

## Communication from Public

**Name:** Andy Hattala

**Date Submitted:** 11/09/2021 10:48 PM

**Council File No:** 21-1039

**Comments for Public Posting:** As climate activist, resident of the Los Angeles area, and Co-Chair of the Climate Reality Project: Los Angeles Chapter (which consists of 1,200+ members), I strongly advocate for the creation of a sustainable municipal solar and storage program. This will catalyze the transition to renewable energy and ensure the feasibility of a Los Angeles powered predominately by it.
