

The California Governor’s Office of Emergency Services (CalOES) is a government program which oversees and coordinates emergency preparedness, response, recovery, and homeland security within the State. The CalOES has authorized \$10 million to reimburse local law enforcement agencies for the overtime costs in support of faith communities through in-person security presence at religious institutions and places of worship amid the ongoing conflict in the Middle East.

The Los Angeles Police Department (LAPD) received 57 applications from religious institutions, places of worship, and religious schools within the City requesting law enforcement security support from the CalOES Local Law Enforcement Agencies Security Support program. The LAPD submitted the applications to CalOES on December 15, 2023, and December 20, 2023.

On December 21, 2023, CalOES informed the LAPD that \$1,086,075.00 was approved for 57 locations in the City through May 31, 2024, for reimbursement through the Local Law Enforcement Agencies Security Support program.

Approval of the reimbursement from the CalOES will allow the LAPD to deploy police officers on overtime in support of the Local Law Enforcement Agencies Security Support program.

I THEREFORE MOVE, that the City Council, subject to the approval of the Mayor:

1. Authorize the Chief of Police, or designee, to retroactively apply for and accept reimbursement from the State’s Office of Emergency Services (CalOES) for the Local Law Enforcement Agencies Security Support program for \$1,086,075.00 for overtime costs in support of faith communities through in-person security presence at religious institutions and places of worship in the City of Los Angeles from January 1, 2024, through May 31, 2024;
2. Authorize the Controller to establish a grant receivable and appropriate \$1,086,075.00 within Police Department Grant Fund No. 339-70 from available cash balance to an appropriation account to be determined for the receipt and disbursement of the CalOES Local Law Enforcement Agencies Security Support program reimbursement funds;
3. Authorize the LAPD to transfer \$1,086,075.00 from Police Department Grant Fund No. 339-70, above appropriation account, to Police Department Fund No. 100-70, Overtime Sworn Account No. 001092, in accordance with the agreement with CalOES;
4. Authorize the Los Angeles Police Department (LAPD) to submit grant reimbursement requests to CalOES and deposit grant receipts in Police Department Grant Fund No. 339-70;
5. Authorize the LAPD to prepare Controller instructions for any technical adjustments, subject to the approval of the City Administrative Officer, and authorize the Controller to implement the instructions.
