threatened against or affecting, the City before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse

decision which could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party, (y) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party or (iii) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City.

(f) *No Sovereign Immunity.* The City does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

(h) *No Proposed Legal Changes.* To the knowledge of the City Administrative Officer, there is no amendment, or no proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect (i) the execution and delivery of this Agreement or the other Related Documents to which the City is a party, or (ii) the performance by the City of its obligations under this Agreement or the other Related Documents to which the City is a party.

(i) *Offering Memorandum.* The information contained in the Offering Memorandum under the caption "CITY OF LOS ANGELES" does not contain any untrue statement of any material fact.

There exists no event of default or event, occurrence, condition or act that, with the giving of notice, the lapse of time or the happening of any further event or condition, would become a default under the Sublease.

(k) *Disclosure.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no fact known to the City, as of the date this representation is made, that would have a material adverse effect on (i) the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party or (ii) the enforceability or validity of any of the Related Documents.

(l) *Financial Information.* The consolidated statement of financial position of the City as of the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, fairly present the financial condition of the City as at such date and the results of the operations of the City for the period ended on such date, all in accordance with GAAP consistently applied, and since the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, there has been no change in the business, financial condition, results of operations, or prospects of the City which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

No part of the proceeds of Drawings under the Letter of Credit will be used to violate Sanctions.

(n) *Essentiality.* The Property is an essential asset of the City necessary for the operations of the City and/or to serve the needs of the residents of the City. The City believes that at all times while any Rental Payments or any obligation of the City under the Related Documents remains unpaid, the Property will remain an essential asset of the City.

(o) *Fair Rental Value.* The total Rental Payments for the Property do not exceed the fair rental value of the Property. In making such determination of fair rental value, consideration has been given to the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.

(p) *Anti-Terrorism Laws.*

(i) To the knowledge of the City, the City is not in violation of any Laws relating to terrorism or money laundering (“*Anti-Terrorism Laws*”), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the “*Executive Order*”), and the Patriot Act;

MICLA is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of MICLA, any agreement relating thereto, or any other contract or agreement (including its articles of

It is not, in any material respect, in breach of or default under (i) its articles of incorporation or its bylaws or other similar documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the issuance of debt securities by it, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of MICLA to perform its obligations hereunder or under any other Related Documents to which it is a party, or (y) cause a material adverse effect upon the enforceability against MICLA or validity of this Agreement or any other Related Document to which MICLA is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of MICLA, threatened against or affecting, MICLA before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse decision which could reasonably be expected to (i) materially and adversely affect the ability of MICLA to perform its obligations hereunder or under the Related Documents to which it is a party or (ii) cause a material adverse effect upon the enforceability against MICLA or validity of this Agreement or any other Related Document to which MICLA is a party.

No waiver, indulgence or postponement of any of MICLA's obligations under the Site Lease has been granted by the City. COVENANTS

Section 5.1. Covenants. MICLA and the City each agrees that so long as the Letter of Credit remains outstanding or any amount payable hereunder remains unpaid:

(a) *Information.* The City and MICLA will prepare or cause to be prepared and deliver to the Bank the following:

(i) as promptly as available (and in any event within 270 days following the end of each Fiscal Year of the City), the complete Annual Comprehensive Financial Report (“ACFR”) of the City, certified as to the fairness of presentation and conformity with GAAP by a recognized firm of independent certified public accountants;

(iii) within ninety (90) days of proposal or adoption (as the case may be) of the most recently proposed or adopted annual operating budget of the City (as the case may be) with respect to the City’s General Fund, evidence that such annual operating budget with respect to the City’s General Fund includes therein as a separate line item all Minimum Required Rental Payments and Additional Rental due during such period, if not otherwise paid from capitalized interest funded by proceeds of the Commercial Paper Notes; and

(iv) such other information respecting the affairs, conditions and/or operations, financial or otherwise, of the City or MICLA, as the Bank may from time to time reasonably request.

All factual information hereinafter delivered by MICLA or the City in writing to the Bank will be, to the knowledge of the authorized person delivering such information after reasonable inquiry, accurate and complete in all material respects on the date as of which such information is certified.

(b) *Amendments to Related Documents.* Without the prior written consent of the Bank, which consent shall not be unreasonably withheld or delayed, or except as may be permitted in any Related Document, MICLA and the City will not agree or consent to any amendment, supplement, waiver or modification of any provision of any Related Document to which MICLA or the City is a party.

To the extent that any such incorporated provision permits any Person to waive compliance with or consent to such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to any Person, for purposes of this Agreement, such provision shall be complied with only if it is waived

or consented to by the Bank and such document, opinion or other instrument shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Bank.

(d) *Issuing and Paying Agent.* MICLA and the City will at all times have an Issuing and Paying Agent performing the duties thereof contemplated by the Trust Agreement and the Issuing and Paying Agent Agreement.

(e) *Dealer.* MICLA and the City will at all times have one or more Dealers reasonably acceptable to the Bank performing the duties thereof contemplated by the Trust Agreement and the Dealer Agreements.

(f) *Outstanding Commercial Paper Notes Plus All Interest to Accrue Thereon Not to Exceed Stated Amount; No Issuance after Receipt of Tier One Stop Issuance Instruction or Tier One Final Drawing Notice.* (i) MICLA will instruct the Issuing and Paying Agent not to authenticate or deliver any Commercial Paper Note if, immediately after the authentication and delivery of, and receipt of payment for, such Commercial Paper Note, the sum of (x) the face value of all discount Commercial Paper Notes and (y) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof, would exceed the Stated Amount.

(ii) MICLA will not instruct the Issuing and Paying Agent to authenticate or deliver any Commercial Paper Note if (x) the Issuing and Paying Agent has received a Tier One Stop Issuance Instruction, unless and until such Tier One Stop Issuance Instruction is rescinded, or (y) the Issuing and Paying Agent has received a Tier One Final Drawing Notice.

(g) *Defaults.* MICLA and the City will promptly (and in any event within ten Business Days after becoming aware thereof) notify the Bank of the occurrence of any Event of Default, specifying the details of such Event of Default and, to the extent a determination has been made, the action that MICLA proposes to take with respect thereto.

(h) *Books, Records.* MICLA and the City will permit, during normal business hours and from time to time, upon reasonable prior notice, the Bank or any of its agents or representatives to examine and make copies of and abstracts from the records and books of account of MICLA and the City, respectively (except records and books of accounts the examination of which by the Bank is prohibited by law), and to discuss the affairs, finances and accounts of MICLA and the City with any representative or any other appropriate officer of MICLA and the City or MICLA's or the City's independent public accountants.

(i) *Other Obligations.* MICLA and the City will each comply with and observe all other material obligations and requirements set forth in the Trust Agreement and each other Related Document to which it is a party (including without limitation all provisions therein for the benefit of the Bank) and in all laws, statutes and regulations binding upon it, noncompliance with which would materially adversely affect MICLA's or the City's

ability to perform its respective obligations under the Commercial Paper Notes, this Agreement, the Fee Letter or any of the other Related Documents.

(j) *Litigation; Material Change.* MICLA and the City shall promptly notify the Bank of (i) the existence and status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, or (ii) the occurrence of any other event or change which could have a material adverse effect on (A) the ability of MICLA or the City to perform their respective obligations hereunder or under the other Related Documents or (B) the enforceability or validity of the Trust Agreement or any of the other Related Documents.

(k) *Repayment of Drawings.* On and after the date of any Drawing on the Letter of Credit, MICLA will use its best efforts to cause the Dealer(s) to sell Commercial Paper Notes as soon as practicable and to use the proceeds of the sale of such Commercial Paper Notes to repay such Drawing.

(l) *Obligations under Related Documents.* MICLA and the City shall take all actions as may be reasonably requested by the Bank to enforce the obligations under the Related Documents of each of the other parties thereto.

(m) *Replacement of Certain Entities.* MICLA shall obtain the prior written consent of the Bank to the replacement of the Issuing and Paying Agent or any Dealer, which consent shall not be unreasonably withheld or delayed. MICLA and the City shall provide the Bank with prior written notice of the replacement of any other entity that is a party to a Related Document.

(n) *Limitation on Voluntary Liens.* MICLA and the City shall not create a pledge, lien or charge on any part of the Pledged Property, other than the lien in favor of holders of the Commercial Paper Notes and the Bank. MICLA and the City shall not create a pledge, lien or charge on any part of the Property other than Permitted Encumbrances. The City and MICLA covenant (i) to keep the Components and all parts thereof free from judgments, and materialmen's and mechanics' liens, claims, demands, encumbrances, liabilities and other liens of whatever nature or character, which, in each case, might hamper the City in utilizing the Components; and (ii) promptly, upon request of the Bank, to take such action from time to time as may be reasonably necessary or proper to remedy or cure any cloud upon or defect in the title to the Components or any part thereof, whether now existing or hereafter developing, to prosecute all actions, suits, or other proceedings as may be reasonably appropriate for such purpose.

(o) *City and MICLA to Maintain Existence.* MICLA agrees that it will maintain its existence as a California nonprofit public benefit corporation. The City agrees that it will maintain its existence as a municipal corporation under its charter and the laws of the State.

(p) *Further Assurances.* The City and MICLA will execute, acknowledge where appropriate, and deliver from time to time promptly at the request of the Bank all

such instruments and documents as in the opinion of the Bank are reasonably necessary or desirable to carry out the intent and purposes of this Agreement.

(q) *No Impairment.* The City and MICLA will not take any action, or cause or permit the Trustee or the Issuing and Paying Agent to take any action, under the Trust Agreement, the Sublease or any other Related Document inconsistent with the rights and remedies of the Bank under this Agreement.

(r) *Lease Payments.* The City and MICLA will not issue or authorize the issuance of any obligation payable from the Rental Payments (as defined in the Sublease) due under the Sublease other than the Notes.

(s) *References to the Bank.* The City and MICLA will not include in any official statement, offering memorandum, or private placement memorandum any information concerning the Bank (other than identifying the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property) that is not supplied in writing, or otherwise consented to in writing, by the Bank expressly for inclusion therein, or make any changes in reference to the Bank in any revision of the Offering Memorandum without the Bank's prior written consent thereto, which consent shall not be unreasonably withheld or delayed; *provided that*, without the prior written consent of the Bank, the City and MICLA may identify the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property, in other disclosure documents of the City or MICLA, so long as no other information relating to this Agreement, the Fee Letter or the Bank is disclosed in such offering documents without the prior written consent of the Bank.

(t) *Title Insurance.* The City and MICLA shall, during the term of the Sublease (including any extension of the initial term thereof), cause each of the Components to be covered by a CLTA leasehold policy (10-21-87) of title insurance insuring the Trustee and naming the Bank as an additional insured as its interests may appear, in an amount not less than the aggregate principal amount of the Funding Commitments (as defined in the Trust Agreement), subject only to such exceptions as shall be acceptable to the Bank, with such endorsements and affirmative coverages as may be reasonably required by the Bank (with timely notice), including endorsements regarding zoning and access to public roads, and otherwise in form and substance satisfactory to the Bank and its counsel and issued by an insurance company acceptable to the Bank and its counsel and authorized to issue such insurance in the State of California.

(u) *Maintenance of Insurance.* Throughout the term of the Sublease, the City shall maintain or cause to be maintained insurance and/or a program of self-insurance or alternative risk management in the manner and in form and substance as required by Section 4.3 of the Sublease.

(v) *Covenants and Legal Duties.* Subject to Section 3.1(g) of the Sublease, the City agrees to include all Minimum Required Rental Payments and Additional Rental due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all such Minimum Required Rental Payments and Additional Rental, and for all Minimum Supplemental Rental Payments, if any, subject to Section 3.5 of the Sublease. The covenants on the part of the City herein contained and in the Sublease shall be deemed to be and shall be construed to be duties imposed by law, and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance, of the official duty of such officials to enable the City to carry out and perform such covenants and agreements.

(w) *Use of Proceeds.* The proceeds of Drawings made under the Letter of Credit will be expended solely to pay the principal of and interest on maturing Commercial Paper Notes and not in violation of any Sanctions.

(x) *Ratings.* The City shall give written notice to the Bank as soon as practicable of the increase, decrease, withdrawal or suspension of any rating maintained by any Rating Agency in respect of its unenhanced Lease Obligation Debt, unless such rating is terminated due to the payment in full of such Lease Obligation Debt; provided that the requirement to provide such notice shall be satisfied if such information is publicly available on the Electronic Municipal Market Access system maintained by the Municipal Securities Rulemaking Board.

(y) *Voluntary Rent Abatement.* Except as required by law and the terms of the Sublease, the City shall not seek or assert a claim for abatement of any of the Rental Payments under the Sublease.

No such finding shall be made or penalties assessed except pursuant to the Equal Employment Practices and upon a full and fair hearing after notice and an opportunity to be heard have been given to the Bank. Upon a finding duly made that the Bank has failed to comply with the Equal Employment Practices provisions of this Agreement, this Agreement could be forthwith terminated, cancelled, or suspended to the extent required by the Equal Employment Practices. SECTION 10.8.3 OF THE LOS ANGELES ADMINISTRATIVE CODE

Section 10.8.3. Equal Employment Practices Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is \$1,000 or more shall contain the following provisions, which shall be designated as the **EQUAL EMPLOYMENT PRACTICES** provision of such contract:

A. During the performance of this Contract, the Contractor agrees and represents that it will provide Equal Employment Practices and the Contractor and each Subcontractor hereunder will ensure that in their Employment Practices persons are employed and employees are treated equally and without regard to, or because of, race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor agrees to post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor will, in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify in the specified format that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of the Contractor's records pertaining to employment and to employment practices by the awarding authority or the DAA for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City Contracts. Upon request, the Contractor shall provide evidence that the Contractor has or will comply therewith.

E. The failure of any Contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City Contracts. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has failed to comply with the Equal Employment Practices provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to, and retained by, the City of Los Angeles. In addition thereto, the failure to comply may be the basis for a determination by the Awarding Authority or the DAA that the said Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such a determination, the Contractor shall be disqualified from being awarded a Contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the DAA, and provide necessary forms and required language to the Awarding Authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this Contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish the contract compliance program.

I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. By affixing its signature on a Contract that is subject to this article, the Contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with employment practices, including, but not limited to:

1. hiring practices;
2. apprenticeships where approved programs are functioning and other on-the-job training for non-apprenticeable occupations;
3. training and promotional opportunities; and
4. reasonable accommodations for persons with disabilities.

L. All Contractors subject to the provisions of this section shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City, and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Subcontracts shall follow the same thresholds specified in Section 10.8.1.1. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.

A. D. The Contractor shall permit access to, and may be required to provide certified copies of, all of its records pertaining to employment and to its employment practices by the Awarding Authority or the DAA for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City Contracts and, upon request, to provide evidence that it has or will comply therewith.

E. The failure of any Contractor to comply with the Affirmative Action Program provisions of City Contracts may be deemed to be a material breach of a City Contract. F. Upon a finding duly made that the Contractor has breached the Affirmative Action Program provisions of a City Contract, the Contract may be forthwith cancelled, terminated or

suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

H. Notwithstanding any other provisions of a City Contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the DAA and provide to the Awarding Authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

J. Nothing contained in City Contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. By affixing its signature to a Contract that is subject to this article, the Contractor shall agree to adhere to the provisions in this article for the duration of the Contract. The Awarding Authority may also require Contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Program.

1. Section 10.48. Purpose.

The City awards many contracts to private firms to provide services to the public and to City government. The City intends that the policies underlying this article serve to guide all of these expenditures of funds to the extent allowed by the law.

Studies show that the disclosure of a criminal conviction by job applicants on application forms often automatically excludes them from consideration of employment regardless of any relationship between the conduct underlying the conviction and the duties and responsibilities of the job, the length of time since the conduct occurred and the risk of the conduct reoccurring on the job. Automatic exclusion of persons with prior criminal convictions from consideration of employment prevents otherwise qualified applicants from obtaining employment and may result in employers hiring less qualified candidates, increases the risk of recidivism of persons so excluded from consideration and disparately impacts persons of certain races and national origin.

In 2013, the State Legislature passed and the Governor signed Assembly Bill No. 218, which amended the State's Labor Code to prevent the State and local governments from seeking disclosure of conviction history from employment applicants until the agency has determined the applicant meets the minimum employment qualifications. In April 2014, the City of Los Angeles implemented AB 218 by removing questions regarding criminal convictions from employment applications, reviewing a job applicant's criminal history only after a position eligibility list is prepared, and considering, among other things, the relationship between the conviction and the duties of the position.

In November 2015, the President of the United States announced that the federal government and federal contractors could not consider job applicants' criminal convictions in the initial stages of the employment process. Numerous other cities have similarly adopted regulations preventing inquiry into job applicants' criminal history until after it is determined they are qualified for the position.

This ordinance expands the rights afforded applicants for employment with the City's contractors and subcontractors. Specifically, such employers will be prohibited from inquiring into an employment applicant's criminal history unless and until a conditional offer of employment is made to the applicant. An employer that fails to comply with the requirements of this ordinance will be subject to, among other things, termination of its City contract.

For the avoidance of doubt, Level 1 of the pricing matrix set forth above contains the highest Ratings and Level 6 of the pricing matrix set forth above contains the lowest Ratings. Any change in the Applicable Letter of Credit Fee Rate resulting from a change in any Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to ratings above are references to rating categories as presently determined

Upon each transfer of the Letter of Credit in accordance with its terms or the appointment of a successor Issuing and Paying Agent under the Issuing and Paying Agent Agreement, MICLA agrees to pay the Bank a non-refundable transfer fee in an amount equal to \$2,500, and to reimburse the Bank for its actual costs and expenses associated with such transfer or appointment (including, without limitation, the reasonable fees and expenses of counsel to the Bank), payable on the date of such transfer or appointment.

Section 1.4. Notice of Termination and Decrease. MICLA and the City agree not to terminate or replace the Letter of Credit or decrease the Stated Amount of the Letter of Credit, except upon (i) in the case of replacement of the Letter of Credit, the payment by MICLA to the Bank of all Obligations payable under the Agreement and this Fee Letter and (ii) MICLA providing the Bank with prior written notice of its intent to terminate or replace the Letter of Credit as and to the extent required by Section 2.13 of the Agreement; *provided*, that any such termination of the Letter of Credit shall be in compliance with the terms and conditions of the Trust Agreement and the Agreement; *provided, further*, that no termination fee or reduction fee shall become payable in connection with the termination or replacement of the Letter of Credit or any decrease in the Stated Amount of the Letter of Credit.

Section 2.5. Severability. Any provision of this Fee Letter which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 2.6. Amendment and Restatement. This Fee Letter amends and restates in its entirety the Existing Fee Letter but is not intended to be or operate as a novation or an accord and satisfaction of the Existing Fee Letter or the indebtedness, obligations and liabilities of MICLA or the City evidenced or provided for thereunder. This Fee Letter does not extinguish the obligations outstanding under the Existing Fee Letter or any other Related Document or discharge or release the obligations or the liens or priority of any pledge or any other security therefor. OFFERING MEMORANDUM DATED JUNE [], 2025

In the opinion of Nixon Peabody LLP, as Special Tax Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, compliance with certain covenants, interest on the Series A Commercial Paper Notes (defined below) when issued from time to time in accordance with a Tax and Nonarbitrage Certificate (a "Tax Certificate"), is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Special Tax Counsel is also of the opinion that interest on such Series A Commercial Paper Notes is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. Interest on the Series B Commercial Paper Notes (defined below) is not excluded from gross income for federal income tax purposes. Special Tax Counsel is further of the opinion that interest on the Series A Commercial Paper Notes and the Series B Commercial Paper Notes is exempt from personal income taxes of the State of California ("State") under present State law. See "TAX MATTERS" herein.

The investment decision to purchase the Tax-Exempt/Taxable Commercial Paper Notes should be made solely on the basis of the creditworthiness of the related Bank that has issued the applicable Letter of Credit from which will be paid all principal of and interest on the applicable

Tax-Exempt/Taxable Commercial Paper Notes, rather than the City. Prospective investors should not rely on any source other than proceeds of drawings under the applicable Letter of Credit to pay the principal and actual interest accrued on the applicable Tax-Exempt/Taxable Commercial Paper Notes. If, for any reason, the related Bank fails to honor a properly presented and conforming drawing under the applicable Letter of Credit, the principal and actual interest accrued on the applicable Tax-Exempt/Taxable Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the applicable Tax-Exempt/Taxable Commercial Paper Notes apart from the City's obligation to make Base Rental (as defined herein) payments as and when due, as more particularly described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES." The payment of principal of and interest on the Tax-Exempt/Taxable Commercial Paper Notes is further supported by the applicable Letter of Credit, each of which is a Credit Facility (defined below) under the Trust Agreement. See "LETTERS OF CREDIT." Any other Series or Subseries of Commercial Paper Notes designated under a Supplemental Trust Agreement will be supported by a separate irrevocable letter of credit, a line or lines of credit, a noncancellable insurance policy or other credit facility.

The Tax-Exempt/Taxable Commercial Paper Notes are authorized in a maximum aggregate principal amount outstanding at any one time of up to \$425,000,000. Under the Trust Agreement, the Corporation may on any date, upon compliance with the terms of the Trust Agreement, execute and the Issuing and Paying Agent shall authenticate and, at the request of the Corporation, shall deliver a Subseries of Commercial Paper Notes, (a) the aggregate principal amount (or face amount in the case of such Subseries of Commercial Paper Notes that are Series B Commercial Paper Notes issued at a discount) of which, together with the aggregate principal amount (or face amount in the case of any other Subseries of Commercial Paper Notes that are Series B Commercial Paper Notes issued at a discount) of any other Subseries of Commercial Paper Notes Outstanding immediately after such issuance that are supported by the same Credit Facility, plus interest accrued or to accrue on all such Commercial Paper Notes of the applicable Subseries supported by the same Credit Facility that are not issued at a discount to the stated maturity thereof, will not exceed the amount then available to be drawn under the applicable Credit Facility and (b) the aggregate principal amount (or face amount in the case of Series B Commercial Paper Notes issued at a discount) of which, together with the aggregate principal amount of all Outstanding Commercial Paper Notes plus the amount of any Advances then outstanding under the Revolving Notes, will not exceed the Maximum Principal Amount calculated as of such date. The Commercial Paper Notes may be issued and sold and delivered from time to time in such principal amounts as determined by a Corporation Representative in authorized denominations of \$100,000 and integral multiples of \$1,000 in excess thereof and in book-entry form through the book-entry system of The Depository Trust Company, New York, New York ("DTC") as described below. The Commercial Paper Notes shall bear interest at a rate not in excess of 10% per annum. Interest on the Commercial Paper Notes is payable on their respective maturity dates. The Commercial Paper Notes shall mature not more than 270 days after the date of issuance, and in no event later than five days prior to the stated expiration or termination date of the applicable Credit Facility, unless the Corporation shall have arranged for an Alternate Credit Facility with respect to such Subseries of the Commercial Paper Notes. The Commercial Paper Notes shall not be subject to redemption prior to maturity. The Commercial Paper Notes herein authorized shall be dated as of their date of issuance and shall bear interest at such rate or rates per annum computed on the basis of actual days elapsed and on a

365-day or 366-day year, whichever is applicable, as may be determined by a Corporation Representative or, upon the written direction of a Corporation Representative or the applicable Dealer; provided, however, that in no event shall the interest rate or effective yield to maturity exceed the Maximum Interest Rate. The Commercial Paper Notes may be sold in such manner at public or private sale and at par or, solely with respect to Series B Commercial Paper Notes, at a discount as a Corporation Representative shall approve at the time of the sale thereof. (e) The City shall (A) fail to make any payment on any Material City Debt (other than Commercial Paper Notes of the applicable Subseries) or any interest or premium thereon when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Material City Debt; or (B) fail to perform or observe any material term, covenant or condition on its part to be performed or observed under any agreement or instrument relating to any Material City Debt when required to be performed or observed, and such failure shall not be waived and shall continue after the later of (1) five Business Days after notice of such failure or (2) the applicable grace period, if any, specified in such agreement or instrument, if the effect of such failure to perform or observe is to accelerate the maturity of such Material City Debt; or (C) any Material City Debt shall be declared to be due and payable or be required to be prepaid (other than by a regularly scheduled required prepayment or an optional prepayment), prior to the stated maturity thereof; provided, however, that in the case of clause (A) or (B) any such failure shall not be considered an Event of Default under the applicable Reimbursement Agreement if the same is being contested in good faith and by appropriate proceedings and such contest shall operate to stay the acceleration of the maturity of such Material City Debt;

(f) The Corporation or the City shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of its or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall declare a debt moratorium or comparable extraordinary restriction, or shall take any action to authorize any of the foregoing;

(g) (i) A case or other proceeding shall be commenced against the Corporation or the City seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case shall remain undismissed and unstayed for a period of 60 days; (ii) any Governmental Authority having jurisdiction over MICLA or the City, as applicable, shall declare a debt moratorium or comparable extraordinary restriction on the repayment when due and payable of any Debt of MICLA or the City, as applicable, or (iii) an order for relief shall be entered against the Corporation or the City under the federal bankruptcy laws as now or hereafter in effect, or any writ, judgment, warrant of attachment, execution or similar process shall be issued or levied against a substantial part of the property, assets or business of the Corporation or the City, and such proceedings or petition shall not be dismissed, or such writ, judgment, warrant of attachment, execution or similar process shall not be stayed, released, appealed, vacated or fully bonded, within the time permitted by law after commencement, filing or levy, as the case may be;

(h) Any material provision of the applicable Reimbursement Agreement, the related Fee Letter or any other Related Document shall cease for any reason whatsoever to be a valid and binding agreement of the Corporation or the City, or the Corporation or the City shall contest the validity or enforceability thereof;

(i) Any pledge created under the applicable Reimbursement Agreement or under the Trust Agreement to secure any amounts due under the applicable Reimbursement Agreement shall fail to be valid or fully enforceable;

(j) An event of default shall occur under any of the Related Documents (other than the Reimbursement Agreement) or the City shall fail to make any payment under the Sublease when and as due;

(k) one or more final, non-appealable judgments or court orders for the payment of money in excess of \$50,000,000 payable from the general fund of the City and not covered by insurance, shall be rendered against the City, and such judgment(s) or court order(s) shall continue unsatisfied and in effect for a period of ninety (90) consecutive days without being vacated, discharged, satisfied or stayed or bonded pending appeal; provided, that any such judgment or court order shall be deemed to be satisfied for purposes of this paragraph (k) if it is being paid by the City in installments pursuant to a settlement agreement; or

(l) the long-term unenhanced rating by Moody's, Fitch, S&P or Kroll on any Lease Obligation Debt shall be withdrawn, suspended or otherwise unavailable for credit related reasons or reduced below "Baa3" (or its equivalent), "BBB-" (or its equivalent), "BBB-" (or its equivalent) or "BBB-" (or its equivalent), by Moody's, Fitch, S&P or Kroll, respectively.

Bank Remedies upon an Event of Default. If any Event of Default under the applicable Reimbursement Agreement shall have occurred and be continuing, the related Bank may, by notice to the Corporation and the Issuing and Paying Agent, (i) give notice of such Event of Default to the Issuing and Paying Agent (which notice shall constitute a Tier One Stop Issuance Instruction) the effect of which shall be to prohibit, until such time, if any, as the related Bank shall withdraw (in writing) such Tier One Stop Issuance Instruction, the issuance of additional Tax-Exempt/Taxable Commercial Paper Notes of the applicable Subseries, reduce the stated amount of the applicable Letter of Credit to the principal amount of the then Outstanding Tax-Exempt/Taxable Commercial Paper Notes supported by the applicable Letter of Credit and interest payable thereon at maturity of such Tax-Exempt/Taxable Commercial Paper Notes and/or terminate and/or permanently reduce such Stated Amount as the then Outstanding Tax-Exempt/Taxable Commercial Paper Notes of the applicable Subseries are paid, (ii) issue the Tier One Final Drawing Notice (the effect of which shall be to cause the applicable Letter of Credit Termination Date of the applicable Letter of Credit to occur on the fifteenth (15th) day after the date of receipt thereof by the Issuing and Paying Agent and to instruct the Issuing and Paying Agent to make the Final Drawing under the applicable Letter of Credit to provide for the payment of Tax-Exempt/Taxable Commercial Paper Notes of the applicable Subseries which are then outstanding and are maturing or are thereafter to mature), (iii) declare the related Revolving Note, in whole or in part, all or some Advances and Term Loans, as well as any other Reimbursement Obligation, and all interest thereon to be a Default Advance under the applicable Reimbursement Agreement due and payable in the manner set forth in and subject to the applicable Reimbursement Agreement, or (iv) take any other action permitted by equity or law. Notwithstanding anything to the contrary contained in the preceding sentence, upon the occurrence or existence of an Event of Default under the applicable Reimbursement Agreement of the type described in paragraph (f) or (g) under the heading "LETTERS OF CREDIT-The Reimbursement Agreements-Events of Default" above, the remedies described in clause (iii) above shall occur immediately and automatically without notice or further action on the part of the related Bank or any other person and the remedies described in clauses (i) and (ii) above shall occur by the giving of notice only to the Issuing and Paying Agent. Anything in the related Reimbursement Agreement to the contrary notwithstanding, from and after the occurrence of an Event of Default under the related Reimbursement Agreement, all Reimbursement Obligations shall bear interest at the Default Rate (as defined in the related Reimbursement Agreement). Upon any action by the related Bank as contemplated in the foregoing clauses (i) and (ii), the stated amount of the applicable Letter of Credit shall be permanently reduced upon, and by the amount of, each drawing under the applicable Letter of Credit following the occurrence of an Event of Default under the applicable Reimbursement Agreement. Notwithstanding the foregoing, the occurrence of an Event of Default under the applicable Reimbursement Agreement shall not affect the related Bank's obligations under the applicable Letter of Credit with respect to Commercial Paper Notes of the applicable Subseries that are outstanding at the time of the occurrence of such Event of Default under the applicable Reimbursement Agreement, and the Issuing and Paying Agent shall continue to have the right to draw under the applicable Letter of Credit to pay the principal of and accrued interest on maturing Commercial Paper Notes of the applicable Subseries that are outstanding at the time of the occurrence of such Event of Default

under the applicable Reimbursement Agreement. Nothing contained in any Reimbursement Agreement shall result in, or be construed to require, an acceleration of the payment of Base Rental pursuant to the Sublease. Nothing contained in any Reimbursement Agreement shall abrogate the obligation of the related Bank to honor properly presented and conforming Drawings under the applicable Letter of Credit prior to the termination of the applicable Letter of Credit in accordance with its terms.

Letters of Credit

The principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are supported by amounts available under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit in the current stated amount of \$157,500,000. The Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit will be amended to expire on June 30, 2028, or such later date to which the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit shall have been extended or such earlier date on which the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit shall have expired or terminated, unless the Corporation shall have arranged for an Alternate Credit Facility.

The principal and actual interest accrued on the Tax-Exempt Series A-2/Taxable Series B-2 Commercial Paper Notes are supported by amounts available under the Tax-Exempt Series A-2/Taxable Series B-2 Letter of Credit in the amended stated amount of \$105,000,000. The Tax-Exempt Series A-2/Taxable Series B-2 Letter of Credit will be amended to expire on June 30, 2028, or such later date to which the Tax-Exempt Series A-2/Taxable Series B-2 Letter of Credit shall have been extended or such earlier date on which the Tax-Exempt Series A-2/Taxable Series B-2 Letter of Credit shall have expired or terminated, unless the Corporation shall have arranged for an Alternate Credit Facility.

The Tax-Exempt Series A-3/Taxable Series B-3 Letter of Credit will be amended to expire on June 30, 2028, or such later date to which the Tax-Exempt Series A-3/Taxable Series B-3 Letter of Credit shall have been extended or such earlier date on which the Tax-Exempt Series A-3/Taxable Series B-3 Letter of Credit shall have expired or terminated, unless the Corporation shall have arranged for an Alternate Credit Facility.

None of the Banks are obligated to extend the applicable Stated Expiration Date of its respective Letter of Credit. See “LETTERS OF CREDIT-The Reimbursement Agreements.” See also “RISK FACTORS-Expiration of Initial Letters of Credit.”

The investment decision to purchase the Commercial Paper Notes should be made solely on the basis of the creditworthiness of the related Bank that has issued the applicable Letter of Credit from which will be paid all principal of and interest on the applicable Commercial Paper Notes, rather than the City. Prospective investors should not rely on any source other than proceeds of drawings under the applicable Letter of Credit to pay the principal and actual interest accrued on the applicable Commercial Paper Notes. If, for any reason, the related Bank fails to honor a properly presented and conforming drawing under the applicable Letter of Credit, the principal and actual interest accrued on the applicable Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the applicable Commercial Paper Notes apart from the City’s obligation to make Base Rental (as defined herein) payments as and when due, as more particularly described herein. The ratings assigned to the applicable Commercial Paper Notes are based on the creditworthiness of the related Bank. See “RATINGS” herein.

Pledged Property; Assignment

Pursuant to the Trust Agreement, the Corporation has pledged and assigned to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, and has granted to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, a security interest in and lien on, all its right, title and interest in and to: (i) the Site Lease; (ii) the Sublease (except for its right to payment of

expenses of the Corporation under the Sublease, its right to indemnification under the Sublease and its right to receive certain notices under the Sublease); (iii) the proceeds of any insurance, including the proceeds of any self-insurance covering loss relating to the Property; (iv) all amounts on hand from time to time in the funds and accounts established under the Trust Agreement (other than the Rebate Fund and the Commercial Paper Note Proceeds Subaccounts within the Payment Account); provided that the proceeds of the sale of a Subseries of Commercial Paper Notes on deposit in any such fund or account shall not secure any other Subseries of Commercial Paper Notes supported by a different Credit Facility and the proceeds of any drawing or payment under a Credit Facility for a Subseries shall not secure any other Subseries of Commercial Paper Notes supported by a different Credit Facility; and (v) any additional moneys or amounts that may from time to time, by delivery or by writing of any kind, be subjected to the lien of the Trust Agreement by the Corporation or by anyone on its behalf, subject only to the provisions of the Trust Agreement, the Site Lease and the Sublease (clauses (i), (ii), (iii), (iv) and (v) of this sentence, collectively, the “Pledged Property”).

The Corporation has covenanted and agreed in the Trust Agreement that Base Rental and proceeds of rental interruption insurance with respect to the Property (if any) received by the Issuing and Paying Agent, on behalf of the Trustee, shall be deposited in the Base Rental Account. All Pledged Property shall be accounted for and applied in accordance with the Trust Agreement, and the Corporation shall have no beneficial right or interest in any of the Pledged Property except as provided in the Trust Agreement. All Pledged Property, whether received by the Corporation in trust or deposited with the Trustee as provided in the Trust Agreement, shall nevertheless be allocated, applied and disbursed solely to the purposes and uses set forth therein, and shall be accounted for separately and apart from all other accounts, funds, moneys or other resources of the Corporation.

The Commercial Paper Notes are special limited obligations of the Corporation and principal thereof and interest thereon are payable solely from the Pledged Property available for such purpose and moneys drawn by the Issuing and Paying Agent under the applicable Credit Facility as provided in the Trust Agreement, and the Corporation is not obligated to pay such principal or interest except from the Pledged Property available for such purpose.

Sublease; Term

The City has leased certain parcels of land, together with the buildings and improvements located thereon, as more particularly described in the Sublease (collectively, the “Property”), to the Corporation pursuant to an Amended and Restated Site Lease, dated as of June 1, 2019, as previously amended by a First Amendment to Amended and Restated Site Lease, dated as of June 1, 2022 (as so amended and as it may be further amended and supplemented from time to time, the “Site Lease”), each by and between the City and the Corporation. The City has subleased the Property from the Corporation pursuant to the Sublease. The leasing and subleasing of the Property pursuant to the Site Lease and the Sublease were approved on May 16, 2022 pursuant to a lease ordinance passed by the City Council of the City on April 12, 2022 and published on April 15, 2022.

Subject to the next succeeding paragraph, with respect to each Component, the term of the Sublease with respect to such Component began on June 21, 2019 and will end on the earliest of: (a) the date set forth with respect to such Component in Appendix C attached hereto (and in the case of any Property which is added following June 21, 2019 or substituted for a Component pursuant to the provisions of the Sublease and of the Trust Agreement, the date set forth in the base rental payment schedule attached to the Sublease as an exhibit with respect to such additional or substituted Component), (b) the date all Base Rental related to such Component is paid in full, (c) the date of termination of the Sublease with respect to such Component due to casualty or condemnation in accordance with the terms of the Sublease, or (d) the date of release of such Component in accordance with the terms of the Sublease and of the Trust Agreement.

Notwithstanding anything to the contrary contained in the Sublease, including without limitation the provisions of the Sublease with respect to Rental Payments, if, at any time on or prior to the final maturity of all outstanding Commercial Paper Notes, there shall remain outstanding any obligations to any Bank under any of the Reimbursement Agreements, the term of the Sublease with respect to each Component subject to the Sublease at such time shall be extended until such date as all such obligations to the Banks have been satisfied; provided, however, in no event shall the term of the Sublease with respect to any Component extend beyond June 14, 2062. During such extension of the term of the Sublease the City shall pay Base Rental (including any Maximum Base Rental which accrued during any prior Base Rental Period but was not paid during such prior Base Rental Period) in an amount sufficient to satisfy such obligations to the Banks in full; provided, however, that the Base Rental with respect to any Component during any Base Rental Period shall not exceed the then fair rental value with respect to such Component during such Base Rental Period.

Base Rental Payments

Pursuant to the Sublease, the City has agreed to pay to the Corporation Base Rental in an amount up to the Maximum Base Rental, and the Additional Rental, with respect to each Component, as provided in the Sublease, for the use, occupancy and possession of the Property for which such Maximum Base Rental is payable, all on the terms and conditions set forth in the Sublease. The table set forth in Appendix C attached hereto sets forth the Maximum Base Rental with respect to each Component for each Base Rental Period.

The Minimum Required Rental Payment for each Base Rental Period shall be equal to the sum of (a) the Assumed Interest Cost required during such Base Rental Period with respect to the Commercial Paper Notes (based upon the average principal amount of Commercial Paper Notes expected to be Outstanding during such Base Rental Period and the applicable Assumed Interest Rate); (b) the principal amount of Commercial Paper Notes and Revolving Notes the City expects to repay during such Base Rental Period in addition to the Required Principal Reduction Amount and amounts set forth in clause (e) below; (c) the Required Principal Reduction Amount for such Base Rental Period; (d) the Assumed Interest Cost required during such Base Rental Period with respect to the Revolving Notes (based upon the expected average principal amount of the Revolving Notes expected to be Outstanding during such Base Rental Period and the applicable Assumed Interest Rate with respect to such Revolving Notes); and (e) the amount of principal coming due on the Revolving Notes during such Base Rental Period.

