Council File No: 21-1230-S8

Comments for Public Posting: Through the RPO, the City must do more to protect existing RSO units and ensure they are not needlessly targeted and lost through new development. Adopting a 2:1 replacement of RSO units with covenanted affordable units would help ensure our affordable housing supply continues to meaningfully grow. I ask that the members of the City Council take every opportunity to expand equitable access to housing across the City for Angelenos.
