

AD HOC COMMITTEE FOR LA RECOVERY REPORT relative to the feasibility of creating a Climate Resilience District to the directly impacted and adjacent areas of the Palisades Fire to facilitate recovery.

Recommendation for Council action, pursuant to Motion (Park – Nazarian, Price):

DIRECT the Economic and Workforce Development Department, in coordination with the Chief Legislative Analysis (CLA), to report in 60 days on the feasibility of creating a Climate Resilience District to the directly impacted and adjacent areas of the Pacific Palisades Fire to facilitate the expeditious recovery. The report should address:

- a. The feasibility and time needed to create a Climate Resilience District
- b. How a Climate Resilience District would stimulate private and public sector investment
- c. What local and regional infrastructure improvements could be funded by a Climate Resilience District
- d. What private development improvements, if any, could be funded by a Climate Resilience District
- e. The feasibility of partnering with the County of Los Angeles in the creation of a Climate Resilience District

Fiscal Impact Statement: Neither the City Administrative Officer nor the CLA has completed a financial analysis of this report.

Community Impact Statement: None submitted