If the Minimum Required Rental Payment for a Base Rental Period is less than the aggregate Maximum Base Rental for all Components for such Base Rental Period, the City shall be obligated to pay the Minimum Required Rental Payment for each Base Rental Period, with the interest portion thereof being paid at the applicable Assumed Interest Rate in equal quarterly installments on each Quarterly Payment Date, with an amount equal to the principal portion thereof, including the Required Principal Reduction Amount, being paid not later than the first day of the calendar quarter during which such amount will be used to reimburse a Bank for an Advance used to retire Commercial Paper Notes that will not be remarketed, renewed or refinanced (and to pay the interest thereon), and with any principal due under any Revolving Notes during such Base Rental Period being paid on or prior to the date that is ten days prior to the date such amount is due under such Revolving Notes. Any Base Rental and Additional Rental shall be paid on the terms, in the amounts, at the times and in the manner set forth in the Sublease. The City will make payments of Base Rental directly to the Issuing and Paying Agent, as agent for the Trustee, for deposit into the Base Rental Account and, to the extent not otherwise paid to the Person to whom any amount constituting Additional Rental is owing, will make payment of Additional Rental to the Issuing and Paying Agent for deposit into the Administrative Expense Account. The amount by which the aggregate Maximum Base Rental for all Components for any Base Rental Period exceeds the amount so deposited in such Base

Rental Period shall continue to be an obligation of the City for such Base Rental Period and shall be payable by the City if and to the extent that payment is required pursuant to the Sublease.

In connection with the issuance of Commercial Paper Notes for a purpose other than to pay the principal of and interest on maturing Commercial Paper Notes (or to reimburse the related Bank for Advances made to pay such amounts), the Corporation will be required to issue to the City a Debt Service Certificate -- Additional Commercial Paper Notes pursuant to the Trust Agreement reflecting the issuance of such Commercial Paper Notes, and such Debt Service Certificate will indicate whether a Minimum Supplemental Rental Payment is required during the then current Base Rental Period. Such Minimum Supplemental Rental Payment shall be equal to the sum of: (a) the Assumed Interest Cost required during the portion of such Base Rental Period from and after the date of issuance of the additional Commercial Paper Notes (based upon the expected average principal amount of Commercial Paper Notes Outstanding during such Base Rental Period after such issuance and the applicable Assumed Interest Rate); (b) the interest accrued on the Commercial Paper Notes during the portion of such Base Rental Period prior to such issuance date; (c) the unpaid portion of the new Required Principal Reduction Amount for such Base Rental Period during which such issuance date occurs; (d) the Required Principal Reduction Amount paid during the portion of such Base Rental Period prior to such issuance date; (e) the Assumed Interest Cost required during the portion of such Base Rental Period from and after such issuance date with respect to the Revolving Notes (based upon the expected average principal amount of the Revolving Notes expected to be Outstanding during such Base Rental Period after such issuance and the applicable Assumed Interest Rate with respect to such Revolving Notes); (f) the interest accrued on the Revolving Notes during the portion of such Base Rental Period prior to such issuance date; (g) the amount of principal coming due on the Revolving Notes during such Base Rental Period after such issuance; and (h) the principal paid on the Revolving Notes during the portion of such Base Rental Period prior to such issuance date; and less (i) the amount of Minimum Required Rental Payment and Minimum Supplemental Rental Payment previously paid or budgeted to be paid for such Base Rental Period during which such issuance date occurs. If the Debt Service Certificate--Additional Commercial Paper Notes issued by the Corporation to the City pursuant to the Trust Agreement indicates that a Minimum Supplemental Rental Payment is required during the then current Base Rental Period, the City shall budget and appropriate the necessary Minimum Supplemental Rental Payment and promptly pay to the Issuing and Paying Agent such Minimum Supplemental Rental Payment, except as provided in the second following paragraph below; provided, however, that the City may pay such Minimum Supplemental Rental Payment in equal installments on each Quarterly Payment Date remaining in such Base Rental Period so long as all such payments are made in advance of the date required to pay principal of and interest on any Notes. The Corporation will not be required to issue the Debt Service Certificate--Additional Commercial Paper Notes if the issuance of such Additional Notes was taken into account in completing the Debt Service Certificate--Annual for such Base Rental Period.

If at any time during a Quarterly Payment Period, the amount on deposit in the Capitalized Interest Subaccounts, the Base Rental Account, the Base Rental Payment Subaccounts and/or the Bank Reimbursement Subaccounts shall not be sufficient to pay the principal of and accrued interest on the Commercial Paper Notes and Advances evidenced by the Revolving Notes during such Quarterly Payment Period, the Required Principal Reduction Amount for such Quarterly Payment Period, if any, and any principal due on the Revolving Notes, the Corporation shall file with the City a Debt Service Certificate--Additional Interest and/or Principal with respect to such deficiency, and such Debt Service Certificate--Additional Interest and/or Principal will indicate whether a Minimum Supplemental Rental Payment is required. Such Minimum Supplemental Rental Payment shall be equal to the sum of: (a) the amount of interest expected to accrue on Commercial Paper Notes scheduled to mature during the portion of such Base Rental Period after the date of calculation set forth in such Debt Service Certificate; (b) the interest accrued on the Commercial Paper Notes during the portion of such Base Rental Period prior to such calculation date; (c) the unpaid portion of the Required Principal Reduction Amount for such Base Rental Period during which such calculation date occurs; (d) the Required Principal Reduction Amount paid during

the portion of such Base Rental Period prior to such calculation date; (e) the amount of interest expected to accrue on the Revolving Notes (based on the applicable Assumed Interest Rate as of such calculation date) during the portion of such Base Rental Period after such calculation date; (f) the interest accrued on the Revolving Notes during the portion of such Base Rental Period prior to such calculation date; (g) the amount of principal coming due on the Revolving Notes during the portion of such Base Rental Period after such calculation date; and (h) the principal paid on the Revolving Notes during the portion of such Base Rental Period prior to such calculation date; and less (i) the amount of Minimum Required Rental Payment and Minimum Supplemental Rental Payment previously paid or budgeted to be paid for such Base Rental Period during which such calculation date occurs. If the Debt Service Certificate--Additional Interest and/or Principal filed by the Corporation with the City pursuant to the Trust Agreement indicates that a Minimum Supplemental Rental Payment is required, the City shall budget and appropriate the necessary Minimum Supplemental Rental Payment and promptly pay to the Issuing and Paying Agent such Minimum Supplemental Rental Payment, except as provided in the paragraph below.

The City shall not be required to budget and appropriate the necessary Minimum Supplemental Rental Payment and pay any Minimum Supplemental Rental Payment if the Corporation shall have issued its Commercial Paper Notes to provide funds in an amount equal to or in excess of the amount of the Minimum Supplemental Rental Payment and the proceeds of such Commercial Paper Notes shall have been deposited into the Base Rental Account. Additionally, if the Corporation shall have issued its Commercial Paper Notes to provide funds to pay a portion of the amount of any Minimum Supplemental Rental Payment and the proceeds of the Commercial Paper Notes have been deposited into the Base Rental Account, the amount of the Minimum Supplemental Rental Payment may be reduced by the amount of proceeds so deposited.

Notwithstanding any provisions of the Sublease or any other document to the contrary, under no circumstances shall the City be required to pay during any Base Rental Period amounts (exclusive of Additional Rental) in excess of aggregate Maximum Base Rental for all Components for such Base Rental Period; provided that the City shall have the right at any time, to pay Base Rental in excess of that required under the Sublease in order to provide for the retirement of Commercial Paper Notes or the repayment of the Revolving Notes.

Pursuant to the Sublease, if at any time the City shall determine that the annual fair rental value of the Property in any future Base Rental Period is greater than the Minimum Required Rental Payment due in such future Base Rental Period (the difference being referred to herein as the "Excess Fair Rental Value"), the City may revise the schedule of Minimum Required Rental Payments such that a portion of the Minimum Required Rental Payment which would have been due in the then current year shall be paid in such future Base Rental Period to the extent of such Excess Fair Rental Value. Likewise, if at any time the City shall determine that the annual fair rental value of the Property in the then current Base Rental Period is greater than the Minimum Required Rental Payment due in such current Base Rental Period, the City may, at its option, pay additional Base Rental during such current Base Rental Period and such amount shall be credited against the Minimum Required Rental Payment due in any future Base Rental Period as the City shall direct.

The Maximum Base Rental for each Component for each Base Rental Period shall be the amount set forth in Appendix C attached hereto, and shall become due and payable quarterly in advance on each Quarterly Payment Date during the Sublease Term as set forth in the Sublease. Pursuant to the Sublease, the City has agreed to pay, from legally available funds, to the extent required thereunder, the aggregate Maximum Base Rental for all Components for each Base Rental Period, subject to the provisions of the Sublease providing for payment of Minimum Required Rental Payments described above.

In addition to the Minimum Required Rental Payments and any Minimum Supplemental Rental Payments set forth in the Sublease, the City has agreed to pay as Additional Rental all of the following: (i) all taxes and assessments of any nature whatsoever, including but not limited to excise taxes, *ad valorem* taxes, *ad valorem* and specific lien special assessments and gross receipts taxes, if any, levied upon any Component or upon any interest of the Corporation, the Trustee or the Owners therein or in the Sublease, including taxes and charges contemplated by the provision of the Sublease described under “—Taxes, Other Governmental Charges and Utility Charges” below; (ii) all costs of maintenance, operation, repair and replacement of the Property as required under the Sublease; (iii) insurance premiums, if any, on all insurance required under the provisions of the Sublease; (iv) all fees, costs and expenses (not otherwise paid or provided for out of the proceeds of the sale of the Commercial Paper Notes) of the Trustee, the Issuing and Paying Agent and the Dealers in connection with the Trust Agreement and the Dealer Agreements; (v) all fees, costs and expenses payable to the Banks under the Reimbursement Agreements; (vi) any other fees, costs or expenses incurred by the Corporation, the Trustee and the Issuing and Paying Agent in connection with the execution, performance or enforcement of the Sublease or any assignment thereof or of the Trust Agreement or any of the transactions contemplated thereby or related to the Property; and (vii) rebate, if any, due pursuant to Section 148(f)(2) of the Code. Amounts constituting Additional Rental payable under the Sublease shall be paid by the City directly to the person or persons to whom such amounts shall be payable. The City shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee, the Corporation or the applicable Bank to the City stating the amount of Additional Rental then due and payable and the purpose thereof.

As used in this Offering Memorandum, “Rental Payments” means all Minimum Required Rental Payments, Minimum Supplemental Rental Payments and Additional Rental payable under the Sublease, “Base Rental” means all Minimum Required Rental Payments and Minimum Supplemental Rental Payments, but does not include Additional Rental, and “Maximum Base Rental” means, for each Component for each Base Rental Period, the amount set forth in Appendix C attached hereto, as such amounts may be adjusted from time to time in accordance with the terms of the Sublease, but does not include Additional Rental.

The City has covenanted under the Sublease to pay to the Corporation Base Rental in an amount up to the Maximum Base Rental, and the Additional Rental, with respect to each Component, as provided in the Sublease, for the use, occupancy and possession of the Property for which such Maximum Base Rental is payable, all on the terms and conditions set forth in the Sublease, for and in consideration for the use and possession, and the continued quiet use and enjoyment, of the Property by the City for and during each Base Rental Period or portion thereof. Subject to the provision summarized in the fifth immediately preceding paragraph above, the City has further covenanted to include all Minimum Required Rental Payments, Additional Rental and Minimum Supplemental Rental Payments due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all Minimum Required Rental Payments, Additional Rental, and Minimum Supplemental Rental Payments, subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial interference with the use, occupancy or possession of any Component by the City. See “RISK FACTORS — Abatement.” The City and the Corporation have agreed in the Sublease that the Minimum Required Rental Payments and any Minimum Supplemental Rental Payments and Additional Rental for each Base Rental Period or portion thereof during the Sublease Term shall constitute the total rental for such Base Rental Period or portion thereof. The City and the Corporation have further agreed and determined that the Base Rental payable in respect of any Component during each such Base Rental Period are not in excess of the total fair rental value of such Component for such Base Rental Period. In making such determination, consideration will be given to such matters, including but not limited to, the uses and purposes served by each such Component and the benefits

therefrom that will accrue to the City and the Corporation by reason of the Sublease and to the general public by reason of the City's use of each such Component.

The covenants on the part of the City contained in the Sublease are deemed to be and are construed to be ministerial duties imposed by law and by the Charter of the City and it shall be the ministerial duty of each and every public official of the City who bears direct or indirect responsibility for administering the Sublease to take such action and do such things as are required by law in the performance of such official duty of such officials to enable the City to carry out and perform the covenants and agreements on the part of the City contained in the Sublease.

The obligation of the City to make Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Notwithstanding anything to the contrary contained in the Sublease, neither the Notes nor the obligation of the City to make Rental Payments constitutes an indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restriction.

The Sublease is intended to be a triple net lease. The City has agreed that the rentals provided for in the Sublease shall be an absolute net return to the Corporation free and clear of any expenses, charges or set-offs whatsoever.

Rental Abatement

Except to the extent of (a) available amounts held by the Trustee in the Base Rental Account or the Issuing and Paying Agent in the Base Rental Payment Subaccounts or the Bank Reimbursement Subaccounts, (b) amounts, if any, received in respect of rental interruption insurance with respect to any Component, and (c) amounts, if any, otherwise legally available to the City for payments in respect of the Sublease or to the Issuing and Paying Agent for payments in respect of the Notes, Rental Payments due under the Sublease will be subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial interference with the use, occupancy or possession of any Component by the City. The amount of annual rental abatement shall be such that the resulting Base Rental in respect of the Property in any Base Rental Period during which such interference continues, excluding any amounts described in clauses (a), (b) or (c) above, do not exceed the fair rental value of the Property for such Base Rental Period with respect to which there has not been substantial interference, as evidenced by a certificate of a City Representative. Such abatement shall continue for the period commencing with the date of such damage, destruction, condemnation or discovery of such title defect and ending with the restoration of the affected Component to tenantable condition or correction of the title defect. In the event of any such damage, destruction, condemnation or title defect, the Sublease shall continue in full force and effect, except as set forth in the provisions of the Sublease with respect to application of insurance proceeds or eminent domain.

Insurance

Pursuant to the Sublease, the City has covenanted to secure and maintain or cause to be secured and maintained at all times throughout the term of the Sublease with insurers of recognized responsibility or through a program of self-insurance or alternative risk management to the extent specifically permitted in the Sublease, all coverage on the Property required by the Sublease and set forth below. Such insurance shall consist of the following coverages:

(a) Fire and lightning insurance (with an extended coverage endorsement and with a vandalism and malicious mischief endorsement) on all structures, facilities and improvements constituting the Property in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of such

structures, facilities and improvements (less a commercially reasonable deductible amount) or (ii) the aggregate principal amount of the Funding Commitments. Said extended coverage endorsement shall, in addition to the fire and lightning insurance referenced above, cover loss or damage by explosion, windstorm, hail, riot, civil commotion, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such endorsement, if such coverage is commercially available in reasonable amounts at reasonable cost on the open market from reputable insurance companies.

(b) General liability and automobile insurance which, at a minimum, equates to the following insurance coverage and provision, naming the Corporation and the City, their members, officers, agents and employees as insureds. Said insurance coverage shall insure said parties against liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Property. Said insurance coverage shall provide coverage for bodily and personal injury, death and property damage per occurrence. The insurance coverage required under this paragraph shall initially be provided through a program of alternative risk management in accordance with the Sublease as set forth below.

(c) Earthquake insurance in an amount equal to the maximum probable loss of all Components of the Property, as determined by the City's Risk Manager, unless, based upon the written recommendation of the City's Risk Manager annually filed by the City with the Trustee, it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies.

(d) Rental interruption insurance to cover loss, total or partial, of the use of any Component as a result of any of the hazards covered by the insurance required pursuant to clause (a) and (c) above, in an amount sufficient at all times to pay the Maximum Base Rental payable under the Sublease with respect to such Component for a period equal to 24 months, assuming an interest rate of 5% on the Notes.

(e) A CLTA policy or policies of title insurance for all Components in an amount not less than the aggregate principal amount of the Funding Commitments. Such policy or policies of title insurance shall show title to the particular Component covered by such policy in the name of the Corporation or the City, subject to the Sublease and such other encumbrances as will not, in the opinion of the Corporation, the City and the Banks, materially affect the use, occupancy and possession of the Component and will not result in the abatement of Base Rental payable by the City under the Sublease with respect to such Component.

All policies of insurance required by the Sublease shall be in form certified by the Risk Manager to be in compliance with the requirements of the Sublease, and shall name the Trustee and the Banks as additional insureds and as loss payees. The City shall pay when due the premiums for all insurance policies required by the Sublease, and promptly shall furnish evidence of such payments to the Corporation and, upon request, to the Banks. All insurance required under the Sublease shall be primary to any other insurance available to the Corporation and the Trustee, and shall apply separately to each insured against whom claim is made or suit is brought and shall provide that the Trustee and the Banks shall be given thirty (30) days' prior written notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby, provided that such separate coverage shall not increase the limit of liability under any such insurance. All insurance required to be maintained pursuant to the Sublease may be maintained either separately or as a part of or in conjunction with any other insurance coverage carried by the City. The Trustee shall not be responsible for the sufficiency of any insurance required by the Sublease and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee.

Notwithstanding anything in the insurance provisions of the Sublease to the contrary, the City shall have the right to adopt additional programs of self-insurance or alternative risk management programs to insure against any of the risks required to be insured against under the terms of the Sublease (except insurance coverage against loss of rental income as required by the Sublease or the title insurance required

by the Sublease), in whole or in part. Any such additional alternative risk management program must be approved as reasonable and appropriate by the Risk Manager. The approval of the Risk Manager shall be in the form of a report on the nature of the program and the adequacy of its funding which shall be prepared and filed annually with the Trustee and the Banks during any period when such program is in effect, commencing on or prior to the date such program is implemented. If such annual approving report is not timely filed with the Trustee and the Banks, the Trustee or any Bank may notify the City in writing and thereupon the City shall immediately obtain insurance as required by the Sublease or promptly file the annual approving report. In addition, the City Administrative Officer of the City may, if it is in the best interests of the City, approve such other types of insurance, including any increases in the insurance coverage required by this provision, upon the recommendation of a Risk Manager, or in connection with obtaining or maintaining any rating on the Commercial Paper Notes.

Replacement; Maintenance and Repairs

The City shall, at its own expense, during the Sublease Term, maintain each Component, or cause the same to be maintained, in good order, condition and repair and shall repair or replace any Component which is destroyed or damaged to such an extent that there is substantial interference with the use and possession of such Component by the City which would result in an abatement of Rental Payments or any portion thereof pursuant to the terms of the Sublease, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement; *provided, however*, that the City shall not be required to repair or replace any Component pursuant to the Sublease if there shall be applied to the payment and retirement of Outstanding Notes insurance proceeds, condemnation proceeds or other legally available funds sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks such that (i) the sum of the aggregate principal amount of all Outstanding Commercial Paper Notes plus the amount of any Advances then outstanding under the Revolving Notes following the application of such amounts does not exceed the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the terms of the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Base Rental Period following the application of such amounts are sufficient to pay in such Base Rental Period the principal of and interest on an aggregate principal amount of Notes (including Revolving Notes) assuming that, on an aggregate basis, an aggregate principal amount of Commercial Paper Notes plus the amount of Advances under the Revolving Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Base Rental Period following the application of such amounts.

The City shall provide or cause to be provided all security service, custodial service, janitorial service and other services necessary for the proper upkeep and maintenance of each Component. It is understood and agreed that in consideration of the payment by the City of the Rental Payments provided for in the Sublease, the City is entitled to possession of each Component and the Corporation shall have no obligation to incur any expense of any kind or character in connection with the management, operation or maintenance of such Component during the Sublease Term with respect to such Component. The Corporation shall not be required at any time to make any improvements, alterations, changes, additions, repairs or replacements of any nature whatsoever in or to any Component. The City has expressly waived the right to make repairs or to perform maintenance of any Component at the expense of the Corporation and (to the extent permitted by law) has waived the benefit of Sections 1932, 1941 and 1942 of the California Civil Code relating thereto. The City shall keep each Component free and clear of all liens, charges and encumbrances other than Permitted Encumbrances.

Taxes, Other Governmental Charges and Utility Charges

The City has covenanted in the Sublease to pay during the Sublease Term with respect to each Component as the same respectively become due, all taxes (except for income or franchise taxes, if any, of the Corporation), utility charges and governmental charges of any kind whatsoever, if any, that may at any time be lawfully assessed or levied against or with respect to each such Component; provided, however, that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are accrued during such time as the Sublease is in effect with respect to such Component; provided, further, that the City may contest in good faith the validity or application of any tax, utility charge or governmental charge in any reasonable manner which does not adversely affect the right, title and interest of the Corporation or the Trustee in and to any Component or its rights or interests under the Sublease or subject any portion of any Component to loss or forfeiture. Any such taxes or charges shall constitute Additional Rental under the Sublease and shall be payable directly to the entity assessing such taxes or charges.

Application of Insurance Proceeds and Condemnation Awards

General. All proceeds of insurance received in respect of destruction of or damage to any portion of any Component by fire, earthquake or other casualty or event shall be paid to the Trustee for application in accordance with the provisions of the Trust Agreement. If there is an abatement of Rental Payments pursuant to the terms of the Sublease as a result of such casualty or event, and the City elects pursuant to the Trust Agreement to apply such insurance to the payment and retirement of Notes rather than to the replacement or repair of the destroyed or damaged Component, then the Sublease shall terminate with respect to the destroyed or damaged Component as of the later of the date of such election by the City or the date the amount required by the Trust Agreement is received by the Trustee. If the City elects, pursuant to the Trust Agreement to apply such proceeds to the repair or replacement of the portion of any Component which has been damaged or destroyed, in the event there has been an abatement of Rental Payments pursuant to the terms of the Sublease, then Rental Payments without any abatement shall again begin to accrue with respect thereto upon repair or replacement of such portion of such Component.

Pursuant to the Trust Agreement, if any portion of the Property shall be damaged or destroyed, or shall be taken by eminent domain proceedings, the City shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement, unless the City elects not to repair or replace the Property in accordance with the Trust Agreement as set forth below.

All proceeds of insurance (including any rental interruption) received in respect of destruction of or damage to any portion of any Component by fire, earthquake or other casualty or event shall be paid to the Trustee for application as set forth below.

The proceeds of any insurance (other than any rental interruption, which shall be transferred by the Trustee to the Issuing and Paying Agent, on behalf of the Trustee, for deposit in the Base Rental Account pursuant to the Trust Agreement), including the proceeds of any self-insurance fund and of any condemnation award, received on account of any damage, destruction or taking of the Property or portion thereof shall as soon as possible be deposited in the Insurance and Condemnation Proceeds Fund which it shall establish upon such deposit and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Property or affected portion thereof upon receipt of a written request of a City Representative. Pending such application, such proceeds shall be invested by the Trustee solely at the written direction of a City Representative, in Qualified Investments that mature not later than the date such moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, a City Representative shall, within 180 days of the occurrence of the event of damage, destruction or taking, notify the Trustee in writing of whether the City intends to replace or repair the Property or the portions of the Property which were damaged or destroyed, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement. If the City elects to replace or repair the Property or portions thereof, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement, the City shall deposit with the Trustee the full amount of any insurance deductible to be credited to the Insurance and Condemnation Proceeds Fund.

In the event of damage, destruction or taking that results in an abatement of rental payments pursuant to the Sublease, then the City shall be required to repair or replace any Component which is destroyed or damaged to such an extent that there is substantial interference with the use and possession of such Component by the City which would result in an abatement of Rental Payments or any portion thereof pursuant to the Sublease, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement; *provided, however*, that the City shall not be required to repair or replace any Component pursuant to the Sublease if there shall be applied to the payment and retirement of Outstanding Notes insurance proceeds, condemnation proceeds or other legally available funds sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks such that (i) the Notes Outstanding following the application of such amounts does not exceed the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Fiscal Year following the application of such amounts are sufficient to pay in such Fiscal Year the principal of and interest on an aggregate principal amount of Notes assuming such Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Fiscal Year following the application of such amounts. Any amounts received by the Trustee under the Trust Agreement in excess of the amount needed to either repair or replace a damaged, destroyed or taken portion of the Property shall be transferred to the Base Rental Account to the extent of any delinquent Base Rental, with the remainder, if any, transferred to the City. In the event of the retirement of Commercial Paper Notes in connection with the damage, destruction or taking of any of the Property, the City shall direct the Issuing and Paying Agent not to issue new Commercial Paper Notes to pay the principal of and interest on such maturing Commercial Paper Notes to be so retired as determined by the City.

Title Insurance. All proceeds of any policy of title insurance received in respect of the Property shall be paid to the Trustee for application as set forth below. Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall as soon as possible be deposited in the Insurance and Condemnation Proceeds Fund which it shall establish upon such deposit and applied and disbursed by the Trustee as follows:

(a) If the Corporation and the City (i) determine that the title defect giving rise to such proceeds has not materially affected the use and possession of the Property and will not result in any abatement of Base Rental payable by the City under the Sublease, and (ii) have provided the Trustee with written evidence of such determination, such proceeds shall be remitted to the City.

(b) If the Corporation and the City determine that such title defect will result in an abatement of Base Rental payable by the City under the Sublease, then the Trustee shall apply such amounts to the payment and retirement of Notes Outstanding and to pay other amounts owing to the Banks such that (i) the Notes Outstanding following the application of such amounts does not exceed the Maximum Principal

Amount (as modified to disregard the Property subject to such title defect and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Fiscal Year following the application of such amounts are sufficient to pay in such Fiscal Year the principal of and interest on an aggregate principal amount of Notes assuming such Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified to disregard the Property subject to such title defect and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Fiscal Year following the application of such amounts. Any amounts received by the Trustee under the Trust Agreement in excess of the amount needed to either repair or replace a damaged, destroyed or taken portion of the Property shall be transferred to the Base Rental Account to the extent of any delinquent Base Rental, with the remainder, if any, transferred to the City. In the event of the retirement of Commercial Paper Notes in connection with the damage, destruction or taking of any of the Property, the City shall direct the Issuing and Paying Agent not to issue new Commercial Paper Notes to pay the principal of and interest on such maturing Commercial Paper Notes to be so retired as determined by the City.

Eminent Domain

Total Condemnation. If any Component, or so much thereof as to render the remainder of such Component unusable for the City's purposes under the Sublease, shall be taken under the power of eminent domain, then the Sublease shall terminate with respect to such Component as of the day possession shall be so taken or as of the date of entry of the interlocutory judgment.

Partial Condemnation. If less than a substantial portion of any Component shall be taken under the power of eminent domain, and the remainder is useable for the City's purposes, then the Sublease shall continue in full force and effect as to the remaining portions of such Component, subject only to such rental abatement as is required by the terms of the Sublease. The City and the Corporation have waived the benefit of any law to the contrary. Any award made in eminent domain proceedings for the taking shall be paid to the Trustee for application in accordance with the provisions of the Trust Agreement. If the City elects, pursuant to the Trust Agreement, to apply such proceeds to the replacement of the condemned portion of any Component, in the event there has been an abatement of Rental Payments pursuant to the terms of the Sublease, then Rental Payments without any abatement shall again begin to accrue with respect thereto upon replacement of the Component.

Liens; Permitted Encumbrances

The City has covenanted to promptly pay or cause to be paid all sums of money that may become due for any labor, services, materials, supplies or equipment alleged to have been furnished or to be furnished to or for, in, upon or about any Component and which may be secured by any mechanic's, materialman's or other lien against such Component, or the interest of the Corporation therein, and shall cause each such lien to be fully discharged and released; provided, however, that the City or the Corporation (a) may contest any such claim or lien without payment thereof so long as such non-payment and contest stays execution or enforcement of the lien, but if such lien is reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not stayed, or if stayed and the stay thereafter expires, then and in any such event the City shall forthwith pay and discharge such judgment or lien, or (b) delay payment without contest so long as and to the extent that such delay will not result in the imposition of any penalty or forfeiture. Additionally, subject to the provision of the Sublease described under "— Assignment and Sublease; Addition, Substitution or Release of Property—Assignment and Sublease" below, the Corporation and the City will not create or suffer to be created any lien, charge or encumbrance upon the Property, or upon any real or personal property essential to the operation of the Property, except

Permitted Encumbrances. The Corporation and the City will not sell or otherwise dispose of any portion of the Property or any other property essential to the proper operation of the Property.

Assignment and Sublease; Addition, Substitution or Release of Property

Assignment and Sublease. The City shall not, after June 21, 2019, mortgage, pledge, assign or transfer any interest of the City in the Sublease by voluntary act or by operation of law, or otherwise; provided, however, that the City may, after June 21, 2019, with the prior written consent of the Banks, which consent shall not be unreasonably withheld, sublease all Property or any Component thereof, or may grant concessions to others involving the use of the Property or any Component, whether such concessions purport to convey a leasehold interest or a license to use such Property or Component; provided, further, however, that such sublease or grant shall be subject to the terms of the Sublease and of the Trust Agreement. Subject to the limitations set forth in the Sublease, the City shall at all times remain liable for the performance of the covenants and conditions on its part to be performed under the Sublease, notwithstanding any subletting or granting of concessions which may be made. Nothing contained in the Sublease shall be construed to relieve the City of its obligation to pay Base Rental and Additional Rental with respect to each Component as provided in the Sublease or to relieve the City of any other obligations contained therein. In no event shall the City sublease to or permit the use of all or any part of any Component by any person so as to cause interest on any Series A Commercial Paper Notes to be includable in gross income for federal income tax purposes or interest on the Commercial Paper Notes to be subject to State personal income tax.

The Corporation has, concurrently with the execution of the Sublease, pledged and assigned all of its right, title and interest in and to the Sublease (except for its right to payment of its expenses specified in the Sublease, its right to indemnification pursuant to the terms of the Sublease and its right to receive certain notices under the terms of the Sublease), including without limitation its right to receive Base Rental payable under the Sublease and to enforce its remedies thereunder, to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, pursuant to the Trust Agreement and the Assignment Agreement, and the City has approved such pledge and assignment in the Sublease. The parties have further agreed to execute any and all documents necessary and proper in connection therewith.

Addition, Substitution or Release of Property. Notwithstanding the provision of the Sublease described under “—Assignment and Sublease” above, if no default or event of default has occurred and is continuing under the Sublease or under any Reimbursement Agreement, the City may acquire from the Corporation, free and clear of the Corporation’s rights under the Sublease and the Site Lease, the release or substitution of any Component, subject to the requirements set forth in the Trust Agreement with respect to amendments to the Sublease, Site Lease or Assignment Agreement, or the City may add a component or other property to the Sublease and the Site Lease, subject to the requirements set forth in the Trust Agreement with respect to amendments to the Sublease, Site Lease or Assignment Agreement.

Additions, Modifications and Improvements. The City shall have the right during the Sublease Term to make any additions, modifications or improvements to any Component, to attach fixtures, structures or signs, and to affix any personal property to any Component, so long as such additions, modifications or improvements shall not in any way damage the Component or cause the Component to be used for purposes other than those authorized under the provisions of State or federal law and upon completion thereof the annual fair market rental value of the Component after completion, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said addition, modification or improvement, as determined by the City on the basis of an appraisal of the Property after said completion conducted by a qualified appraiser (who may be an employee of the City). Title to all fixtures, equipment or personal property affixed by the City on any Component shall remain in the City. Title to any personal property, improvements or fixtures affixed on any Component by any sublessee or

licensee of the City shall be controlled by the sublease or license agreement between such sublessee or licensee and the City, which sublease or license agreement shall not be inconsistent with the Sublease.

Amendments to Trust Agreement; Amendments to Site Lease, Sublease and Assignment Agreement

Amendments to Trust Agreement. The Trust Agreement may be amended only in writing by agreement among the City, the Corporation and the Trustee with the written consent of the Banks. No such modification or amendment shall (i) extend the maturity of or reduce the interest rate on any Commercial Paper Note or otherwise alter or impair the obligation of the Corporation to pay the principal or interest at the time and place and at the rate and in the currency provided therein of any Commercial Paper Note without the express written consent of the Owner of such Commercial Paper Note, or (ii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

Amendments to Site Lease, Sublease and Assignment Agreement. (a) The Site Lease, the Sublease and the Assignment Agreement may be amended in writing by agreement between the parties thereto with the written consent of the Banks. The City may, with the consent of the Banks (other than as provided in (d) below), amend the Site Lease, the Sublease and the Assignment Agreement to substitute other real property and/or improvements (the “Substituted Property”) for existing Property or to remove real property or improvements from the definition of Property upon compliance with all of the conditions set forth in subsections (b) and (c) below. After a substitution or removal, the part of the Property for which the substitution or removal has been effected shall be released from the leasehold under the Site Lease, the Sublease and the Assignment Agreement. The City may amend the Site Lease, the Sublease and the Assignment Agreement to add real property and/or improvements (the “Additional Property”) upon compliance with all of the conditions set forth in subsection (e) below.

(b) No substitution of Property shall take place until the City delivers to the Corporation, the Trustee and the Banks the following:

(i) A written description of all or part of the Property to be released and a description of the Substituted Property to be substituted in its place;

(ii) A Certificate of the City stating that the annual fair market rental value of the Property after a substitution, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said substitution, as determined by the City on the basis of an appraisal of the Property after said substitution conducted by a qualified appraiser (who may be an employee of the City);

(iii) A valid lease ordinance with respect to the Substituted Property;

(iv) An opinion of Note Counsel to the effect that the amendments to the Site Lease, the Sublease and the Assignment Agreement contemplating substitution have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;

(v) (A) A policy of title insurance in an amount such that the total title insurance on the Property in favor of the Trustee and the Banks is not less than the aggregate amount of the Funding Commitments, insuring the City’s leasehold interest in the substituted Property (except any portion thereof which is not real property) subject only to Permitted Encumbrances, together with an endorsement thereto making said policy payable to the Banks and the Trustee for the benefit of the Owners of the Commercial

Paper Notes and (B) in the event of a partial removal, evidence that the title insurance in effect immediately prior thereto is not affected;

(vi) An opinion of Note Counsel that the substitution does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;

(vii) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Substituted Property; and

(viii) Evidence that the City has provided written notification regarding substitution or removal to each Rating Agency then maintaining a rating on the Commercial Paper Notes not less than five (5) days prior to such substitution.

(c) No removal of Property shall take place until the City delivers to the Corporation, the Trustee and the Banks the following:

(i) A written description of all or part of the Property to be released;

(ii) A Certificate of the City stating that the annual fair market rental value of the Property after removal, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said removal, as determined by the City on the basis of an appraisal of the Property after said removal conducted by a qualified appraiser (who may be an employee of the City);

(iii) An opinion of Note Counsel to the effect that the amendments to the Site Lease, the Sublease and the Assignment Agreement contemplating removal have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;

(iv) An opinion of Note Counsel that the removal does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;

(v) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Substituted Property; and

(vi) Evidence that the City has provided written notification regarding removal to each Rating Agency then maintaining a rating on the Commercial Paper Notes not less than five (5) days prior to such release.

(d) Notwithstanding the above, the Corporation and the City may, in connection with a reduction of a Funding Commitment, remove Property from the Site Lease, the Sublease and the Assignment Agreement without the consent of the Banks, but with 30 days' prior written notice to the Banks, if the conditions set forth in the paragraph (c) (other than (c)(ii)(A)) have been met and the fair market value of the remaining Property, based on the fair market value of such Property determined in connection with the first issuance of the Commercial Paper Notes, is at least equal to the aggregate amount of the Funding Commitments after such reduction. Any removal of Property not made in connection with a reduction of a Funding Commitment shall comply with all of the requirements of paragraph (c).

(e) No addition of Property shall take place until the City delivers to the Banks, the Corporation and the Trustee the following:

- (i) A Certificate of the City setting forth the Base Rental, if any, for such Additional Property;
- (ii) Executed amendments or supplements to the Site Lease, the Sublease and the Assignment Agreement setting forth, among other things, (A) a written, legal description of the Additional Property, (B) the term of the Site Lease, the Sublease and the Assignment Agreement for the Additional Property, and, (C) in the case of the Sublease, a schedule setting forth the additional Base Rental which may be payable with respect to such Additional Property;
- (iii) A valid lease ordinance with respect to the Additional Property;
- (iv) An opinion of Note Counsel to the effect that the amendments or supplements to the Site Lease, the Sublease and the Assignment Agreement contemplating the addition of Additional Property have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;
- (v) An opinion of Note Counsel that the addition of Additional Property does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;
- (vi) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Additional Property; and
- (vii) a policy of title insurance in an amount, if any, necessary to cause the total title insurance on the Property in favor of the Trustee and the Banks to be not less than the aggregate amount of the Funding Commitments, insuring the City's leasehold interest in the additional Property (except any portion thereof which is not real property) subject only to Permitted Encumbrances, together with an endorsement thereto making said policy payable to the Banks and the Trustee for the benefit of the Owners of the Commercial Paper Notes.

Default by City under Sublease

Events of Default under Sublease. The following shall be "Events of Default" under the Sublease and the terms "Events of Default" and "default" shall mean, whenever they are used in the Sublease, any one or more of the following events:

- (a) If default shall be made in the due and punctual payment of principal of or interest on any Commercial Paper Notes or the Revolving Notes when and as the same shall become due and payable;
- (b) If the City shall fail to pay to the Trustee any Rental Payment with respect to any Component as and when the same shall become due and payable;
- (c) If the City shall breach any other terms, covenants or conditions contained in the Sublease or in the Trust Agreement and shall fail to remedy any such breach with all reasonable dispatch within a period of 60 days after written notice thereof from the Corporation, or its assignee, to the City, or, if such breach cannot be remedied within such 60-day period, shall fail to institute corrective action within such 60-day period and diligently pursue the same to completion, then and in any such event the City shall be deemed to be in default under the Sublease;

(d) Failure by the Corporation to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Trust Agreement, the Sublease, and the Site Lease, other than such failure as may constitute an Event of Default under clause (b) described above, for a period of 60 days after written notice specifying such failure and requesting that it be remedied has been given to the Corporation by the Trustee or to the Corporation and the Trustee by the Owners of not less than a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding or if the failure stated in the notice cannot be corrected within such 60-day period, then the Corporation shall fail to institute corrective action within such 60-day period and diligently pursue the same to completion.

