## **SUPPLEMENTAL REPORT FROM THE LOS ANGELES HOUSING DEPARTMENT REGARDING THE FISCAL YEAR 2024-2025 UNITED TO HOUSE LOS ANGELES (ULA) EXPENDITURE PLAN**

### **SUMMARY**

On September 25, 2024, the Budget, Finance and Innovation Committee continued its consideration of the Fiscal Year (FY) 2024-2025 United to House Los Angeles (ULA) Expenditure Plan, and requested that the Department provide a detailed breakdown of the proposed sub-program allocations, as outlined in the proposed ULA Program Guidelines, submitted on behalf of the ULA Citizen Oversight Committee (COC) and currently pending consideration under CF 23-0038-S8. This report provides a sub-program breakdown of those proposed allocation categories, contingent on City Council and Mayoral approval of the proposed Program Guidelines.

### **PROPOSED SUBPROGRAM ALLOCATIONS**

The ULA measure and ordinance prescribes sub-program allocations for the Homeownership Opportunities, Capacity-Building, and Operating Assistance Program as follows:

- Homeownership Opportunities: Up to 40% of the Program total
- Capacity-Building Program: At least 10% of the Program total
- Operating Assistance Program: At least 50% of the Program total

With respect to the Alternative Models for Permanent Affordable Housing (Alternative Models) Program and the Acquisition & Rehabilitation of Affordable Housing (Acq/Rehab) Program, the proposed ULA Program Guidelines recommend the creation of two sub-programs for each program, with different funding allocations identified each FY. These proposed sub-programs and associated proposed allocations are as follows:

- Alternative Models for Permanent Affordable Housing Program
  - New Construction Sub-Program
    - Allocated at least 60% in FY 2024-2025, at least 70% in FY 2025-2026, and at least 85% in FY 2026-2027
  - Preservation Sub-Program

- Allocated no more than 40% in FY 2024-2025, 30% in FY 2025-2026, and 15% in FY 2026-2027
- Acquisition and Rehabilitation of Affordable Housing Program
  - Small Naturally Occurring Affordable Housing (NOAH) Sub-Program
    - Allocated at least 50% in FY 2024-2025 and at least 60% in FYs 2025-2026 and 2026-2027
  - Preserving Affordability Sub-Program
    - Allocated no more than 50% in FY 2024-2025 and no more than 40% in FYs 2025-2026 and 2026-2027

The ULA Program Guidelines are currently pending consideration by the City Council and have not yet been adopted; therefore, the sub-program allocations provided in this report for the Alternative Models and Acq/Rehab Programs represent draft proposed allocations.

The following table provides a detailed breakdown of these proposed subprogram allocations for Fiscal Years 2024-2025, 2025-2026 and 2026-2027, in line with the proposed ULA Expenditure Plan.
