Comments for Public Posting: I support the motion to prohibit demolitions in boyle heights. they are contributing to evictions and displacement in our neighborhood leading to an increase in our houselessness crisis. additionally, the housing being constructed in our neighborhood does not serve the interests of our neighborhood. they are very small and they are very expensive and truly affordable housing is being demolished to replace us with this

Comments for Public Posting: I am writing in support of this motion to stop the demolition of affordable housing in Boyle Heights. The housing built as a result of demolitions doesn't meet the needs of the community.
