Summary:

On December 4, 2024, your Transportation Committee considered a Resolution (Lee – Park) relative to establishing oversize vehicle parking restrictions along certain street segments of Saticoy Street, Los Alimos Street, Yolanda Avenue, and Lindley Avenue, in CD 12, as detailed in the Resolution and in Recommendation No. 1 above. According to the Resolution, areas in the North San Fernando Valley are experiencing public safety issues associated with large vehicles that are parked overnight and block travel lanes, thereby creating hazardous conditions. Pursuant to LAMC Section 80.69.4, it is proposed

that the parking of vehicles that are in excess of 22 feet in length or over 84 inches in height, during the hours of 2:00 a.m. to 6:00 a.m., be prohibited along the street segments as detailed in Recommendation No. 1. After consideration and having provided an opportunity for public comment, the Committee recommendation to approve the Resolution failed. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
