Comments for Public Posting: Dear LA City Council, My name is Kevin Shin and I am a constituent in CD15. As advocates for due process in immigration court, we are writing to urge you to vote “yes” on Agenda Item #19 (Council File 17-0046-S3) and approve the report from the CREIAD Committee. It would ensure that the City contributes to funding legal representation in immigration court through Represent LA (formerly LA Justice Fund) using a merit-blind approach in determining who will be eligible to receive services. It does so by amending the currending Memorandum of Understanding (MOU) for the RepresentLA program to expand the eligible use of City-allocated funds to include both detained and non-detained merits-blind removal defense. The motion was approved on Friday, June 2nd, by the Committee on Civil Rights, Equity, Immigration, Aging and Disability (CREIAD). Therefore, we urge you to ensure this report is approved and that the City provides true due process and universal representation to all individuals caught up in this country’s racist detention and deportation system. Thank you.