(e) The Corporation or the City shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) admit in writing its inability generally to pay its debts as they become due or (vii) take action for the purpose of effecting any of the foregoing; or

(f) An involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Corporation or the City, or of a substantial part of their respective property, under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law or (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Corporation or the City or for a substantial part of their respective property, and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall continue unstayed and in effect for 30 days.

Remedies on Default. Subject to the rights of the Banks upon default set forth in the Sublease, the Corporation or its assignee shall have the right, at its option, without any further demand or notice (a) to reenter any Component and eject all parties in possession therefrom and, without terminating the Sublease, relet the Component as the agent and for the account of the City upon such terms and conditions as the Corporation may deem advisable, in which event the rents received on such reletting shall be applied first to the expenses of reletting and collection, including expenses for repair or restoration of the Component to its original condition (taking into account normal wear and tear), reasonable attorneys' fees and any real estate commissions actually paid, and second to Base Rental with respect to such Component in accordance with the Sublease and the Trust Agreement and third to Additional Rental with respect to such Component in accordance with the Sublease; provided, that if a sufficient sum shall not be realized to pay such sums and other charges then the City shall pay to the Corporation any net deficiency existing on the date when the Base Rental or Additional Rental with respect to such Component is due under the Sublease; provided, however, that such reentry and reletting shall be done only with the consent of the City, which consent will be irrevocably given; or (b) in lieu of the above, so long as the Corporation does not terminate the Sublease or the City's possession of any Component, to enforce all of its rights and remedies under the Sublease, including the right to recover Base Rental payments as they become due under the Sublease pursuant to Section 1951.4 of the California Civil Code and to otherwise enforce performance by the City, and to pursue any remedy available in law or in equity, except as expressly provided in the Sublease. Any reentry shall be allowed by the City without hindrance, and the Corporation shall not be liable in damages for any reentry or be guilty of trespass. Notwithstanding any other provision of the Sublease or the Trust Agreement, in no event shall the Corporation have the right to accelerate the payment of any Base Rental with respect to the Property under the Sublease.

Each and every remedy of the Corporation or any assignee of the rights of the Corporation under the Sublease is cumulative and the exercise of one remedy shall not impair the right of the Corporation or its assignee to any or all other remedies. If any covenant validly shall limit the remedies given to the Corporation or any assignee of the rights of the Corporation under the Sublease, the Corporation or its assignee nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

All damages and other payments received by the Corporation pursuant to this provision of the Sublease shall be applied in the manner set forth in the Trust Agreement.

In furtherance of the foregoing, the City and the Corporation have agreed that: (i) the City and the Corporation will simultaneously mail to the Banks a copy of any notice given by one to the other; (ii) prior to taking any action upon a default by the other party or its assignee in the performance of any obligation under the terms of the Sublease, the City and the Corporation shall provide written notice thereof to the Banks and thereupon the Banks shall have the right, but not the obligation, to cure any such default. In that connection, neither the City nor the Corporation will take any action to effect a termination of the Sublease or to re-enter or take possession of the Property or any Component as a consequence of such default except upon the prior written direction of the Banks. Furthermore, if the Sublease shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if the Sublease is terminated for any other reason whatsoever, the Corporation and the City will each use its best efforts to enter into a new lease of the Property at the request of the Banks for the remainder of the term of the Sublease, effective as of the date of such rejection or disaffirmance or termination. So long as any Credit Facility is in effect or any obligations payable to the Banks under the Reimbursement Agreements remain unsatisfied, (i) the Corporation will not accept a voluntary surrender of the Sublease and (ii) the Sublease shall not be modified in any material respect without, in each case, the prior written consent of the Banks. Any provision in the Sublease to the contrary notwithstanding, the Trustee shall exercise the remedies provided for under the Sublease only if and as directed or consented to in writing by all of the Banks and shall not waive any Event of Default without the prior written consent of all of the Banks; provided, that in each such instance, the Banks shall only include a Bank for only so long as the applicable Credit Facility is in effect and so long as such Bank has not failed to honor a properly presented and conforming drawing on such Credit Facility. Anything in the Sublease to the contrary notwithstanding, the Banks may enter into a written agreement among the Banks appointing one of such Banks to act on their behalf (the "Bank Agent") in connection with any direction or consent provided for in the section of the Sublease relating to Events of Default, and in such event any such direction or consent of the Bank Agent shall constitute the direction or consent of the Banks under such section of the Sublease.

The waiver by the Corporation of any breach by the City, and the waiver by the City of any breach by the Corporation of any term, covenant or condition of the Sublease shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition of the Sublease.

Events of Default under Trust Agreement

The terms "Events of Default" and "default" shall mean, whenever they are used in the Trust Agreement, any Event of Default specified in the Sublease.

Notice of Events of Default under Trust Agreement

In the event the Corporation or the City is in default, the Trustee shall give notice of such default to the Owners, the Banks and to each Rating Agency. Such notice shall state that the Corporation or the City is in default and shall provide a brief description of such default. The Trustee in its discretion may withhold notice if it deems it in the best interests of the Owners. The notice provided for in this provision shall be given by first-class mail, postage prepaid, to the Owners within 30 days of such occurrence of default.

Remedies on Default under Trust Agreement

Upon the occurrence and continuance of any Event of Default specified in the Sublease, the Trustee may, with the written consent of the Banks, proceed (and upon written request of the Banks or the Owners of not less than a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding shall, subject to receipt of adequate indemnity as provided in the Trust Agreement, proceed), to exercise the remedies set forth in the Sublease or available to the Trustee under the Trust Agreement.

In addition to the remedies set forth in the preceding paragraph and upon the occurrence and continuance of any Event of Default specified in the Sublease, the Trustee may, and upon written request of the Banks or the Owners of not less than 25% in aggregate principal amount of the Commercial Paper Notes then Outstanding and upon being indemnified to its satisfaction therefor shall, proceed to protect and enforce the rights vested in Owners of the Commercial Paper Notes by the Trust Agreement by appropriate judicial proceedings or proceedings the Trustee deems most effectual. The provisions of the Trust Agreement and all resolutions or orders in the proceedings for the issuance of the Commercial Paper Notes shall constitute a contract with the Owners of the Commercial Paper Notes, and such contract may be enforced by any Owner of the Commercial Paper Notes by mandamus, injunction or other applicable legal action, suit, proceeding or other remedy.

Upon an Event of Default and prior to the curing thereof, the Trustee shall exercise the rights and remedies vested in it by the Trust Agreement and the Sublease with the same degree of care and skill as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Commercial Paper Notes Not Subject to Acceleration

The Commercial Paper Notes are not subject to acceleration and upon the occurrence of an Event of Default, none of the Issuing and Paying Agent, the Banks, any Owner or any other Person may accelerate the maturity of any of the Commercial Paper Notes.

Collection of Base Rental Payments

The Trustee shall take any appropriate action to cause the City to pay any Base Rental payment not paid when due, upon written request and authorization by the Banks or the Owners of a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding and unpaid, and upon being satisfactorily indemnified against any expense and liability with respect thereto and receiving payment for its fees and expenses.

No Remedy Exclusive

No remedy conferred in the Trust Agreement upon or reserved to the Trustee or the Banks is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Trust Agreement and the Sublease, or now or hereafter existing at law or in equity, except as expressly waived therein. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee, the Banks or the Owners to exercise any remedy reserved to it or them, it shall not be necessary to give any notice other than such notice as may be required in the Trust Agreement with respect to Events of Default or by law.

No Additional Waiver Implied by One Waiver

In the event any provision contained in the Trust Agreement should be breached by a party and thereafter waived by another party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach thereunder.

Action by Owners

Subject to the right of the Banks to direct remedial proceedings under the Trust Agreement, in the event the Trustee fails to take any action to eliminate an event of default under the Sublease or Event of Default under the Trust Agreement, the Owners of a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding may institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any right under the Sublease or the Trust Agreement, but only if such Owners shall have first made written request of the Trustee after the right to exercise such powers or right of action shall have arisen, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted therein or otherwise granted by law or to institute such action, suit or proceeding in its name, and unless, also, the Trustee shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time.

Direction of Remedies by Banks

Any provision in the Trust Agreement to the contrary notwithstanding, the Trustee shall exercise the remedies provided for under the Trust Agreement or under the Sublease or under any applicable law only if and as directed or consented to in writing by all of the Banks and shall not waive any Event of Default without the prior written consent of all of the Banks; provided, that in each such instance, the Banks shall only include a Bank for only so long as the applicable Credit Facility is in effect and so long as such Bank has not failed to honor a properly presented and conforming drawing on such Credit Facility. Anything in the Trust Agreement to the contrary notwithstanding, the Banks may enter into a written agreement among the Banks appointing one of such Banks to act on their behalf (the "Bank Agent") in connection with any direction or consent provided for in the article of the Trust Agreement relating to Events of Default, and in such event any such direction or consent of the Bank Agent shall constitute the direction or consent of the Banks under such article of the Trust Agreement.

RISK FACTORS

The following factors, along with all other information in this Offering Memorandum should be considered by potential investors in evaluating the Tax-Exempt/Taxable Commercial Paper Notes. The Tax-Exempt/Taxable Commercial Paper Notes are payable from draws made under the applicable Letter of Credit. Accordingly, the following section does not contain information relating to the ability of the City to make Base Rental payments. In that light, risk factors relating to the financial condition of the City and

its ability to make Base Rental payments have not been included herein. The following discussion is not meant to be an exhaustive list of all of the risks associated with a purchase of the Tax-Exempt/Taxable Commercial Paper Notes and does not necessarily reflect the relative importance of the various risks.

Expiration of Letters of Credit

Upon extension of the Stated Expiration Dates of the Letters of Credit on June [___], 2025, the Letters of Credit will each expire on June 30, 2028, subject to extension or earlier termination in certain circumstances as described therein. If a Letter of Credit is not extended or an Alternate Credit Facility is not obtained by the Corporation, Tax-Exempt/Taxable Commercial Paper Notes of the applicable Subseries cannot be issued with a maturity date less than five days prior to the stated expiration or termination date of such Letter of Credit unless the Corporation shall have arranged for an Alternate Credit Facility with respect to the Tax-Exempt/Taxable Commercial Paper Notes of the applicable Subseries pursuant to the terms of the Trust Agreement. There can be no assurance that the Corporation will be able to obtain an extension of any Letter of Credit or an Alternate Credit Facility. No Bank is under any obligation to extend its respective Letter of Credit beyond its scheduled expiration.

Bank's Obligations Unsecured

The ability of a Bank to honor draws upon its respective Letter of Credit is based solely upon such Bank's general credit and is not collateralized or otherwise guaranteed by the United States of America or any agency or instrumentality thereof. No provision has been made for replacement of or substitution for a Letter of Credit in the event of any deterioration in the financial condition of the related Bank. Neither the Corporation nor any Bank assumes any liability to any purchaser of the Tax-Exempt/Taxable Commercial Paper Notes as a result of any deterioration of the financial condition of the related Bank. Upon any insolvency of a Bank, any claim by the Trustee against such Bank would be subject to bank receivership proceedings.

General Factors Affecting the Banks

Each Bank is subject to regulation and supervision by various regulatory bodies. New regulations could impose restrictions upon a Bank which would restrict its ability to respond to competitive pressures. Various legislative or regulatory changes could dramatically impact the banking industry as a whole and a Bank specifically. The banking industry is highly competitive in many of the markets in which each Bank operates. Such competition directly impacts the financial performance of any such Bank. Any significant increase in such competition could adversely impact any such Bank.

Prospective purchasers of the Tax-Exempt/Taxable Commercial Paper Notes should evaluate the financial strength of the related Bank based upon the information contained and referred to herein under the caption "LETTER OF CREDIT BANKS" and other information available upon request from the related Bank and should not rely upon any governmental supervision by any regulatory entity.

Limited Obligations of the City

The investment decision to purchase the Tax-Exempt/Taxable Commercial Paper Notes should be made solely on the basis of the creditworthiness of the related Bank that has issued the applicable Letter of Credit from which will be paid all principal of and interest on the applicable Tax-Exempt/Taxable Commercial Paper Notes, rather than the City. Prospective investors should not rely on any source other than proceeds of drawings under the applicable Letter of Credit to pay the principal and actual interest accrued on the applicable Tax-Exempt/Taxable Commercial Paper Notes. If, for any reason, the related Bank fails to honor a properly presented and conforming drawing under the applicable

Letter of Credit, the principal and actual interest accrued on the applicable Tax-Exempt/Taxable Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the applicable Tax-Exempt/Taxable Commercial Paper Notes apart from the City's obligation to make Base Rental payments as and when due, as more particularly described herein. The ratings assigned to the applicable Tax-Exempt/Taxable Commercial Paper Notes are based on the creditworthiness of the related Bank. See "RATINGS" herein.

Provided that in no circumstances shall the City be required to pay during any Base Rental Period amounts (exclusive of Additional Rental) in excess of aggregate Maximum Base Rental for all Components for such Base Rental Period, the City has covenanted to include all Minimum Required Rental Payments, Additional Rental and Minimum Supplemental Rental Payments due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all Minimum Required Rental Payments, Additional Rental, and Minimum Supplemental Rental Payments, subject to the abatement provisions of the Sublease. THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THE SUBLEASE, NEITHER THE NOTES NOR THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.

Abatement

Except to the extent of (a) available amounts held by the Trustee in the Base Rental Account or the Issuing and Paying Agent in the Base Rental Payment Subaccounts or the Bank Reimbursement Subaccounts, (b) amounts, if any, received in respect of rental interruption insurance with respect to any Component, and (c) amounts, if any, otherwise legally available to the City for payments in respect of the Sublease or to the Issuing and Paying Agent for payments in respect of the Notes, Rental Payments due under the Sublease shall be subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial interference with the use, occupancy or possession of any Component by the City, and the resulting Rental Payments (and such other funds) may not be sufficient to pay all of the remaining principal of and interest on the Commercial Paper Notes. See "SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES—Rental Abatement."

No Limitation on Incurring Additional Obligations

Neither the Sublease nor the Trust Agreement contains any legal limitations on the ability of the City to enter into other obligations that may constitute additional charges against its General Fund revenues. To the extent that the City incurs additional obligations, the funds available to make Rental Payments may be decreased. The City is currently liable on other obligations payable from General Fund revenues and is currently contemplating entering into other such obligations.

Earthquake and Seismic Conditions

The City is subject to unpredictable and significant seismic activity. A number of known faults run through the City, and the City lies near the San Andreas Fault, which is the boundary between the Pacific and North American tectonic plates. The complex Los Angeles fault system interacts with the alluvial soils and other geologic conditions in the hills and basins. This interaction appears to pose a potential seismic threat for every part of the City, regardless of the underlying geologic and soils conditions. In addition,

there are likely to be unmapped faults throughout the City. The most recent major earthquake, the Northridge earthquake in 1994, occurred along a previously unmapped blind thrust fault.

It is probable that a major earthquake will occur during the Sublease Term. A major earthquake could cause widespread destruction and significant loss of life in a populated area such as the City. If an earthquake were to substantially damage or destroy taxable property within the City, a reduction in taxable values of property in the City and a reduction in revenues available to the General Fund to make Rental Payments would be likely to occur.

Seismic activity may also affect the use and occupancy of the Property. The City generally does not maintain earthquake insurance coverage against loss or damage to City property. Instead, the City relies on its general reserves as well as the expectation that some disaster relief funds, which could be minimal amounts in comparison to the losses, will be available from the Federal Emergency Management Agency (“FEMA”) to address any resulting damage from seismic activity. The City has received a waiver from the requirement under federal law that it acquire earthquake insurance on facilities that were the beneficiaries of prior FEMA grants. There is no assurance that, in the event of an earthquake, sufficient City reserves or FEMA assistance would be available for the repair or replacement of any Component. The Sublease only requires the City to maintain earthquake insurance in an amount equal to the maximum probable loss of all Components of the Property, as determined by the City’s Risk Manager, unless, based upon the written recommendation of the City’s Risk Manager annually filed by the City with the Trustee, it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies and the City’s Risk Manager has recommended that it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies, and therefore, the City does not intend to purchase such insurance coverage during the Sublease Term. The City does not have commercial property insurance coverage for damage caused by earthquake. Thus in the event of damage to any Component caused by earthquake resulting in an abatement of Rental Payments, no rental interruption or use and occupancy insurance proceeds will be available.

Constitutional and Statutory Limitations on Increase of Revenues

Article XIII A (Limitation on *Ad Valorem* Tax), Article XIII B (Government Spending Limitation), Article XIII C (Voter Approval for Local Tax Levies) and Article XIII D (Assessment and Property Related Fee Reform) of the Constitution of the State of California were each adopted as measures that qualified for the ballot pursuant to California’s initiative process. From time to time, other initiative measures may be adopted, which may affect the City’s revenues and its ability to expend said revenues. The above mentioned measures and any future measures could restrict the City’s ability to raise additional funds for its General Fund.

Limitations on Default Remedies

In the event of nonpayment by the City of the Rental Payments, or other default by the City under the Sublease, the enforcement of any remedies provided in the Trust Agreement and in the Sublease by or on behalf of Owners of the Commercial Paper Notes could prove expensive and time consuming, or legally impeded. For example, the Trust Agreement and the Sublease provide that if there is a default by the City under the Sublease the Trustee may terminate the Sublease and re-let the Property, but such Property may not be easily re-leased, and any re-letting of the Property could result in lease payments that would be substantially less than the Rental Payments payable by the City under the Sublease. Furthermore, due to the essential nature of the governmental function of the Components, it is not certain whether a court would permit the exercise of the remedies of repossession and re-letting with respect to any or all of the Property. The Trustee may exercise any and all remedies available pursuant to law or the Sublease, but the Sublease

provides that there shall be no right under any circumstances to accelerate the Rental Payments not then in default to be immediately due and payable.

Bankruptcy

A bankruptcy petition may be filed by the City or the Corporation. In particular, the City may file a petition under Chapter 9 (“Chapter 9”) of Title 11 of the United States Code (the “Bankruptcy Code”), provided that it complies with requirements of Section 53760 et seq. of the Government Code of the State. Under the Government Code, a local public entity, including the City, is prohibited from filing under the Bankruptcy Code unless it has participated in a specified neutral evaluation process with interested parties, as defined, or it has declared a fiscal emergency and has adopted a resolution by a majority vote of the governing board at a noticed public hearing that includes findings that the financial state of the local public entity jeopardizes the health, safety, or well-being of the residents of the local public entity’s jurisdiction or service area absent bankruptcy protections.

If the City were to become a municipal debtor under Chapter 9 of the Bankruptcy Code, the City would be entitled to all of the protections afforded a municipal debtor under the Bankruptcy Code, and an Owner of a Commercial Paper Note would be treated as a creditor. Possible adverse effects of a municipal bankruptcy include, but are not limited to: (a) the application of the automatic stay provisions of the Bankruptcy Code which, absent court approval, generally prohibit the commencement of any judicial or other action in non-bankruptcy court to recover a pre-petition claim against the City, any act to collect on a pre-petition claim, or any act to obtain possession of the municipal debtor’s property; (b) the avoidance of preferential transfers occurring during the relevant period prior to the commencement of the bankruptcy case; (c) the existence of secured and/or unsecured creditors with allowed claims that may have priority over any claims of Owners of Commercial Paper Notes; and (d) the possibility of the bankruptcy court’s confirmation of a plan of adjustment of the City’s debts, which may restructure, delay, compromise or reduce the amount of the claim of the Owners. As a result of the commencement of a bankruptcy case by either the City or the Corporation, Owners of the Commercial Paper Notes could experience delays in receiving payments of principal of and interest on the Commercial Paper Notes, as well as partial or total losses of their investments in the Commercial Paper Notes. In addition, under the Bankruptcy Code, certain provisions of the Sublease that are based on the bankruptcy, insolvency or financial condition of the City may be rendered unenforceable.

Under the Trust Agreement, the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, has a security interest in the Pledged Property, including Base Rental, but such security interest arises only when and as received by the Corporation and deposited with the Trustee following payment by the City. The Property is not subject to a security interest, mortgage or any other lien in favor of the Trustee for the benefit of the Owners of the Commercial Paper Notes and the Banks. In the event a bankruptcy court determines that the Sublease is an unexpired lease for purposes of the Bankruptcy Code, certain provisions of the Bankruptcy Code could impact the rights and remedies of the parties, and would allow the City to reject the Sublease, which would give rise to the Trustee’s unsecured claim for unpaid rent, affect the enforceability of certain provisions of the Sublease, and have an adverse effect on the liquidity and market value of the Commercial Paper Notes.

The various legal opinions to be delivered concurrently with the Commercial Paper Notes (including Note Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity applied in the exercise of judicial discretion.

Insurance

The Property is subject to a variety of risks of loss. Certain of these risks are described in “Environmental Concerns” below. The City directly assumes certain insurable risks without procuring commercial insurance policies. The City administers, adjusts, settles, defends and pays claims from budgeted resources. It is self-insured for workers’ compensation as permitted under State law. Funds are budgeted annually to provide for claims and other liabilities based both on the City’s historical record of payments and an evaluation of known or anticipated claims. See “SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES - Insurance” above. The Sublease permits the insurance requirements therein (other than rental interruption insurance) to be satisfied by a combination of commercial insurance and a program of self-insurance or alternative risk management approved as reasonable and appropriate by the City’s Risk Manager. See “SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES — Insurance” above. The City currently intends to satisfy its insurance obligations under the Sublease with commercial insurance. The Sublease does not require the City to insure or self-insure against every potential risk of loss and there is a risk that damage or destruction of the Property could occur for which no insurance or City funds will be available. Such insurance does not cover, for example, acts of terrorism or certain other casualties. For example, the Property could be damaged or destroyed due to earthquake or other casualty for which the Property is uninsured. Under such circumstances, an abatement of Rental Payments could occur and could continue indefinitely.

There can be no assurance that the insurance providers will pay claims under the respective policies promptly or at all, should a claim be made by the City in connection with loss or damage to a Component under such policies. It is possible that an insurance provider will refuse to pay a claim, especially if it is substantial, and force the City to sue to collect on or settle the insurance claim. Further, there can be no assurances that amounts received as proceeds from insurance will be sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks as required by the Trust Agreement. The City believes that the insurance arrangements provided in the Sublease will be adequate to reasonably protect the City from the various liabilities that arise from use of the Property and to provide for the payment of Rental Payments in the event that the City loses beneficial use of the Property due to risks for which fire and extended coverage insurance has been obtained. However, no assurance can be given that such insurance arrangements will cover all events causing damage or will be adequate to cover the payment of Rental Payments in all circumstances.

Eminent Domain

If any Component, or any portion thereof, shall be taken under the power of eminent domain, there can be no assurance that condemnation proceeds will be available promptly or that the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Base Rental Period following the application of such amounts will be sufficient to pay the principal of and interest on the Commercial Paper Notes as and when due.

Environmental Concerns

Owners or operators of real property may be required by law to remedy conditions of a property relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response Compensation and Liability Act of 1980 or the “Superfund Act” is the most widely applicable of these laws, but California laws with regard to hazardous substances are also stringent. Under many of these laws, the owner or operator is obligated to remedy a hazardous substance condition on the property whether or not the owner or operator created the hazardous substance condition.

Loss of Tax Exemption

As discussed under the heading “TAX MATTERS,” certain acts or omissions of the City in violation of its covenants in the Trust Agreement, the Sublease and the Tax Certificate relating to the Series A Commercial Paper Notes could result in the interest on the Series A Commercial Paper Notes being includable in gross income for purposes of federal income taxation retroactive to the deemed date of issuance of the Series A Commercial Paper Notes. Should such an event of taxability occur, the Series A Commercial Paper Notes would not be subject to a special prepayment and would remain Outstanding until maturity.

No Liability of Corporation to the Owners

Except as expressly provided in the Trust Agreement, the Corporation will not have any obligation or liability to the Owners of the Commercial Paper Notes with respect to the payment when due of the Rental Payments by the City, or with respect to the performance by the City of other agreements and covenants required to be performed by it contained in the Sublease or the Trust Agreement, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained in the Trust Agreement.

MUNICIPAL IMPROVEMENT CORPORATION OF LOS ANGELES

The Municipal Improvement Corporation of Los Angeles is a nonprofit public benefit corporation duly organized and existing under the laws of the State of California (Title 1, Division 2, Part 2 of the California Corporations Code) for the purpose of providing financial or other assistance to the City by, among other things, financing, acquiring, constructing, improving, leasing and developing certain equipment, improvements and making any part or all of any such real or personal property, or improvements, available to or for the benefit of the public, the City or any one or more departments, commissions or agencies of the City. The Corporation was formed at the request of the City in 1984. The Corporation is governed by a five-member Board of Directors (the “MICLA Board”). MICLA Board members were initially appointed by the Mayor in 1984. Appointments to fill subsequent vacancies are made by the MICLA Board, subject to City Council approval. The MICLA Board members do not receive compensation. The City indemnifies MICLA Board members for any liabilities occurring in connection with the performance of their duties.

CITY OF LOS ANGELES

The City was founded in 1781. The original Charter of the City was adopted in 1850, and most recently amended in 1999, with an effective date of July 1, 2000. The City had an estimated 2023 population of approximately 3.8 million persons. With an area of 470 square miles, the City is located in the southern part of the State of California and is the principal city of a metropolitan region stretching from the City of Ventura to the north, the City of San Clemente to the south, the City of San Bernardino to the east, and the Pacific Ocean to the west.

The governing body of the City consists of a Mayor and City Council, comprised of fifteen members. The Mayor is elected at-large for a four-year term. As executive officer of the City, the Mayor has the overall responsibility for administration of the City. The Mayor recommends and submits the annual budget to the Council and passes upon subsequent appropriations and transfers, approves or vetoes ordinances, and appoints certain City officials and commissioners. The Mayor supervises the administrative process of local government and works with the Council in matters relating to legislation, budget, and finance. The Mayor operates an executive department, of which he is the ex-officio head. The City Council, the legislative body of the City, is a full-time council. The City Council enacts ordinances subject to the

approval of the Mayor and may override the veto of the Mayor by a two-thirds vote. The City Council orders elections, levies taxes, approves utility rates, authorizes public improvements, approves contracts, adopts zoning and other land use controls, and adopts traffic regulations. The City Council adopts or modifies the budget proposed by the Mayor. The City Council consists of 15 members elected by district for staggered four-year terms. The Charter of the City provides for an independently elected City Attorney and independently elected City Controller, both elected for four-year terms. The City Attorney is attorney and legal advisor to the City and to all City boards, departments, officers, and entities, and prosecutes misdemeanors and violations of the Charter and City ordinances. The Controller is the chief accounting officer for the City.

The City provides a full range of governmental services, which include police; fire and paramedics; residential refuse collection and disposal, wastewater collection and treatment, street maintenance, traffic management, storm water pollution abatement, and other public works functions; enforcement of ordinances and statutes relating to building safety; public libraries; recreation and parks and cultural events; community development; housing and aging services; and planning. The City also operates and maintains the water and power utilities, harbor and airport, all served by proprietary departments within the City.

THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THE SUBLEASE, NEITHER THE NOTES NOR THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.

TAX MATTERS

Series A Commercial Paper Notes (Federally Tax-Exempt)

Federal Income Taxes. The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series A Commercial Paper Notes for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series A Commercial Paper Notes to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series A Commercial Paper Notes. Pursuant to the Trust Agreement and the Tax Certificate, the Corporation has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series A Commercial Paper Notes from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Corporation has made certain representations and certifications in the Issuing and Payment Agent Agreement and the Tax Certificate. Special Tax Counsel will not independently verify the accuracy of those representations and certifications.

In the opinion of Special Tax Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the Corporation described above, interest on the Series A Commercial Paper Notes is excluded from gross income for federal income tax purposes under Section 103 of the Code. Special Tax Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

Ancillary Tax Matters. Ownership of the Series A Commercial Paper Notes may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series A Commercial Paper Notes. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series A Commercial Paper Notes is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. In addition, interest on the Series A Commercial Paper Notes may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Special Tax Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinion attached as Appendix B-1 which will be delivered from time to time upon the issuance of Series A Commercial Paper Notes and Appendix B-3 which will be delivered on June [___], 2025 in connection with the Series A Commercial Paper Notes that are being issued to pay the principal of maturing Series A Commercial Paper Notes which is treated as a new issuance solely for State law purposes. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series A Commercial Paper Notes, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events. Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series A Commercial Paper Notes for federal or state income tax purposes, and thus on the value or marketability of the Series A Commercial Paper Notes. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series A Commercial Paper Notes from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series A Commercial Paper Notes may occur. Prospective purchasers of the Series A Commercial Paper Notes should consult their own tax advisors regarding the impact of any change in law on the Series A Commercial Paper Notes.

Special Tax Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series A Commercial Paper Notes may affect the tax status of interest on the Series A Commercial Paper Notes. Special Tax Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series A Commercial Paper Notes, or the interest thereon, if any action is taken with respect to the Series A Commercial Paper Notes or the proceeds thereof upon the advice or approval of other counsel.

The opinion of Special Tax Counsel described herein shall be deemed in effect on each Business Day during which a Series A Commercial Paper Note is outstanding to the extent that (i) such Series A Commercial Paper Note is issued pursuant to a Tax Certificate, (ii) there is no change in applicable existing State or federal law, (iii) the Trust Agreement, in the form in effect on the date of such opinion, remains in full force and effect and has not been materially amended or supplemented, (iv) the representations and covenants of the parties contained in the Trust Agreement, the Issuing and Paying Agent Agreement, the Dealer Agreement, the Tax Certificate and other documents pertaining to the Series A Commercial Paper Notes, and certain certificates dated the date of an opinion of Special Tax Counsel and delivered by authorized officers of the Corporation and the City remain true and accurate and are complied with in all material respects, (v) no litigation affecting the issuance or validity of the Series A Commercial Paper Notes is pending at the time of delivery of any such Series A Commercial Paper Notes and (vi) Nixon Peabody LLP continues to serve as Special Tax Counsel to the Corporation in connection with the issuance of such Series A Commercial Paper Notes. Special Tax Counsel undertakes no obligation to determine, at any time, whether the conditions described in (i) through (vi) of the preceding sentences have been met.

Series B Commercial Paper Notes (Federally Taxable)

The following is a summary of certain anticipated United States federal income tax consequences of the purchase, ownership and disposition of the Series B Commercial Paper Notes. The summary is based upon the provisions of the Code, the regulations promulgated thereunder and the judicial and administrative rulings and decisions now in effect, all of which are subject to change. The summary generally addresses the Series B Commercial Paper Notes held as capital assets within the meaning of Section 1221 of the Code and does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws, including but not limited to financial institutions, insurance companies, dealers in securities or currencies, persons holding such Series B Commercial Paper Notes as a hedge against currency risks or as a position in a “straddle,” “hedge,” “constructive sale transaction” or “conversion transaction” for tax purposes, or persons whose functional currency is not the United States dollar. It also does not deal with holders other than original purchasers except where otherwise specifically noted. Potential purchasers of the Series B Commercial Paper Notes should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Series B Commercial Paper Notes.

Generally. Interest on the Series B Commercial Paper Notes is not excluded from gross income for federal income tax purposes under Section 103 of the Code and so will be fully subject to federal income taxation.

Purchasers other than those who purchase Series B Commercial Paper Notes in the initial offering at their principal amounts will be subject to federal income tax accounting rules affecting the timing and/or characterization of payments received with respect to such Series B Commercial Paper Notes. In general, interest paid on the Series B Commercial Paper Notes will be treated as ordinary income to a Holder, and after adjustment for the foregoing principal payments will be treated as a return of capital.

Acquisition Discount. Certain Owners who purchase Series B Commercial Paper Notes at a price resulting in an adjusted basis that is less than the remaining redemption amount of such Series B Commercial Paper Notes will have acquisition discount that may be included in gross income prior to the final maturity of such Series B Commercial Paper Notes. Acquisition discount will be treated as accruing ratably or, at the election of the Owner, under a constant yield method based on daily compounding. Purchasers of any Series B Commercial Paper Notes who acquire such Series B Commercial Paper Notes at a discount should consult with their own tax advisors with respect to the timing of gross income under applicable federal income tax law and as to the state and local tax consequences of owning such Series B Commercial Paper Notes.

Note Premium. A purchaser of a Series B Commercial Paper Note who purchases such Series B Commercial Paper Note at a cost greater than its remaining redemption amount will have amortizable note premium. If the Owner elects to amortize this premium under Section 171 of the Code (which election will apply to all Series B Commercial Paper Notes held by the Owner on the first day of the taxable year to which the election applies and to all Series B Commercial Paper Notes thereafter acquired by the Owner), such an Owner must amortize the premium using constant yield principles based on the Owner's yield to maturity. Amortizable note premium is generally treated as an offset to interest income, and a reduction in basis is required for amortizable note premium that is applied to reduce interest payments. Purchasers of any Series B Commercial Paper Notes who acquire such Series B Commercial Paper Notes at a premium should consult with their own tax advisors with respect to state and local tax consequences of owning such Series B Commercial Paper Notes.

Sale or Redemption of Series B Commercial Paper Notes. An Owner's tax basis for a Series B Commercial Paper Note is the price such owner pays for the Series B Commercial Paper Note plus the amount of acquisition discount previously included in income and reduced on account of any payments received on such Series B Commercial Paper Note other than "qualified stated interest" (as defined in the Code and the corresponding regulations) and any amortized note premium. Gain or loss recognized on a sale, exchange or redemption of a Series B Commercial Paper Note, measured by the difference between the amount realized and the Series B Commercial Paper Note basis as so adjusted, will generally give rise to capital gain or loss if the Series B Commercial Paper Note is held as a capital asset.

If the terms of the Series B Commercial Paper Notes are materially modified, in certain circumstances, a new debt obligation would be deemed created and exchanged for the prior obligation in a taxable transaction. Among the modifications which may be treated as material are those which relate to the redemption provisions and, in the case of a nonrecourse obligation, those which involve the substitution of collateral. The defeasance of the Series B Commercial Paper Notes may also result in a deemed sale or exchange of such Series B Commercial Paper Notes under certain circumstances.

Information Reporting and Backup Withholding. An Owner may, under certain circumstances, be subject to "backup withholding" at the applicable rate on, and to information reporting requirements with respect to, payments of principal or interest on, and to proceeds from the sale, exchange or retirement

of, Series B Commercial Paper Notes. This backup withholding generally applies if the owner of a Series B Commercial Paper Note (a) fails to furnish the Trustee or other payor with its taxpayer identification number; (b) furnishes the Trustee or other payor an incorrect taxpayer identification number; (c) fails to report properly interest, dividends or other “reportable payments” as defined in the Code; or (d) under certain circumstances, fails to provide the Trustee or other payor with a certified statement, signed under penalty of perjury, that the taxpayer identification number provided is its correct number and that the Owner is not subject to backup withholding. Backup withholding will not apply, however, with respect to certain payments made to Owners, including payments to certain exempt recipients (such as certain exempt organizations) and to certain Nonresidents (as defined below). Owners of the Series B Commercial Paper Notes should consult their tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining the exemption.

The amount of “reportable payments” for each calendar year and the amount of tax withheld, if any, with respect to payments on the Series B Commercial Paper Notes will be reported to the Owners and to the IRS.

Nonresident Holders. Under the Code, interest income with respect to Series B Commercial Paper Notes held by nonresident alien individuals, foreign corporations or other non-United States persons (“Nonresidents”) generally will not be subject to United States withholding tax (including backup withholding) if the City (or other person who would otherwise be required to withhold tax from such payments) is provided with an appropriate statement that the beneficial owner of the Series B Commercial Paper Notes is a Nonresident. Notwithstanding the foregoing, if any such payments are effectively connected with a United States trade or business conducted by a Nonresident Owner, they will be subject to regular United States income tax, but will ordinarily be exempt from United States withholding tax.

Surtax on Unearned Income. Recently enacted legislation generally imposes a tax of 3.8% on the “net investment income” of certain individuals, trusts and estates for taxable years beginning after December 31, 2012. Among other items, net investment income generally includes gross income from interest and net gain attributable to the disposition of certain property, less certain deductions. U.S. Owners should consult their own tax advisors regarding the possible implications of this legislation in their particular circumstances.

ERISA. The Employees Retirement Income Security Act of 1974, as amended (“ERISA”), and the Code generally prohibit certain transactions between a qualified employee benefit plan under ERISA or tax-qualified retirement plans and individual retirement accounts under the Code (collectively, the “Plans”) and persons who, with respect to a Plan, are fiduciaries or other “parties in interest” within the meaning of ERISA or “disqualified persons” within the meaning of the Code. All fiduciaries of Plans, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in any Series B Commercial Paper Notes.

A copy of the proposed form of opinion of Special Tax Counsel to be delivered from time to time upon the issuance of Series B Commercial Paper Notes is attached hereto as Appendix B-2 and Appendix B-3 which will be delivered on the date hereof in connection with the Series B Commercial Paper Notes that are being issued to pay the principal of maturing Series B Commercial Paper Notes.

State Taxes (Series A Commercial Paper Notes and Series B Commercial Paper Notes)

Special Tax Counsel is also of the opinion that interest on the Series A Commercial Paper Notes and the Series B Commercial Paper Notes is exempt from personal income taxes of the State under present State law. Special Tax Counsel expresses no opinion as to other state or local tax consequences arising with respect to the Series A Commercial Paper Notes or the Series B Commercial Paper Notes nor as to the

taxability of the Series A Commercial Paper Notes or the Series B Commercial Paper Notes or the income therefrom under the laws of any state other than California.

IN ALL EVENTS, ALL INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS IN DETERMINING THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE SERIES A COMMERCIAL PAPER NOTES OR SERIES B COMMERCIAL PAPER NOTES.

The information concerning The Depository Trust Company and DTC's book entry system has been obtained from DTC and the Corporation takes no responsibility for the completeness or accuracy thereof. The Corporation cannot and does not give any assurances that DTC, Direct Participants (as defined herein) or Indirect Participants (as defined herein) will distribute to the Beneficial Owners (as defined herein) (a) payments of principal or interest with respect to the Tax-Exempt/Taxable Commercial Paper Notes, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Tax-Exempt/Taxable Commercial Paper Notes or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Tax-Exempt/Taxable Commercial Paper Notes, or that they will so do on a timely basis, or that DTC, Direct Participants or Indirect Participants will act in the manner described herein. The Tax-Exempt/Taxable Commercial Paper Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity the Tax-Exempt/Taxable Commercial Paper Notes, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Tax-Exempt/Taxable Commercial Paper Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Tax-Exempt/Taxable Commercial Paper Notes on DTC's records. The ownership interest of each actual purchaser of each Tax-Exempt/Taxable Commercial Paper Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the

Tax-Exempt/Taxable Commercial Paper Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Tax-Exempt/Taxable Commercial Paper Notes, except in the event that use of the book-entry system for the Tax-Exempt/Taxable Commercial Paper Notes is discontinued.

