Dear PLUM Committee:

City Planning was right to reject the demolition permit for the beautiful and historic B'nai B'rith Lodge at 846 South Union Avenue. It's an architectural treasure that features the priceless tilework of Ernest Batchelder.

It's appalling that the fate of this significant landmark in Jewish and Labor history could be debated in secret by the City Attorney and Catholic Charities. Any such discussions must take place in full public view, in a forum where citizens may participate!

Before you attract additional negative attention to our fair City by encouraging a Mexican/Catholic organization to demolish a Jewish Synagogue, please read the attachment to this message and consider some alternatives.

I. Amend the LA Municipal Code

Amend Section 51.03, Article 16, Chapter IV of the Los Angeles Municipal Code to read as follows:

SEC. 51.03. DISCRIMINATION PROHIBITED

A. No person shall discriminate against another person in ~~private~~ employment, housing, education, government or commerce, because of that person's actual or perceived race, color, ethnicity, creed, age, national origin, religion, citizenship status, gender, gender identity or expression, sexual orientation, disability, medical condition, genetic information, lineage or caste/caste, marital status, source of income, military status, veteran status, or primary language.

II. Restore Haym Salomon Day to Los Angeles

Re-establish January 6 of each year as "Haym Salomon Day," by making Boyle Heights Jewish again, beginning with an annual patriotic parade through Boyle Heights and an interfaith commemorative ceremony in Hollenbeck Park.

An annual day of unity celebrating a Jewish-American Patriot would be a much better look than a destroyed Jewish synagogue in the heart of Los Angeles.

Dear PLUM Committee members and staff,

The B'nai B'rith Lodge at 846 South Union Avenue is important to me. It is important to Los Angeles architecturally, as well as historically since it is where the Teamsters Union was integrated. It is a cherished landmark for Jewish and Labor communities. I am grateful to City Planning staff for refusing to grant the demolition permit, as the building is covered in priceless Batchelder tiles, which I would frequently admire when I worked on 8th Street and attended nearby Otis College of Art and Design. When I shop and dine in the area, I make sure to visit B'nai B'rith Lodge. Dear Councilmember,

We are the Vice President and President of Save Beverly Fairfax, a 501(c)3 non profit corporation representing the Beverly Fairfax National Register Historic district. We ask our honorable councilmembers to vote no on item 3 of the PLUM agenda for Tuesday February 20th, Council File: 23-1407, Catholic Charities of Los Angeles, Inc. v. City of Los Angeles, or to table the item for further study.

The public has not been informed as to what is proposed in the agreement between Catholic Charities and the City, and we are concerned that whatever resolution the City has reached may include the demolition of the B'nai B'rith Lodge/AFL Teamster Hall building at 846 S. Union Avenue, an irreplaceable historical resource.

Along with its stunning Beaux Arts-style architecture, the building, like those in the Beverly Fairfax Historic District, tells the history of the Los Angeles Jewish community. In addition, it tells the history of the work of the Teamsters Union, and the struggles of African-Americans seeking to integrate the Union.

We urge you to read the building's complete history in the Historic Cultural Monument application, which was prohibited by Catholic Charities from being presented to the Cultural Heritage Commission in 2022: <https://bit.ly/SaveBnaiBrithBldg>.

Please vote no, and put a pause to any proposed demolition. There are ample opportunities for Catholic Charities of Los Angeles to implement adaptive reuse for their subsequent development, and we believe the public has the right to know and weigh in on any aspects of this settlement that may jeopardize this important historic resource.

Sincerely,

Nora Wyman, Vice President

Dear LA City Council,

Our friends told us you're voting tomorrow whether to allow the demolition of a landmark building in downtown Los Angeles, the B'nai Brith / union laborers / Jewish meeting bldg containing Batchelder tiles and the design of legendary architects which should be landmarked for Historical preservation.

We are native Angelenos. We are horrified that another one of our cultural landmarks would be destroyed.

There is a parking lot, right next to the B'nai B'rith meeting center, which could be used for the project that is being put forth to you, there is no need to knock down this precious building.

Please do the right thing and table this discussion, until legislators, judges, and legal teams as well as the public can be informed about this frightful idea you are being pressured to vote on so recklessly!

PLUM Committee Members:

I'm asking you to table this agenda item UNTIL AFTER the proposed settlement has been made public, and to hold AT LEAST ONE! OPEN, PUBLIC MEETING - WITH TIME FOR PUBLIC COMMENT - ON GRANTING A DEMOLITION PERMIT (OR NOT) - BEFORE COUNCIL VOTES ON IT.

Please don't vote on this matter before all parties - not least of all - CITIZENS/ CONSTITUENTS! have a chance to review any settlement - AND THEN ALSO provide the opportunity for all voices to be heard - AFTER AN OPPORTUNITY TO REVIEW- the proposed future of this HISTORIC, IRREPLACEABLE LOS ANGELES building inventory gem.

I strongly believe that creating new housing such as the proposed Union Avenue Village - does not require any historic Los Angeles building to be sacrificed by demolition; I believe an existing parking lot or a NON-HISTORIC BUILDING(S) can serve as a BETTER SITE for NEW at-risk youth housing and supportive services. It's my understanding that the 846 South Union Avenue Parcel includes a parking lot; integrating the existing building into a new development could maximize a new development there.

I believe 846 South Union Avenue can be adaptively reused; ideally the CITY OF LOS ANGELES COULD LEAD THE EFFORT FOR PROPOSALS - and - at least genuinely CONSIDER - adaptive reuse options; I believe continuing to hold off for a more eloquent solution - BEFORE JUMPING TO GRANTING A DEMOLITION PERMIT - WILL YIELD A BETTER SOLUTION; THIS MATTER OF PUBLIC INTEREST HASN'T BEEN "AIRED OUT."

Please delay ANY vote on the 846 South Union Ave site UNTIL A MUCH MORE THOROUGH PUBLIC VETTING OF POTENTIAL USES FOR THE EXISTING BUILDING IS PERFORMED HAND-IN-HAND WITH A SEARCH FOR A MORE APPROPRIATE SITE FOR AT RISK AND FOSTER YOUTH HOUSING & SUPPORT SERVICES SITE - and/or consideration of the existing building for adaptive reuse as all or as a part of the youth housing and support center.

Thank you to the City of Los Angeles Planning Department for denying the previous request to demolish this building.

I believe Los Angeles can and must do more to save historic structures such as this. We lose respect in the broader world when we destroy buildings with unique, historic architecture. Many other cities are proud of historic buildings like this that can be adaptively reused and I believe we should be too.

Please TABLE COUNCIL VOTE ON THIS MATTER UNTIL AFTER THE PROPOSED SETTLEMENT HAS BEEN MADE PUBLIC AND AFTER AT LEAST ONE OPEN, PUBLIC MEETING ON GRANTING A DEMOLITION PERMIT (OR NOT) IS HELD.

Thank you for your consideration,

Lawrence Fried

Dear PLUM Committee members and staff,

I care about the historic B'nai B'rith Lodge at 846 South Union Avenue, a landmark for the Jewish and Labor communities where the Teamsters Union was integrated, and thank City Planning staff for refusing to grant the demolition permit. Please table any discussions of a proposed settlement between property owner Catholic Charities and the City Attorney until the agreement is made public, and hold your discussion of potential demolition of this cultural and architectural landmark that is covered in priceless Batchelder tiles in an open forum where citizens can participate.

*Thank you,
Elizabeth Birkenbuel
