SUMMARY

At its November 16, 2023 meeting, the Board of Recreation and Parks Commissioners (Board) approved a proposed agreement with Holmby Park Lawn Bowling Club (HPLBC) for its non-exclusive use of the lawn bowling greens and community building at Holmby Park, located at 646 Comstock

Avenue, Los Angeles, CA 90024, for the continued operation of public recreational lawn bowling programs and related activities. The term of the proposed agreement is five years upon execution, with one five-year option to renew. A copy of the proposed agreement is included in the Department's transmittal attached to this report.

According to the Holmby Park Lawn Bowling Club's historical records, it has been a fixture at Holmby Park since its founding in 1927. The HPLBC is currently the only recognized lawn bowling club located within the boundaries of the City and one of twenty seven recognized lawn bowling clubs in Southern California. In 2002, the Department rededicated the lawn bowling area to the HPLBC in recognition of its long standing relationship with the City.

The HPLBC operates on Tuesdays, Thursdays, and Saturdays from 10:00 am to 2:00 pm and Wednesday evenings from 6:00 pm to 8:00 pm. The HPLBC offers free lawn bowling lessons for the first hour of operation each day for members of the public; equipment is available for use by all players. Players who wish to become members may join for an annual fee of \$95 dollars. The HPLBC states that membership fees have not increased since 2008.

Since 1955, the Holmby Park Lawn Bowling Club has provided funding for several capital improvement projects at Holmby Park, including to the Community Building's kitchen, women's locker room, and brick patio. Most recently, the HPLBC funded the installation of flood lights, which allow for twilight bowling and added park security. These improvements were financed through private donors and the Marcellus L. Joslyn Lawn Bowling Foundation.

The HPLBC historically paid the Department a quarterly fee in the amount of \$261.00 for use of the bowling greens and community building. Currently, under the Right of Entry Permit No. PD-ROE-126 (ROE), HPLBC pays the Department a Cost Recovery Reimbursement Fee (CRRF) in the amount of \$303.00 per quarter. With the approval of this agreement, HPLBC will continue to pay the CRRF, and in addition, will also pay the Department's Maintenance Division \$2,500.00 annually for supplies necessary to maintain the bowling greens on an annual basis. According to the Department, the \$2,500 fee will be re-evaluated when the agreement is up for renewal in five years, unless there is a need to adjust the amount before the contract expires. The Department retains the right to increase fees if there are policy changes during the term of the agreement.

In accordance with Los Angeles Administrative Code Section 10.5(a), Council approval of the proposed agreement is required because the term exceeds three years. This Office recommends that, prior to the execution of the proposed agreement, the Board of Recreation and Parks Commissioners, or designee: 1) attach the Standard Provisions for City Contracts (Rev. 6/24)[v.1] to the proposed agreement and 2) verify receipt of the Equal Benefits and First Source Hiring Ordinances by Bureau of Contract Administration. This Office has advised the Department of these issues and it has assured compliance. The proposed agreement is subject to review by the City Attorney as to form.

FISCAL IMPACT STATEMENT

The agreement will have no adverse fiscal impact on the RAP General Fund, as the Holmby Park Lawn Bowling Club is a self-sustaining program, and events and activities are funded through HPLBC dues and private donations, at no cost to the Department. Further, HPLBC's payment of Cost Recovery Reimbursement fees will support Departmental maintenance budget for Holmby Park.

FINANCIAL POLICIES STATEMENT

The action recommended in this report complies with the City's Financial Policies as there is no cost to the City associated with the proposed agreement.

SUMMARY

Holmby Park Lawn Bowling Club (HPLBC) has been providing the community with recreational lawn bowling opportunities at Holmby Park for many decades and is currently operating its lawn bowling programs under a Right of Entry Permit No. PD-ROE-126 (ROE), authorizing the non-exclusive use of the Holmby Park lawn bowling greens and community building located at 646 Comstock Avenue, Los Angeles 90024. HPBLC and the RAP wish to create a more formal agreement for the continuation of their lawn bowling programs and activities at Holmby Park, located at 601 Club View Drive, Los Angeles, CA 90024. The proposed Agreement is for an initial term of five (5) years with an option to extend for an additional five (5) years at the discretion of RAP management.

The Club operates Tuesdays, Thursdays, and Saturdays from 10:00am to 2:00pm and Wednesday evenings from 6:00pm to 8:00pm. HPLBC offers free lessons for the first hour of operation each day for any members of the public that are interested in learning the sport of lawn bowling; there is equipment available for use by all players. For those interested players that would like to become members, they can join for an annual fee of ninety-five dollars (\$95.00); HPLBC states that membership fees have not increased since 2008.

According to their historical records, the Holmby Park Lawn Bowling Club (HPLBC) has been a fixture at Holmby Park since its founding in 1927 and is currently the only recognized lawn bowling club located within the boundaries of the City of Los Angeles and one of only twenty seven (27)

recognized lawn bowling clubs in Southern California. During the Club 75th Diamond Jubilee celebration in 2002, RAP rededicated the lawn bowling area to the Club in recognition of their long standing relationship with the City.

