Recommendations for Council action, as initiated by Motion (Koretz - Krekorian - Bonin):

1. REQUEST the City Attorney, in consultation with the Small Business Commission, to draft a Foodware Accessories Upon Request ordinance that would require restaurants and other food service providers, including virtual restaurants (also known as cloud or ghost kitchens) to provide all disposable foodware accessories, including but not limited to straws, utensils, condiments, napkins etc., only upon the request of the customer, and to require third party food delivery companies and other online platforms for ordering prepared meals to enact an opt-in model for foodware accessories across all digital platforms and applications, using the City's current Disposable Plastic Drinking Straws ordinance as an enforcement model.
2. INSTRUCT the Bureau of Sanitation (BOS) to provide the City Attorney with the assistance it needs in the development of the Foodware Accessories Upon Request ordinance, and components which are needed for its implementation including definitions, applicability, exemptions, timing, enforcement, and any environmental notice requirements.
3. REQUEST the City Attorney, and DIRECT the BOS, and Chief Legislative Analyst (CLA) to report in 30 days, or April 1, 2021, on the status, including an assessment of the requests contained in Motion (Blumenfield - O'Farrell), under Council No. 18-0737.