To facilitate subsequent transfers, all Tax-Exempt/Taxable Commercial Paper Notes deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Tax-Exempt/Taxable Commercial Paper Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Tax-Exempt/Taxable Commercial Paper Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such Tax-Exempt/Taxable Commercial Paper Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Tax-Exempt/Taxable Commercial Paper Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Tax-Exempt/Taxable Commercial Paper Notes, such as defaults, and proposed amendments to the Tax-Exempt/Taxable Commercial Paper Note documents. For example, Beneficial Owners of Tax-Exempt/Taxable Commercial Paper Notes may wish to ascertain that the nominee holding the Tax-Exempt/Taxable Commercial Paper Notes for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Tax-Exempt/Taxable Commercial Paper Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Tax-Exempt/Taxable Commercial Paper Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest on the Tax-Exempt/Taxable Commercial Paper Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Corporation or the Issuing and Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Issuing and Paying Agent or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest on the Tax-Exempt/Taxable Commercial Paper Notes to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Issuing and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

None of the Corporation, the City, the Dealers, the Issuing and Paying Agent or the Banks can give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of principal of and interest on the Tax-Exempt/Taxable Commercial Paper Notes paid to DTC or its nominee, as the registered Owner, or any notice, to the Beneficial Owners or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Offering Memorandum.

DTC may discontinue providing its services as depository with respect to the Tax-Exempt/Taxable Commercial Paper Notes at any time by giving reasonable notice to the Corporation or the Issuing and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Tax-Exempt/Taxable Commercial Paper Note certificates are required to be printed and delivered.

The Corporation may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Tax-Exempt/Taxable Commercial Paper Note certificates will be printed and delivered to DTC.

In the event that the book-entry system is discontinued as described above, the requirements of the Trust Agreement will continue to apply. The foregoing information concerning DTC and DTC's book-entry system has been obtained from DTC, and none of the Corporation, the City, the Dealers, the Issuing and Paying Agent or the Banks take any responsibility for the accuracy thereof.

RE: Up to \$425,000,000 Municipal Improvement Corporation of Los Angeles Lease Revenue

Ladies and Gentlemen:

We have acted as Special Tax Counsel in connection with the authorization and issuance from time to time by the Municipal Improvement Corporation of Los Angeles (the “Corporation”) of its Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes (the “Commercial Paper Notes”) in an aggregate principal amount outstanding at any time up to \$425,000,000. The Commercial Paper Notes are being issued pursuant to a Fourth Amended and Restated Trust Agreement, dated as of June 1, 2019, as amended by the First Amendment to Fourth Amended and Restated Trust Agreement, dated as of June 1, 2022 (as so amended and as it may be further amended from time to time, the “Trust Agreement”), each by and among the Corporation, the City of Los Angeles, California (the “City”) and U.S. Bank National Association, as successor trustee (the “Trustee”). The Commercial Paper Notes may be issued and delivered from time to time as (i) Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Tax-Exempt Series A-1 (the “Tax-Exempt Series A-1 Commercial Paper Notes”) and Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Taxable Series B-1 (the “Taxable Series B-1 Commercial Paper Notes” and together with the Tax-Exempt Series A-1 Commercial Paper Notes, the “Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes”) in an aggregate principal amount outstanding at any time of up to \$150,000,000, (ii) as Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Tax-Exempt Series A-2 (the “Tax-Exempt Series A-2 Commercial Paper Notes”) and Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Taxable Series B-2 (the “Taxable Series B-2 Commercial Paper Notes” and together with the Tax-Exempt Series A-2 Commercial Paper Notes, the “Tax-Exempt Series A-2/Taxable Series B-2 Commercial Paper Notes”) in an aggregate principal amount outstanding at any time of up to \$100,000,000 or (iii) as Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Tax-Exempt Series A-3 (the “Tax-Exempt Series A-3 Commercial Paper Notes”) and Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes, Taxable Series B-3 (the “Taxable Series B-3 Commercial Paper Notes” and together with the Tax-Exempt Series A-3 Commercial Paper Notes, the “Tax-Exempt Series A-3/Taxable Series B-3 Commercial Paper Notes”) in an aggregate principal amount outstanding at any time of up to \$175,000,000. Collectively, the Tax-Exempt Series A-1 Commercial Paper Notes, the Tax-Exempt Series A-2 Commercial Paper Notes, and the Tax-Exempt Series A-3 Commercial Paper Notes shall herein be referred to as the “Series A Commercial Paper Notes.” Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

Pursuant to the Trust Agreement, the Corporation will issue from time to time, on behalf of the City, Series A Commercial Paper Notes (each a “Series A Commercial Paper Notes – Initial Draw”). The

City and the Corporation may issue additional Series A Commercial Paper Notes within 18 months of the date of each Series A Commercial Paper Notes – Initial Draw which are treated together with such Series A Commercial Paper Notes – Initial Draw as one issue of obligations for federal income tax purposes. The Series A Commercial Paper Notes issued on the date hereof and which are addressed in this opinion constitutes a Series A Commercial Paper Notes – Initial Draw and is referred to as “Series A Commercial Paper Notes Issue [].”

As Special Tax Counsel, we have examined the Trust Agreement and the Tax and Nonarbitrage Certificate of the Corporation and the City, dated the date hereof (the “Tax Certificate”). In addition, we have relied upon and examined the opinions of counsel to the Corporation, the City and the Trustee, certificates of the Corporation, the City, the Trustee and others, copies, certified to us as being true and complete, of the proceedings of the City and of the Corporation for the authorization and issuance of the Series A Commercial Paper Notes Issue [], and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein, although in doing so, we have not undertaken to verify independently the accuracy of the factual matters represented, warranted or certified therein, and we have assumed the genuineness of all signatures thereto.

We have, with your approval, assumed that all items submitted to us as originals are authentic and that all items submitted as copies conform to the originals.

On the basis of such examination, our reliance upon the assumptions contained herein and our consideration of such questions of law as we considered relevant, and subject to the limitations and qualifications in this opinion, we are of the opinion that:

1. The Internal Revenue Code of 1986 (the “Code”) sets forth certain requirements that must be met subsequent to the issuance and delivery of the Series A Commercial Paper Notes Issue [] for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series A Commercial Paper Notes Issue [] to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series A Commercial Paper Notes Issue []. Pursuant to the Trust Agreement and the Tax Certificate, the City and the Corporation have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series A Commercial Paper Notes Issue [] from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the City and the Corporation have made certain additional covenants, representations and certifications in the Trust Agreement and the Tax Certificate. We have not independently verified compliance with such covenants or the accuracy of those representations and certifications.

Under existing law, assuming compliance with the above-mentioned tax covenants and the accuracy of the above-mentioned representations and certifications, we are of the opinion that interest on the Series A Commercial Paper Notes Issue [] is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

2. We are further of the opinion that the interest on the Series A Commercial Paper Notes Issue [] is exempt from personal income taxes of the State of California under present state law.

Except as stated in paragraphs 1 and 2 above, we express no opinion as to any other federal, state or local tax consequences of the ownership or disposition of the Series A Commercial Paper Notes Issue []. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Series A Commercial Paper Notes Issue [], or the interest thereon, if any action is taken with respect to

the Series A Commercial Paper Notes Issue [] or the proceeds thereof upon the advice or approval of other counsel.

In rendering the opinions set forth in paragraphs 1 and 2 above, we are relying upon representations and covenants of the City and the Corporation in the Tax Certificate concerning the investment and use of Series A Commercial Paper Notes Issue [] proceeds, the rebate to the federal government of certain earnings thereon, and the use of the property and facilities financed and refinanced with the proceeds of the Series A Commercial Paper Notes Issue []. In addition, we have assumed that all such representations are true and correct and that the City and the Corporation will comply with such covenants. We express no opinion with respect to the exclusion of the interest on the Series A Commercial Paper Notes Issue [] from gross income under Section 103(a) of the Code in the event that any of such representations are untrue or the City or Corporation fails to comply with such covenants, unless such failure to comply is based on our advice or opinion.

No opinion is expressed herein on the accuracy, completeness or sufficiency of the Offering Memorandum, dated June 13, 2022 or other offering material relating to the Series A Commercial Paper Notes. This opinion is expressly limited to the matters set forth above and we render no opinion, whether by implication or otherwise, as to any other matters. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances which may hereafter come to our attention or any changes in laws which may hereafter occur.

We call attention to the fact that the opinions expressed herein and the exclusion of interest due on the Series A Commercial Paper Notes Issue [] from gross income for federal income tax purposes may be affected by actions taken or omitted or events occurring or failing to occur after the date hereof. We have not undertaken to determine, or inform any person, whether any such actions are taken, omitted, occur or fail to occur.

You may rely on this opinion as the Series A Commercial Paper Notes Issue [] are, from time to time, issued after the date hereof to the extent that (i) the Series A Commercial Paper Note Issue [] is issued pursuant to a Tax Certificate, (ii) there is no change in applicable existing State or federal law, (iii) the Trust Agreement, in the form in effect on the date of such opinion, remains in full force and effect and has not been materially amended or supplemented, (iv) the representations and covenants of the parties contained in the Trust Agreement, the Issuing and Paying Agent Agreement, the Dealer Agreement, the Tax Certificate and other documents pertaining to the Series A Commercial Paper Notes Issue [], and certain certificates dated the date of an opinion of Special Tax Counsel and delivered by authorized officers of the Corporation and City remain true and accurate and are complied with in all material respects, (v) no litigation affecting the issuance or validity of the Series A Commercial Paper Notes Issue [] is pending at the time of delivery of any such Series A Commercial Paper Notes Issue [] and (vi) Nixon Peabody LLP continues to serve as Special Tax Counsel to the Corporation in connection with the issuance of such Series A Commercial Paper Notes Issue []. Special Tax Counsel undertakes no obligation to determine, at any time, whether the conditions described in (i) through (vi) of the preceding sentences have been met.

Respectfully submitted,

Ladies and Gentlemen:

We have acted as Special Tax Counsel in connection with the authorization and issuance from time to time by the Municipal Improvement Corporation of Los Angeles (the “Corporation”) of its Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes (the “Commercial Paper Notes”) in an aggregate principal amount outstanding at any time up to \$425,000,000. The Commercial Paper Notes are being issued pursuant to a Fourth Amended and Restated Trust Agreement, dated as of June 1, 2019 (the “Original Trust Agreement”), as amended by the First Amendment to Fourth Amended and Restated Trust Agreement, dated as of June 1, 2022 (as so amended and as it may be further amended from time to time, the “Trust Agreement”), each by and among the Corporation, the City of Los Angeles, California (the “City”) and U.S. Bank National Association, as successor trustee (the “Trustee”). Collectively, the Tax-Exempt Series A-1 Commercial Paper Notes, the Tax-Exempt Series A-2 Commercial Paper Notes, and the Tax-Exempt Series A-3 Commercial Paper Notes shall herein be referred to as the “Series A Commercial Paper Notes” and the Taxable Series B-1, the Taxable Series B-2, and the Taxable Series B-3 Notes shall collectively be referred to herein as the “Series B Commercial Paper Notes.” Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

Pursuant to the Trust Agreement, the Corporation will issue on the date hereof, on behalf of the City, \$176,900,000 Series A Commercial Paper Notes to pay the principal of maturing Series A Commercial Paper Notes which is treated as a new issuance solely for State law purposes (together with any Series A Commercial Paper Notes that may be issued in the future to pay the maturing principal of such Notes, the “Outstanding Series A Commercial Paper Notes”). The Outstanding Series A Commercial Paper Notes (including any Series A Commercial Paper Notes that refinance the Outstanding Series A Commercial Paper Notes) were initially issued on January 14, 2021 and are a single “issue” for federal tax law purposes.

Pursuant to the Trust Agreement, on the date hereof, the Corporation will issue, on behalf of the City, \$18,000,000 of its Series B Commercial Paper Notes (the “Outstanding Series B Commercial Paper Notes” and, together with the Outstanding Series A Commercial Paper Notes, the “Outstanding Commercial Paper Notes”) to pay the principal of maturing Series B Commercial Paper Notes.

As Special Tax Counsel, we have examined the Trust Agreement and the Tax Certificate of the Corporation and the City, dated January 14, 2021 (the “Outstanding Series A Note Tax Certificate”). In addition, we have relied upon and examined the opinions of counsel to the Corporation, the City and the Trustee, certificates of the Corporation, the City, the Trustee and others, copies, certified to us as being true and complete, of the proceedings of the City and of the Corporation for the authorization and issuance of the Outstanding Commercial Paper Notes, and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein, although in doing so, we have not undertaken to verify independently the accuracy of the factual matters represented, warranted or certified therein, and we have assumed the genuineness of all signatures thereto.

We have, with your approval, assumed that all items submitted to us as originals are authentic and that all items submitted as copies conform to the originals.

On the basis of such examination, our reliance upon the assumptions contained herein and our consideration of such questions of law as we considered relevant, and subject to the limitations and qualifications in this opinion, we are of the opinion that:

1. The Internal Revenue Code of 1986 (the “Code”) sets forth certain requirements that must be met subsequent to the issuance and delivery of the Outstanding Series A Commercial Paper Notes for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Outstanding Series A Commercial Paper Notes to be included in gross income for federal income tax purposes retroactive to the date of issue of the Outstanding Series A Commercial Paper Notes. Pursuant to the Trust Agreement and the Outstanding Series A Note Tax Certificate, the City and the Corporation have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Outstanding Series A Commercial Paper Notes from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the City and the Corporation have made certain additional covenants, representations and certifications in the Trust Agreement and the Outstanding Series A Note Tax Certificate. We have not independently verified compliance with such covenants or the accuracy of those representations and certifications.

Under existing law, assuming compliance with the above-mentioned tax covenants and the accuracy of the above-mentioned representations and certifications, we are of the opinion that interest on the Outstanding Series A Commercial Paper Notes is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

2. We are further of the opinion that the interest on the Outstanding Series A Commercial Paper Notes and the Outstanding Series B Commercial Paper Notes is exempt from personal income taxes of the State of California under present state law.

Except as stated in paragraphs 1 and 2 above, we express no opinion as to any other federal, state or local tax consequences of the ownership or disposition of the Outstanding Commercial Paper Notes. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Outstanding Commercial Paper Notes, or the interest thereon, if any action is taken with respect to the Outstanding Commercial Paper Notes or the proceeds thereof upon the advice or approval of other counsel.

In rendering the Outstanding Series A Commercial Paper Note opinions set forth in paragraphs 1 and 2 above, we are relying upon representations and covenants of the City and the Corporation in the Outstanding Series A Note Tax Certificate concerning the investment and use of Outstanding Series A Commercial Paper Note proceeds, the rebate to the federal government of certain earnings thereon, and the use of the property and facilities financed and refinanced with the proceeds of the Outstanding Series A Commercial Paper Notes. In addition, we have assumed that all such representations are true and correct and that the City and the Corporation will comply with such covenants. We express no opinion with respect to the exclusion of the interest on the Outstanding Series A Commercial Paper Notes from gross income under Section 103(a) of the Code in the event that any of such representations are untrue or the City or Corporation fails to comply with such covenants, unless such failure to comply is based on our advice or opinion.

No opinion is expressed herein on the accuracy, completeness or sufficiency of the Offering Memorandum, dated June 13, 2022 or other offering material relating to the Outstanding Commercial Paper Notes. This opinion is expressly limited to the matters set forth above and we render no opinion, whether by implication or otherwise, as to any other matters. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances which may hereafter come to our attention or any changes in laws which may hereafter occur.

We call attention to the fact that the opinions expressed herein and the exclusion of interest due on the Outstanding Series A Commercial Paper Notes from gross income for federal income tax purposes may be affected by actions taken or omitted or events occurring or failing to occur after the date hereof. We have not undertaken to determine, or inform any person, whether any such actions are taken, omitted, occur or fail to occur.

You may rely on this opinion as the Outstanding Commercial Paper Notes are, from time to time, issued after the date hereof to the extent that (i) the Outstanding Series A Commercial Paper Notes are issued pursuant to the Outstanding Series A Note Tax Certificate, (ii) there is no change in applicable existing State or federal law, (ii) the Trust Agreement, in the form in effect on the date of such opinion, remains in full force and effect and has not been materially amended or supplemented, (iv) the representations and covenants of the parties contained in the Trust Agreement, the Issuing and Paying Agent Agreement, the Dealer Agreement, the Outstanding Series A Note Tax Certificate and other documents pertaining to the Outstanding Commercial Paper Notes, and certain certificates dated the date of an opinion of Special Tax Counsel and delivered by authorized officers of the Corporation and City remain true and accurate and are complied with in all material respects, and (v) no litigation affecting the issuance or validity of the Outstanding Commercial Paper Notes is pending at the time of delivery of any such Outstanding Commercial Paper Notes. Special Tax Counsel undertakes no obligation to determine, at any time, whether the conditions described in (i) through (v) of the preceding sentences have been met.

Respectfully submitted,

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNCIL OF THE CITY OF LOS ANGELES, as follows:

Section 1. The recitals set forth above are true and correct, and this Council so finds and determines.

Section 2. The Commercial Paper Notes shall be issued by MICLA on behalf of the City from time to time in an aggregate total principal amount outstanding at any time of not to exceed \$100,000,000 pursuant to the Trust Agreement and the Issuing and Paying Agent Agreement. This Council hereby reapproves the issuance by MICLA on behalf of the City of the Commercial Paper Notes from time to time in one or more series or subseries and as tax-exempt or taxable notes pursuant to the Trust Agreement and the Issuing and Paying Agent Agreement as part of the Los Angeles Convention Center Commercial Paper Note Program.

Section 3. One or more Offering Memoranda relating to the Commercial Paper Notes, substantially in the form of the Offering Memorandum which is before this Council and on file in the office of the City Administrative Officer of the City, are hereby approved. MICLA has authorized and requested the City to act as the MICLA Agent in connection with the printing and distribution of the Offering Memoranda from time to time to persons who may be interested in purchasing the Commercial Paper Notes. Each of the City Administrative Officer, any Assistant City Administrative Officer and any of their designees (each, an "Authorized Representative") is hereby authorized and directed, on behalf of the City as the MICLA Agent, without further action of this Council, to cause the printing of, and to distribute, the Offering Memoranda in substantially the form presented to this meeting, with such updates, additions and changes therein as such Authorized Representative shall determine is necessary or desirable or otherwise approve as being in the best interests of MICLA and the City, in consultation with the City Attorney or any Assistant City Attorney or Deputy City Attorney (each, the "City Attorney"), to persons who may be interested in purchasing the Commercial Paper Notes. This Council hereby reapproves, as the MICLA Agent, the placement of the Commercial Paper Notes by the Dealers pursuant to the Dealer Agreements and the use and distribution of the Offering Memoranda by the Dealers in connection therewith.

Additional offering memoranda (or amendments, supplements or amendment and restatements thereof) relating to the Commercial Paper Notes in connection with the delivery of additional Credit Facilities or additional Alternate Credit Facilities under the Trust Agreement for the Commercial Paper Notes from time to time and/or extension of any existing Credit Facility and/or amendment of any existing Credit Facility as described in Section 5 below, are hereby approved; provided that any such additional offering memoranda shall be substantially in the form of the Offering Memoranda approved by this Resolution. MICLA has authorized and requested the City to act as the MICLA Agent in connection with the preparation, printing and distribution of such additional offering memoranda (or amendments, supplements or amendment and restatements thereof). Each Authorized Representative is hereby authorized and directed, on behalf of the City as the MICLA Agent, without further action of this Council, to cause the printing of, and to distribute, such additional offering memoranda (or amendments, supplements or

amendment and restatements thereof), with such updates, additions and changes therein as such Authorized Representative shall determine is necessary or desirable or otherwise approve as being in the best interests of MICLA and the City, in consultation with the City Attorney, to persons who may be interested in purchasing the Commercial Paper Notes.

full paragraph of Section 2.8(c) hereof, in the event that MICLA pays all outstanding Obligations and effects the termination of the Letter of Credit, then MICLA shall not be obligated to pay any compensation set forth in such Capital or Liquidity Adequacy Demand Notice for any such reduction incurred or suffered during, or relating to, any period after the Termination Date. MICLA and the Bank agree that the intent of this provision is solely to assist MICLA in managing its financing costs and that the Bank shall have no liability of any kind for failure to timely provide a Capital or Liquidity Adequacy Demand Notice. All such amounts will be payable, from Additional Rental paid by the City under the Sublease, as set forth in Section 2.8(c) hereof.

Notwithstanding the foregoing, (i) a failure or delay by the Bank or any Participant Bank to deliver to MICLA a Capital or Liquidity Adequacy Demand Notice shall in no event relieve the obligation of MICLA of any obligation under this Section 2.8(b). Additionally, nothing set forth in this Section 2.8(b) shall limit the obligation of MICLA to pay to the Bank, from Additional Rental paid by the City under the Sublease, any increased cost imposed upon the Bank related to any event referred to in clause (i) or (ii) of this Section 2.8(b).

(c) All payments of amounts referred to in this Section 2.8 shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA; *provided that*, subject to the following proviso, any increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount shall be paid by MICLA, from Additional Rental paid by the City under the Sublease, to the Bank, for its own account, or to the Participant Bank for the account of such Participant Bank, as applicable, within one hundred twenty (120) calendar days of the date the Bank or the Participant Bank, as applicable, makes demand therefor on MICLA; *provided further* that to the extent a particular amount of increased costs in excess of the product of twenty basis points (0.20%) times the Original Stated Amount is expected to be an ongoing obligation of MICLA (referred to herein as “*Recurring Increased Costs*”) as determined by the Bank or the Participant Bank, as applicable, in a written notice from the Bank or the Participant Bank, as applicable, to MICLA, then after the first payment of such Recurring Increased Costs pursuant to the immediately preceding proviso, subsequent payments of such Recurring Increased Costs shall be due and payable, from Additional Rental paid by the City under the Sublease, within sixty (60) days of the date the Bank or Participant Bank makes demand therefor on MICLA or on such recurring payment date as otherwise agreed to in writing by the Bank and MICLA.

The amounts demanded in the respective Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, as applicable, are intended to compensate the Bank or Participant Bank, as applicable, for such increased costs or Reductions in Amount incurred by the Bank or such Participant Bank as a result of any event referred to in subsections (a) or (b) above. Any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8 submitted by the Bank or any Participant Bank to MICLA shall be conclusive as to the amount thereof absent manifest error.

MICLA shall not be required to compensate the Bank or any Participant Bank pursuant to this Section 2.8 in respect of a period occurring more than six (6) months prior to the date the above-described written demand is given to MICLA with respect thereto (the “*Cut-Off Date*”), except where (i) the Bank or Participant Bank, as applicable, had no actual knowledge of the action resulting in such increased costs, increased capital or liquidity or Reduction in Amount, as applicable, as of the Cut-Off Date or (ii) such increased costs, increased capital or liquidity or Reduction in Amount apply to the Bank or Participant Bank retroactively to a date prior to the Cut-Off Date.

In making the determinations contemplated by any Yield Protection Demand Notice or Capital or Liquidity Adequacy Demand Notice or any other written notice from the Bank to MICLA making a demand on MICLA for the payment of increased costs or Reductions in Amount pursuant to this Section 2.8, the Bank or Participant Bank may make and shall include in such notice such reasonable estimates, assumptions, allocations and the like that the Bank or Participant Bank in good faith determines to be appropriate. For purposes of this Section 2.8, the term “Bank” or “Participant Bank” as applicable, shall also include any entity controlling the Bank or Participant Bank or the holding company thereof. For purposes of the immediately preceding sentence, “controlling” means the power to direct the management and policies of the Bank, directly or indirectly, whether through the ownership of voting rights, membership, the power to appoint members, trustees or directors, by contract or otherwise. The obligations of MICLA under this Section 2.8 shall survive the termination of this Agreement, the Letter of Credit and repayment of all Obligations hereunder and under the Fee Letter.

(d) Notwithstanding anything to the contrary in this Section 2.8, in the event the Bank grants any participation to any Participant Bank pursuant to Section 8.7(b) hereof, neither MICLA nor the City shall have any obligation to pay amounts pursuant to this Section 2.8 in an amount greater than that which it would have been required to pay if the Bank had not granted such participation.

Section 2.9. Payments and Computations. (a) MICLA shall make or cause to be made each payment hereunder representing reimbursement pursuant to Section 2.4 hereof to the Bank of the amount drawn on the Bank pursuant to a Drawing made under the Letter of Credit not later than 1:00 P.M., Los Angeles time (4:00 P.M. New York City time), on the day when due. MICLA shall make or cause to be made all other payments hereunder and/or under the Fee Letter not later than 10:00 A.M., Los Angeles time (1:00 P.M. New York City time), on the day when due. All payment made by MICLA under this Agreement and the Fee Letter shall be made in lawful money of the United States of America to the account of the Bank by wire in accordance with Section 2.9(d) hereof in immediately available funds; *provided, however*, that whenever any payment hereunder or under the Fee Letter shall be due on a day that is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day, and any interest payable thereon shall be payable for such extended time; and *provided, further* that MICLA shall be permitted to make any payment pursuant to the Fee Letter in next day funds if such payment is made (i) on the Business Day immediately preceding the date on which such payment would otherwise have been due and (ii) in an amount equal to the amount that would have been required to have been paid had the payment not been made in next day funds in reliance upon this proviso. Payment received by the Bank after the applicable time set forth in this Section 2.9 shall be

considered to have been made on the next succeeding Business Day. Solely upon the written request of MICLA, the Bank shall provide to MICLA a written statement describing in reasonable detail the basis for any computation of any payment to be made hereunder or under the Fee Letter. Computations of the Base Rate, the Principal Advance Rate, the Term Loan Rate and the Default Rate hereunder shall be made by the Bank on the basis of a year of 365 days or 366 days, as applicable, for the actual number of days elapsed.

(b) All payments hereunder and under the Fee Letter will be made without counterclaim, setoff, condition or defense free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any jurisdiction, taxing authority or taxing jurisdiction in which the Bank or any Participant Bank is organized, has its principal place of business, is managed and controlled or from which or through payments to or from the Bank or such Participant Bank are made (each, a “*Taxing Jurisdiction*”), but excluding any tax imposed on the overall net income of the Bank or such Participant Bank pursuant to the laws of the jurisdiction (or any political subdivision or taxing authority thereof or therein) in which the principal office of the Bank or such Participant Bank is located) and all interest, penalties or similar liabilities with respect thereto (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being hereinafter referred to as “*Taxes*”); *provided, however*, that if the Bank or any Participant Bank, as the case may be, is not organized under the laws of the United States or a state thereof, MICLA shall have no liability with respect to any Taxes which are imposed on the Bank or any such Participant Bank pursuant to the laws of the Taxing Jurisdiction in which the principal office of the Bank or such Participant Bank is located unless (i) the Bank or such Participant Bank is entitled to the benefits of an income tax treaty with the United States that provides for an exemption from United States withholding tax on interest and other amounts payable to the Bank or such Participant Bank, as the case may be, pursuant to the terms of this Agreement, the Revolving Note and any other Related Document, or (ii) all interest and other amounts payable to the Bank or such Participant Bank pursuant to the terms of this Agreement, the Revolving Note or any other Related Documents will be effectively connected with the conduct by the Bank or such Participant Bank of a trade or business within the United States. If any Taxes are so levied or imposed, MICLA agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, on demand the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under the Fee Letter, under the Revolving Note or under any Related Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein, in the Fee Letter, in the Revolving Note or in such Related Document. MICLA will deliver to the Bank within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts evidencing such payment by MICLA. To the extent permitted by law, MICLA will indemnify and hold harmless the Bank or such Participant Bank and reimburse the Bank upon written request, from Additional Rental paid by the City under the Sublease, for the amount of any Taxes so levied or imposed and paid by the Bank or such Participant Bank.

(c) Unless otherwise provided herein, amounts not paid when due shall bear interest at the Default Rate and shall be payable upon demand of the Bank.

(d) Payments under this Agreement and/or the Fee Letter shall be made to the Bank by wire transfer of immediately available funds as follows: (i) with respect to fees, the wire instructions are U.S. Bank, NA, Government Banking WIP account, Routing: 042000013, Account: 2519956 2160600, Reference: City of Los Angeles – 71/6517516085, and (ii) with respect to any other amounts, the wire instructions are [_____], or such other account as the Bank may designate from time to time in writing.

Section 2.10. Extension of Stated Expiration Date; Reduction in Stated Amount.

(a) *Extension of Stated Expiration Date.* On the 2025 Extension Date, the Stated Expiration Date shall be June 30, 2028; *provided* that such date shall be subject to extension at any time following the then scheduled Stated Expiration Date, as set forth below and in the Letter of Credit. At least 90 days but not more than 180 days prior to the Stated Expiration Date, MICLA and the City may request in writing that the Bank extend the Stated Expiration Date for an additional term of one year or such other period as the parties may agree by delivery to the Bank of a Request for Extension. Within 30 days of the date of any such Request for Extension, the Bank will notify MICLA and the City in writing of the decision by the Bank in its absolute discretion whether to extend for such additional period, the Stated Expiration Date for purposes of this Agreement and the Letter of Credit, including in such notice the extended Stated Expiration Date and the conditions of such consent (including conditions relating to legal documentation and the consent of the Issuing and Paying Agent). If the Bank does so agree to extend, the Bank shall deliver an executed Notice of Extension to the Issuing and Paying Agent. If the Bank shall not so notify MICLA, the Bank shall be deemed to have denied any such extension.

(b) *Decrease in Stated Amount.* MICLA and the City may elect to decrease the Stated Amount of the Letter of Credit from time to time prior to the Stated Expiration Date by delivery of a Request for Decrease in Stated Amount to the Bank, upon receipt of which the Bank will notify the Issuing and Paying Agent by means of a notice in the form attached to the Letter of Credit as Annex E, thereby decreasing the Stated Amount, all as set forth in the Letter of Credit. Upon such decrease, the Stated Amount of the Letter of Credit shall not be less than the sum of (i) the face value of all discount Commercial Paper Notes and (ii) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof.

Section 2.11. Evidence of Debt; Revolving Note. The Bank shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of MICLA resulting from each Drawing under the Letter of Credit and from each Advance and Term Loan made from time to time hereunder and the amounts of principal and interest payable and paid from time to time hereunder. In any legal action or proceeding in respect of this Agreement, the entries made in such accounts shall be prima facie evidence of the existence and amounts of the obligations of MICLA therein recorded. To evidence the indebtedness of MICLA due and owing to the Bank under this Agreement with respect to amounts drawn under the Letter of Credit, MICLA will issue the Revolving Note, substantially in the form of Exhibit B attached hereto, to the Bank on the Date of Issuance. The Bank shall note on the grid attached to the Revolving Note principal amounts owing to the Bank, and the maturity schedule therefor pursuant to Sections 2.5 and 2.6 respecting

outstanding Advances and Term Loans with interest until payment in full pursuant to the terms of the Revolving Note.

Section 2.12. Obligations Absolute. The obligations of MICLA under this Agreement and the Fee Letter shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms thereof, under all circumstances whatsoever, including without limitation the following circumstances:

- (a) any lack of validity or enforceability of any of the Related Documents;
- (b) any amendment to, waiver of or consent to departure from any provision of, this Agreement or any of the Related Documents;
- (c) the existence of any claim, set-off, defense or other right which MICLA or the City may have at any time against the Trustee, the Issuing and Paying Agent, any Dealer, the Bank (other than the defense of the payment to the Bank in accordance with the terms of this Agreement), any beneficiary or any transferee of the Letter of Credit (or any person or entity for whom any such beneficiary or any such transferee may be acting) or any other Person, whether in connection with this Agreement, any Related Document or any unrelated transaction;
- (d) any demand, statement or any other document presented under the Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;
- (e) any non-application or misapplication by the Issuing and Paying Agent of the proceeds of any drawing under the Letter of Credit;
- (f) payment by the Bank under the Letter of Credit to the person entitled thereto against presentation of a draft or certificate which does not comply strictly with the terms of the Letter of Credit; or
- (g) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing.

Nothing contained in this Section 2.12 shall operate to prevent MICLA or the City from bringing a cause of action against the Bank for any liability it may incur as a result of the Bank's gross negligence or willful misconduct as and to the extent provided in Section 8.5 hereof.

Notwithstanding the foregoing, the obligations of MICLA under this Agreement are a special obligation of MICLA payable solely from the Pledged Property. To the extent the City pays any obligation of MICLA under this Agreement, such payment shall be deemed to be payment by MICLA of such obligation.

Section 2.13. Termination; Acceptance of Alternate Credit Facility. MICLA may terminate the Letter of Credit prior to the Stated Expiration Date by (i) (A) delivering to the Issuing

and Paying Agent an Alternate Credit Facility in substitution for the Letter of Credit in accordance with the terms and conditions of Trust Agreement and causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex C to the Letter of Credit or (B) -causing the Issuing and Paying Agent to deliver written notice to the Bank in the form of Annex D to the Letter of Credit in accordance with the terms and conditions of Trust Agreement, as applicable; and (ii) delivering written notice to the Bank not less than thirty (30) days prior to the substitution date or termination date, as applicable. On or prior the date, if any, on which an Alternate Credit Facility is substituted for the Letter of Credit, MICLA hereby agrees to pay, or cause to be paid, to the Bank all unpaid Obligations including, without limitation, any Advance or Term Loan and all amounts owing on the Revolving Note, at or prior to the time of such termination. Notwithstanding the foregoing, MICLA shall have no obligation to provide the written notice described in clause (ii) of this Section 2.13 if (x) the termination of the Letter of Credit shall occur within the thirty (30) days preceding the Stated Expiration Date or (y) if the Letter of Credit is terminated or replaced as a result of (1) a withdrawal, suspension or reduction of the Bank's senior unsecured short-term ratings below "P-1", "F1" or "A-1", respectively, by Moody's, Fitch or S&P, (2) the payment in full or refunding of the Commercial Paper Notes with long-term debt that does not require a letter of credit, liquidity facility or credit enhancement and is not a direct purchase by a bank or other financial institution or (3) the Bank having imposed increased costs upon MICLA and the City pursuant to Section 2.8 hereof.

Section 2.14. Pledge by MICLA. To provide security to the Bank for the payment by MICLA of the Obligations and any and all amounts now or hereafter owing to the Bank under this Agreement, the Revolving Note and the Fee Letter, MICLA has pledged to the Bank the Pledged Property pursuant to the Trust Agreement and as evidenced by the Assignment Agreement.

Section 2.15. Maximum Interest Rate; Payment of Fee. If the rate of interest payable hereunder shall exceed any maximum interest rate permitted by law for any period for which interest is payable, then (i) interest at such maximum interest rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) such maximum interest rate (the "*Excess Interest*"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed such maximum interest rate, at which time MICLA shall pay or cause to be paid to the Bank, with respect to amounts then payable to the Bank that are required to accrue interest hereunder, such portion of the deferred Excess Interest as will cause the rate of interest then paid to the Bank to equal such maximum interest rate, which payments of deferred Excess Interest shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest is fully paid to the Bank. Upon the termination of, this Agreement, in consideration for any limitation of the rate of interest which may otherwise be payable hereunder, MICLA shall pay or cause to be paid to the Bank a fee equal to the amount of all unpaid deferred Excess Interest (the "*Termination Fee*"); *provided* that the Termination Fee shall be payable as and to the extent that the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Components subject to the Sublease for such Base Rental Period exceeds the sum of all other Reimbursement Obligations remaining unpaid hereunder and the amount of interest accruing on the Commercial Paper Notes during such Base Rental Period. MICLA hereby represents and warrants that the obligations of MICLA under the

Revolving Note and all other Reimbursement Obligations hereunder are not subject to any limitation as to maximum interest rate.

Section 2.16. Adjustment of Base Rental Payments. (a) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, the City and MICLA shall increase the amount of the Base Rental Payments payable under the Sublease for the Property for each Base Rental Period to the available Maximum Base Rental for (and in any event only to the extent of the then fair rental value of) the Property for the Components subject to the Sublease for such Base Rental Period, as it may be re-determined in accordance with subsection (b) below.

(b) Following the Stated Expiration Date and for so long thereafter as any Reimbursement Obligations remain unpaid, unless the Sublease has terminated in accordance with its terms, the City and MICLA agree, at the Bank's sole written request, from time to time (but not more than once in any twelve month period), to determine or cause to be determined, the Maximum Base Rental for one or more Components for each Base Rental Period based on the then fair rental value for such Components for each Base Rental Period. Such determination shall be by any method that the Bank may reasonably request, subject to the reasonable approval of such method by the City, MICLA and bond counsel, including a Class C appraisal conducted by an employee of the City and shall be at the sole expense of the City and MICLA; *provided, however*, that in no event shall the newly determined Maximum Base Rental for one or more Components for each Base Rental Period cause bond counsel to advise that its opinion on the validity or enforceability of the Sublease may no longer be relied upon. In addition, the City and MICLA agree to extend the term of (i) the Site Lease in accordance with Section 4 thereof and (ii) the Sublease in accordance with Section 2.2 thereof, if, on the stated expiration thereof, any amounts remain owing to the Bank hereunder or under any of the other Related Documents.

Section 2.17. Electronic Transmissions. The Bank is authorized to accept and process any amendments, transfers, assignments of proceeds, instructions, consents, waivers and all documents relating to the Letter of Credit which are sent to the Bank by electronic means and such communication shall have the same legal effect as if written and shall be binding upon and enforceable against the City and/or MICLA. The Bank may, but shall not be obligated to, require authentication of such electronic transmission or that it receives original documents prior to acting on such electronic transmission; *provided, however*, that the presentation of draw certificates under the Letter of Credit will be governed by the Letter of Credit.

ARTICLE III

The obligation of the Bank to issue the Letter of Credit was subject to the fulfillment of the conditions precedent set forth in Section 3.1 of the Original Agreement on or before the Date of Issuance in form and substance and in a manner satisfactory to the Bank. The obligation of the Bank to issue the 2025 Notice of Extension is subject to the fulfillment of the following

conditions precedent on or before the 2025 Extension Date in form and substance and in a manner satisfactory to the Bank:

(a) The Bank shall have received:

(i) Certified copies of the resolutions of MICLA and the City approving this Agreement, the Fee Letter and the other matters contemplated hereby and thereby, and all other documents, including records of proceedings of MICLA and the City, instruments, governmental approvals, third party approvals and opinions as the Bank and its counsel may reasonably request evidencing any other necessary action.

