Comments for Public Posting: Estoy escribiendo en apoyo a la moción para evitar la destruccion de viviendas asequibles ,las viviendas que están construyendo no responden a las nesecidades de la comunidad local de Boyle Higts al contrario están desplazando a las personas de bajos ingresos y están destruyendo las viviendas asequibles que actualmente existen y controlan los alquileres ,es impactante ver que no hay parqueadero y ustedes siguen permitiendo los desplazamientos No más demoliciones.

Comments for Public Posting: I support the motion to prohibit demolitions in boyle heights. they are contributing to evictions and displacement in our neighborhood leading to an increase in our houselessness crisis. additionally, the housing being constructed in our neighborhood does not serve the interests of our neighborhood. they are very small and they are very expensive and truly affordable housing is being demolished to replace us with this
