

MOTION

Over the coming four months, the California Community Foundation, The Conrad N. Hilton Foundation, and Southern California Grantmakers, would like to support the City's efforts, and offer targeted support to help the City sustain and expedite its progress on homelessness efforts. As the City looks to advance a new strategic work plan for its Homelessness Strategy Committee, there is a need to develop a clear and cohesive map of the City's homelessness operations, across departments. The City could benefit from a robust study of the various data sets its agencies use to gather critical information, and an assessment of the latest best practices from other jurisdictions that could be implemented quickly Citywide. Finally, a complete strategy should also outline a systematic approach to coordination with the County, LAHSA, and other regional entities. The strategy should then be presented to the Council for approval.

To support the City with these critical efforts the aforementioned foundations will offer four months of intensive support from HR&A Advisors, a uniquely qualified and trusted public policy consulting firm consisting of local government operations experts and homelessness response program and policy designers that work inside and outside of government to advance more just and equitable cities.

I THEREFORE MOVE that the Council authorize the City Administrative Officer (CAO) to accept the in-kind consultancy services from the California Community Foundation, the Conrad N. Hilton Foundation, and Southern California Grantmakers to advance a new strategic work plan for the City's Homelessness Strategy Committee.

I FURTHER MOVE that the CAO be authorized to make any correction, clarifications or revisions to the above instructions, including any new instructions, in order to effectuate the intent of this Motion; said corrections/clarifications/changes to be made orally, electronically, or by any other means.
