Comments for Public Posting: We are writing on behalf of friends who live adjacent to the unimproved lot, Council File Number 20-1482. Over the course of the past twenty years, we have often visited our friends at their property, and know that they have put a lot of time and energy into the maintenance of this lot. They have cared for the property as if it were their own, and they have spent significant amounts of money on landscaping, cleaning, tree trimming, and other general maintenance issues. If the City vacates the property, we know that our friends will beautify the lot and ensure that it is used for the public good.
