The Los Angeles Police Department (LAPD) requests approval to retroactively apply for and accept an award of \$64,307 for the 2024 Off-Highway Motor Vehicle Recreation (OHMVR) Grant – Law Enforcement Program from the State of California, Department of Parks and Recreation, for the grant term of December 1, 2024 through November 30, 2025. The grant requires a 25-percent match that will be fulfilled through expense and salary expenditures within the LAPD’s Off-Road Unit (ORU).

The OHMVR Grant – Law Enforcement Program provides financial assistance to local and federal agencies for the protection of life and property, including natural and cultural resources, related to OHMVR recreation and motorized access to non-motorized recreation, such as hunting, fishing, hiking, and camping sites.

The LAPD has a highly specialized Off-Road Unit (ORU) within the Valley Traffic Division that enforces illegal off-highway vehicle activity throughout the City of Los Angeles. The ORU, consisting of two Police Sergeant Is and 17 Police Officer IIs (Motor Officers), will continue to work in partnership with the Los Angeles Fire Department for search and rescue efforts, public notification, and enforcement on Red Flag days. In addition, joint operations will be conducted with the United States Department of Forestry inside the boundaries of the Angeles National Forest to prevent illegal off-highway vehicle activities and resource damage. The ORU will also partner with utility companies serving the Southern California region through enforcement efforts in hillside areas surrounding electrical power and natural gas infrastructure.

The grant will provide \$55,561.95 in sworn overtime, \$5,245.05 in overtime fringe benefits costs, and \$3,500 for safety equipment. It requires a 25-percent in-kind match, which will be satisfied by utilizing currently budgeted salaries for the Off-Road Unit personnel.
