Council File No. 24-0975

Council District: --

From: Matthew W. Szabo, City Administrative Officer

Reference: Transmittal from the Mayor's Office dated August 23, 2024

Subject: **FISCAL YEAR 2024 URBAN AREAS SECURITY INITIATIVE GRANT  
APPLICATION AND GOVERNING BODY RESOLUTION**

---

### RECOMMENDATIONS

That the Council:

1. Authorize the Mayor's Office of Public Safety to submit the Fiscal Year 2024 Urban Areas Security Initiative (FY 2024 UASI) grant application to the California Governor's Office of Emergency Services (Cal OES) on behalf of the City of Los Angeles and the Los Angeles/Long Beach Urban Area, for the estimated \$49,119,978 allocation;
2. Adopt the Governing Body Resolution provided as Attachment B to this report to designate the City entities that will apply for and manage Federal financial assistance provided by the Department of Homeland Security (DHS) and sub-granted through the State of California; and,
3. Request the Mayor's Office and the City Administrative Officer to report back with the necessary actions to approve and accept the FY 2024 UASI award once applications are evaluated and funding is allocated by the DHS, subject to Mayor and Council approval.

### SUMMARY

The Mayor's Office of Public Safety (Mayor's Office) is providing notification to the City Council of the submission of the Fiscal Year 2024 Urban Areas Security Initiative (FY 2024 UASI) grant with an estimated \$49,119,978 allocation and an anticipated grant period of September 2, 2024 through May 31, 2027. The Mayor's Office also requests authority to adopt the Governing Body Resolution, which is provided as Attachment B to this report. Detailed funding information for specific projects under the FY 2024 UASI grant is unknown at this time and the Mayor's Office will release a separate report once the award notification is received.

The Department of Homeland Security (DHS) issued a solicitation for the FY 2024 UASI grant on April 16, 2024. The DHS awards funds to the State Administrative Agent, which is the Cal OES for the State of California, who in turns disperses the funds to the Urban Areas.

### Application Process

The UASI grant application is developed through collaboration with public safety agencies representing the Los Angeles/Long Beach (LA/LB) Urban Area jurisdiction. The Urban Area Working Group, which is made up of 18 voting representatives from jurisdictions in the Urban Area, sets homeland security objectives, proposes programs to meet those objectives, and presents funding requests to meet each objective. The draft application is then reviewed and ratified by an 11-member Approval Authority, which represents the LA/LB Urban Area jurisdiction and includes four City of Los Angeles representatives. The LA/LB Urban Area Governance Structure is included as Attachment A to this report. The Mayor's Office serves as the administrative and fiscal agent for all UASI awards and submits all grant applications and related documents on behalf of the LA/LB Urban Area jurisdiction.

The primary Investment Justifications (IJs) for the FY 2024 UASI application were developed by the Working Group with concurrence from the Approval Authority, taking into consideration the core capabilities and gaps of the LA/LB Urban Area and based on feedback provided by the Cal OES and the DHS. The IJs are listed below:

### Fiscal Year 2024 Urban Areas Security Initiative Investment Justifications

1. Strengthen interoperable and communications capabilities
2. Strengthen information sharing, collaboration capabilities, and law enforcement investigations
- 2A. Fusion Center/Joint Regional Intelligence Center (JRIC) staff training
3. Protection of critical infrastructure and key resources (limited to commercial airports and seaports)
4. Catastrophic incident planning response and recovery

### Governing Body Resolution

As part of the application, the Cal OES requires the submission of the Governing Body Resolution (GBR), which is included as Attachment B to this report. The GBR authorizes specified Los Angeles City Officials to execute for, and on behalf of the City of Los Angeles, any actions necessary for the purpose of obtaining Federal assistance under FY 2024 UASI. The Mayor's Office will return to the City Council to request authority to accept the grant once the award notification is received from the Cal OES. At that time, detailed information regarding the funding for specific projects under the FY 2024 UASI award will be identified along with the allocations for each jurisdiction within the LA/LB Urban Area.

Recommendation No. 3 of this report also differs from Recommendation No. 3 of the Mayor's transmittal dated August 23, 2024. The Mayor's Office, as the administrator of the FY 2024 UASI grant, will report back with the necessary actions to approve and accept the FY 2024 UASI award once applications are evaluated and funding is allocated by the DHS; and the City Administrative Officer will subsequently report back on the grant award and the allocated funding, as recommended by the Mayor's Office. The Mayor's Office concurs with this revision.

## **FISCAL IMPACT STATEMENT**

Approval of the recommendations in this report will have no additional impact to the General Fund. No matching funds are required of this grant.

## **FINANCIAL POLICIES STATEMENT**

The City's Financial Policies are not applicable to the report recommendations since no funding commitment is being made at this time. Approval of the recommendations in this report will allow the Mayor's Office of Public Safety to submit the Fiscal Year 2024 Urban Areas Security Initiative grant application to the California Governor's Office of Emergency Services (Cal OES).