(v) Certificates of MICLA and the City stating that (A) on the 2025 Extension Date, no event has occurred and is continuing, or would result from the issuance of the 2025 Notice of Extension, which constitutes an Event of Default or would constitute an Event of Default but for the requirement that notice be given or time elapse or both, and that (B) on the 2025 Extension Date and after giving effect to the issuance of the 2025 Notice of Extension, all representations and warranties of MICLA and the City contained herein or otherwise made in writing in connection herewith shall be true and correct in all material respects with the same force and effect as though such representations and warranties had been made on and as of such time.

(viii) Such other documents, certificates, opinions, approvals and filings with respect to the Related Documents and this Agreement as the Bank may reasonably request.

(b) All other legal matters pertaining to the execution and delivery of this Agreement and the 2025 Notice of Extension shall be reasonably satisfactory to the Bank and its counsel.

(c) MICLA shall have made payment to the Bank of all amounts due on the 2025 Extension Date under Section 8.6 hereof.

Upon issuance of the 2025 Notice of Extension by the Bank, all conditions precedent contained in this Section 3.1 shall be deemed to have been met or waived by the Bank.

Section 3.2. Conditions Precedent to Each Credit Event. As a condition precedent to the occurrence of each Credit Event hereunder, including the initial Credit Event, the following conditions shall be satisfied on the date of such Credit Event:

(a) no Event of Default shall have occurred and be continuing; and

(b) the representations and warranties made by MICLA and the City in Article IV hereof (other than in Sections 4.1(g) and 4.2(g) hereof) shall be true and correct in all material respects on and as of such date, as if made on and as of such date.

On the occurrence of each Credit Event, MICLA shall be deemed to have represented and warranted that the foregoing conditions precedent have been satisfied.

Section 3.3. Tier One Stop Issuance Instructions; Tier One Final Drawing Notice; Tier Two Termination Notice; New Tier Two Termination Notice. (a) Commercial Paper Notes may be issued from time to time prior to the Stated Expiration Date in accordance herewith and with the terms of and subject to the conditions set forth in the Trust Agreement and the Issuing and Paying Agent Agreement so long as (i) the Issuing and Paying Agent is not in receipt of a Tier One Stop Issuance Instruction then in effect given by the Bank pursuant to this Section 3.3 or Section 6.2 hereof and not rescinded and (ii) the Issuing and Paying Agent is not in receipt of a Tier One Final Drawing Notice in the form attached hereto as Exhibit E-2. Upon the Issuing and Paying Agent's receipt of a Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the one hundred twentieth (120th) day (or such earlier day as may be provided in Section 3.3(c) following the date of delivery of such Tier Two Termination Notice) (the "Tier Two Termination Date") and on the Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the Tier Two Termination Date. Upon the Issuing and Paying Agent's receipt of a New Tier Two Termination Notice given by the Bank pursuant to this Section 3.3 and not rescinded, no Commercial Paper Notes may be issued thereafter with a maturity later than the earlier of (i) the fifteenth (15th) day

following receipt of the New Tier Two Termination Notice or (ii) any existing Tier Two Termination Date (the earlier of such dates, the “New Tier Two Termination Date”). On the New Tier Two Termination Date, the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date.

(b) The Bank may deliver a Tier One Stop Issuance Instruction at any time when: (i) an Event of Default shall have occurred and be continuing; or (ii) the conditions precedent to the occurrence of a Credit Event set forth in Section 3.2 have not been satisfied. The Bank may deliver the Tier One Final Drawing Notice in the form of Exhibit E-2 at any time when an Event of Default shall have occurred and be continuing. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice shall be effective when received by the Issuing and Paying Agent; *provided, however*, that a Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. A Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice in writing shall not render such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice ineffective. The Bank will furnish a copy of any Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice to MICLA, the City and the Dealer(s) promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier One Stop Issuance Instruction or the Tier One Final Drawing Notice.

(c) The Bank may deliver a Tier Two Termination Notice in the form of Exhibit F hereto at any time when it has been determined by the Bank in its sole and absolute discretion that the Bank is unable to comply with any of the Specified City Provisions as a result of (i) any change in the Bank’s policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions after the 2025 Extension Date. A Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) shall be effective when received by the Issuing and Paying Agent; *provided, however*, that a Tier Two Termination Notice (or New Tier Two Termination Notice, as applicable) received by the Issuing and Paying Agent after 8:00 A.M. Los Angeles time (11:00 A.M. New York City time), on any day on which Commercial Paper Notes are being issued shall be effective on the next succeeding day. Notwithstanding the foregoing, in the event any monetary or civil penalties are imposed on the Bank as a result of its inability to comply with one or more provisions of the Specified City Provisions as a result of (i) any change in the Bank’s policies after the 2025 Extension Date or (ii) any adopted or enacted changes, additions, amendments or modifications to the Specified City Provisions, as applicable, after the 2025 Extension Date, then upon the Bank’s delivery of a New Tier Two Termination Notice in the form of Exhibit G hereto setting forth a New Tier Two Termination Date (which may be sooner than the original Tier Two Termination Date, but in any event not sooner than the earliest to occur of (a) the 15th day following the Issuing and Paying Agent’s receipt of the New Tier Two Termination Notice, or (b) the original Tier Two Termination Date), the Issuing and Paying Agent shall make the Final Drawing under the Letter of Credit on

such New Tier Two Termination Date to provide for the payment of Commercial Paper Notes issued in accordance with the Trust Agreement and the Issuing and Paying Agent Agreement which are outstanding and are maturing on or after the New Tier Two Termination Date. A Tier Two Termination Notice or New Tier Two Termination Notice may be given by facsimile or electronic mail transmission, confirmed in writing within twenty-four (24) hours, but the failure to so confirm such Tier Two Termination Notice or New Tier Two Termination Notice in writing shall not render any such notice ineffective. The Bank will furnish a copy of any Tier Two Termination Notice or New Tier Two Termination Notice to MICLA, the City and the Dealer promptly following delivery thereof to the Issuing and Paying Agent, but the failure to furnish any such copy shall not render ineffective such Tier Two Termination Notice or New Tier Two Termination Notice. Notwithstanding any provisions of this paragraph to the contrary, in the event (1) MICLA and the City provides a waiver or exemption to the Bank which states that the Bank (x) is not required to comply with the Specified City Provisions, as applicable, (y) is not in violation of the Specified City Provisions, as applicable and/or (z) is not required to satisfy any monetary or civil penalties imposed on the Bank related to the Specified City Provisions, as applicable, and (2) the Bank receives a City Attorney's opinion or other opinion of counsel satisfactory to the Bank confirming the foregoing, the Bank shall immediately rescind the Tier Two Termination Notice or New Tier Two Termination Notice, as applicable, and such Tier Two Termination Notice or New Tier Two Termination Notice shall no longer be effective.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES

Section 4.1. City Representations and Warranties. The City represents and warrants that, as of the date on which this Agreement is executed and as may be required by Section 3.2 hereof, as applicable:

(a) *Existence.* The City is validly existing as a municipal corporation organized and existing under its charter and the laws of the State, with full right and power to own its properties and to carry on its affairs as now being conducted and to execute, deliver and perform its obligations under this Agreement and each other Related Document to which it is a party.

(b) *Authorization; Contravention.* The execution, delivery and performance by the City of this Agreement and the other Related Documents to which it is a party (i) are within the City's powers, (ii) have been duly authorized by all necessary action and require no further consent or action by or in respect of, or filing with, any governmental body, agency, official or other Person, in each case required as of the date this representation is made and (iii) do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, writ, determination, award, decree or material instrument binding upon the City or by which the City or its properties may be bound or affected, or result in the creation or imposition of any lien or encumbrance on any asset of the City (other than pursuant to such enumerated documents). The City is not a party to, or otherwise subject to, any provision contained in any instrument evidencing indebtedness of the City, any

agreement relating thereto, or any other contract or agreement (including its charter) that limits the amount of, or otherwise imposes restrictions on, the incurring of obligations of the City that would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(c) *Binding Effect.* Assuming due execution by the other parties thereto, this Agreement and the other Related Documents to which the City is a party each constitutes a valid, binding and enforceable agreement of the City, subject to bankruptcy, insolvency, moratorium and other applicable laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity) and to the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against municipal corporations in the State.

(d) *No Default.* It is not, in any material respect, in breach of or default under (i) its organizational documents, or any applicable law or administrative regulation of the State or of the United States, relating, in each case, to the transactions contemplated hereby or by the other Related Documents, or (ii) any applicable judgment, decree, loan agreement, note, resolution, ordinance or other material agreement to which it is a party or is otherwise subject, in a manner that could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party, (y) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City or (z) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party. Late delivery of financial statements or other reporting documentation shall not be deemed material for purposes of this Section.

(e) *Litigation.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no action, suit or proceeding pending with service of process having been properly accomplished against, or to the knowledge of the City, threatened against or affecting, the City before any court or arbitrator or any governmental body, agency or official (i) seeking to restrain or enjoin the issuance, sale, execution or delivery of the Commercial Paper Notes or in any way contesting or affecting the validity of the Commercial Paper Notes or (ii) in which there is a reasonable possibility of an adverse decision which could reasonably be expected to (x) materially and adversely affect the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party, (y) cause a material adverse effect upon the enforceability against the City or validity of this Agreement or any other Related Document to which the City is a party or (iii) cause a material adverse change in, or a material adverse effect upon, the operations, liabilities (actual or contingent) or financial condition, in each case, of the general fund of the City.

(f) *No Sovereign Immunity.* The City does not enjoy any rights of immunity on the grounds of sovereign immunity in respect of its obligations hereunder or under any other Related Document to which it is a party or by which it is bound.

(g) *Incorporation of Representations and Warranties by Reference.* As of the 2025 Extension Date, the City hereby makes to the Bank the same representations and warranties made by the City as are set forth in the Related Documents (other than this Agreement) to which it is a party, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. No amendment to such representations and warranties or defined terms made pursuant to the Related Documents (other than this Agreement) to which it is a party shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the consent of the Bank.

(h) *No Proposed Legal Changes.* To the knowledge of the City Administrative Officer, there is no amendment, or no proposed amendment certified for placement on a statewide ballot, to the Constitution of the State of California or any published administrative interpretation of the Constitution of the State of California or any State of California law, or any legislation that has passed either house of the State legislature, or any published judicial decision interpreting any of the foregoing, the effect of which is to materially adversely affect (i) the execution and delivery of this Agreement or the other Related Documents to which the City is a party, or (ii) the performance by the City of its obligations under this Agreement or the other Related Documents to which the City is a party.

(i) *Offering Memorandum.* The information contained in the Offering Memorandum under the caption “CITY OF LOS ANGELES” does not contain any untrue statement of any material fact.

(j) *Title to Property; Sublease.* The City has good and marketable fee simple title to all of the Components, subject only to Permitted Encumbrances. The Sublease is in full force and effect. The City, as lessee under the Sublease, is in peaceable possession of the Property. No waiver, indulgence or postponement of any of the City’s obligations under the Sublease has been granted by MICLA. There exists no event of default or event, occurrence, condition or act that, with the giving of notice, the lapse of time or the happening of any further event or condition, would become a default under the Sublease.

(k) *Disclosure.* Except as disclosed in writing to the Bank prior to the 2025 Extension Date, there is no fact known to the City, as of the date this representation is made, that would have a material adverse effect on (i) the ability of the City to perform its obligations hereunder or under the other Related Documents to which it is a party or (ii) the enforceability or validity of any of the Related Documents.

(l) *Financial Information.* The consolidated statement of financial position of the City as of the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, fairly present the financial condition of the City as at such date and the results of the operations of the City for the period ended on such date, all in accordance with GAAP consistently applied, and since the date of the ACFR of the City most recently delivered to the Bank pursuant to this Agreement, there has been no change in the business,

financial condition, results of operations, or prospects of the City which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party.

(m) *Legal Matters.* The City is in material compliance with all applicable laws, rules, regulations and orders of any governmental authority having jurisdiction over the City, non-compliance with which would materially and adversely affect the ability of the City to perform its obligations hereunder or under any other Related Documents to which it is a party. No part of the proceeds of Drawings under the Letter of Credit will be used to violate Sanctions.

(n) *Essentiality.* The Property is an essential asset of the City necessary for the operations of the City and/or to serve the needs of the residents of the City. The City believes that at all times while any Rental Payments or any obligation of the City under the Related Documents remains unpaid, the Property will remain an essential asset of the City.

(o) *Fair Rental Value.* The total Rental Payments for the Property do not exceed the fair rental value of the Property. In making such determination of fair rental value, consideration has been given to the uses and purposes which may be served by the Property and the benefits therefrom which will accrue to the City and the general public.

(p) *Anti-Terrorism Laws.*

(i) To the knowledge of the City, the City is not in violation of any Laws relating to terrorism or money laundering (“*Anti-Terrorism Laws*”), including Executive Order No. 13224 on Terrorist Financing, effective September 24, 2001 (the “*Executive Order*”), and the Patriot Act;

(e) *Dealer.* MICLA and the City will at all times have one or more Dealers reasonably acceptable to the Bank performing the duties thereof contemplated by the Trust Agreement and the Dealer Agreements.

(f) *Outstanding Commercial Paper Notes Plus All Interest to Accrue Thereon Not to Exceed Stated Amount; No Issuance after Receipt of Tier One Stop Issuance Instruction or Tier One Final Drawing Notice.* (i) MICLA will instruct the Issuing and Paying Agent not to authenticate or deliver any Commercial Paper Note if, immediately after the authentication and delivery of, and receipt of payment for, such Commercial Paper Note, the sum of (x) the face value of all discount Commercial Paper Notes and (y) the principal amount of all outstanding non-discount Commercial Paper Notes plus all interest to accrue on such non-discount Commercial Paper Notes to the maturity date thereof, would exceed the Stated Amount.

(ii) MICLA will not instruct the Issuing and Paying Agent to authenticate or deliver any Commercial Paper Note if (x) the Issuing and Paying Agent has received a Tier One Stop Issuance Instruction, unless and until such Tier One Stop Issuance Instruction is rescinded, or (y) the Issuing and Paying Agent has received a Tier One Final Drawing Notice.

(i) *Other Obligations.* MICLA and the City will each comply with and observe all other material obligations and requirements set forth in the Trust Agreement and each other Related Document to which it is a party (including without limitation all provisions therein for the benefit of the Bank) and in all laws, statutes and regulations binding upon it, noncompliance with which would materially adversely affect MICLA's or the City's ability to perform its respective obligations under the Commercial Paper Notes, this Agreement, the Fee Letter or any of the other Related Documents.

(j) *Litigation; Material Change.* MICLA and the City shall promptly notify the Bank of (i) the existence and status of any litigation which individually or in the aggregate could, in the event of an unfavorable outcome, or (ii) the occurrence of any other event or change which could have a material adverse effect on (A) the ability of MICLA or the City to perform their respective obligations hereunder or under the other Related Documents or (B) the enforceability or validity of the Trust Agreement or any of the other Related Documents.

The City and MICLA covenant (i) to keep the Components and all parts thereof free from judgments, and materialmen's and mechanics' liens, claims, demands, encumbrances, liabilities and other liens of whatever nature or character, which, in each case, might hamper the City in utilizing the Components; and (ii) promptly, upon request of the Bank, to take such action from time to time as may be reasonably necessary or proper to remedy or cure any cloud upon or defect in the title to the Components or any part thereof, whether now existing or hereafter developing, to prosecute all actions, suits, or other proceedings as may be reasonably appropriate for such purpose.

(o) *City and MICLA to Maintain Existence.* MICLA agrees that it will maintain its existence as a California nonprofit public benefit corporation. The City agrees that it will maintain its existence as a municipal corporation under its charter and the laws of the State.

(q) *No Impairment.* The City and MICLA will not take any action, or cause or permit the Trustee or the Issuing and Paying Agent to take any action, under the Trust Agreement, the Sublease or any other Related Document inconsistent with the rights and remedies of the Bank under this Agreement.

(r) *Lease Payments.* The City and MICLA will not issue or authorize the issuance of any obligation payable from the Rental Payments (as defined in the Sublease) due under the Sublease other than the Notes.

(s) *References to the Bank.* The City and MICLA will not include in any official statement, offering memorandum, or private placement memorandum any information concerning the Bank (other than identifying the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property) that is not supplied in writing, or otherwise consented to in writing, by the Bank expressly for inclusion therein, or make any changes in reference to the Bank in any revision of the Offering Memorandum without the Bank's prior written consent thereto, which consent shall not be unreasonably withheld or delayed; *provided* that, without the prior written consent of the Bank, the City and MICLA may identify the Bank as the issuer of the Letter of Credit and a party to this Agreement, the Stated Amount of the Letter of Credit, the expiration date of the Letter of Credit and that the City's and MICLA's obligations under this Agreement and the Fee Letter are secured by Pledged Property, in other disclosure documents of the City or MICLA, so long as no other information relating to this Agreement, the Fee Letter or the Bank is disclosed in such offering documents without the prior written consent of the Bank.

(t) *Title Insurance.* The City and MICLA shall, during the term of the Sublease (including any extension of the initial term thereof), cause each of the Components to be covered by a CLTA leasehold policy (10-21-87) of title insurance insuring the Trustee and naming the Bank as an additional insured as its interests may appear, in an amount not less than the aggregate principal amount of the Funding Commitments (as defined in the Trust Agreement), subject only to such exceptions as shall be acceptable to the Bank, with such endorsements and affirmative coverages as may be reasonably required by the Bank (with timely notice), including endorsements regarding zoning and access to public roads, and otherwise in form and substance satisfactory to the Bank and its counsel and issued by an insurance company acceptable to the Bank and its counsel and authorized to issue such insurance in the State of California.

(v) *Covenants and Legal Duties.* Subject to Section 3.1(g) of the Sublease, the City agrees to include all Minimum Required Rental Payments and Additional Rental due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all such Minimum Required Rental Payments and Additional Rental, and for all Minimum Supplemental Rental Payments, if any, subject to Section 3.5 of the Sublease. The covenants on the part of the City herein contained and in the Sublease shall be deemed to be and shall be construed to be duties imposed by law, and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance, of the official duty of such officials to enable the City to carry out and perform such covenants and agreements.

No such collateral assignment shall release the Bank from its obligations hereunder or under the Letter of Credit.

Section 8.16. Regulatory Matters. The transactions described in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit are arm's length, commercial transactions among the City, MICLA and the Bank in which: (i) the Bank is acting solely as a principal (i.e., as a lender) and for its own interest; (ii) the Bank is not acting as a municipal advisor or financial advisor to, or providing advice to, the City or MICLA; (iii) the Bank has no fiduciary duty pursuant to Section 15B of the Securities Exchange Act of 1934, as amended, and the related final rules (the "*Municipal Advisor Rules*"), to the City or MICLA with respect to this transaction and the discussions, undertakings and procedures leading thereto (irrespective of whether the Bank or any of its affiliates has provided other services or is currently providing other services to the City or MICLA on other matters); (iv) the Bank is relying on the bank exemption in the Municipal Advisor Rules; (v) the only contractual obligations the Bank has to the City and MICLA with respect to this transaction are set forth in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit; and (vi) the Bank is not recommending that the City or MICLA take an action with respect to the transactions described in this Agreement, the Bank Note, the Fee Letter and the Letter of Credit, and before taking any action with respect to these transactions, the City and MICLA should discuss the information contained herein with their own respective legal, accounting, tax, financial and other advisors, as the City or MICLA deems appropriate.

Section 8.17. Electronic Signatures. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or "printouts," if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually-signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an e-mail message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

Section 8.18. Redaction. Each of MICLA and the City agree that it shall not post this Agreement or any amendment hereto on EMMA or any other website until the Bank or its counsel has provided redacted versions of this Agreement or such amendment, as applicable; provided,

however, that this covenant shall not apply to the posting or filing of this Agreement or any amendment hereto as part of MICLA's or the City's proceedings approving the execution and delivery of this Agreement or any amendment hereto.

Section 8.19. Amendment and Restatement. This Agreement amends and restates in its entirety the Original Agreement and from and after the 2025 Extension Date all references made to the Original Agreement in any document or in any other instrument or document shall without more, be deemed to refer to this Agreement. This Agreement shall become effective and supersede all provisions of the Original Agreement upon the execution of this Agreement by each of the parties hereto and the fulfillment of all conditions precedent hereof but is not intended to be or operate as a novation or an accord and satisfaction of the Original Agreement or the indebtedness, obligations or liabilities of MICLA or the City evidenced or provided for under the Original Agreement. This Agreement does not extinguish the obligations outstanding under the Original Agreement or discharge or release the obligations or the lien or priority of any pledge or any other security therefor under the Original Agreement.

SECTION 10.8.3 OF THE LOS ANGELES ADMINISTRATIVE CODE

Section 10.8.3. Equal Employment Practices Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is \$1,000 or more shall contain the following provisions, which shall be designated as the **EQUAL EMPLOYMENT PRACTICES** provision of such contract:

A. During the performance of this Contract, the Contractor agrees and represents that it will provide Equal Employment Practices and the Contractor and each Subcontractor hereunder will ensure that in their Employment Practices persons are employed and employees are treated equally and without regard to, or because of, race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor agrees to post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor will, in all solicitations or advertisements for employees placed by, or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify in the specified format that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of the Contractor's records pertaining to employment and to employment practices by the awarding authority or the DAA for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City Contracts. Upon request, the Contractor shall provide evidence that the Contractor has or will comply therewith.

E. The failure of any Contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City Contracts. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has failed to comply with the Equal Employment Practices provisions of a City Contract, the Contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to, and retained by, the City of Los Angeles. In addition thereto, the failure to comply may be the basis for a determination by the Awarding Authority or the DAA that the said Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such a determination, the Contractor shall be disqualified from being awarded a Contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the DAA, and provide necessary forms and required language to the Awarding Authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this Contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish the contract compliance program.

I. Nothing contained in this Contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. By affixing its signature on a Contract that is subject to this article, the Contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with employment practices, including, but not limited to:

1. hiring practices;
2. apprenticeships where approved programs are functioning and other on-the-job training for non-apprenticeable occupations;
3. training and promotional opportunities; and
4. reasonable accommodations for persons with disabilities.

L. All Contractors subject to the provisions of this section shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City, and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Subcontracts shall follow the same thresholds specified in Section 10.8.1.1. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.

SECTION 10.8.4 OF THE LOS ANGELES ADMINISTRATIVE CODE

Section 10.8.4. Affirmative Action Program Provisions.

Every non-construction and construction Contract with, or on behalf of, the City of Los Angeles for which the consideration is \$25,000 or more shall contain the following provisions which shall be designated as the **AFFIRMATIVE ACTION PROGRAM** provisions of such Contract:

A. During the performance of a City Contract, the Contractor certifies and represents that the Contractor and each Subcontractor hereunder will adhere to an Affirmative Action Program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

1. This section applies to work or services performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The Contractor shall post a copy of Paragraph A., hereof, in conspicuous places at its place of business available to employees and applicants for employment.

B. The Contractor shall, in all solicitations or advertisements for employees placed, by or on behalf of, the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

C. At the request of the Awarding Authority or the DAA, the Contractor shall certify on an electronic or hard copy form to be supplied, that the Contractor has not discriminated in the performance of City Contracts against any employee or applicant for employment on the basis or because of race, color, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status or medical condition.

D. The Contractor shall permit access to, and may be required to provide certified copies of, all of its records pertaining to employment and to its employment practices by the Awarding Authority or the DAA for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City Contracts and, upon request, to provide evidence that it has or will comply therewith.

E. The failure of any Contractor to comply with the Affirmative Action Program provisions of City Contracts may be deemed to be a material breach of a City Contract. The failure shall only be established upon a finding to that effect by the Awarding Authority, on the basis of its own investigation or that of the DAA. No finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the Contractor.

F. Upon a finding duly made that the Contractor has breached the Affirmative Action Program provisions of a City Contract, the Contract may be forthwith cancelled, terminated or

suspended, in whole or in part, by the Awarding Authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, the breach may be the basis for a determination by the Awarding Authority or the Board of Public Works that the Contractor is a non-responsible bidder or proposer pursuant to the provisions of Section 10.40 of this Code. In the event of such determination, the Contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the Contractor shall establish and carry out a program in conformance with the provisions hereof.

G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the Contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City Contract, there may be deducted from the amount payable to the Contractor by the City of Los Angeles under the contract, a penalty of ten dollars for each person for each calendar day on which the person was discriminated against in violation of the provisions of a City Contract.

H. Notwithstanding any other provisions of a City Contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the DAA and provide to the Awarding Authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an Awarding Authority of the City to accomplish this contract compliance program.

J. Nothing contained in City Contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. By affixing its signature to a Contract that is subject to this article, the Contractor shall agree to adhere to the provisions in this article for the duration of the Contract. The Awarding Authority may also require Contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve or implement a qualifying Affirmative Action Program.

1. The Contractor certifies and agrees to immediately implement good faith effort measures to recruit and employ minority, women and other potential employees in a non-discriminatory manner including, but not limited to, the following actions as appropriate and available to the Contractor's field of work. The Contractor shall:

- (a) Recruit and make efforts to obtain employees through:
 - (i) Advertising employment opportunities in minority and other community news media or other publications.
 - (ii) Notifying minority, women and other community organizations of employment opportunities.
 - (iii) Maintaining contact with schools with diverse populations of students to notify them of employment opportunities.

(iv) Encouraging existing employees, including minorities and women, to refer their friends and relatives.

(vii) Maintaining a file of the names and addresses of each worker referred to the Contractor and what action was taken concerning the worker.

(viii) Notifying the appropriate Awarding Authority and the DAA in writing when a union, with whom the Contractor has a collective bargaining agreement, has failed to refer a minority, woman or other worker.

(b) Continually evaluate personnel practices to assure that hiring, upgrading, promotions, transfers, demotions and layoffs are made in a non-discriminatory manner so as to achieve and maintain a diverse work force.

(c) Utilize training programs and assist minority, women and other employees in locating, qualifying for and engaging in the training programs to enhance their skills and advancement.

(d) Secure cooperation or compliance from the labor referral agency to the Contractor's contractual Affirmative Action Program obligations.

(e) Establish a person at the management level of the Contractor to be the Equal Employment Practices officer. Such individual shall have the authority to disseminate and enforce the Contractor's Equal Employment and Affirmative Action Program policies.

(f) Maintain records as are necessary to determine compliance with Equal Employment Practices and Affirmative Action Program obligations and make the records available to City, State and Federal authorities upon request.

(g) Establish written company policies, rules and procedures which shall be encompassed in a company-wide Affirmative Action Program for all its operations and Contracts. The policies shall be provided to all employees, Subcontractors, vendors, unions and all others with whom the Contractor may become involved in fulfilling any of its Contracts.

(h) Document its good faith efforts to correct any deficiencies when problems are experienced by the Contractor in complying with its obligations pursuant to this article. The Contractor shall state:

(i) What steps were taken, how and on what date.

(ii) To whom those efforts were directed.

(iii) The responses received, from whom and when.

(iv) What other steps were taken or will be taken to comply and when.

(v) Why the Contractor has been or will be unable to comply.

2. Every contract of \$25,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall also comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.

L. The Affirmative Action Program required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Awarding Authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;

2. Classroom preparation for the job when not apprenticeable;

3. Pre-apprenticeship education and preparation;

4. Upgrading training and opportunities;

5. Encouraging the use of Contractors, Subcontractors and suppliers of all racial and ethnic groups; provided, however, that any contract subject to this ordinance shall require the Contractor, Subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the Contractor's, Subcontractor's or supplier's geographical area for such work;

6. The entry of qualified women, minority and all other journey-level persons into the industry; and

7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.

M. Any adjustments which may be made in the Contractor's work force to achieve the requirements of the City's Affirmative Action Program in purchasing and construction shall be accomplished by either an increase in the size of the work force or replacement of those employees who leave the work force by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.

N. This ordinance shall not confer upon the City of Los Angeles or any Agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by Contractors engaged in the performance of City Contracts.

O. All Contractors subject to the provisions of this article shall include a similar provision in all subcontracts awarded for work to be performed under the Contract with the City and shall impose the same obligations including, but not limited to, filing and reporting obligations, on the Subcontractors as are applicable to the Contractor. Failure of the Contractor to comply with this requirement or to obtain the compliance of its Subcontractors with all such obligations shall subject the Contractor to the imposition of any and all sanctions allowed by law, including, but not limited to, termination of the Contractor's Contract with the City.

Section 10.48. Purpose.

The City awards many contracts to private firms to provide services to the public and to City government. The City intends that the policies underlying this article serve to guide all of these expenditures of funds to the extent allowed by the law.

Studies show that the disclosure of a criminal conviction by job applicants on application forms often automatically excludes them from consideration of employment regardless of any relationship between the conduct underlying the conviction and the duties and responsibilities of the job, the length of time since the conduct occurred and the risk of the conduct reoccurring on the job. Automatic exclusion of persons with prior criminal convictions from consideration of employment prevents otherwise qualified applicants from obtaining employment and may result in employers hiring less qualified candidates, increases the risk of recidivism of persons so excluded from consideration and disparately impacts persons of certain races and national origin.

In 2013, the State Legislature passed and the Governor signed Assembly Bill No. 218, which amended the State's Labor Code to prevent the State and local governments from seeking disclosure of conviction history from employment applicants until the agency has determined the applicant meets the minimum employment qualifications. In April 2014, the City of Los Angeles implemented AB 218 by removing questions regarding criminal convictions from employment applications, reviewing a job applicant's criminal history only after a position eligibility list is prepared, and considering, among other things, the relationship between the conviction and the duties of the position.

In November 2015, the President of the United States announced that the federal government and federal contractors could not consider job applicants' criminal convictions in the initial stages of the employment process. Numerous other cities have similarly adopted regulations preventing inquiry into job applicants' criminal history until after it is determined they are qualified for the position.

This ordinance expands the rights afforded applicants for employment with the City's contractors and subcontractors. Specifically, such employers will be prohibited from inquiring into an employment applicant's criminal history unless and until a conditional offer of employment is made to the applicant. An employer that fails to comply with the requirements of this ordinance will be subject to, among other things, termination of its City contract.

Amended and Restated Fee Letter with US Bank

**AMENDED AND RESTATED FEE LETTER
DATED JUNE [], 2025**

Reference is hereby made to that certain (i) Amended and Restated Letter of Credit and Reimbursement Agreement, dated as of June [], 2025 (as the same may be amended, modified and supplemented from time to time, the “*Agreement*”), among the Municipal Improvement Corporation of Los Angeles (“*MICLA*”), the City of Los Angeles (the “*City*”) and U.S. Bank National Association (the “*Bank*”), relating to MICLA’s Lease Revenue Commercial Paper Notes (Los Angeles Convention Center), Tax-Exempt Series A-1 and Taxable Series B-1 (collectively, the “*Commercial Paper Notes*”), (ii) Irrevocable Letter of Credit No. SLCPDX08522 dated June 14, 2022, as extended by that certain notice of extension of letter of credit expiration date dated June [], 2025 (as the same may be amended, modified and supplemented from time to time, the “*Letter of Credit*”), issued by the Bank pursuant to the Agreement to support the Commercial Paper Notes, and (iii) Fee Letter dated June 14, 2022 (the “*Existing Fee Letter*”), among MICLA, the City, and the Bank. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Agreement.

MICLA and the City have requested that the Bank make certain modifications to the Existing Fee Letter and, for the sake of clarity and convenience, MICLA, the City and the Bank wish to amend and restate the Existing Fee Letter in its entirety, and this Amended and Restated Fee Letter (this “*Fee Letter*”) amends and restates the Existing Fee Letter in its entirety. MICLA and the City each acknowledge and agree that all fees previously paid to the Bank under the Existing Fee Letter were fully earned and nonrefundable. The purpose of this Fee Letter is to confirm the agreement among the Bank, MICLA and the City with respect to, among other things, the Applicable Letter of Credit Fees (as defined below) and certain other fees payable to the Bank. This Fee Letter is the Fee Letter referenced in the Agreement. This Fee Letter and the Agreement are to be construed as one agreement among the Bank, MICLA and the City, and all obligations hereunder are to be construed as obligations thereunder. All references to amounts due and payable under the Agreement will be deemed to include all amounts, fees and expenses payable under this Fee Letter.

ARTICLE I. FEES AND OTHER AGREEMENTS.

Section 1.1. Commitment Fees. MICLA hereby agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, quarterly in arrears on each Quarterly Payment Date occurring prior to the Letter of Credit Termination Date, and on the Letter of Credit Termination Date, a non-refundable letter of credit fee (the “*Applicable Letter of Credit Fee*”), for each fee period, commencing on the first day of such quarterly period (or, in the case of the first fee period, the date on which the Letter of Credit is issued), in an amount equal to the product of the rate per annum (with “bps” referring to basis points) corresponding to the Level specified below associated with the applicable Rating (as defined below) as specified below (the “*Applicable Letter of Credit Fee Rate*”) multiplied by the Stated Amount (without regard to any temporary reductions thereof), in each case, for each day during each related fee period:

(i) for the period commencing on June 14, 2022, to but excluding June [], 2025, the Applicable Letter of Credit Fee Rate for such period shall be determined in accordance with the pricing matrix set forth in the Existing Fee Letter.

(ii) for the period commencing on June [], 2025, and at all times thereafter, the Applicable Letter of Credit Fee Rate for such period shall be determined in accordance with the pricing matrix set forth below:

LEVEL	S&P/FITCH/KROLL RATING	MOODY'S RATING	APPLICABLE LETTER OF CREDIT FEE RATE
Level 1	A+ or above	A1 or above	35.0 bps
Level 2	A	A2	50.0 bps
Level 3	A-	A3	70.0 bps
Level 4	BBB+	Baa1	90.0 bps
Level 5	BBB	Baa2	115.0 bps
Level 6	BBB-	Baa3	140.0 bps
Level 7	Below BBB-	Below Baa3	240.0 bps

In the event that any Rating is suspended or withdrawn by any Rating Agency for credit related reasons or the City ceases to maintain at least two Ratings, the Applicable Letter of Credit Fee Rate then in effect shall immediately be increased by an additional one hundred (100) basis points per annum. If at any time an Event of Default other than an Event of Default of the type described in Section 6.1(l) of the Agreement shall have occurred and be continuing under the Agreement, the Applicable Letter of Credit Fee Rate then in effect shall immediately be increased, without notice to MICLA or the City, by an additional one hundred (100) basis points per annum for so long as such Event of Default is continuing. The term “Rating” as used above shall mean the long-term ratings assigned by any of Fitch, Kroll, Moody’s and S&P to the City’s unenhanced Lease Obligation Debt (provided that if a Rating Agency has assigned more than one long-term rating to the City’s unenhanced Lease Obligation Debt and such ratings differ, the term “Rating” in such instance shall refer to the [higher or highest such rating]/[lower or lowest such rating; *provided, further*, that with respect to the Municipal Improvement Corporation of Los Angeles Lease Revenue Refunding Bonds, Series 2018-C (Real Property – Taxable) and any other future unenhanced Lease Obligation Debt that may be notched lower than the City’s other unenhanced Lease Obligation Debt due to such Rating Agency’s lease asset criteria, then the rating of such Rating Agency applicable thereto shall be disregarded for purposes of this Fee Letter]), and (i) if Ratings are in effect from four Rating Agencies and such Ratings are not equivalent, the Letter of Credit Fee Rate shall be based upon the Level in which the second lowest Rating appears and (ii) if Ratings are in effect from three or less Rating Agencies, the Letter of Credit Fee Rate shall be based upon the Level in which the lowest Rating appears. For the avoidance of doubt, Level 1 of the pricing matrix set forth above contains the highest Ratings and Level 7 of the pricing matrix set forth above contains the lowest Ratings. Any change in the Applicable Letter of Credit Fee Rate resulting from a change in any Rating shall be and become effective as of and on the date of the announcement of the change in such Rating. References to

ratings above are references to rating categories as presently determined by the rating agencies and in the event of adoption of any new or changed rating system or a “global” rating scale by any such Rating Agency, each of the Ratings from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. MICLA acknowledges, and the Bank agrees that, as of June [], 2025, the Applicable Letter of Credit Fee Rate is that specified above for Level 1. The Applicable Letter of Credit Fees shall be payable quarterly in arrears, together with interest thereon, from the date payment is due until payment in full at the Default Rate. The Applicable Letter of Credit Fees shall be payable in immediately available funds and computed on the basis of a year of 360 days and days actually elapsed. As long as the Letter of Credit has not terminated, MICLA covenants and agrees to cause the City to maintain at least two Ratings.

Section 1.2. Draw Fees. MICLA hereby agrees to pay or cause to be paid to the Bank, from Additional Rental paid by the City under the Sublease, quarterly in arrears on each Quarterly Payment Date occurring prior to the Letter of Credit Termination Date, and on the Letter of Credit Termination Date, a non-refundable fee of \$250 for each Drawing under the Letter of Credit during such quarterly period; *provided, however*, that MICLA shall not be required to pay more than \$2,500 in draw fees during any calendar year.

Section 1.3. Amendment and Transfer Fee. MICLA agrees to pay, or cause to be paid, to the Bank, from Additional Rental paid by the City under the Sublease, on the date of each amendment or modification of the Agreement, this Fee Letter or Letter of Credit, a fee of \$[2,500], plus the reasonable fees and expenses of counsel to the Bank; *provided, however*, that no amendment fee shall be due in connection with an extension of the Stated Expiration Date. Upon each transfer of the Letter of Credit in accordance with its terms or the appointment of a successor Issuing and Paying Agent under the Issuing and Paying Agent Agreement, MICLA agrees to pay the Bank a non-refundable transfer fee in an amount equal to \$[2,500], and to reimburse the Bank for its actual costs and expenses associated with such transfer or appointment (including, without limitation, the reasonable fees and expenses of counsel to the Bank), payable on the date of such transfer or appointment.

Section 1.4. Notice of Termination and Decrease. MICLA and the City agree not to terminate or replace the Letter of Credit or decrease the Stated Amount of the Letter of Credit, except upon (i) in the case of replacement of the Letter of Credit, the payment by MICLA to the Bank of all Obligations payable under the Agreement and this Fee Letter and (ii) MICLA providing the Bank with prior written notice of its intent to terminate or replace the Letter of Credit as and to the extent required by Section 2.13 of the Agreement; *provided*, that any such termination of the Letter of Credit shall be in compliance with the terms and conditions of the Trust Agreement and the Agreement; *provided, further*, that no termination fee or reduction fee shall become payable in connection with the termination or replacement of the Letter of Credit or any decrease in the Stated Amount of the Letter of Credit.

