

AD HOC COMMITTEE FOR LA RECOVERY REPORT relative to the suitability of utilizing the Department of Building and Safety's (LADBS) West Los Angeles Office as a centralized permit operation center.

Recommendations for Council action:

1. NOTE and FILE the LADBS report dated February 12, 2025, attached to Council file No. 25-0006-S5, relative to the suitability of utilizing the LADBS's West Los Angeles Office as a centralized permit operation center.
2. INSTRUCT the LADBS to provide the following information to the Emergency Management Department:
  - a. The number of appointments and visitor drop-ins at the West Los Angeles Disaster Recovery Permitting Center
  - b. Number of permits issued for reconstruction
  - c. Average number of days it takes to review initial submissions for reconstruction projects
3. INSTRUCT the LADBS to notify Homeowners Associations upon the filing of an application for a rebuild.

Fiscal Impact Statement: Not applicable

Community Impact Statement: None submitted

### SUMMARY

At the meeting held on March 24, 2025, your Ad Hoc Committee for LA Recovery considered a LADBS report relative to the suitability of utilizing the LADBS's West Los Angeles Office as a centralized permit operation center.

After an opportunity for public comment was held, the Committee recommended that Council note and file the LADBS report inasmuch as no further Council action is required at this time, and approved two addition instructions introduced by Councilmember Park and seconded by Councilmember McOske, as detailed above, as amended. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

AD HOC COMMITTEE FOR LA RECOVERY
