

On June 13, 2023, 25-year-old Noah Martinez was near the 3000 block of Emery Street when he was shot. Despite medical efforts, Mr. Martinez succumbed to his injuries at the scene. The motive for this homicide still remains unclear. Detectives have canvassed for witnesses and additional evidence, but no witnesses have been identified in this case. It is their belief that a monetary reward might provide an incentive for reluctant witnesses to come forward with the objective to solve this murder and provide the family with a sense of justice and closure.

The person or persons responsible for this crime represent an ongoing threat to the safety of the people of Los Angeles; therefore, it is appropriate for the City of Los Angeles to offer a reward for information leading to the identification, apprehension and conviction of the person or persons responsible for the death of Noah Martinez.

I THEREFORE MOVE that by adoption of this Motion, the City Council provide an offer of reward for information leading to the identification, apprehension, and conviction of the person or persons responsible for the death of Noah Martinez on June 13, 2023, and in support thereof, make the following findings pursuant to Division 19, Chapter 12, Article 1 of the Los Angeles Administrative Code:

1. That the death of Noah Martinez was caused by the willful misconduct of one or more persons.
2. That this offer of reward is consistent with and taken for the immediate protection of the public peace, health and safety of local residents, as well as visitors to the City, and is consistent with the need to arrest and convict the person or persons who, because of not being apprehended, could by their actions further terrorize and present a continuing and immediate menace to the rights of persons in the City.
3. That what happened to the victim is an especially disturbing crime and therefore, as a matter of public policy, the City hereby offers a reward as an added inducement for persons to come forward with information leading to the identification, apprehension and conviction of the person or persons responsible for the death of Noah Martinez.
4. That the sum of \$50,000 shall be the aggregate maximum sum of any payment or payments of a City reward in this instance.
5. That the offer of reward shall be in effect for six months from the date of the advertisement of the reward by the City Clerk.

I FURTHER MOVE that the City Clerk be directed to cause notices and/or advertisements to be duly published according to the requirements of Division 19, Chapter 12, Article 1 of the Los Angeles Administrative Code, and to thereby cause the offer of reward to become effective.