ARTICLE II. MISCELLANEOUS.

Section 2.1. Out-of-Pocket Expenses. MICLA shall pay, or cause to be paid, on the Closing Date the fees and disbursements of Chapman and Cutler LLP, special counsel to the Bank in an amount not to exceed \$12,500, in connection with the negotiation, preparation and execution of this Agreement and the other documents described herein.

Section 2.2. Amendments. No amendment to this Fee Letter shall become effective without the prior written consent of MICLA, the City and the Bank.

Section 2.3. Governing Law. THIS FEE LETTER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA.

Section 2.4. Counterparts. This Fee Letter may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument; and any of the parties hereto may execute this Fee Letter by signing any such counterpart. This Fee Letter may be delivered by the exchange of signed signature pages by facsimile transmission or by attaching a pdf copy to an email, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 2.5. Severability. Any provision of this Fee Letter which is prohibited, unenforceable or not authorized in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 2.6. No Disclosure. Unless required by law, rule, regulation or administrative or judicial process neither MICLA nor the City shall deliver or permit, authorize or consent to the delivery of this Fee Letter to any Person for delivery to the Municipal Securities Rulemaking Board unless the Bank provides its prior written consent.

Section 2.7. Amendment and Restatement. This Fee Letter amends and restates in its entirety the Existing Fee Letter but is not intended to be or operate as a novation or an accord and satisfaction of the Existing Fee Letter or the indebtedness, obligations and liabilities of MICLA or the City evidenced or provided for thereunder. This Fee Letter does not extinguish the obligations outstanding under the Existing Fee Letter or any other Related Document or discharge or release the obligations or the liens or priority of any pledge or any other security therefor. Reference to this specific Fee Letter need not be made in any agreement, document, instrument, letter or certificate, the Existing Fee Letter itself or any communication issued or made pursuant to or with respect to the Existing Fee Letter, any reference to the Existing Fee Letter being sufficient to refer to the Existing Fee Letter as amended and restated hereby, and more specifically, any and all references to the Fee Letter in the Agreement shall mean this Fee Letter.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK; SIGNATURE PAGES FOLLOW.]

IN WITNESS WHEREOF, the parties hereto have caused this Amended and Restated Fee Letter to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

Offering Memorandum

OFFERING MEMORANDUM DATED JUNE [], 2025

In the opinion of Nixon Peabody LLP, as Special Tax Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, compliance with certain covenants, interest on the Tax-Exempt Series A-1 Commercial Paper Notes (defined below) when issued from time to time in accordance with a Tax and Nonarbitrage Certificate (a "Tax Certificate"), is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Special Tax Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. Interest on the Taxable Series B-1 Commercial Paper Notes (defined below) is not excluded from gross income for federal income tax purposes. Special Tax Counsel is further of the opinion that interest on the Tax-Exempt Series A-1 Commercial Paper Notes and the Taxable Series B-1 Commercial Paper Notes is exempt from personal income taxes of the State of California ("State") under present State law. See "TAX MATTERS" herein.

Up to \$100,000,000
MUNICIPAL IMPROVEMENT CORPORATION OF LOS ANGELES
LEASE REVENUE COMMERCIAL PAPER NOTES
(LOS ANGELES CONVENTION CENTER),
TAX-EXEMPT SERIES A-1 AND TAXABLE SERIES B-1

This Offering Memorandum has been prepared for use by J.P. Morgan Securities LLC and Morgan Stanley & Co. LLC (collectively, the "Dealers" and each, a "Dealer") by the Municipal Improvement Corporation of Los Angeles (the "Corporation"), and contains certain information regarding the Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes (Los Angeles Convention Center), Tax-Exempt Series A-1 (the "Tax-Exempt Series A-1 Commercial Paper Notes") and Taxable Series B-1 (the "Taxable Series B-1 Commercial Paper Notes" and together with the Tax-Exempt Series A-1 Commercial Paper Notes, the "Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes").

*U.S. Bank National Association (the "Tax-Exempt Series A-1/Taxable Series B-1 Bank") will extend its irrevocable direct-pay letter of credit (as so extended and as it may be further amended from time to time, the "Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit") which may be drawn upon from time to time in respect of the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. Timely payment of the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes is dependent upon the availability of proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, and accordingly, this Offering Memorandum does not contain information relating to the ability of the City to make Base Rental (as defined herein) payments. **The investment decision to purchase the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes should be made solely on the basis of the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank, rather than the City.** Prospective investors should not rely on any source other than proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to pay the principal and actual interest accrued on Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. If, for any reason, the Tax-Exempt Series A-1/Taxable Series B-1 Bank fails to honor a properly presented and conforming drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes apart from the City's obligation to make Base Rental (as defined herein) payments as and when due, as more particularly described herein. The ratings assigned to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are based on the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. See "RATINGS" herein.*

General

The Municipal Improvement Corporation of Los Angeles (the “Corporation”) has entered into an Amended and Restated Trust Agreement, dated as of June 1, 2019 (as amended and supplemented from time to time, the “Trust Agreement”), with the City of Los Angeles (the “City”) and U.S. Bank Trust Company, National Association, as successor trustee (the “Trustee”), and has entered into an Amended and Restated Issuing and Paying Agent Agreement, dated as of June 1, 2019 (as amended and supplemented from time to time, the “Issuing and Paying Agent Agreement”), with the City and U.S. Bank Trust Company, National Association, as successor issuing and paying agent (the “Issuing and Paying Agent”), pursuant to which the Corporation is authorized to issue its Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes (Los Angeles Convention Center), Tax-Exempt Series A-1 (the “Tax-Exempt Series A-1 Commercial Paper Notes”) and its Municipal Improvement Corporation of Los Angeles Lease Revenue Commercial Paper Notes (Los Angeles Convention Center), Taxable Series B-1 (the “Taxable Series B-1 Commercial Paper Notes” and together with the Tax-Exempt Series A-1 Commercial Paper Notes, the “Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes”).

Pursuant to the Trust Agreement and the Issuing and Paying Agent Agreement, the Corporation may issue from time to time the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes in a maximum aggregate principal amount of \$100,000,000, and from time to time, any other Series or Subseries of Commercial Paper Notes designated under a Supplemental Trust Agreement (collectively with the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, the “Commercial Paper Notes”), for the purpose of providing moneys, among other things (i) to finance or refinance the costs of working capital and the acquisition, construction, development, financing and refinancing of improvements to the Convention Center available to or for the benefit of the public, the City or any one or more departments, commissions or agencies of the City, and includes, without limitation, such other costs, whether or not specified herein, as may be necessary or incidental to the acquisition, construction, development, financing or refinancing of such improvements to the Convention Center and any improvements thereto and the placing of the same in operation, and such other costs and expenses for changes, alterations and additions to such improvements to the Convention Center requested by the Corporation or the City, (ii) to pay Commercial Paper Notes (and interest thereon), directly or indirectly, issued pursuant to the provisions hereof, including without limitation, to fund capitalized interest on the Notes; and (iii) to pay costs incurred in connection with the issuance, sale and delivery of the Commercial Paper Notes from time to time, including without limitation to fund Capitalized Fees and Expenses.

Such other Series or Subseries of Commercial Paper Notes designated under a Supplemental Trust Agreement are not being sold pursuant to this Offering Memorandum.

Principal of and interest on the Commercial Paper Notes shall be payable at maturity in lawful money of the United States of America in immediately available funds at the designated corporate trust office of the Issuing and Paying Agent to the Owner (as defined below) thereof.

U.S. Bank National Association (the “Tax-Exempt Series A-1/Taxable Series B-1 Bank”) will extend its irrevocable direct-pay letter of credit (as so extended and as it may be further amended from time to time, the “Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit”) pursuant to the Amended and Restated Letter of Credit and Reimbursement Agreement, dated as of June [], 2025 (as so amended and restated and as it may be further amended and supplemented from time to time, the “Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement”), each among the Corporation, the City and the

Tax-Exempt Series A-1/Taxable Series B-1 Bank. The Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit may be drawn upon from time to time in respect of the principal and accrued interest on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes payable upon their maturity. Timely payment of the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes is dependent upon the availability of proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, and accordingly, this Offering Memorandum does not contain information relating to the ability of the City to make Base Rental (as defined herein) payments. **The investment decision to purchase the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes should be made solely on the basis of the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank, rather than the City.** Prospective investors should not rely on any source other than proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to pay the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. If, for any reason, the Tax-Exempt Series A-1/Taxable Series B-1 Bank fails to honor a properly presented and conforming drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes apart from the City's obligation to make Base Rental (as defined herein) payments as and when due, as more particularly described herein. The ratings assigned to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are based on the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. See "RATINGS" herein.

Principal of and interest on the Commercial Paper Notes are payable from the proceeds of Commercial Paper Notes issued to pay such principal and interest and are also payable from Base Rental Payments to be made by the City pursuant to an Amended and Restated Sublease, dated as of June 1, 2019 (as amended and supplemented from time to time, the "Sublease"), by and between the Corporation, as sublessor, and the City, as sublessee. See "SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES." The payment of principal of and interest on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes is further supported by the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit (defined below), the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit which is a Credit Facility (defined below) under the Trust Agreement. See "TAX-EXEMPT SERIES A-1/TAXABLE SERIES B-1 LETTER OF CREDIT." Any other Series or Subseries of Commercial Paper Notes designated under a Supplemental Trust Agreement will be supported by a separate irrevocable letter of credit, a line or lines of credit, a noncancellable insurance policy or other credit facility.

The Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are authorized in a maximum aggregate principal amount outstanding at any one time of up to \$100,000,000. Bank Remedies upon an Event of Default. If any Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement shall have occurred and be continuing, the Tax-Exempt Series A-1/Taxable Series B-1 Bank may, by notice to the Corporation and the Issuing and Paying Agent, (i) give notice of such Event of Default to the Issuing and Paying Agent (which notice shall constitute a Tier One Stop Issuance Instruction) the effect of which shall be to prohibit, until such time, if any, as the Tax-Exempt Series A-1/Taxable Series B-1 Bank shall withdraw (in writing) such Tier One Stop Issuance Instruction, the issuance of additional Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, reduce the Stated Amount of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to the principal amount of the then Outstanding Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes supported by the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit and interest payable thereon at maturity of such Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes and/or terminate and/or permanently reduce such Stated Amount as the then Outstanding Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are paid, (ii) issue the Tier One Final Drawing Notice (the effect of which shall be to cause the Letter of Credit Termination Date of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to occur on the fifteenth (15th) day after the date of receipt thereof by the Issuing and Paying Agent and to instruct the Issuing and Paying Agent to make the Final Drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to provide for the payment of Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes which are then outstanding and are maturing or are thereafter to mature), (iii) declare the Tax-Exempt Series A-1/Taxable Series B-1 Revolving Note, in whole or in part, all or some Advances and Term Loans, as well as any other Reimbursement Obligation, and all interest thereon to be a Default Advance under the Tax-Exempt

Series A-1/Taxable Series B-1 Reimbursement Agreement due and payable in the manner set forth in and subject to the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement, or (iv) take any other action permitted by equity or law. Notwithstanding anything to the contrary contained in the preceding sentence, upon the occurrence or existence of an Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement of the type described in paragraph (f) or (g) under the caption “TAX-EXEMPT SERIES A-1/TAXABLE SERIES B-1 LETTER OF CREDIT-The Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement-Events of Default” above, the remedies described in clause (iii) above shall occur immediately and automatically without notice or further action on the part of the Tax-Exempt Series A-1/Taxable Series B-1 Bank or any other person and the remedies described in clauses (i) and (ii) above shall occur by the giving of notice only to the Issuing and Paying Agent. Anything in the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement to the contrary notwithstanding, from and after the occurrence of an Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement, all Reimbursement Obligations shall bear interest at the Default Rate (as defined in the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement). Upon any action by the Tax-Exempt Series A-1/Taxable Series B-1 Bank as contemplated in the foregoing clauses (i) and (ii), the Stated Amount shall be permanently reduced upon, and by the amount of, each drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit following the occurrence of an Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement. Notwithstanding the foregoing, the occurrence of an Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement shall not affect the Tax-Exempt Series A-1/Taxable Series B-1 Bank’s obligations under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit with respect to Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement, and the Issuing and Paying Agent shall continue to have the right to draw under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to pay the principal of and accrued interest on maturing Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes that are outstanding at the time of the occurrence of such Event of Default under the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement. Nothing contained in the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement shall result in, or be construed to require, an acceleration of the payment of Base Rental pursuant to the Sublease. Nothing contained in the Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement shall abrogate the obligation of the Tax-Exempt Series A-1/Taxable Series B-1 Bank to honor properly presented and conforming Drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit prior to the termination of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit in accordance with its terms.

SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES

Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit

The principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are supported by amounts available under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit in the current stated amount of \$105,000,000. Upon extension of the Stated Expiration Date of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit on June [___], 2025, the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit will expire on June 30, 2028, or such later date to which the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit shall have been extended or such earlier date on which the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit shall have expired or terminated, unless the Corporation shall have arranged for an Alternate Credit Facility. The Tax-Exempt Series A-1/Taxable Series B-1 Bank is not obligated to extend the Stated Expiration Date of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit. See "TAX-EXEMPT SERIES A-1/TAXABLE SERIES B-1 LETTER OF CREDIT-The Tax-Exempt Series A-1/Taxable Series B-1 Reimbursement Agreement." See also "RISK FACTORS-Expiration of Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit."

The investment decision to purchase the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes should be made solely on the basis of the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank, rather than the City. Prospective investors should not rely on any source other than proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to pay the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. If, for any reason, the Tax-Exempt Series A-1/Taxable Series B-1 Bank fails to honor a properly presented and conforming drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes apart from the City's obligation to make Base Rental (as defined

herein) payments as and when due, as more particularly described herein. The ratings assigned to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are based on the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. See “RATINGS” herein.

Pledged Property; Assignment

Pursuant to the Trust Agreement, the Corporation has pledged and assigned to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, and has granted to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, a security interest in and lien on, all its right, title and interest in and to: (i) the Site Lease; (ii) the Sublease (except for its right to payment of expenses of the Corporation under the Sublease, its right to indemnification under the Sublease and its right to receive certain notices under the Sublease); (iii) the proceeds of any insurance, including the proceeds of any self-insurance covering loss relating to the Property; (iv) all amounts on hand from time to time in the funds and accounts established under the Trust Agreement (other than the Rebate Fund and the Commercial Paper Note Proceeds Subaccounts within the Payment Account); provided that the proceeds of the sale of a Subseries of Commercial Paper Notes on deposit in any such fund or account shall not secure any other Subseries of Commercial Paper Notes supported by a different Credit Facility and the proceeds of any drawing or payment under a Credit Facility for a Subseries shall not secure any other Subseries of Commercial Paper Notes supported by a different Credit Facility; and (v) any additional moneys or amounts that may from time to time, by delivery or by writing of any kind, be subjected to the lien of the Trust Agreement by the Corporation or by anyone on its behalf, subject only to the provisions of the Trust Agreement, the Site Lease and the Sublease (clauses (i), (ii), (iii), (iv) and (v) of this sentence, collectively, the “Pledged Property”).

The Corporation has covenanted and agreed in the Trust Agreement that Base Rental and proceeds of rental interruption insurance with respect to the Property (if any) received by the Issuing and Paying Agent, on behalf of the Trustee, shall be deposited in the Base Rental Account. All Pledged Property shall be accounted for and applied in accordance with the Trust Agreement, and the Corporation shall have no beneficial right or interest in any of the Pledged Property except as provided in the Trust Agreement. All Pledged Property, whether received by the Corporation in trust or deposited with the Trustee as provided in the Trust Agreement, shall nevertheless be allocated, applied and disbursed solely to the purposes and uses set forth therein, and shall be accounted for separately and apart from all other accounts, funds, moneys or other resources of the Corporation.

The Commercial Paper Notes are special limited obligations of the Corporation and principal thereof and interest thereon are payable solely from the Pledged Property available for such purpose and moneys drawn by the Issuing and Paying Agent under the applicable Credit Facility as provided in the Trust Agreement, and the Corporation is not obligated to pay such principal or interest except from the Pledged Property available for such purpose.

Sublease; Term

The City has leased certain parcels of land, together with the buildings and improvements located thereon, but excluding any appurtenant air rights, as more particularly described in the Sublease (collectively, the “Property”), to the Corporation pursuant to an Amended and Restated Site Lease, dated as of June 1, 2019 (as amended and supplemented from time to time, the “Site Lease”), by and between the City and the Corporation. The City has subleased the Property from the Corporation pursuant to the Sublease. The leasing and subleasing of the Property pursuant to the Site Lease and the Sublease were approved on June 14, 2019 pursuant to a lease ordinance passed by the City Council of the City on April 30, 2019 and published on May 15, 2019.

Subject to the next succeeding paragraph, with respect to each Component, the term of the Sublease with respect to such Component began on June 21, 2019 and will end on the earliest of: (a) the date set forth with respect to such Component in Appendix C attached hereto (and in the case of any Property which is added following June 21, 2019 or substituted for a Component pursuant to the provisions of the Sublease and of the Trust Agreement, the date set forth in the base rental payment schedule attached to the Sublease as an exhibit with respect to such additional or substituted Component), (b) the date all Base Rental related to such Component is paid in full, (c) the date of termination of the Sublease with respect to such Component due to casualty or condemnation in accordance with the terms of the Sublease, or (d) the date of release of such Component in accordance with the terms of the Sublease and of the Trust Agreement.

Notwithstanding anything to the contrary contained in the Sublease, including without limitation the provisions of the Sublease with respect to Rental Payments, if, at any time on or prior to the final maturity of all outstanding Commercial Paper Notes, there shall remain outstanding any obligations to any Bank under any of the Reimbursement Agreements, the term of the Sublease with respect to each Component subject to the Sublease at such time shall be extended until such date as all such obligations to the Banks have been satisfied; provided, however, in no event shall the term of the Sublease with respect to any Component extend beyond June 21, 2059. During such extension of the term of the Sublease the City shall pay Base Rental (including any Maximum Base Rental which accrued during any prior Base Rental Period but was not paid during such prior Base Rental Period) in an amount sufficient to satisfy such obligations to the Banks in full; provided, however, that the Base Rental with respect to any Component during any Base Rental Period shall not exceed the then fair rental value with respect to such Component during such Base Rental Period.

Base Rental Payments

Pursuant to the Sublease, the City has agreed to pay to the Corporation Base Rental in an amount up to the Maximum Base Rental, and the Additional Rental, with respect to each Component, as provided in the Sublease, for the use, occupancy and possession of the Property for which such Maximum Base Rental is payable, all on the terms and conditions set forth in the Sublease. The table set forth in Appendix C attached hereto sets forth the Maximum Base Rental with respect to each Component for each Base Rental Period.

The Minimum Required Rental Payment for each Base Rental Period shall be equal to the sum of (a) the Assumed Interest Cost required during such Base Rental Period with respect to the Commercial Paper Notes (based upon the average principal amount of Commercial Paper Notes expected to be Outstanding during such Base Rental Period and the applicable Assumed Interest Rate); (b) the principal amount of Commercial Paper Notes and Revolving Notes the City expects to repay during such Base Rental Period in addition to the Required Principal Reduction Amount and amounts set forth in clause (e) below; (c) the Required Principal Reduction Amount for such Base Rental Period; (d) the Assumed Interest Cost required during such Base Rental Period with respect to the Revolving Notes (based upon the expected average principal amount of the Revolving Notes expected to be Outstanding during such Base Rental Period and the applicable Assumed Interest Rate with respect to such Revolving Notes); and (e) the amount of principal coming due on the Revolving Notes during such Base Rental Period.

If the Minimum Required Rental Payment for a Base Rental Period is less than the aggregate Maximum Base Rental for all Components for such Base Rental Period, the City shall be obligated to pay the Minimum Required Rental Payment for each Base Rental Period, with the interest portion thereof being paid at the applicable Assumed Interest Rate in equal quarterly installments on each Quarterly Payment Date, with an amount equal to the principal portion thereof, including the Required Principal Reduction Amount, being paid not later than the first day of the calendar quarter during which such amount will be used to reimburse a Bank for an Advance used to retire Commercial Paper Notes that will not be remarketed,

renewed or refinanced (and to pay the interest thereon), and with any principal due under any Revolving Notes during such Base Rental Period being paid on or prior to the date that is ten days prior to the date such amount is due under such Revolving Notes. Any Base Rental and Additional Rental shall be paid on the terms, in the amounts, at the times and in the manner set forth in the Sublease. The City will make payments of Base Rental directly to the Issuing and Paying Agent, as agent for the Trustee, for deposit into the Base Rental Account and, to the extent not otherwise paid to the Person to whom any amount constituting Additional Rental is owing, will make payment of Additional Rental to the Issuing and Paying Agent for deposit into the Administrative Expense Account. The amount by which the aggregate Maximum Base Rental for all Components for any Base Rental Period exceeds the amount so deposited in such Base Rental Period shall continue to be an obligation of the City for such Base Rental Period and shall be payable by the City if and to the extent that payment is required pursuant to the Sublease.

In connection with the issuance of Commercial Paper Notes for a purpose other than to pay the principal of and interest on maturing Commercial Paper Notes (or to reimburse the related Bank for Advances made to pay such amounts), the Corporation will be required to issue to the City a Debt Service Certificate – Additional Commercial Paper Notes pursuant to the Trust Agreement reflecting the issuance of such Commercial Paper Notes, and such Debt Service Certificate will indicate whether a Minimum Supplemental Rental Payment is required during the then current Base Rental Period. Such Minimum Supplemental Rental Payment shall be equal to the sum of: (a) the Assumed Interest Cost required during the portion of such Base Rental Period from and after the date of issuance of the additional Commercial Paper Notes (based upon the expected average principal amount of Commercial Paper Notes Outstanding during such Base Rental Period after such issuance and the applicable Assumed Interest Rate); (b) the interest accrued on the Commercial Paper Notes during the portion of such Base Rental Period prior to such issuance date; (c) the unpaid portion of the new Required Principal Reduction Amount for such Base Rental Period during which such issuance date occurs; (d) the Required Principal Reduction Amount paid during the portion of such Base Rental Period prior to such issuance date; (e) the Assumed Interest Cost required during the portion of such Base Rental Period from and after such issuance date with respect to the Revolving Notes (based upon the expected average principal amount of the Revolving Notes expected to be Outstanding during such Base Rental Period after such issuance and the applicable Assumed Interest Rate with respect to such Revolving Notes); (f) the interest accrued on the Revolving Notes during the portion of such Base Rental Period prior to such issuance date; (g) the amount of principal coming due on the Revolving Notes during such Base Rental Period after such issuance; and (h) the principal paid on the Revolving Notes during the portion of such Base Rental Period prior to such issuance date; and less (i) the amount of Minimum Required Rental Payment and Minimum Supplemental Rental Payment previously paid or budgeted to be paid for such Base Rental Period during which such issuance date occurs. If the Debt Service Certificate--Additional Commercial Paper Notes issued by the Corporation to the City pursuant to the Trust Agreement indicates that a Minimum Supplemental Rental Payment is required during the then current Base Rental Period, the City shall budget and appropriate the necessary Minimum Supplemental Rental Payment and promptly pay to the Issuing and Paying Agent such Minimum Supplemental Rental Payment, except as provided in the second following paragraph below; provided, however, that the City may pay such Minimum Supplemental Rental Payment in equal installments on each Quarterly Payment Date remaining in such Base Rental Period so long as all such payments are made in advance of the date required to pay principal of and interest on any Notes. The Corporation will not be required to issue the Debt Service Certificate--Additional Commercial Paper Notes if the issuance of such Additional Notes was taken into account in completing the Debt Service Certificate--Annual for such Base Rental Period.

If at any time during a Quarterly Payment Period, the amount on deposit in the Capitalized Interest Subaccounts, the Base Rental Account, the Base Rental Payment Subaccounts and/or the Bank Reimbursement Subaccounts shall not be sufficient to pay the principal of and accrued interest on the Commercial Paper Notes and Advances evidenced by the Revolving Notes during such Quarterly Payment Period, the Required Principal Reduction Amount for such Quarterly Payment Period, if any, and any

principal due on the Revolving Notes, the Corporation shall file with the City a Debt Service Certificate--Additional Interest and/or Principal with respect to such deficiency, and such Debt Service Certificate--Additional Interest and/or Principal will indicate whether a Minimum Supplemental Rental Payment is required. Such Minimum Supplemental Rental Payment shall be equal to the sum of: (a) the amount of interest expected to accrue on Commercial Paper Notes scheduled to mature during the portion of such Base Rental Period after the date of calculation set forth in such Debt Service Certificate; (b) the interest accrued on the Commercial Paper Notes during the portion of such Base Rental Period prior to such calculation date; (c) the unpaid portion of the Required Principal Reduction Amount for such Base Rental Period during which such calculation date occurs; (d) the Required Principal Reduction Amount paid during the portion of such Base Rental Period prior to such calculation date; (e) the amount of interest expected to accrue on the Revolving Notes (based on the applicable Assumed Interest Rate as of such calculation date) during the portion of such Base Rental Period after such calculation date; (f) the interest accrued on the Revolving Notes during the portion of such Base Rental Period prior to such calculation date; (g) the amount of principal coming due on the Revolving Notes during the portion of such Base Rental Period after such calculation date; and (h) the principal paid on the Revolving Notes during the portion of such Base Rental Period prior to such calculation date; and less (i) the amount of Minimum Required Rental Payment and Minimum Supplemental Rental Payment previously paid or budgeted to be paid for such Base Rental Period during which such calculation date occurs. If the Debt Service Certificate--Additional Interest and/or Principal filed by the Corporation with the City pursuant to the Trust Agreement indicates that a Minimum Supplemental Rental Payment is required, the City shall budget and appropriate the necessary Minimum Supplemental Rental Payment and promptly pay to the Issuing and Paying Agent such Minimum Supplemental Rental Payment, except as provided in the paragraph below.

The City shall not be required to budget and appropriate the necessary Minimum Supplemental Rental Payment and pay any Minimum Supplemental Rental Payment if the Corporation shall have issued its Commercial Paper Notes to provide funds in an amount equal to or in excess of the amount of the Minimum Supplemental Rental Payment and the proceeds of such Commercial Paper Notes shall have been deposited into the Base Rental Account. Additionally, if the Corporation shall have issued its Commercial Paper Notes to provide funds to pay a portion of the amount of any Minimum Supplemental Rental Payment and the proceeds of the Commercial Paper Notes have been deposited into the Base Rental Account, the amount of the Minimum Supplemental Rental Payment may be reduced by the amount of proceeds so deposited.

Notwithstanding any provisions of the Sublease or any other document to the contrary, under no circumstances shall the City be required to pay during any Base Rental Period amounts (exclusive of Additional Rental) in excess of aggregate Maximum Base Rental for all Components for such Base Rental Period; provided that the City shall have the right at any time, to pay Base Rental in excess of that required under the Sublease in order to provide for the retirement of Commercial Paper Notes or the repayment of the Revolving Notes.

Pursuant to the Sublease, if at any time the City shall determine that the annual fair rental value of the Property in any future Base Rental Period is greater than the Minimum Required Rental Payment due in such future Base Rental Period (the difference being referred to herein as the "Excess Fair Rental Value"), the City may revise the schedule of Minimum Required Rental Payments such that a portion of the Minimum Required Rental Payment which would have been due in the then current year shall be paid in such future Base Rental Period to the extent of such Excess Fair Rental Value. Likewise, if at any time the City shall determine that the annual fair rental value of the Property in the then current Base Rental Period is greater than the Minimum Required Rental Payment due in such current Base Rental Period, the City may, at its option, pay additional Base Rental during such current Base Rental Period and such amount shall be credited against the Minimum Required Rental Payment due in any future Base Rental Period as the City shall direct.

The Maximum Base Rental for each Component for each Base Rental Period shall be the amount set forth in Appendix C attached hereto, and shall become due and payable quarterly in advance on each Quarterly Payment Date during the Sublease Term as set forth in the Sublease. Pursuant to the Sublease, the City has agreed to pay, from legally available funds, to the extent required thereunder, the aggregate Maximum Base Rental for all Components for each Base Rental Period, subject to the provisions of the Sublease providing for payment of Minimum Required Rental Payments described above.

In addition to the Minimum Required Rental Payments and any Minimum Supplemental Rental Payments set forth in the Sublease, the City has agreed to pay as Additional Rental all of the following: (i) all taxes and assessments of any nature whatsoever, including but not limited to excise taxes, *ad valorem* taxes, *ad valorem* and specific lien special assessments and gross receipts taxes, if any, levied upon any Component or upon any interest of the Corporation, the Trustee or the Owners therein or in the Sublease, including taxes and charges contemplated by the provision of the Sublease described under “—Taxes, Other Governmental Charges and Utility Charges” below; (ii) all costs of maintenance, operation, repair and replacement of the Property as required under the Sublease; (iii) insurance premiums, if any, on all insurance required under the provisions of the Sublease; (iv) all fees, costs and expenses (not otherwise paid or provided for out of the proceeds of the sale of the Commercial Paper Notes) of the Trustee, the Issuing and Paying Agent and the Dealers in connection with the Trust Agreement and the Dealer Agreements; (v) all fees, costs and expenses payable to the Banks under the Reimbursement Agreements; (vi) any other fees, costs or expenses incurred by the Corporation, the Trustee and the Issuing and Paying Agent in connection with the execution, performance or enforcement of the Sublease or any assignment thereof or of the Trust Agreement or any of the transactions contemplated thereby or related to the Property; and (vii) rebate, if any, due pursuant to Section 148(f)(2) of the Code. Amounts constituting Additional Rental payable under the Sublease shall be paid by the City directly to the person or persons to whom such amounts shall be payable. The City shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee, the Corporation or the applicable Bank to the City stating the amount of Additional Rental then due and payable and the purpose thereof.

As used in this Offering Memorandum, “Rental Payments” means all Minimum Required Rental Payments, Minimum Supplemental Rental Payments and Additional Rental payable under the Sublease, “Base Rental” means all Minimum Required Rental Payments and Minimum Supplemental Rental Payments, but does not include Additional Rental, and “Maximum Base Rental” means, for each Component for each Base Rental Period, the amount set forth in Appendix C attached hereto, as such amounts may be adjusted from time to time in accordance with the terms of the Sublease, but does not include Additional Rental.

The City has covenanted under the Sublease to pay to the Corporation Base Rental in an amount up to the Maximum Base Rental, and the Additional Rental, with respect to each Component, as provided in the Sublease, for the use, occupancy and possession of the Property for which such Maximum Base Rental is payable, all on the terms and conditions set forth in the Sublease, for and in consideration for the use and possession, and the continued quiet use and enjoyment, of the Property by the City for and during each Base Rental Period or portion thereof. Subject to the provision summarized in the fifth immediately preceding paragraph above, the City has further covenanted to include all Minimum Required Rental Payments, Additional Rental and Minimum Supplemental Rental Payments due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all Minimum Required Rental Payments, Additional Rental, and Minimum Supplemental Rental Payments, subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial interference with the use, occupancy or possession of any Component by the City. See “RISK FACTORS — Abatement.” The City and the Corporation have agreed in the Sublease that the Minimum Required Rental Payments and any Minimum Supplemental

Rental Payments and Additional Rental for each Base Rental Period or portion thereof during the Sublease Term shall constitute the total rental for such Base Rental Period or portion thereof. The City and the Corporation have further agreed and determined that the Base Rental payable in respect of any Component during each such Base Rental Period are not in excess of the total fair rental value of such Component for such Base Rental Period. In making such determination, consideration will be given to such matters, including but not limited to, the uses and purposes served by each such Component and the benefits therefrom that will accrue to the City and the Corporation by reason of the Sublease and to the general public by reason of the City's use of each such Component.

The covenants on the part of the City contained in the Sublease are deemed to be and are construed to be ministerial duties imposed by law and by the Charter of the City and it shall be the ministerial duty of each and every public official of the City who bears direct or indirect responsibility for administering the Sublease to take such action and do such things as are required by law in the performance of such official duty of such officials to enable the City to carry out and perform the covenants and agreements on the part of the City contained in the Sublease.

The obligation of the City to make Rental Payments does not constitute an obligation of the City for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation. Notwithstanding anything to the contrary contained in the Sublease, neither the Notes nor the obligation of the City to make Rental Payments constitutes an indebtedness of the City within the meaning of any constitutional or statutory debt limitation or restriction.

The Sublease is intended to be a triple net lease. The City has agreed that the rentals provided for in the Sublease shall be an absolute net return to the Corporation free and clear of any expenses, charges or set-offs whatsoever.

Rental Abatement

Except to the extent of (a) available amounts held by the Trustee in the Base Rental Account or the Issuing and Paying Agent in the Base Rental Payment Subaccounts or the Bank Reimbursement Subaccounts, (b) amounts, if any, received in respect of rental interruption insurance with respect to any Component, and (c) amounts, if any, otherwise legally available to the City for payments in respect of the Sublease or to the Issuing and Paying Agent for payments in respect of the Notes, Rental Payments due under the Sublease will be subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial interference with the use, occupancy or possession of any Component by the City. The amount of annual rental abatement shall be such that the resulting Base Rental in respect of the Property in any Base Rental Period during which such interference continues, excluding any amounts described in clauses (a), (b) or (c) above, do not exceed the fair rental value of the Property for such Base Rental Period with respect to which there has not been substantial interference, as evidenced by a certificate of a City Representative. Such abatement shall continue for the period commencing with the date of such damage, destruction, condemnation or discovery of such title defect and ending with the restoration of the affected Component to tenantable condition or correction of the title defect. In the event of any such damage, destruction, condemnation or title defect, the Sublease shall continue in full force and effect, except as set forth in the provisions of the Sublease with respect to application of insurance proceeds or eminent domain.

Insurance

Pursuant to the Sublease, the City has covenanted to secure and maintain or cause to be secured and maintained at all times throughout the term of the Sublease with insurers of recognized responsibility or through a program of self-insurance or alternative risk management to the extent specifically permitted

in the Sublease, all coverage on the Property required by the Sublease and set forth below. Such insurance shall consist of the following coverages:

(a) Fire and lightning insurance (with an extended coverage endorsement and with a vandalism and malicious mischief endorsement) on all structures, facilities and improvements constituting the Property in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of such structures, facilities and improvements (less a commercially reasonable deductible amount) or (ii) the aggregate principal amount of the Funding Commitments. Said extended coverage endorsement shall, in addition to the fire and lightning insurance referenced above, cover loss or damage by explosion, windstorm, hail, riot, civil commotion, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such endorsement, if such coverage is commercially available in reasonable amounts at reasonable cost on the open market from reputable insurance companies.

(b) General liability and automobile insurance which, at a minimum, equates to the following insurance coverage and provision, naming the Corporation and the City, their members, officers, agents and employees as insureds. Said insurance coverage shall insure said parties against liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Property. Said insurance coverage shall provide coverage for bodily and personal injury, death and property damage per occurrence. The insurance coverage required under this paragraph shall initially be provided through a program of alternative risk management in accordance with the Sublease as set forth below.

(c) Earthquake insurance in an amount equal to the maximum probable loss of all Components of the Property, as determined by the City's Risk Manager, unless, based upon the written recommendation of the City's Risk Manager annually filed by the City with the Trustee, it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies.

(d) Rental interruption insurance to cover loss, total or partial, of the use of any Component as a result of any of the hazards covered by the insurance required pursuant to clause (a) and (c) above, in an amount sufficient at all times to pay the Maximum Base Rental payable under the Sublease with respect to such Component for a period equal to 24 months, assuming an interest rate of 5% on the Notes.

(e) A CLTA policy or policies of title insurance for all Components in an amount not less than the aggregate principal amount of the Funding Commitments. Such policy or policies of title insurance shall show title to the particular Component covered by such policy in the name of the Corporation or the City, subject to the Sublease and such other encumbrances as will not, in the opinion of the Corporation, the City and the Banks, materially affect the use, occupancy and possession of the Component and will not result in the abatement of Base Rental payable by the City under the Sublease with respect to such Component.

All policies of insurance required by the Sublease shall be in form certified by the Risk Manager to be in compliance with the requirements of the Sublease, and shall name the Trustee and the Banks as additional insureds and as loss payees. The City shall pay when due the premiums for all insurance policies required by the Sublease, and promptly shall furnish evidence of such payments to the Corporation and, upon request, to the Banks. All insurance required under the Sublease shall be primary to any other insurance available to the Corporation and the Trustee, and shall apply separately to each insured against whom claim is made or suit is brought and shall provide that the Trustee and the Banks shall be given thirty (30) days' prior written notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby, provided that such separate coverage shall not increase the limit of liability under any such insurance. All insurance required to be maintained pursuant to the Sublease may be maintained either separately or as a part of or in conjunction with any other insurance coverage carried by the City. The Trustee shall not be responsible for the sufficiency of any insurance required by the Sublease

and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee.

Notwithstanding anything in the insurance provisions of the Sublease to the contrary, the City shall have the right to adopt additional programs of self-insurance or alternative risk management programs to insure against any of the risks required to be insured against under the terms of the Sublease (except insurance coverage against loss of rental income as required by the Sublease or the title insurance required by the Sublease), in whole or in part. Any such additional alternative risk management program must be approved as reasonable and appropriate by the Risk Manager. The approval of the Risk Manager shall be in the form of a report on the nature of the program and the adequacy of its funding which shall be prepared and filed annually with the Trustee and the Banks during any period when such program is in effect, commencing on or prior to the date such program is implemented. If such annual approving report is not timely filed with the Trustee and the Banks, the Trustee or any Bank may notify the City in writing and thereupon the City shall immediately obtain insurance as required by the Sublease or promptly file the annual approving report. In addition, the City Administrative Officer of the City may, if it is in the best interests of the City, approve such other types of insurance, including any increases in the insurance coverage required by this provision, upon the recommendation of a Risk Manager, or in connection with obtaining or maintaining any rating on the Commercial Paper Notes.

Replacement; Maintenance and Repairs

The City shall, at its own expense, during the Sublease Term, maintain each Component, or cause the same to be maintained, in good order, condition and repair and shall repair or replace any Component which is destroyed or damaged to such an extent that there is substantial interference with the use and possession of such Component by the City which would result in an abatement of Rental Payments or any portion thereof pursuant to the terms of the Sublease, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement; *provided, however*, that the City shall not be required to repair or replace any Component pursuant to the Sublease if there shall be applied to the payment and retirement of Outstanding Notes insurance proceeds, condemnation proceeds or other legally available funds sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks such that (i) the sum of the aggregate principal amount of all Outstanding Commercial Paper Notes plus the amount of any Advances then outstanding under the Revolving Notes following the application of such amounts does not exceed the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the terms of the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Base Rental Period following the application of such amounts are sufficient to pay in such Base Rental Period the principal of and interest on an aggregate principal amount of Notes (including Revolving Notes) assuming that, on an aggregate basis, an aggregate principal amount of Commercial Paper Notes plus the amount of Advances under the Revolving Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Base Rental Period following the application of such amounts.

