Comments for Public Posting: My name is (YOUR NAME) and I am a resident of District (XX) I am writing in support of CF # 21-1395-S1 and CF #24-1521 because I am deeply concerned about the impact that living near oil fields and brownfield sites are having on my health and the health of communities across Los Angeles. Living near or on these toxic sites has been directly linked to dangerous chemicals responsible for respiratory illnesses, cancers, and other chronic illnesses. Unregulated development on or near these sites will only worsen a pre-existing public health crisis. The City has the power and the responsibility to act to protect our communities. I urge you to support CF# 21-1395-S1 and CF#24-1521.
