

MOTION

In collaboration with Los Angeles World Airports (LAWA), Lulu's Place Inc., a non-profit, is planning to start construction of a variety of sports and recreation facilities in Areas 1 and 2A of the LAX Northside Campus District, which are areas approved for recreation and open space as part of the LAX Northside Plan Update.

Area 2A is bordered by Cum Laude Avenue and 92nd Street. Cum Laude Avenue, between St. Bernard Street and 92nd Street was previously approved for vacation (VAC-E1401343)(C.F. 18-0736). In light of the vacation of Cum Laude Avenue, a vacation was also initiated for the remnant of 92nd Street between Cum Laude Avenue and Falmouth Avenue (VAC-E1401449) (C.F. 24-0723).

Issuance of a revocable permit is necessary to allow work to commence within the public right-of-way prior to completion of the vacation process for the remnant of 92nd Street and will expedite the development of recreational facilities. Adoption of this Motion does not constitute or imply approval of the vacation.

I THEREFORE MOVE that the Bureau of Engineering be authorized to issue a revocable permit to Lulu's Place Inc., subject to satisfaction of the conditions for issuing such permit, to close, fence, occupy, demolish, excavate and construct in the public right-of-way of the remnant portion of 92nd Street between Cum Laude Avenue and Falmouth Avenue prior to completion of the street vacation request (VAC-E1401449) (C.F. 24-0723) of this area.