The City shall provide or cause to be provided all security service, custodial service, janitorial service and other services necessary for the proper upkeep and maintenance of each Component. It is understood and agreed that in consideration of the payment by the City of the Rental Payments provided for in the Sublease, the City is entitled to possession of each Component and the Corporation shall have no obligation to incur any expense of any kind or character in connection with the management, operation or

maintenance of such Component during the Sublease Term with respect to such Component. The Corporation shall not be required at any time to make any improvements, alterations, changes, additions, repairs or replacements of any nature whatsoever in or to any Component. The City has expressly waived the right to make repairs or to perform maintenance of any Component at the expense of the Corporation and (to the extent permitted by law) has waived the benefit of Sections 1932, 1941 and 1942 of the California Civil Code relating thereto. The City shall keep each Component free and clear of all liens, charges and encumbrances other than Permitted Encumbrances.

Taxes, Other Governmental Charges and Utility Charges

The City has covenanted in the Sublease to pay during the Sublease Term with respect to each Component as the same respectively become due, all taxes (except for income or franchise taxes, if any, of the Corporation), utility charges and governmental charges of any kind whatsoever, if any, that may at any time be lawfully assessed or levied against or with respect to each such Component; provided, however, that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, the City shall be obligated to pay only such installments as are accrued during such time as the Sublease is in effect with respect to such Component; provided, further, that the City may contest in good faith the validity or application of any tax, utility charge or governmental charge in any reasonable manner which does not adversely affect the right, title and interest of the Corporation or the Trustee in and to any Component or its rights or interests under the Sublease or subject any portion of any Component to loss or forfeiture. Any such taxes or charges shall constitute Additional Rental under the Sublease and shall be payable directly to the entity assessing such taxes or charges.

Application of Insurance Proceeds and Condemnation Awards

General. All proceeds of insurance received in respect of destruction of or damage to any portion of any Component by fire, earthquake or other casualty or event shall be paid to the Trustee for application in accordance with the provisions of the Trust Agreement. If there is an abatement of Rental Payments pursuant to the terms of the Sublease as a result of such casualty or event, and the City elects pursuant to the Trust Agreement to apply such insurance to the payment and retirement of Notes rather than to the replacement or repair of the destroyed or damaged Component, then the Sublease shall terminate with respect to the destroyed or damaged Component as of the later of the date of such election by the City or the date the amount required by the Trust Agreement is received by the Trustee. If the City elects, pursuant to the Trust Agreement to apply such proceeds to the repair or replacement of the portion of any Component which has been damaged or destroyed, in the event there has been an abatement of Rental Payments pursuant to the terms of the Sublease, then Rental Payments without any abatement shall again begin to accrue with respect thereto upon repair or replacement of such portion of such Component.

Pursuant to the Trust Agreement, if any portion of the Property shall be damaged or destroyed, or shall be taken by eminent domain proceedings, the City shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement, unless the City elects not to repair or replace the Property in accordance with the Trust Agreement as set forth below.

All proceeds of insurance (including any rental interruption) received in respect of destruction of or damage to any portion of any Component by fire, earthquake or other casualty or event shall be paid to the Trustee for application as set forth below.

The proceeds of any insurance (other than any rental interruption, which shall be transferred by the Trustee to the Issuing and Paying Agent, on behalf of the Trustee, for deposit in the Base Rental Account pursuant to the Trust Agreement), including the proceeds of any self-insurance fund and of any

condemnation award, received on account of any damage, destruction or taking of the Property or portion thereof shall as soon as possible be deposited in the Insurance and Condemnation Proceeds Fund which it shall establish upon such deposit and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Property or affected portion thereof upon receipt of a written request of a City Representative. Pending such application, such proceeds shall be invested by the Trustee solely at the written direction of a City Representative, in Qualified Investments that mature not later than the date such moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, a City Representative shall, within 180 days of the occurrence of the event of damage, destruction or taking, notify the Trustee in writing of whether the City intends to replace or repair the Property or the portions of the Property which were damaged or destroyed, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement. If the City elects to replace or repair the Property or portions thereof, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement, the City shall deposit with the Trustee the full amount of any insurance deductible to be credited to the Insurance and Condemnation Proceeds Fund.

In the event of damage, destruction or taking that results in an abatement of rental payments pursuant to the Sublease, then the City shall be required to repair or replace any Component which is destroyed or damaged to such an extent that there is substantial interference with the use and possession of such Component by the City which would result in an abatement of Rental Payments or any portion thereof pursuant to the Sublease, subject to the availability of sufficient insurance proceeds to pay for such repair or replacement; *provided, however*, that the City shall not be required to repair or replace any Component pursuant to the Sublease if there shall be applied to the payment and retirement of Outstanding Notes insurance proceeds, condemnation proceeds or other legally available funds sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks such that (i) the Notes Outstanding following the application of such amounts does not exceed the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Fiscal Year following the application of such amounts are sufficient to pay in such Fiscal Year the principal of and interest on an aggregate principal amount of Notes assuming such Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified assuming the termination of the Sublease with respect to such damaged, destroyed or taken Component pursuant to the Sublease, and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Fiscal Year following the application of such amounts. Any amounts received by the Trustee under the Trust Agreement in excess of the amount needed to either repair or replace a damaged, destroyed or taken portion of the Property shall be transferred to the Base Rental Account to the extent of any delinquent Base Rental, with the remainder, if any, transferred to the City. In the event of the retirement of Commercial Paper Notes in connection with the damage, destruction or taking of any of the Property, the City shall direct the Issuing and Paying Agent not to issue new Commercial Paper Notes to pay the principal of and interest on such maturing Commercial Paper Notes to be so retired as determined by the City.

Title Insurance. All proceeds of any policy of title insurance received in respect of the Property shall be paid to the Trustee for application as set forth below. Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall as soon as possible be deposited in the Insurance and Condemnation Proceeds Fund which it shall establish upon such deposit and applied and disbursed by the Trustee as follows:

(a) If the Corporation and the City (i) determine that the title defect giving rise to such proceeds has not materially affected the use and possession of the Property and will not result in any abatement of Base Rental payable by the City under the Sublease, and (ii) have provided the Trustee with written evidence of such determination, such proceeds shall be remitted to the City.

(b) If the Corporation and the City determine that such title defect will result in an abatement of Base Rental payable by the City under the Sublease, then the Trustee shall apply such amounts to the payment and retirement of Notes Outstanding and to pay other amounts owing to the Banks such that (i) the Notes Outstanding following the application of such amounts does not exceed the Maximum Principal Amount (as modified to disregard the Property subject to such title defect and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease) and (ii) the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Fiscal Year following the application of such amounts are sufficient to pay in such Fiscal Year the principal of and interest on an aggregate principal amount of Notes assuming such Notes are Outstanding in an aggregate principal amount equal to the Maximum Principal Amount (as modified to disregard the Property subject to such title defect and assuming the corresponding adjustment to Maximum Base Rental for each Base Rental Period during the remainder of the term of the Sublease), to the extent due and payable in any such subsequent Fiscal Year following the application of such amounts. Any amounts received by the Trustee under the Trust Agreement in excess of the amount needed to either repair or replace a damaged, destroyed or taken portion of the Property shall be transferred to the Base Rental Account to the extent of any delinquent Base Rental, with the remainder, if any, transferred to the City. In the event of the retirement of Commercial Paper Notes in connection with the damage, destruction or taking of any of the Property, the City shall direct the Issuing and Paying Agent not to issue new Commercial Paper Notes to pay the principal of and interest on such maturing Commercial Paper Notes to be so retired as determined by the City.

Eminent Domain

Total Condemnation. If any Component, or so much thereof as to render the remainder of such Component unusable for the City's purposes under the Sublease, shall be taken under the power of eminent domain, then the Sublease shall terminate with respect to such Component as of the day possession shall be so taken or as of the date of entry of the interlocutory judgment.

Partial Condemnation. If less than a substantial portion of any Component shall be taken under the power of eminent domain, and the remainder is useable for the City's purposes, then the Sublease shall continue in full force and effect as to the remaining portions of such Component, subject only to such rental abatement as is required by the terms of the Sublease. The City and the Corporation have waived the benefit of any law to the contrary. Any award made in eminent domain proceedings for the taking shall be paid to the Trustee for application in accordance with the provisions of the Trust Agreement. If the City elects, pursuant to the Trust Agreement, to apply such proceeds to the replacement of the condemned portion of any Component, in the event there has been an abatement of Rental Payments pursuant to the terms of the Sublease, then Rental Payments without any abatement shall again begin to accrue with respect thereto upon replacement of the Component.

Liens; Permitted Encumbrances

The City has covenanted to promptly pay or cause to be paid all sums of money that may become due for any labor, services, materials, supplies or equipment alleged to have been furnished or to be furnished to or for, in, upon or about any Component and which may be secured by any mechanic's, materialman's or other lien against such Component, or the interest of the Corporation therein, and shall cause each such lien to be fully discharged and released; provided, however, that the City or the Corporation

(a) may contest any such claim or lien without payment thereof so long as such non-payment and contest stays execution or enforcement of the lien, but if such lien is reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not stayed, or if stayed and the stay thereafter expires, then and in any such event the City shall forthwith pay and discharge such judgment or lien, or (b) delay payment without contest so long as and to the extent that such delay will not result in the imposition of any penalty or forfeiture. Additionally, subject to the provision of the Sublease described under “—Assignment and Sublease; Addition, Substitution or Release of Property—Assignment and Sublease” below, the Corporation and the City will not create or suffer to be created any lien, charge or encumbrance upon the Property, or upon any real or personal property essential to the operation of the Property, except Permitted Encumbrances. The Corporation and the City will not sell or otherwise dispose of any portion of the Property or any other property essential to the proper operation of the Property.

Assignment and Sublease; Addition, Substitution or Release of Property

Assignment and Sublease. The City shall not, after June 21, 2019, mortgage, pledge, assign or transfer any interest of the City in the Sublease by voluntary act or by operation of law, or otherwise; provided, however, that the City may, after June 21, 2019, with the prior written consent of the Banks, which consent shall not be unreasonably withheld, sublease all Property or any Component thereof, or may grant concessions to others involving the use of the Property or any Component, whether such concessions purport to convey a leasehold interest or a license to use such Property or Component; provided, further, however, that such sublease or grant shall be subject to the terms of the Sublease and of the Trust Agreement. Subject to the limitations set forth in the Sublease, the City shall at all times remain liable for the performance of the covenants and conditions on its part to be performed under the Sublease, notwithstanding any subletting or granting of concessions which may be made. Nothing contained in the Sublease shall be construed to relieve the City of its obligation to pay Base Rental and Additional Rental with respect to each Component as provided in the Sublease or to relieve the City of any other obligations contained therein. In no event shall the City sublease to or permit the use of all or any part of any Component by any person so as to cause interest on any Series A Commercial Paper Notes to be includable in gross income for federal income tax purposes or interest on the Commercial Paper Notes to be subject to State personal income tax.

The Corporation has, concurrently with the execution of the Sublease, pledged and assigned all of its right, title and interest in and to the Sublease (except for its right to payment of its expenses specified in the Sublease, its right to indemnification pursuant to the terms of the Sublease and its right to receive certain notices under the terms of the Sublease), including without limitation its right to receive Base Rental payable under the Sublease and to enforce its remedies thereunder, to the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, pursuant to the Trust Agreement and the Assignment Agreement, and the City has approved such pledge and assignment in the Sublease. The parties have further agreed to execute any and all documents necessary and proper in connection therewith.

Addition, Substitution or Release of Property. Notwithstanding the provision of the Sublease described under “—Assignment and Sublease” above, if no default or event of default has occurred and is continuing under the Sublease or under any Reimbursement Agreement, the City may acquire from the Corporation, free and clear of the Corporation’s rights under the Sublease and the Site Lease, the release or substitution of any Component, subject to the requirements set forth in the Trust Agreement with respect to amendments to the Sublease, Site Lease or Assignment Agreement, or the City may add a component or other property to the Sublease and the Site Lease, subject to the requirements set forth in the Trust Agreement with respect to amendments to the Sublease, Site Lease or Assignment Agreement.

Additions, Modifications and Improvements. The City shall have the right during the Sublease Term to make any additions, modifications or improvements to any Component, to attach fixtures, structures or

signs, and to affix any personal property to any Component, so long as such additions, modifications or improvements shall not in any way damage the Component or cause the Component to be used for purposes other than those authorized under the provisions of State or federal law and upon completion thereof the annual fair market rental value of the Component after completion, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said addition, modification or improvement, as determined by the City on the basis of an appraisal of the Property after said completion conducted by a qualified appraiser (who may be an employee of the City). Notwithstanding the foregoing, the City shall have the additional right during the Sublease Term to make any additions, modifications or improvements to any Component (and in connection therewith, demolition and/or removal of any damaged, worn, obsolete or dilapidated portions of any improvement on any Component to make room for any such additions, modifications or improvements), to attach fixtures, structures or signs, and to affix any personal property to any Component as contemplated by the ENA or the agreements by and between the City and Anschutz Entertainment Group, Inc., L.A. Arena Land Company, Inc., or related entities, contemplated by the ENA. Title to all fixtures, equipment or personal property affixed by the City on any Component shall remain in the City. Title to any personal property, improvements or fixtures affixed on any Component by any sublessee or licensee of the City shall be controlled by the sublease or license agreement between such sublessee or licensee and the City, which sublease or license agreement shall not be inconsistent with the Sublease.

Amendments to Trust Agreement; Amendments to Site Lease, Sublease and Assignment Agreement

Amendments to Trust Agreement. The Trust Agreement may be amended only in writing by agreement among the City, the Corporation and the Trustee with the written consent of the Banks. No such modification or amendment shall (i) extend the maturity of or reduce the interest rate on any Commercial Paper Note or otherwise alter or impair the obligation of the Corporation to pay the principal or interest at the time and place and at the rate and in the currency provided therein of any Commercial Paper Note without the express written consent of the Owner of such Commercial Paper Note, or (ii) without its written consent thereto, modify any of the rights or obligations of the Trustee.

Amendments to Site Lease, Sublease and Assignment Agreement. (a) The Site Lease, the Sublease and the Assignment Agreement may be amended in writing by agreement between the parties thereto with the written consent of the Banks. The City may, with the consent of the Banks (other than as provided in (d) below), amend the Site Lease, the Sublease and the Assignment Agreement to substitute other real property and/or improvements (the “Substituted Property”) for existing Property or to remove real property or improvements from the definition of Property upon compliance with all of the conditions set forth in subsections (b) and (c) below. After a substitution or removal, the part of the Property for which the substitution or removal has been effected shall be released from the leasehold under the Site Lease, the Sublease and the Assignment Agreement. The City may amend the Site Lease, the Sublease and the Assignment Agreement to add real property and/or improvements (the “Additional Property”) upon compliance with all of the conditions set forth in subsection (e) below.

(b) No substitution of Property shall take place until the City delivers to the Corporation, the Trustee and the Banks the following:

(i) A written description of all or part of the Property to be released and a description of the Substituted Property to be substituted in its place;

(ii) A Certificate of the City stating that the annual fair market rental value of the Property after a substitution, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said substitution, as determined by the City on the basis of an appraisal of

the Property after said substitution conducted by a qualified appraiser (who may be an employee of the City);

(iii) A valid lease ordinance with respect to the Substituted Property;

(iv) An opinion of Note Counsel to the effect that the amendments to the Site Lease, the Sublease and the Assignment Agreement contemplating substitution have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;

(v) (A) A policy of title insurance in an amount such that the total title insurance on the Property in favor of the Trustee and the Banks is not less than the aggregate amount of the Funding Commitments, insuring the City's leasehold interest in the substituted Property (except any portion thereof which is not real property) subject only to Permitted Encumbrances, together with an endorsement thereto making said policy payable to the Banks and the Trustee for the benefit of the Owners of the Commercial Paper Notes and (B) in the event of a partial removal, evidence that the title insurance in effect immediately prior thereto is not affected;

(vi) An opinion of Special Tax Counsel that the substitution does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;

(vii) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Substituted Property; and

(viii) Evidence that the City has provided written notification regarding substitution or removal to each Rating Agency then maintaining a rating on the Commercial Paper Notes not less than five (5) days prior to such substitution.

(c) No removal of Property shall take place until the City delivers to the Corporation, the Trustee and the Banks the following:

(i) A written description of all or part of the Property to be released;

(ii) A Certificate of the City stating that the annual fair market rental value of the Property after removal, in each Base Rental Period during the remaining term of the Sublease, is at least equal to the Maximum Base Rental prior to said removal, as determined by the City on the basis of an appraisal of the Property after said removal conducted by a qualified appraiser (who may be an employee of the City);

(iii) An opinion of Note Counsel to the effect that the amendments to the Site Lease, the Sublease and the Assignment Agreement contemplating removal have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;

(iv) An opinion of Special Tax Counsel that the removal does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;

(v) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Substituted Property; and

(vi) Evidence that the City has provided written notification regarding removal to each Rating Agency then maintaining a rating on the Commercial Paper Notes not less than five (5) days prior to such release.

(d) Notwithstanding the above, the Corporation and the City may, in connection with a reduction of a Funding Commitment, remove Property from the Site Lease, the Sublease and the Assignment Agreement without the consent of the Banks, but with 30 days' prior written notice to the Banks, if the conditions set forth in the paragraph (c) (other than (c)(ii)(A)) have been met and the fair market value of the remaining Property, based on the fair market value of such Property determined in connection with the first issuance of the Commercial Paper Notes, is at least equal to the aggregate amount of the Funding Commitments after such reduction. Any removal of Property not made in connection with a reduction of a Funding Commitment shall comply with all of the requirements of paragraph (c).

(e) No addition of Property shall take place until the City delivers to the Banks, the Corporation and the Trustee the following:

(i) A Certificate of the City setting forth the Base Rental, if any, for such Additional Property;

(ii) Executed amendments or supplements to the Site Lease, the Sublease and the Assignment Agreement setting forth, among other things, (A) a written, legal description of the Additional Property, (B) the term of the Site Lease, the Sublease and the Assignment Agreement for the Additional Property, and, (C) in the case of the Sublease, a schedule setting forth the additional Base Rental which may be payable with respect to such Additional Property;

(iii) A valid lease ordinance with respect to the Additional Property;

(iv) An opinion of Note Counsel to the effect that the amendments or supplements to the Site Lease, the Sublease and the Assignment Agreement contemplating the addition of Additional Property have been duly authorized, executed and delivered and constitute the valid and binding obligations of the City and the Corporation, as applicable, enforceable in accordance with their respective terms;

(v) An opinion of Special Tax Counsel that the addition of Additional Property does not cause the interest on any Series A Commercial Paper Notes to be includable in gross income of the Owners thereof for federal income tax purposes;

(vi) Evidence that the City has complied with the insurance covenants contained in the Sublease and the Reimbursement Agreements with respect to the Additional Property; and

(vii) a policy of title insurance in an amount, if any, necessary to cause the total title insurance on the Property in favor of the Trustee and the Banks to be not less than the aggregate amount of the Funding Commitments, insuring the City's leasehold interest in the additional Property (except any portion thereof which is not real property) subject only to Permitted Encumbrances, together with an endorsement thereto making said policy payable to the Banks and the Trustee for the benefit of the Owners of the Commercial Paper Notes.

Default by City under Sublease

Events of Default under Sublease. The following shall be "Events of Default" under the Sublease and the terms "Events of Default" and "default" shall mean, whenever they are used in the Sublease, any one or more of the following events:

(a) If default shall be made in the due and punctual payment of principal of or interest on any Commercial Paper Notes or the Revolving Notes when and as the same shall become due and payable;

(b) If the City shall fail to pay to the Trustee any Rental Payment with respect to any Component as and when the same shall become due and payable;

(c) If the City shall breach any other terms, covenants or conditions contained in the Sublease or in the Trust Agreement and shall fail to remedy any such breach with all reasonable dispatch within a period of 60 days after written notice thereof from the Corporation, or its assignee, to the City, or, if such breach cannot be remedied within such 60-day period, shall fail to institute corrective action within such 60-day period and diligently pursue the same to completion, then and in any such event the City shall be deemed to be in default under the Sublease;

(d) Failure by the Corporation to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Trust Agreement, the Sublease, and the Site Lease, other than such failure as may constitute an Event of Default under clause (b) described above, for a period of 60 days after written notice specifying such failure and requesting that it be remedied has been given to the Corporation by the Trustee or to the Corporation and the Trustee by the Owners of not less than a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding or if the failure stated in the notice cannot be corrected within such 60-day period, then the Corporation shall fail to institute corrective action within such 60-day period and diligently pursue the same to completion.

(e) The Corporation or the City shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of, or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, (vi) admit in writing its inability generally to pay its debts as they become due or (vii) take action for the purpose of effecting any of the foregoing; or

(f) An involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Corporation or the City, or of a substantial part of their respective property, under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law or (ii) the appointment of a receiver, trustee, custodian, sequestrator or similar official for the Corporation or the City or for a substantial part of their respective property, and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall continue unstayed and in effect for 30 days.

Remedies on Default. Subject to the rights of the Banks upon default set forth in the Sublease, the Corporation or its assignee shall have the right, at its option, without any further demand or notice (a) to reenter any Component and eject all parties in possession therefrom and, without terminating the Sublease, relet the Component as the agent and for the account of the City upon such terms and conditions as the Corporation may deem advisable, in which event the rents received on such reletting shall be applied first to the expenses of reletting and collection, including expenses for repair or restoration of the Component to its original condition (taking into account normal wear and tear), reasonable attorneys' fees and any real estate commissions actually paid, and second to Base Rental with respect to such Component in accordance with the Sublease and the Trust Agreement and third to Additional Rental with respect to such Component in accordance with the Sublease; provided, that if a sufficient sum shall not be realized to pay such sums and other charges then the City shall pay to the Corporation any net deficiency existing on the date when

the Base Rental or Additional Rental with respect to such Component is due under the Sublease; provided, however, that such reentry and reletting shall be done only with the consent of the City, which consent will be irrevocably given; or (b) in lieu of the above, so long as the Corporation does not terminate the Sublease or the City's possession of any Component, to enforce all of its rights and remedies under the Sublease, including the right to recover Base Rental payments as they become due under the Sublease pursuant to Section 1951.4 of the California Civil Code and to otherwise enforce performance by the City, and to pursue any remedy available in law or in equity, except as expressly provided in the Sublease. Any reentry shall be allowed by the City without hindrance, and the Corporation shall not be liable in damages for any reentry or be guilty of trespass. Notwithstanding any other provision of the Sublease or the Trust Agreement, in no event shall the Corporation have the right to accelerate the payment of any Base Rental with respect to the Property under the Sublease.

Each and every remedy of the Corporation or any assignee of the rights of the Corporation under the Sublease is cumulative and the exercise of one remedy shall not impair the right of the Corporation or its assignee to any or all other remedies. If any covenant validly shall limit the remedies given to the Corporation or any assignee of the rights of the Corporation under the Sublease, the Corporation or its assignee nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

All damages and other payments received by the Corporation pursuant to this provision of the Sublease shall be applied in the manner set forth in the Trust Agreement.

In furtherance of the foregoing, the City and the Corporation have agreed that: (i) the City and the Corporation will simultaneously mail to the Banks a copy of any notice given by one to the other; (ii) prior to taking any action upon a default by the other party or its assignee in the performance of any obligation under the terms of the Sublease, the City and the Corporation shall provide written notice thereof to the Banks and thereupon the Banks shall have the right, but not the obligation, to cure any such default. In that connection, neither the City nor the Corporation will take any action to effect a termination of the Sublease or to re-enter or take possession of the Property or any Component as a consequence of such default except upon the prior written direction of the Banks. Furthermore, if the Sublease shall be rejected or disaffirmed pursuant to any bankruptcy law or other law affecting creditors' rights or if the Sublease is terminated for any other reason whatsoever, the Corporation and the City will each use its best efforts to enter into a new lease of the Property at the request of the Banks for the remainder of the term of the Sublease, effective as of the date of such rejection or disaffirmance or termination. So long as any Credit Facility is in effect or any obligations payable to the Banks under the Reimbursement Agreements remain unsatisfied, (i) the Corporation will not accept a voluntary surrender of the Sublease and (ii) the Sublease shall not be modified in any material respect without, in each case, the prior written consent of the Banks. Any provision in the Sublease to the contrary notwithstanding, the Trustee shall exercise the remedies provided for under the Sublease only if and as directed or consented to in writing by all of the Banks and shall not waive any Event of Default without the prior written consent of all of the Banks; provided, that in each such instance, the Banks shall only include a Bank for only so long as the applicable Credit Facility is in effect and so long as such Bank has not failed to honor a properly presented and conforming drawing on such Credit Facility. Anything in the Sublease to the contrary notwithstanding, the Banks may enter into a written agreement among the Banks appointing one of such Banks to act on their behalf (the "Bank Agent") in connection with any direction or consent provided for in the section of the Sublease relating to Events of Default, and in such event any such direction or consent of the Bank Agent shall constitute the direction or consent of the Banks under such section of the Sublease.

The waiver by the Corporation of any breach by the City, and the waiver by the City of any breach by the Corporation of any term, covenant or condition of the Sublease shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition of the Sublease.

Events of Default under Trust Agreement

The terms “Events of Default” and “default” shall mean, whenever they are used in the Trust Agreement, any Event of Default specified in the Sublease.

Notice of Events of Default under Trust Agreement

In the event the Corporation or the City is in default, the Trustee shall give notice of such default to the Owners, the Banks and to each Rating Agency. Such notice shall state that the Corporation or the City is in default and shall provide a brief description of such default. The Trustee in its discretion may withhold notice if it deems it in the best interests of the Owners. The notice provided for in this provision shall be given by first-class mail, postage prepaid, to the Owners within 30 days of such occurrence of default.

Remedies on Default under Trust Agreement

Upon the occurrence and continuance of any Event of Default specified in the Sublease, the Trustee may, with the written consent of the Banks, proceed (and upon written request of the Banks or the Owners of not less than a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding shall, subject to receipt of adequate indemnity as provided in the Trust Agreement, proceed), to exercise the remedies set forth in the Sublease or available to the Trustee under the Trust Agreement.

In addition to the remedies set forth in the preceding paragraph and upon the occurrence and continuance of any Event of Default specified in the Sublease, the Trustee may, and upon written request of the Banks or the Owners of not less than 25% in aggregate principal amount of the Commercial Paper Notes then Outstanding and upon being indemnified to its satisfaction therefor shall, proceed to protect and enforce the rights vested in Owners of the Commercial Paper Notes by the Trust Agreement by appropriate judicial proceedings or proceedings the Trustee deems most effectual. The provisions of the Trust Agreement and all resolutions or orders in the proceedings for the issuance of the Commercial Paper Notes shall constitute a contract with the Owners of the Commercial Paper Notes, and such contract may be enforced by any Owner of the Commercial Paper Notes by mandamus, injunction or other applicable legal action, suit, proceeding or other remedy.

Upon an Event of Default and prior to the curing thereof, the Trustee shall exercise the rights and remedies vested in it by the Trust Agreement and the Sublease with the same degree of care and skill as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Commercial Paper Notes Not Subject to Acceleration

The Commercial Paper Notes are not subject to acceleration and upon the occurrence of an Event of Default, none of the Issuing and Paying Agent, the Banks, any Owner or any other Person may accelerate the maturity of any of the Commercial Paper Notes.

Collection of Base Rental Payments

The Trustee shall take any appropriate action to cause the City to pay any Base Rental payment not paid when due, upon written request and authorization by the Banks or the Owners of a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding and unpaid, and upon being satisfactorily indemnified against any expense and liability with respect thereto and receiving payment for its fees and expenses.

No Remedy Exclusive

No remedy conferred in the Trust Agreement upon or reserved to the Trustee or the Banks is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Trust Agreement and the Sublease, or now or hereafter existing at law or in equity, except as expressly waived therein. No delay or omission to exercise any right or power accruing upon any default shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee, the Banks or the Owners to exercise any remedy reserved to it or them, it shall not be necessary to give any notice other than such notice as may be required in the Trust Agreement with respect to Events of Default or by law.

No Additional Waiver Implied by One Waiver

In the event any provision contained in the Trust Agreement should be breached by a party and thereafter waived by another party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach thereunder.

Action by Owners

Subject to the right of the Banks to direct remedial proceedings under the Trust Agreement, in the event the Trustee fails to take any action to eliminate an event of default under the Sublease or Event of Default under the Trust Agreement, the Owners of a majority in aggregate principal amount of the Commercial Paper Notes then Outstanding may institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any right under the Sublease or the Trust Agreement, but only if such Owners shall have first made written request of the Trustee after the right to exercise such powers or right of action shall have arisen, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted therein or otherwise granted by law or to institute such action, suit or proceeding in its name, and unless, also, the Trustee shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time.

Direction of Remedies by Banks

Any provision in the Trust Agreement to the contrary notwithstanding, the Trustee shall exercise the remedies provided for under the Trust Agreement or under the Sublease or under any applicable law only if and as directed or consented to in writing by all of the Banks and shall not waive any Event of Default without the prior written consent of all of the Banks; provided, that in each such instance, the Banks shall only include a Bank for only so long as the applicable Credit Facility is in effect and so long as such Bank has not failed to honor a properly presented and conforming drawing on such Credit Facility. Anything in the Trust Agreement to the contrary notwithstanding, the Banks may enter into a written agreement among the Banks appointing one of such Banks to act on their behalf (the "Bank Agent") in connection with any direction or consent provided for in the article of the Trust Agreement relating to Events of Default, and in such event any such direction or consent of the Bank Agent shall constitute the direction or consent of the Banks under such article of the Trust Agreement.

THE LEASED PROPERTY

The Property

Pursuant to the Sublease, the City has leased from the Corporation West Hall, which is located on Parcels 5 & 6, e/s L.A. Live Way, Chick Hearn Court South to Pico Boulevard, in the City and County of Los Angeles and State of California, and with a street address of 1201 South Figueroa Street, Los Angeles, Los Angeles, California (“West Hall”) of the Los Angeles Convention Center.

West Hall was originally completed in 1971. West Hall consists of a 599,292 square foot, two-story building, with a mezzanine meeting room level. Based on an appraisal dated March 6, 2025 (the “2025 Appraisal”) conducted by CBRE-Valuation & Advisory Services, the associated appraised value of West Hall (including both land and improvements) is \$226,886,000, subject to the assumptions and qualifications as set forth in the 2025 Appraisal.

For additional information regarding insurance on the Property, maintenance, replacement and substitution of Property and similar matters, see “SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES” herein.

LACC and Adjacent Facilities

[To be updated]

West Hall is part of a larger exhibition and convention facility generally known as the Los Angeles Convention Center (the “LACC”), which originally opened in 1971 and is home to popular national events such as Anime Expo and the Los Angeles Auto Show. Pre-pandemic, the LACC hosted 2 million visitors a year, held 250 events annually and supported more than 11,000 jobs locally. While the COVID-19 pandemic has had significant impacts on the tourism and visitation sector which continue to be felt throughout the conventions industry, the City is hopeful that conditions will continue to improve and that the industry will return to pre-pandemic levels within the next few years. The LACC is located on approximately 55 acres in downtown Los Angeles. The oldest structure on the site is West Hall, which opened in 1971 and provides approximately 210,685 square feet of exhibition space, 21 meeting rooms, 9,230 square feet of pre-function/registration space and 1,605 parking spaces. Major expansions were undertaken in 1993 and 1997, adding South Hall, two level concourses and Kentia Hall. In total, the LACC has 720,000 square feet of exhibit space, 64 meeting rooms (150,000 square feet), and on-site parking for 5,475 cars. A three-acre landscaped open space, Gilbert Lindsay Plaza, is located in front of West Hall of the Facility. Complete support facilities include lobbies and registration areas, pre-function space, show offices, restaurants and food facilities, extensive truck loading facilities, shuttle bus and taxi access, and other amenities. On October 24, 2023, AEG Management LACC, LLC (AEG-LACC) entered into an agreement with the City to operate and maintain the LACC, including food services, pursuant to a multi-year management and operations agreement. Anschutz Entertainment Group (“AEG”) is the controlling entity of AEG-LACC. In 2019, AEG Facilities, the venue management subsidiary of AEG, and SMG, an Onex Partners portfolio company, merged to create ASM Global. ASM Global operates and maintains the LACC on behalf of AEG-LACC pursuant to [_____]. AEG and Onex Partners have announced an agreement to sell their ownership interests in ASM Global to Legends. Convention solicitation and promotion is primarily the responsibility of the Los Angeles Tourism & Convention Board (“LATCB”), a non-profit 501(c)(6) organization that receives funding from the City. The City’s Los Angeles City Tourism Department (“CTD”) oversees the agreements with AEG-LACC and LATCB. Pursuant to the 2025 Appraisal, the entire LACC site, inclusive of West Hall, is appraised at \$1.210 billion, subject to the assumptions and qualifications as set forth in the 2025 Appraisal.

A number of additional facilities are adjacent to the LACC, including a state-of-the-art sports arena known as the Crypto.com Arena (formerly known as the Staples Center) that is located at Chick Hearn Court and Figueroa Street, the L.A. Live project (“L.A. Live”) located on a 27-acre mixed-use site that provides additional dining, performance and entertainment venues, and a sports broadcasting center, and the L.A. Live parking project, which provides approximately 5,300 parking spaces.

The Property to be leased under the Sublease consists only of West Hall. The Property does not include any other portion of the LACC and or any portion of the Crypto.com Arena or L.A. Live facilities.

Expansion of the LACC

[To be updated]

In 2016, AEG (the Anschutz Entertainment Group) provided correspondence to the City offering to develop a LACC project that would expand the facility while also moving forward on plans to expand the JW Marriott Los Angeles LA LIVE hotel (the “JW Marriott”) via a new hotel tower. The City Council subsequently instructed City staff to work with AEG to investigate options for a partnership to expand the LACC and to negotiate a memorandum of understanding on the JW Marriott expansion. The City’s purpose for expanding and renovating the LACC is to improve the LACC as a major convention facility, thereby bringing more events to the City, promoting tourism to the City, generating more hotel room nights which contribute towards additional General Fund revenue from the transient occupancy tax, and helping spur additional private development of hotel rooms and retail.

The City and AEG identified the LACC expansion and modernization project as one that would result in the expansion of the LACC, with at least 190,000 square feet of additional contiguous exhibit space, 55,000 square feet of additional meeting room space, at least 95,000 square feet of multi-purpose space, and a renovation of Gilbert Lindsay Plaza which supports LACC events.

On December 12, 2018, the City Council approved a series of recommendations to enter into an Exclusive Negotiating Agreement (the “ENA”) with AEG on the LACC expansion and modernization project and to proceed with negotiating a development plan including schematic designs, a financing plan, and a program for the operations and maintenance of the LACC facility. At that time, the LACC expansion and modernization project was contemplated as a Public-Private Partnership (“P3”) utilizing a design-build-finance-operate-maintain (“DBFOM”) delivery approach. AEG subsequently formed AEG Plenary Conventions Los Angeles LLC (“APCLA”), a joint venture with Plenary Group, an infrastructure development and investment business that specializes in DBFOM P3 projects. The LACC expansion and modernization project experienced significant delays as a result of the COVID-19 pandemic. During this time, the City continued to evaluate suitability of the P3 and DBFOM delivery approach for the LACC expansion and modernization project.

On July 2, 2024, the City Council approved a new series of recommendations to enter into an Early Works Agreement (the “EWA”) with APCLA to continue pre-development of a modified LACC expansion and modernization project under a design-build (“DB”) delivery approach that does not include the JW Marriott hotel tower expansion. The City continues to evaluate the LACC expansion and modernization project and its impacts, especially as the LACC facility will serve as a venue in the 2028 Olympic and Paralympic Games.

RISK FACTORS

The following factors, along with all other information in this Offering Memorandum should be considered by potential investors in evaluating the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. The Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are payable from draws made under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit. Accordingly, the following section does not contain information relating to the ability of the City to make Base Rental payments. In that light, risk factors relating to the financial condition of the City and its ability to make Base Rental payments have not been included herein. The following discussion is not meant to be an exhaustive list of all of the risks associated with a purchase of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes and does not necessarily reflect the relative importance of the various risks.

Expiration of Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit

Upon extension of the Stated Expiration Date of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit on June [], 2025, the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit will expire on June 30, 2028, subject to extension or earlier termination in certain circumstances as described therein. If the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit is not extended or an Alternate Credit Facility is not obtained by the Corporation, Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes cannot be issued with a maturity date less than five days prior to the stated expiration or termination date of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit unless the Corporation shall have arranged for an Alternate Credit Facility with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes pursuant to the terms of the Trust Agreement. There can be no assurance that the Corporation will be able to obtain an extension of the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit or an Alternate Credit Facility. The Tax-Exempt Series A-1/Taxable Series B-1 Bank is under no obligation to extend the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit beyond its scheduled expiration.

Bank's Obligations Unsecured

The ability of the Tax-Exempt Series A-1/Taxable Series B-1 Bank to honor draws upon the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit is based solely upon the Tax-Exempt Series A-1/Taxable Series B-1 Bank's general credit and is not collateralized or otherwise guaranteed by the United States of America or any agency or instrumentality thereof. No provision has been made for replacement of or substitution for the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit in the event of any deterioration in the financial condition of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. Neither the Corporation nor the Tax-Exempt Series A-1/Taxable Series B-1 Bank assumes any liability to any purchaser of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes as a result of any deterioration of the financial condition of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. Upon any insolvency of the Tax-Exempt Series A-1/Taxable Series B-1 Bank, any claim by the Trustee against the Tax-Exempt Series A-1/Taxable Series B-1 Bank would be subject to bank receivership proceedings.

General Factors Affecting the Tax-Exempt Series A-1/Taxable Series B-1 Bank

The Tax-Exempt Series A-1/Taxable Series B-1 Bank is subject to regulation and supervision by various regulatory bodies. New regulations could impose restrictions upon the Tax-Exempt Series A-1/Taxable Series B-1 Bank which would restrict its ability to respond to competitive pressures. Various legislative or regulatory changes could dramatically impact the banking industry as a whole and the Tax-Exempt Series A-1/Taxable Series B-1 Bank specifically. The banking industry is highly

competitive in many of the markets in which the Tax-Exempt Series A-1/Taxable Series B-1 Bank operates. Such competition directly impacts the financial performance of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. Any significant increase in such competition could adversely impact the Tax-Exempt Series A-1/Taxable Series B-1 Bank.

