Summary: While the Northwest San Pedro Neighborhood Council generally supports the draft Process and Procedures Ordinance, we hereby request that it be amended to include the affected Neighborhood Council in all of the sections regarding required notification. The Neighborhood Councils are currently notified of all proposed development that requires discretionary action and we receive a copy of the plans as they are filed. Our community stakeholders have come to rely on the Neighborhood Councils as a source of information about any construction they see in the community. Notification of The Department of Neighborhood Empowerment should not be seen as a substitute for notification of the affected Neighborhood Council.