Since 1955, the Holmby Park Lawn Bowling Club has made significant contributions by providing the funding for several capital improvement projects at Holmby Park, including improvements to the Community Building's kitchen, women's locker room, and brick patio. Most recently, the HPLBC funded the installation of flood lights, which allow for twilight bowling and added park security. These improvements were all financed through the generosity of private donors and the Marcellus L. Joslyn Lawn Bowling Foundation. The HPLBC had historically paid RAP a quarterly fee in the amount of \$261.00 for use of the bowling greens and community building. Currently under the ROE, HPLBC pays RAP a Cost Recovery Reimbursement Fee (CRRF) in the amount of \$303.00 per quarter. With the approval of this Agreement HPLBC will continue to pay the CRRF, and in addition will also provide the RAP Maintenance Division with annual funds in the amount of \$2,500.00, to pay for the supplies that are necessary to maintain the bowling greens on an annual basis.

ENVIRONMENTAL IMPACT

The proposed Project consists of licensing an existing public facility involving negligible or no expansion of use.

According to the parcel profile report retrieved on September 6, 2023, this area does not reside in a liquefaction, methane or coastal zone so there is no reasonable possibility that the proposed Project may impact on an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of September 6, 2023, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site or any contaminated sites near the Project area (within 500 feet). According to the Caltrans Scenic Highway Map there is no scenic highway located within the vicinity of the proposed Project or within its site. Furthermore, the proposed Project is not located in proximity of a known historical resources and will not cause a substantial adverse change in the significance of any historical resource.

Based in this information, RAP staff recommends that the Board of Recreation and Parks Commissioners (Board) determines that the Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 of California CEQA Guidelines and Article III, Section 1, Class 1(14) of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk upon Board's approval.

FISCAL IMPACT

BOARD REPORT

PG. 4 NO. 23-196

The Agreement will have no adverse fiscal impact on the RAP General Fund, as the Holmby Park Lawn Bowling Club is a self-sustaining program, and events and activities are funded through HPLBC dues and private donations, at no cost to RAP. Further, HPLBC's payment of Cost Recovery Reimbursement fees will support RAP maintenance budget for the Park.

The notice will be sent by receipt delivery addressed as follows: City Administrative Officer, Risk Management, 200 North Main Street, Room 1240, City Hall East, Los Angeles, California 90012, or to such address as CITY may specify by written notice to ORGANIZATION.
- d. ORGANIZATION's failure to procure and maintain the required insurance shall constitute a material breach of this AGREEMENT under which CITY may immediately terminate the AGREEMENT or, at its discretion, pay to procure or renew such insurance to protect CITY's interest; ORGANIZATION agrees to reimburse CITY for all money so paid.
- e. Self-insurance programs and self-insured retention in insurance policies are subject to separate approval by CITY upon review of evidence of ORGANIZATION's financial capacity. Additionally, such programs or retention must provide CITY with an equivalent protection from liability.

EXHIBIT A: Site Map

Holmby Park is located at 601 Club View Drive, Los Angeles, CA 90024. The lawn bowling greens and community building utilized at Holmby Park are depicted below.

EXHIBIT B: Program Description

According to their historical records, Holmby Park Lawn Bowling Club (HPLBC) has continuously and successfully been operating at Holmby Park since 1927. Many notable Angelenos including Walt Disney and local philanthropist and HPLBC President Emeritus Marcellus L. Joslyn have been members of the organization as have many generations of average citizens of all ages and backgrounds. The 130 current members come from 17 different countries and most reside within a 20 mile radius of Holmby Park. The youngest members are in their twenties, others in their fifties, and many others are retired.

Club activities are planned and organized by a seven member Board of Directors. The Club bowling and social calendar is always busy and includes visits to other lawn bowling clubs in Southern California. There are two greens (playing fields) that can accommodate 96 bowlers playing triples (three member teams) at the same time. In September 2002, the Club celebrated their 75th Diamond Jubilee when the City of Los Angeles rededicated lawn bowling facilities in the park to HPLBC.

The Club operates Tuesdays, Thursdays, and Saturdays from 10:00am until 2:00pm and Wednesdays from 6:00pm until 8:00pm. HPLBC welcomes all interested players to join their organization, which has an annual membership fee of ninety-five dollars (\$95.00). Prospective members are encouraged to partake in the free lessons offered by the HPLBC that are held during the first hour of operation each day; the Club has bowl sets for the prospective members to use during lessons. The Club also offers free lessons to the RAP Senior Center participants during normal operating hours. Tournaments are organized during the year and awards are presented to the winners and runners up at the Annual Awards Banquet in early December. Saturday tournaments are hosted regularly in order to accommodate players that cannot come during the week; these tournaments are also used as an opportunity for prospective members to play. Trophies are presented to the three best bowlers of the day at the conclusion of these tournaments.

Lawn bowling is predominantly an amateur sport and is played worldwide, particularly in the United Kingdom, Canada, South Africa, Australia, and New Zealand. The game has its roots in old England, where it has been played since the 13th Century. In 2009 in California, Governor Schwarzenegger declared May, 9, 2009 as 'Lawn Bowls Day' to spread even higher awareness of the game.

Lawn bowling is typically played on well-maintained grass or synthetic turf greens that are 120' square. The whole grassy area is marked into 8 rinks or playing fields allowing each green to have 8 matches played at the same time. The necessary lawn bowling equipment needed is a set of four matching bowls each weighing about 3 pounds and a small white ball called a jack which is provided to all teams that are playing. The object of the game is to roll the bowls as close as possible to the 'jack'. Typically the game is played on teams of three.

(Rev. 05/18)

CITY OF LOS ANGELES
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the

Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A **Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.