Prospective purchasers of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes should evaluate the financial strength of the Tax-Exempt Series A-1/Taxable Series B-1 Bank based upon the information contained and referred to herein under the caption "LETTER OF CREDIT BANK" and other information available upon request from the Tax-Exempt Series A-1/Taxable Series B-1 Bank and should not rely upon any governmental supervision by any regulatory entity.

Limited Obligations of the City

The investment decision to purchase the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes should be made solely on the basis of the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank, rather than the City. Prospective investors should not rely on any source other than proceeds of drawings under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit to pay the principal and actual interest accrued on Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. If, for any reason, the Tax-Exempt Series A-1/Taxable Series B-1 Bank fails to honor a properly presented and conforming drawing under the Tax-Exempt Series A-1/Taxable Series B-1 Letter of Credit, the principal and actual interest accrued on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may not be paid when due, and the City would have no obligation to make any payments with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes apart from the City's obligation to make Base Rental payments as and when due, as more particularly described herein. The ratings assigned to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are based on the creditworthiness of the Tax-Exempt Series A-1/Taxable Series B-1 Bank. See "RATINGS" herein.

Provided that in no circumstances shall the City be required to pay during any Base Rental Period amounts (exclusive of Additional Rental) in excess of aggregate Maximum Base Rental for all Components for such Base Rental Period, the City has covenanted to include all Minimum Required Rental Payments, Additional Rental and Minimum Supplemental Rental Payments due under the Sublease in each Fiscal Year in its annual budget and to make the necessary annual appropriations for all Minimum Required Rental Payments, Additional Rental, and Minimum Supplemental Rental Payments, subject to the abatement provisions of the Sublease. **THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THE SUBLEASE, NEITHER THE NOTES NOR THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.**

Abatement

Except to the extent of (a) available amounts held by the Trustee in the Base Rental Account or the Issuing and Paying Agent in the Base Rental Payment Subaccounts or the Bank Reimbursement Subaccounts, (b) amounts, if any, received in respect of rental interruption insurance with respect to any Component, and (c) amounts, if any, otherwise legally available to the City for payments in respect of the Sublease or to the Issuing and Paying Agent for payments in respect of the Notes, Rental Payments due under the Sublease shall be subject to abatement during any period in which, by reason of material damage, destruction or condemnation of any Component, or defects in title to any Component, there is substantial

interference with the use, occupancy or possession of any Component by the City, and the resulting Rental Payments (and such other funds) may not be sufficient to pay all of the remaining principal of and interest on the Commercial Paper Notes. See “SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES—Rental Abatement.”

No Limitation on Incurring Additional Obligations

Neither the Sublease nor the Trust Agreement contains any legal limitations on the ability of the City to enter into other obligations that may constitute additional charges against its General Fund revenues. To the extent that the City incurs additional obligations, the funds available to make Rental Payments may be decreased. The City is currently liable on other obligations payable from General Fund revenues and is currently contemplating entering into other such obligations.

Earthquake and Seismic Conditions

The City is subject to unpredictable and significant seismic activity. A number of known faults run through the City, and the City lies near the San Andreas Fault, which is the boundary between the Pacific and North American tectonic plates. The complex Los Angeles fault system interacts with the alluvial soils and other geologic conditions in the hills and basins. This interaction appears to pose a potential seismic threat for every part of the City, regardless of the underlying geologic and soils conditions. In addition, there are likely to be unmapped faults throughout the City. The most recent major earthquake, the Northridge earthquake in 1994, occurred along a previously unmapped blind thrust fault.

It is probable that a major earthquake will occur during the Sublease Term. A major earthquake could cause widespread destruction and significant loss of life in a populated area such as the City. If an earthquake were to substantially damage or destroy taxable property within the City, a reduction in taxable values of property in the City and a reduction in revenues available to the General Fund to make Rental Payments would be likely to occur.

Seismic activity may also affect the use and occupancy of the Property. The City generally does not maintain earthquake insurance coverage against loss or damage to City property. Instead, the City relies on its general reserves as well as the expectation that some disaster relief funds, which could be minimal amounts in comparison to the losses, will be available from the Federal Emergency Management Agency (“FEMA”) to address any resulting damage from seismic activity. The City has received a waiver from the requirement under federal law that it acquire earthquake insurance on facilities that were the beneficiaries of prior FEMA grants. There is no assurance that, in the event of an earthquake, sufficient City reserves or FEMA assistance would be available for the repair or replacement of any Component. The Sublease only requires the City to maintain earthquake insurance in an amount equal to the maximum probable loss of all Components of the Property, as determined by the City’s Risk Manager, unless, based upon the written recommendation of the City’s Risk Manager annually filed by the City with the Trustee, it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies and the City’s Risk Manager has recommended that it is not obtainable in reasonable amounts at reasonable cost on the open market from reputable insurance companies, and therefore, the City does not intend to purchase such insurance coverage during the Sublease Term. The City does not have commercial property insurance coverage for damage caused by earthquake. Thus in the event of damage to any Component caused by earthquake resulting in an abatement of Rental Payments, no rental interruption or use and occupancy insurance proceeds will be available.

Constitutional and Statutory Limitations on Increase of Revenues

Article XIII A (Limitation on *Ad Valorem* Tax), Article XIII B (Government Spending Limitation), Article XIII C (Voter Approval for Local Tax Levies) and Article XIII D (Assessment and Property Related Fee Reform) of the Constitution of the State of California were each adopted as measures that qualified for the ballot pursuant to California's initiative process. From time to time, other initiative measures may be adopted, which may affect the City's revenues and its ability to expend said revenues. The above mentioned measures and any future measures could restrict the City's ability to raise additional funds for its General Fund.

Limitations on Default Remedies

In the event of nonpayment by the City of the Rental Payments, or other default by the City under the Sublease, the enforcement of any remedies provided in the Trust Agreement and in the Sublease by or on behalf of Owners of the Commercial Paper Notes could prove expensive and time consuming, or legally impeded. For example, the Trust Agreement and the Sublease provide that if there is a default by the City under the Sublease the Trustee may terminate the Sublease and re-let the Property, but such Property may not be easily re-leased and any re-letting of the Property could result in lease payments that would be substantially less than the Rental Payments payable by the City under the Sublease. Furthermore, due to the essential nature of the governmental function of the Components, it is not certain whether a court would permit the exercise of the remedies of repossession and re-letting with respect to any or all of the Property. The Trustee may exercise any and all remedies available pursuant to law or the Sublease, but the Sublease provides that there shall be no right under any circumstances to accelerate the Rental Payments not then in default to be immediately due and payable.

Bankruptcy

A bankruptcy petition may be filed by the City or the Corporation. In particular, the City may file a petition under Chapter 9 ("Chapter 9") of Title 11 of the United States Code (the "Bankruptcy Code"), provided that it complies with requirements of Section 53760 et seq. of the Government Code of the State. Under the Government Code, a local public entity, including the City, is prohibited from filing under the Bankruptcy Code unless it has participated in a specified neutral evaluation process with interested parties, as defined, or it has declared a fiscal emergency and has adopted a resolution by a majority vote of the governing board at a noticed public hearing that includes findings that the financial state of the local public entity jeopardizes the health, safety, or well-being of the residents of the local public entity's jurisdiction or service area absent bankruptcy protections.

If the City were to become a municipal debtor under Chapter 9 of the Bankruptcy Code, the City would be entitled to all of the protections afforded a municipal debtor under the Bankruptcy Code, and an Owner of a Commercial Paper Note would be treated as a creditor. Possible adverse effects of a municipal bankruptcy include, but are not limited to: (a) the application of the automatic stay provisions of the Bankruptcy Code which, absent court approval, generally prohibit the commencement of any judicial or other action in non-bankruptcy court to recover a pre-petition claim against the City, any act to collect on a pre-petition claim, or any act to obtain possession of the municipal debtor's property; (b) the avoidance of preferential transfers occurring during the relevant period prior to the commencement of the bankruptcy case; (c) the existence of secured and/or unsecured creditors with allowed claims that may have priority over any claims of Owners of Commercial Paper Notes; and (d) the possibility of the bankruptcy court's confirmation of a plan of adjustment of the City's debts, which may restructure, delay, compromise or reduce the amount of the claim of the Owners. As a result of the commencement of a bankruptcy case by either the City or the Corporation, Owners of the Commercial Paper Notes could experience delays in receiving payments of principal of and interest on the Commercial Paper Notes, as well as partial or total

losses of their investments in the Commercial Paper Notes. In addition, under the Bankruptcy Code, certain provisions of the Sublease that are based on the bankruptcy, insolvency or financial condition of the City may be rendered unenforceable.

Under the Trust Agreement, the Trustee, on behalf of the Owners of the Commercial Paper Notes and the Banks, has a security interest in the Pledged Property, including Base Rental, but such security interest arises only when and as received by the Corporation and deposited with the Trustee following payment by the City. The Property is not subject to a security interest, mortgage or any other lien in favor of the Trustee for the benefit of the Owners of the Commercial Paper Notes and the Banks. In the event a bankruptcy court determines that the Sublease is an unexpired lease for purposes of the Bankruptcy Code, certain provisions of the Bankruptcy Code could impact the rights and remedies of the parties, and would allow the City to reject the Sublease, which would give rise to the Trustee's unsecured claim for unpaid rent, affect the enforceability of certain provisions of the Sublease, and have an adverse effect on the liquidity and market value of the Commercial Paper Notes.

The various legal opinions to be delivered concurrently with the Commercial Paper Notes (including Note Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by general principles of equity applied in the exercise of judicial discretion.

Insurance

The Property is subject to a variety of risks of loss. Certain of these risks are described in "Environmental Concerns" below. The City directly assumes certain insurable risks without procuring commercial insurance policies. The City administers, adjusts, settles, defends and pays claims from budgeted resources. It is self-insured for workers' compensation as permitted under State law. Funds are budgeted annually to provide for claims and other liabilities based both on the City's historical record of payments and an evaluation of known or anticipated claims. See "SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES - Insurance" above. The Sublease permits the insurance requirements therein (other than rental interruption insurance) to be satisfied by a combination of commercial insurance and a program of self-insurance or alternative risk management approved as reasonable and appropriate by the City's Risk Manager. See "SECURITY AND SOURCES OF PAYMENT FOR THE COMMERCIAL PAPER NOTES — Insurance" above. The City currently intends to satisfy its insurance obligations under the Sublease with commercial insurance. The Sublease does not require the City to insure or self-insure against every potential risk of loss and there is a risk that damage or destruction of the Property could occur for which no insurance or City funds will be available. Such insurance does not cover, for example, acts of terrorism or certain other casualties. For example, the Property could be damaged or destroyed due to earthquake or other casualty for which the Property is uninsured. Under such circumstances, an abatement of Rental Payments could occur and could continue indefinitely.

There can be no assurance that the insurance providers will pay claims under the respective policies promptly or at all, should a claim be made by the City in connection with loss or damage to a Component under such policies. It is possible that an insurance provider will refuse to pay a claim, especially if it is substantial, and force the City to sue to collect on or settle the insurance claim. Further, there can be no assurances that amounts received as proceeds from insurance will be sufficient to pay and retire Notes Outstanding and to pay other amounts owing to the Banks as required by the Trust Agreement. The City believes that the insurance arrangements provided in the Sublease will be adequate to reasonably protect the City from the various liabilities that arise from use of the Property and to provide for the payment of Rental Payments in the event that the City loses beneficial use of the Property due to risks for which fire

and extended coverage insurance has been obtained. However, no assurance can be given that such insurance arrangements will cover all events causing damage or will be adequate to cover the payment of Rental Payments in all circumstances.

Eminent Domain

If any Component, or any portion thereof, shall be taken under the power of eminent domain, there can be no assurance that condemnation proceeds will be available promptly or that the resulting Base Rental payments on the unaffected portions of the Property payable pursuant to the Sublease in any Base Rental Period following the application of such amounts will be sufficient to pay the principal of and interest on the Commercial Paper Notes as and when due.

Environmental Concerns

Owners or operators of real property may be required by law to remedy conditions of a property relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response Compensation and Liability Act of 1980 or the “Superfund Act” is the most widely applicable of these laws, but California laws with regard to hazardous substances are also stringent. Under many of these laws, the owner or operator is obligated to remedy a hazardous substance condition on the property whether or not the owner or operator created the hazardous substance condition.

Loss of Tax Exemption

As discussed under the heading “TAX MATTERS,” certain acts or omissions of the City in violation of its covenants in the Trust Agreement, the Sublease and a Tax Certificate relating to the Series A Commercial Paper Notes could result in the interest on the Series A Commercial Paper Notes being includable in gross income for purposes of federal income taxation retroactive to the date of issuance of the Series A Commercial Paper Notes. Should such an event of taxability occur, the Series A Commercial Paper Notes would not be subject to a special prepayment and would remain Outstanding until maturity.

No Liability of Corporation to the Owners

Except as expressly provided in the Trust Agreement, the Corporation will not have any obligation or liability to the Owners of the Commercial Paper Notes with respect to the payment when due of the Rental Payments by the City, or with respect to the performance by the City of other agreements and covenants required to be performed by it contained in the Sublease or the Trust Agreement, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained in the Trust Agreement.

MUNICIPAL IMPROVEMENT CORPORATION OF LOS ANGELES

The Municipal Improvement Corporation of Los Angeles is a nonprofit public benefit corporation duly organized and existing under the laws of the State of California (Title 1, Division 2, Part 2 of the California Corporations Code) for the purpose of providing financial or other assistance to the City by, among other things, financing, acquiring, constructing, improving, leasing and developing certain equipment, improvements and making any part or all of any such real or personal property, or improvements, available to or for the benefit of the public, the City or any one or more departments, commissions or agencies of the City. The Corporation was formed at the request of the City in 1984. The Corporation is governed by a five-member Board of Directors (the “MICLA Board”). MICLA Board members were initially appointed by the Mayor in 1984. Appointments to fill subsequent vacancies are made by the MICLA Board, subject to City Council approval. The MICLA Board members do not receive compensation. The City indemnifies MICLA Board members for any liabilities occurring in connection with the performance of their duties.

CITY OF LOS ANGELES

The City was founded in 1781. The original Charter of the City was adopted in 1850, and most recently amended in 1999, with an effective date of July 1, 2000. The City had an estimated 2023 population of approximately 3.8 million persons. With an area of 470 square miles, the City is located in the southern part of the State of California and is the principal city of a metropolitan region stretching from the City of Ventura to the north, the City of San Clemente to the south, the City of San Bernardino to the east, and the Pacific Ocean to the west.

The governing body of the City consists of a Mayor and City Council, comprised of fifteen members. The Mayor is elected at-large for a four-year term. As executive officer of the City, the Mayor has the overall responsibility for administration of the City. The Mayor recommends and submits the annual budget to the Council and passes upon subsequent appropriations and transfers, approves or vetoes ordinances, and appoints certain City officials and commissioners. The Mayor supervises the administrative process of local government and works with the Council in matters relating to legislation, budget, and finance. The Mayor operates an executive department, of which he is the ex-officio head. The City Council, the legislative body of the City, is a full-time council. The City Council enacts ordinances subject to the approval of the Mayor and may override the veto of the Mayor by a two-thirds vote. The City Council orders elections, levies taxes, approves utility rates, authorizes public improvements, approves contracts, adopts zoning and other land use controls, and adopts traffic regulations. The City Council adopts or modifies the budget proposed by the Mayor. The City Council consists of 15 members elected by district for staggered four-year terms. The Charter of the City provides for an independently elected City Attorney and independently elected City Controller, both elected for four-year terms. The City Attorney is attorney and legal advisor to the City and to all City boards, departments, officers, and entities, and prosecutes misdemeanors and violations of the Charter and City ordinances. The Controller is the chief accounting officer for the City.

The City provides a full range of governmental services, which include police; fire and paramedics; residential refuse collection and disposal, wastewater collection and treatment, street maintenance, traffic management, storm water pollution abatement, and other public works functions; enforcement of ordinances and statutes relating to building safety; public libraries; recreation and parks and cultural events; community development; housing and aging services; and planning. The City also operates and maintains the water and power utilities, harbor and airport, all served by proprietary departments within the City.

THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS DOES NOT CONSTITUTE AN OBLIGATION OF THE CITY FOR WHICH THE CITY IS OBLIGATED TO LEVY

OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE CITY HAS LEVIED OR PLEDGED ANY FORM OF TAXATION. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THE SUBLEASE, NEITHER THE NOTES NOR THE OBLIGATION OF THE CITY TO MAKE RENTAL PAYMENTS CONSTITUTES AN INDEBTEDNESS OF THE CITY WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION.

TAX MATTERS

Tax-Exempt Series A-1 Commercial Paper Notes (Federally Tax-Exempt)

Federal Income Taxes. The Internal Revenue Code of 1986, as amended (the “Code”), imposes certain requirements that must be met subsequent to the issuance and delivery of the Tax-Exempt Series A-1 Commercial Paper Notes for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Tax-Exempt Series A-1 Commercial Paper Notes to be included in gross income for federal income tax purposes retroactive to the date of issue of the Tax-Exempt Series A-1 Commercial Paper Notes. Pursuant to the Trust Agreement and the Tax Certificate, the Corporation has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Tax-Exempt Series A-1 Commercial Paper Notes from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the Corporation has made certain representations and certifications in the Issuing and Payment Agent Agreement and the Tax Certificate. Special Tax Counsel will not independently verify the accuracy of those representations and certifications.

In the opinion of Special Tax Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the Corporation described above, interest on the Tax-Exempt Series A-1 Commercial Paper Notes is excluded from gross income for federal income tax purposes under Section 103 of the Code. Special Tax Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

Ancillary Tax Matters. Ownership of the Tax-Exempt Series A-1 Commercial Paper Notes may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to

claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Tax-Exempt Series A-1 Commercial Paper Notes. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Tax-Exempt Series A-1 Commercial Paper Notes is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. In addition, interest on the Tax-Exempt Series A-1 Commercial Paper Notes may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Special Tax Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinion attached as Appendix B-1 which will be delivered from time to time upon the issuance of Tax-Exempt Series A-1 Commercial Paper Notes. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Tax-Exempt Series A-1 Commercial Paper Notes, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events. Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Tax-Exempt Series A-1 Commercial Paper Notes for federal or state income tax purposes, and thus on the value or marketability of the Tax-Exempt Series A-1 Commercial Paper Notes. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Tax-Exempt Series A-1 Commercial Paper Notes from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Tax-Exempt Series A-1 Commercial Paper Notes may occur. Prospective purchasers of the Tax-Exempt Series A-1 Commercial Paper Notes should consult their own tax advisors regarding the impact of any change in law on the Tax-Exempt Series A-1 Commercial Paper Notes.

Special Tax Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Tax-Exempt Series A-1 Commercial Paper Notes may affect the tax status of interest on the Tax-Exempt Series A-1 Commercial Paper Notes. Special Tax Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Tax-Exempt Series A-1 Commercial Paper Notes, or the interest thereon, if any action is taken with respect to the Tax-Exempt Series A-1 Commercial Paper Notes or the proceeds thereof upon the advice or approval of other counsel.

The opinion of Special Tax Counsel described herein shall be deemed in effect on each Business Day during which a Tax-Exempt Series A-1 Commercial Paper Note is outstanding to the extent that (i) such Tax-Exempt Series A-1 Commercial Paper Note is issued pursuant to a Tax Certificate, (ii) there is no change in applicable existing State or federal law, (iii) the Trust Agreement, in the form in effect on the date of such opinion, remains in full force and effect and has not been materially amended or supplemented, (iv) the representations and covenants of the parties contained in the Trust Agreement, the Issuing and Paying Agent Agreement, the Dealer Agreement, the Tax Certificate and other documents pertaining to the Tax-Exempt Series A-1 Commercial Paper Notes, and certain certificates dated the date of an opinion of Special Tax Counsel and delivered by authorized officers of the Corporation and the City remain true and accurate and are complied with in all material respects, (v) no litigation affecting the issuance or validity of the Tax-Exempt Series A-1 Commercial Paper Notes is pending at the time of delivery of any such Tax-

Exempt Series A-1 Commercial Paper Notes and (vi) Nixon Peabody LLP continues to serve as Special Tax Counsel to the Corporation in connection with the issuance of such Tax-Exempt Series A-1 Commercial Paper Notes. Special Tax Counsel undertakes no obligation to determine, at any time, whether the conditions described in (i) through (vi) of the preceding sentences have been met.

Taxable Series B-1 Commercial Paper Notes (Federally Taxable)

The following is a summary of certain anticipated United States federal income tax consequences of the purchase, ownership and disposition of the Taxable Series B-1 Commercial Paper Notes. The summary is based upon the provisions of the Code, the regulations promulgated thereunder and the judicial and administrative rulings and decisions now in effect, all of which are subject to change. The summary generally addresses the Taxable Series B-1 Commercial Paper Notes held as capital assets within the meaning of Section 1221 of the Code and does not purport to address all aspects of federal income taxation that may affect particular investors in light of their individual circumstances or certain types of investors subject to special treatment under the federal income tax laws, including but not limited to financial institutions, insurance companies, dealers in securities or currencies, persons holding such Taxable Series B-1 Commercial Paper Notes as a hedge against currency risks or as a position in a “straddle,” “hedge,” “constructive sale transaction” or “conversion transaction” for tax purposes, or persons whose functional currency is not the United States dollar. It also does not deal with holders other than original purchasers except where otherwise specifically noted. Potential purchasers of the Taxable Series B-1 Commercial Paper Notes should consult their own tax advisors in determining the federal, state or local tax consequences to them of the purchase, holding and disposition of the Taxable Series B-1 Commercial Paper Notes.

Generally. Interest on the Taxable Series B-1 Commercial Paper Notes is not excluded from gross income for federal income tax purposes under Section 103 of the Code and so will be fully subject to federal income taxation.

Purchasers other than those who purchase Taxable Series B-1 Commercial Paper Notes in the initial offering at their principal amounts will be subject to federal income tax accounting rules affecting the timing and/or characterization of payments received with respect to such Taxable Series B-1 Commercial Paper Notes. In general, interest paid on the Taxable Series B-1 Commercial Paper Notes will be treated as ordinary income to a Holder, and after adjustment for the foregoing principal payments will be treated as a return of capital.

Acquisition Discount. Certain Owners who purchase Taxable Series B-1 Commercial Paper Notes at a price resulting in an adjusted basis that is less than the remaining redemption amount of such Taxable Series B-1 Commercial Paper Notes will have acquisition discount that may be included in gross income prior to the final maturity of such Taxable Series B-1 Commercial Paper Notes. Acquisition discount will be treated as accruing ratably or, at the election of the Owner, under a constant yield method based on daily compounding. Purchasers of any Taxable Series B-1 Commercial Paper Notes who acquire such Taxable Series B-1 Commercial Paper Notes at a discount should consult with their own tax advisors with respect to the timing of gross income under applicable federal income tax law and as to the state and local tax consequences of owning such Taxable Series B-1 Commercial Paper Notes.

Note Premium. A purchaser of a Taxable Series B-1 Commercial Paper Note who purchases such Taxable Series B-1 Commercial Paper Note at a cost greater than its remaining redemption amount will have amortizable note premium. If the Owner elects to amortize this premium under Section 171 of the Code (which election will apply to all Taxable Series B-1 Commercial Paper Notes held by the Owner on the first day of the taxable year to which the election applies and to all Taxable Series B-1 Commercial Paper Notes thereafter acquired by the Owner), such an Owner must amortize the premium using constant

yield principles based on the Owner's yield to maturity. Amortizable note premium is generally treated as an offset to interest income, and a reduction in basis is required for amortizable note premium that is applied to reduce interest payments. Purchasers of any Taxable Series B-1 Commercial Paper Notes who acquire such Taxable Series B-1 Commercial Paper Notes at a premium should consult with their own tax advisors with respect to state and local tax consequences of owning such Taxable Series B-1 Commercial Paper Notes.

Sale or Redemption of Taxable Series B-1 Commercial Paper Notes. An Owner's tax basis for a Taxable Series B-1 Commercial Paper Note is the price such owner pays for the Taxable Series B-1 Commercial Paper Note plus the amount of acquisition discount previously included in income and reduced on account of any payments received on such Taxable Series B-1 Commercial Paper Note other than "qualified stated interest" (as defined in the Code and the corresponding regulations) and any amortized note premium. Gain or loss recognized on a sale, exchange or redemption of a Taxable Series B-1 Commercial Paper Note, measured by the difference between the amount realized and the Taxable Series B-1 Commercial Paper Note basis as so adjusted, will generally give rise to capital gain or loss if the Taxable Series B-1 Commercial Paper Note is held as a capital asset.

If the terms of the Taxable Series B-1 Commercial Paper Notes are materially modified, in certain circumstances, a new debt obligation would be deemed created and exchanged for the prior obligation in a taxable transaction. Among the modifications which may be treated as material are those which relate to the redemption provisions and, in the case of a nonrecourse obligation, those which involve the substitution of collateral. The defeasance of the Taxable Series B-1 Commercial Paper Notes may also result in a deemed sale or exchange of such Taxable Series B-1 Commercial Paper Notes under certain circumstances.

Information Reporting and Backup Withholding. An Owner may, under certain circumstances, be subject to "backup withholding" at the applicable rate on, and to information reporting requirements with respect to, payments of principal or interest on, and to proceeds from the sale, exchange or retirement of, Taxable Series B-1 Commercial Paper Notes. This backup withholding generally applies if the owner of a Taxable Series B-1 Commercial Paper Note (a) fails to furnish the Trustee or other payor with its taxpayer identification number; (b) furnishes the Trustee or other payor an incorrect taxpayer identification number; (c) fails to report properly interest, dividends or other "reportable payments" as defined in the Code; or (d) under certain circumstances, fails to provide the Trustee or other payor with a certified statement, signed under penalty of perjury, that the taxpayer identification number provided is its correct number and that the Owner is not subject to backup withholding. Backup withholding will not apply, however, with respect to certain payments made to Owners, including payments to certain exempt recipients (such as certain exempt organizations) and to certain Nonresidents (as defined below). Owners of the Taxable Series B-1 Commercial Paper Notes should consult their tax advisors as to their qualification for exemption from backup withholding and the procedure for obtaining the exemption.

The amount of "reportable payments" for each calendar year and the amount of tax withheld, if any, with respect to payments on the Taxable Series B-1 Commercial Paper Notes will be reported to the Owners and to the IRS.

Nonresident Holders. Under the Code, interest income with respect to Taxable Series B-1 Commercial Paper Notes held by nonresident alien individuals, foreign corporations or other non-United States persons ("Nonresidents") generally will not be subject to United States withholding tax (including backup withholding) if the City (or other person who would otherwise be required to withhold tax from such payments) is provided with an appropriate statement that the beneficial owner of the Taxable Series B-1 Commercial Paper Notes is a Nonresident. Notwithstanding the foregoing, if any such payments are effectively connected with a United States trade or business conducted by a Nonresident Owner, they will

be subject to regular United States income tax, but will ordinarily be exempt from United States withholding tax.

Surtax on Unearned Income. Recently enacted legislation generally imposes a tax of 3.8% on the “net investment income” of certain individuals, trusts and estates for taxable years beginning after December 31, 2012. Among other items, net investment income generally includes gross income from interest and net gain attributable to the disposition of certain property, less certain deductions. U.S. Owners should consult their own tax advisors regarding the possible implications of this legislation in their particular circumstances.

ERISA. The Employees Retirement Income Security Act of 1974, as amended (“ERISA”), and the Code generally prohibit certain transactions between a qualified employee benefit plan under ERISA or tax-qualified retirement plans and individual retirement accounts under the Code (collectively, the “Plans”) and persons who, with respect to a Plan, are fiduciaries or other “parties in interest” within the meaning of ERISA or “disqualified persons” within the meaning of the Code. All fiduciaries of Plans, in consultation with their advisors, should carefully consider the impact of ERISA and the Code on an investment in any Taxable Series B-1 Commercial Paper Notes.

A copy of the proposed form of opinion of Special Tax Counsel to be delivered from time to time upon the issuance of Taxable Series B-1 Commercial Paper Notes is attached hereto as Appendix B-2.

IN ALL EVENTS, ALL INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISORS IN DETERMINING THE FEDERAL, STATE, LOCAL AND OTHER TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE TAX-EXEMPT SERIES A-1 COMMERCIAL PAPER NOTES OR TAXABLE SERIES B-1 COMMERCIAL PAPER NOTES.

Such ratings reflect only the respective views of such organizations, and an explanation of the significance of such ratings may be obtained from the rating agency furnishing the same. There is no assurance that a rating will continue for any given period of time or that a rating will not be revised or withdrawn entirely by any or all of such rating agencies, if, in its or their judgment, circumstances so warrant. Any downward revision or withdrawal of a rating could have an adverse effect on the market prices of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes.

BOOK-ENTRY SYSTEM

The information concerning The Depository Trust Company and DTC's book entry system has been obtained from DTC and the Corporation takes no responsibility for the completeness or accuracy thereof. The Corporation cannot and does not give any assurances that DTC, Direct Participants (as defined herein) or Indirect Participants (as defined herein) will distribute to the Beneficial Owners (as defined herein) (a) payments of principal or interest with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, (b) certificates representing ownership interest in or other confirmation or ownership interest in the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes or (c) redemption or other notices sent to DTC or Cede & Co., its nominee, as the registered owner of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, or that they will so do on a timely basis, or that DTC, Direct Participants or Indirect Participants will act in the manner described herein. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes. The Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly

or indirectly (“Indirect Participants”). DTC has Standard & Poor’s highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes on DTC’s records. The ownership interest of each actual purchaser of each Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, except in the event that use of the book-entry system for the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes is discontinued.

To facilitate subsequent transfers, all Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes, such as defaults, and proposed amendments to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Note documents. For example, Beneficial Owners of Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes may wish to ascertain that the nominee holding the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes unless authorized by a Direct Participant in accordance with DTC’s MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal of and interest on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Corporation or the Issuing and Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Issuing and Paying Agent or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal of and interest on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Issuing and Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

None of the Corporation, the City, the Dealers, the Issuing and Paying Agent or the Tax-Exempt Series A-1/Taxable Series B-1 Bank can give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of principal of and interest on the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes paid to DTC or its nominee, as the registered Owner, or any notice, to the Beneficial Owners or that they will do so on a timely basis or that DTC will serve and act in a manner described in this Offering Memorandum.

DTC may discontinue providing its services as depository with respect to the Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Notes at any time by giving reasonable notice to the Corporation or the Issuing and Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Note certificates are required to be printed and delivered.

The Corporation may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Tax-Exempt Series A-1/Taxable Series B-1 Commercial Paper Note certificates will be printed and delivered to DTC.

In the event that the book-entry system is discontinued as described above, the requirements of the Trust Agreement will continue to apply. The foregoing information concerning DTC and DTC's book-entry system has been obtained from DTC, and none of the Corporation, the City, the Dealers, the Issuing and Paying Agent or the Tax-Exempt Series A-1/Taxable Series B-1 Bank take any responsibility for the accuracy thereof.

RE: Up to \$100,000,000 Municipal Improvement Corporation of Los Angeles Lease Revenue
Commercial Paper Notes (Los Angeles Convention Center), Tax-Exempt Series A-1

Ladies and Gentlemen:

We are acting as Special Tax Counsel in connection with the authorization and issuance from time to time by the Municipal Improvement Corporation of Los Angeles (the “Corporation”) of its Lease Revenue Commercial Paper Notes (Los Angeles Convention Center), Tax-Exempt Series A-1 (the “Tax-Exempt Series A-1 Commercial Paper”). In that connection, we have examined a copy of that certain Amended and Restated Trust Agreement (as amended and supplemented from time to time, the “Trust Agreement”), dated June 1, 2019, by and among the Corporation, the City of Los Angeles (the “City”) and U.S. Bank National Association, as trustee (the “Trustee”), a form of Tax and Nonarbitrage Certificate for the Tax-Exempt Series A-1 Commercial Papers (a “Tax Certificate”) to be executed by the Corporation and the City from time to time and such other documents, records, agreements and certificates as we have considered necessary or appropriate for us to render these opinions. We have also made such other investigations of fact and law as we have deemed necessary. We have, with your approval, assumed the genuineness of signatures (other than those of the City and the Corporation) and that all items submitted to us as originals are authentic and that all items submitted as copies conform to the originals. In rendering the opinions herein, we have assumed the accuracy of the approving opinion of Hawkins Delafield & Wood LLP, Note Counsel to the Corporation and the City, relating to the validity of the Tax-Exempt Series A-1 Commercial Papers. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

Pursuant to the Trust Agreement, the Corporation will issue from time to time, on behalf of the City, Tax-Exempt Series A-1 Commercial Paper Notes (each a “Tax-Exempt Series A-1 Commercial Paper Notes – Initial Draw”). The City and the Corporation may issue additional Tax-Exempt Series A-1 Commercial Paper Notes within 18 months of the date of each Tax-Exempt Series A-1 Commercial Paper Notes – Initial Draw which are treated together with such Tax-Exempt Series A-1 Commercial Paper Notes – Initial Draw as one issue of obligations for federal income tax purposes. The Tax-Exempt Series A-1 Commercial Paper Notes issued on the date hereof and which are addressed in this opinion constitutes a Tax-Exempt Series A-1 Commercial Paper Notes – Initial Draw and is referred to as “Tax-Exempt Series A-1 Commercial Paper Notes Issue [].”

As Special Tax Counsel, we have examined the Trust Agreement and the Tax and Nonarbitrage Certificate of the Corporation and the City, dated the date hereof (the "Tax Certificate"). In addition, we have relied upon and examined the opinions of counsel to the Corporation, the City and the Trustee, certificates of the Corporation, the City, the Trustee and others, copies, certified to us as being true and complete, of the proceedings of the City and of the Corporation for the authorization and issuance of the Tax-Exempt Series A-1 Commercial Paper Notes Issue [], and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein, although in doing so, we have not undertaken to verify independently the accuracy of the factual matters represented, warranted or certified therein, and we have assumed the genuineness of all signatures thereto.

We have, with your approval, assumed that all items submitted to us as originals are authentic and that all items submitted as copies conform to the originals.

On the basis of such examination, our reliance upon the assumptions contained herein and our consideration of such questions of law as we considered relevant, and subject to the limitations and qualifications in this opinion, we are of the opinion that:

1. The Internal Revenue Code of 1986 (the "Code") sets forth certain requirements that must be met subsequent to the issuance and delivery of the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] to be included in gross income for federal income tax purposes retroactive to the date of issue of the Tax-Exempt Series A-1 Commercial Paper Notes Issue []. Pursuant to the Trust Agreement and the Tax Certificate, the City and the Corporation have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] from gross income for federal income tax purposes pursuant to Section 103 of the Code. In addition, the City and the Corporation have made certain additional covenants, representations and certifications in the Trust Agreement and the Tax Certificate. We have not independently verified compliance with such covenants or the accuracy of those representations and certifications.

Under existing law, assuming compliance with the above-mentioned tax covenants and the accuracy of the above-mentioned representations and certifications, we are of the opinion that interest on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] is excluded from gross income for federal income tax purposes under Section 103 of the Code. We are also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code.

2. We are further of the opinion that the interest on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] is exempt from personal income taxes of the State of California under present state law.

Except as stated in paragraphs 1 and 2 above, we express no opinion as to any other federal, state or local tax consequences of the ownership or disposition of the Tax-Exempt Series A-1 Commercial Paper Notes Issue []. Furthermore, we express no opinion as to any federal, state or local tax law consequences with respect to the Tax-Exempt Series A-1 Commercial Paper Notes Issue [], or the interest thereon, if any action is taken with respect to the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] or the proceeds thereof upon the advice or approval of other counsel.

In rendering the opinions set forth in paragraphs 1 and 2 above, we are relying upon representations and covenants of the City and the Corporation in the Tax Certificate concerning the investment and use of Tax-Exempt Series A-1 Commercial Paper Notes Issue [] proceeds, the rebate to the federal government of

certain earnings thereon, and the use of the property and facilities financed and refinanced with the proceeds of the Tax-Exempt Series A-1 Commercial Paper Notes Issue []. In addition, we have assumed that all such representations are true and correct and that the City and the Corporation will comply with such covenants. We express no opinion with respect to the exclusion of the interest on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] from gross income under Section 103(a) of the Code in the event that any of such representations are untrue or the City or Corporation fails to comply with such covenants, unless such failure to comply is based on our advice or opinion.

No opinion is expressed herein on the accuracy, completeness or sufficiency of the Offering Memorandum, dated June 13, 2022 or other offering material relating to the Tax-Exempt Series A-1 Commercial Paper Notes. This opinion is expressly limited to the matters set forth above and we render no opinion, whether by implication or otherwise, as to any other matters. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances which may hereafter come to our attention or any changes in laws which may hereafter occur.

We call attention to the fact that the opinions expressed herein and the exclusion of interest due on the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] from gross income for federal income tax purposes may be affected by actions taken or omitted or events occurring or failing to occur after the date hereof. We have not undertaken to determine, or inform any person, whether any such actions are taken, omitted, occur or fail to occur.

You may rely on this opinion as the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] are, from time to time, issued after the date hereof to the extent that (i) the Tax-Exempt Series A-1 Commercial Paper Note Issue [] is issued pursuant to a Tax Certificate, (ii) there is no change in applicable existing State or federal law, (iii) the Trust Agreement, in the form in effect on the date of such opinion, remains in full force and effect and has not been materially amended or supplemented, (iv) the representations and covenants of the parties contained in the Trust Agreement, the Issuing and Paying Agent Agreement, the Dealer Agreement, the Tax Certificate and other documents pertaining to the Tax-Exempt Series A-1 Commercial Paper Notes Issue [], and certain certificates dated the date of an opinion of Special Tax Counsel and delivered by authorized officers of the Corporation and City remain true and accurate and are complied with in all material respects, (v) no litigation affecting the issuance or validity of the Tax-Exempt Series A-1 Commercial Paper Notes Issue [] is pending at the time of delivery of any such Tax-Exempt Series A-1 Commercial Paper Notes Issue [] and (vi) Nixon Peabody LLP continues to serve as Special Tax Counsel to the Corporation in connection with the issuance of such Tax-Exempt Series A-1 Commercial Paper Notes Issue []. Special Tax Counsel undertakes no obligation to determine, at any time, whether the conditions described in (i) through (vi) of the preceding sentences have been met.

Respectfully submitted,
