**Comments for Public Posting:** I am here to comment on the multi unit buildings proposed to go in on Wilber. I am adamantly against building these large multi unit structures on RA properties. RA properties are the last glimpse in how the sfv once was and by building these these large buildings and overcrowding the area you're taking that away. You also have schools in that area and the increased traffic and safety will detrimental to the neighborhood. Not to mention the decrease in value for the homeowners and thier surrounding homes. Please leave RA properties open for rural way of life
