The link below contains a before and after rendering of what the Weddington Property looks like now and what the developer proposes.

This rendering was created using the Gensler maps on Zimas, submitted to the city for this project and is to true scale.

This mega project is inappropriate in size and scope for the neighborhood and does not meet the requirements of a CUP.

We ask that the CUP be denied. My name is Teri Austin with Saveweddington.org and I am an appellant for ENV-2020-1512-EIR - Council File # 23-1101

Saveweddington.org is represented by Jamie Hall of The Channell Law Group.
